**ADDENDUM NO. 3
TO
EFFLUENT REUSE PIPELINE AND OUTFALL CASCADE
BID NO. 2021-2022-007**

This Addendum No. 3, consisting of four (4) items is hereby made a part of the Contract Documents to the same extent as though it were originally included therein, and shall supersede anything contained in the Plans and Specifications with which it might conflict. **This Addendum shall be attached to the Index Sheet of the Contract Documents and submitted with the bid. Failure to do so shall result in the bid being deemed non-responsive.**

QUESTIONS

Q1. Referring to the HDPE pipe spec, the plans reference the specs and the specs reference the plans with no clarification on whether to use IPS or DIPS, please clarify?

A1. All diameters are based on DIPS.

Q2. Do you want stainless steel bolts on all fittings?

A2. Yes.

CLARIFICATIONS

1. The City is obtaining easement and railroad permits and contractor will not be responsible for those items. The City will also pay for watchers/flagmen related to railroad work. Contractor will only be responsible for the installation and bore of the line and carrier pipe within the railroad.
2. A Statement of Bidder's Qualifications will be required with this project and is included in Volume I of the specifications.

All other provisions of the Plans and Specifications shall remain in full force and effect.
