II. STAFF COMMENTS AND ANALYSIS

The shade structure covering the playground equipment at Civitan Park was donated to the City of Bartlesville in 2014 by the Civitans. The structure is a 60'x60' steel structure with a fabric canopy. On Friday, May 12, 2023, City staff noticed an excessive amount of movement in one of the columns of the 60x60 shade canopy at Civitan Park. While it was not a particularly windy day, there was a breeze and the structure was making creaking sounds and there was noticeable movement in the southeast column. Upon further inspection, some of the connections on the structure had been compromised with broken or missing bolts and gaps at connections that should have been flush. Staff determined that to be safe the park should be closed to allow for a more in-depth inspection of the structure. In the following weeks, the connections between the columns and footings were exposed and found that the anchor bolts had not been set correctly and the columns were not securely fastened to the footings. Also, the footings were all set at different elevations, varying as much as 6.5 inches. Since the columns had been set directly on the footings, rather than using jack nuts to level the columns, the entire structure was out of plumb which has led to higher stresses on the connections between columns, rafters, and the ridge beam. It is staff's opinion that improper installation of the structure has led to the compromised connections and broken bolts. Staff has also been in coordination with a structural engineer to ensure the proper precautions are being taken. Based upon this information, the only way to fix the problem is to remove the structure, make modifications to the footings, repair damaged structural connections while the structure is on the ground, and then reinstall.

Staff has reached out to three (3) local and regional contractors for quotes to remove and reinstall the shade structure. The work on the footings and repairs to the structure will be done by city staff or via a separate contract, depending upon the final modifications that are still being vetted. Staff received the following quotes.

Bob Chaney Steel Construction (Dewey, OK)	\$15,000.00
Lee Construction (Bartlesville, OK)	\$7,600.00

The third contractor has not furnished a quote at the time of this report.

III. BUDGET IMPACT

There was no funding identified for this project as part of the FY 22-23 capital budget since it is somewhat of an emergency situation that has only come to light in the past month. Staff is recommending utilizing unallocated sales tax funds to cover the cost of the work. Sufficient funding is available in unallocated sales tax at this time. The effect of this work will be reflected in the available remaining unallocated sales tax funds for FY 23-24.

IV. RECOMMENDED ACTION

Staff recommends awarding the short form contract for removing and reinstalling the shade structure at Civitan Park to Lee Construction in the amount of \$7,600.00.

Fifteen (15) days subsequent to the effective date of this Agreement, all members of the bargaining unit desiring payroll deduction of Lodge dues shall individually sign an authorization card, provided by the Lodge and approved by the City, authorizing the stated monthly dues deduction to be made. The payroll deduction may be revoked by the employee by notifying the City in writing. The Lodge shall be notified of any revocation.

ARTICLE 13 REDUCTION IN FORCE

In case City determines in its sole discretion that a reduction in force is necessary or desirable, the following procedures will apply:

- A. The numbers of positions to be reduced will be determined by City.
- B. Temporary and newly hired probationary employees will be the first to be laid off.
- C. In selecting other employees for layoff, employees will be laid off in inverse order of seniority. In determining seniority for the purpose of personnel reduction, only the length of continuous service as a Bartlesville Police Officer, regardless of rank, shall be counted.
- D. The City of Bartlesville will have sole discretion for determining the department organization for the personnel remaining after a reduction in force, including determination of job classifications and ranks based upon duties to be assigned. If demotions are required due to a layoff, the members to be demoted will receive a change in pay as follows:
 - (1) If the member's current salary falls within the salary range for the new position, there will not be a full Step reduction in pay, but the new salary must be based on the hourly rate in the new range that is equal to or closest to their current hourly rate.
 - (2) If the member's current salary is more than the maximum of the new range, the salary will be reduced to the maximum for the new grade. In either case, a new review date of one year from the effective date of the demotion will be established. For such a demotion, the member will not be able to pursue any grievance or other legal action.
- E. A minimum of thirty (30) days' notice will be given to all employees selected for layoff.

F. Laid off employees will be placed on a recall list for one year from the effective date of the layoff. Temporary or probationary employees who are laid off will not have rights to recall.

G. Should a full time opening occur within the employee's classification, the laid off employee will be notified by mail at the last known mailing address of the employee. Laid off employees will be rehired on the basis of seniority with the employee having the most seniority being the first employee to be offered to be rehired. However, City is not obligated to rehire the laid off employee if the Chief of Police determines after evaluation that said employee is not presently qualified to fill the position for which he would be rehired. It is the employee's responsibility to keep the City personnel office informed as to his current address. Failure to respond to such notice within fourteen (14) calendar days of the mailing of such notice shall result in forfeiture of any re-employment or recall rights. If the employee does notify the City of his intention to return to work but fails to report to work on the agreed upon starting date, he will relinquish all recall rights.

H. Leave time will not accrue during the period of layoff, however, previously accrued sick leave and seniority will be reinstated if the laid off employee is recalled within one year after layoff. The vacation accrual rate and longevity rate will be the same as before the layoff.

I. Time-in-grade toward the next merit (if one is provided for) will be reinstated if the laid off employee is recalled into the same position classification within one year. If the employee is re-employed after one year or re-employed in a different position classification, time-in-grade toward the next merit increase will not be reinstated.

J. Laid off employees who are recalled will be required to complete a new probationary period.

K. During such period of layoff, there shall be no accrual of any contractual benefits except as may be required by applicable federal or state law or except as specifically authorized by this Agreement.

L. If any employee is demoted as a result of a reduction in force and then at a later time the employee's former rank becomes vacant and City makes a determination to fill such vacant rank, then said employee shall automatically be restored to his previous rank without the necessity of going through the promotional process.

ARTICLE 14
BULLETIN BOARD, LODGE MATERIAL AND
LODGE BUSINESS AND MEETINGS

Section 1. The City agrees to provide reasonable space on a Police Department bulletin board for the posting of Lodge informational notices. It is understood that there shall be no material posted

of a derogatory or inflammatory nature toward anyone, or for political endorsements or denouncements. It shall be the responsibility of the Lodge to maintain the material they post, to insure prompt removal of outdated material, and further insure the posting of such material is limited only to the bulletin board. The Police Chief or his designee shall be authorized to remove any material from the bulletin board which does not conform to the intent of this Article. Prior to removal of material by the Police Chief or his designee, the Lodge will be notified of the posting of non-conforming material and request made of the Lodge to remove such material.

Section 2. This bulletin board shall be displayed in the Police Department Squad Meeting Room and shall be no larger than four feet wide and four feet high.

Section 3. Employer agrees that Lodge material may be placed in mail boxes of Lodge members only and shall be placed by off-duty officers of the Lodge. Lodge material shall not be inflammatory in nature.

Section 4. The Lodge is granted up to sixty (60) hours off per calendar year with pay for the purpose of conducting Lodge business, with prior approval of the Police Chief. Time spent by on-duty personnel for contract negotiations shall not count toward the 60 hours above set forth. The specific Lodge member who shall be allowed to take off with pay shall be determined by the Lodge President. In addition, an employee elected as an officer of the Lodge or as a delegate to Lodge activity, as it pertains to Lodge business, shall be granted a leave of absence without pay by the Police Chief, provided said Lodge business is determined to be nonconflicting with the overall operational necessities of the Police Department. Written requests for leaves of absence, either with or without pay, shall be forwarded to the Police Chief at least five (5) days in advance for his approval.

Section 5. Lodge will be permitted to hold regular and special meetings on the Employer's premises, with the understanding that permission, time, and location of such meetings must be approved by the Police Chief or his designee prior to said meetings. It is understood that Lodge and Employer will cooperate in this agreement and excessive requests will not be made by the Lodge and permission to hold meeting will not be unreasonably denied by the Employer so long as the meetings do not impede or interfere with normal operations of the Police Department.

ARTICLE 15 WAGES

Section 1. All employees covered by this Agreement shall receive the wages shown on the attached Appendix I for Fiscal Year 2023 – 2024 effective July 1, 2023. For fiscal year 2023-2024 and 2024-2025, all employees shall receive a 2.5% step increase in wages on the established review date of such employee. For fiscal year 2024-2025, Appendix I will be adjusted to reflect greater of a 3% cost of living raise or equal to the cost-of-living raise given to general and City employees as a group.

Section 2. All employees will have an annual performance evaluation conducted by their Division Commander or designee and reviewed/approved by the Police Chief based on each employee's established review date. The employee's Division Commander or designee must have supervised the employee for a period of not less than 60 days. If this is not the case, then the duty of the Division Commander or designee shall fall to the previous supervisor of said employee.

Employees who are not yet at the maximum of their salary grade and who received an overall satisfactory rating on their evaluation, shall receive a step increase as hereinafter set forth. A Personnel Action Form initiating a 2½ % step increase effective as of the established review date shall be attached to Performance Evaluation and forwarded to the Personnel Office two (2) weeks prior to the established review date. Provided, however, in no event shall the wages of an employee exceed the maximum hourly rate for their classification as shown on Appendix A

If an employee receives less than a satisfactory review (an overall score of less than 3.0 on a scale of 0 to 5), he/she will be reevaluated in three (3) months. If the reevaluation reflects sufficient improvement in performance, the employee shall be determined to have had a satisfactory evaluation effective as of the revised review date. This revised review date will become the established review date for the following year.

If the reevaluation does not reflect improvement in the employee's performance, appropriate disciplinary action may be necessary.

Section 3. The City agrees to pay any members covered by the bargaining unit a monthly certification stipend based on the completion of a CLEET Intermediate Law Enforcement Certification, in the amount of \$50 per month. Additionally, the City agrees to pay an additional \$50 per month for CLEET Advanced Law Enforcement Certification.

Section 4. Officers who are state certified law enforcement instructors will receive \$15.00 per month. Advanced state certified law enforcement instructors will receive an additional \$5.00 per month. With both basic and advanced instructor certification, an officer will receive \$20.00 per month. An officer receiving instructors pay must teach classes when directed by the department or relinquish their instructors pay. If an officer relinquishes instructors pay, he will not be eligible to receive instructors pay for one (1) year from the date of relinquishment.

Section 5. The City agrees to pay to each officer who has completed studies at accredited universities or colleges in accordance with the following schedule:

60 hours	\$40.00 per month
Associates Degree	\$75.00 per month
Bachelor's Degree	\$150.00 per month
Master's Degree	\$175.00 per month

It is understood an Officer shall qualify for only one pay incentive from each section (4,5, and 6), as these stipends shall not be cumulative. All requirements as set forth in this section must be

completed in an approved program or applicable courses at an accredited college or university recognized by the Oklahoma State Board of Regents or through certified CLEET courses..

- A. Employees hired that already hold one of the listed degrees or required hours will immediately begin to receive the Education Incentive. Those Officers who take advantage of the City's Education Assistance Program will begin receiving the Education Incentive after one (1) year of service after obtaining the degree.

Section 6. In accordance with the past practice of the parties, the work day of all officers covered by this Contract shall consist of eight (8) hours. In addition, officers assigned to Patrol Division shall receive an additional fifteen (15) minutes of pay, per work day, for those days that they attend the shift change briefing prior to the beginning of their assigned shift.

Section 7. Canine officers shall receive differential pay at the rate of 5% of salary. This could result in an officer being paid above the scale in Appendix 1. The differential pay is not a permanent pay increase and is due as long as an officer is assigned a canine. Canine officers shall be allowed to schedule two (2) full shifts per month for the training of the animal. The training shifts shall be scheduled a minimum of one (1) month in advance in coordination with the shift's supervisor to prevent staffing conflicts or shortages. A "shift" for pay purposes under this section shall be considered eight (8) hours.

Section 8. All Newly hired officers are subject to a one (1) year probationary period. Police Officer status upon hiring equals "recruit" except when the new officer is already a State Certified Peace Officer, with prior law enforcement experience as a state certified peace officer at another law enforcement agency within the State of Oklahoma or any other State.

Should a State Certified Peace Officer with experience at another law enforcement agency be hired, the Chief of Police shall conduct a review of the individual's qualifications/experience and determine the appropriate entry-level salary within the pay scale. NO officers shall be brought in at a step higher than step 5 on the Officer pay scale.

New hire placement at a step other than entry level will only affect the employee's advancement on the pay scale and not affect seniority.

"Recruits" will move to Step one (1) upon completion of state certification. Following the one-year probationary period and performance evaluation meeting or exceeding expectations, the officer's wages increase to the next step. Police Officer's wage adjustments follow parameters set for merit or step increases.

**ARTICLE 16
LONGEVITY PAY**

All employees covered by this Agreement shall receive additional longevity pay based on their employment by the City of Bartlesville according to the schedule attached hereto as Appendix II.

**ARTICLE 17
OVERTIME**

Section 1. All employees covered by the Agreement at the rank of Police Officer, Corporal, Sergeant and Lieutenant are eligible for overtime compensation via overtime pay or compensatory time. Said personnel will receive overtime compensation for actual hours worked in excess of 82.5 hours in a 14-day working period for patrol and in excess of 80 hours for investigation division. Vacation, holidays and compensatory time will be considered as hours worked. All other paid leave time will not be considered as hours worked for overtime calculations. Each employee will be able to accrue no more than 80 hours of compensatory time. Any time worked over the 80-hour compensatory time maximum will be paid as overtime pay.

Section 2. Officers working overtime must have prior approval to work overtime from the Chief, his designee, or shift supervisor to work overtime. However, if due to circumstances prior approval cannot be obtained, the overtime work will be subject to review and possible disallowance if not justified in the discretion of the Chief.

Section 3. All hours worked during a pay period that result in overtime will be paid at the rate of one and one/half. No officer shall be sent home from his regularly scheduled shift to avoid the payment of overtime or compensatory time.

Section 4. Officers having accrued compensatory time off may take it at their discretion as long as it does not conflict with department operations.

Section 5.

A. Investigators who are normally scheduled to be on standby status shall receive two hours of pay at the employee's regular hourly rate on a straight-time basis for each day on standby. A standby Investigator who is called back to the workplace during their off-duty time shall receive compensation according to the 80-hour cutoff provision.

If any employee who is scheduled for standby finds that he will not be available for standby on a particular day, it is his responsibility to arrange for a substitute employee who will be available for that particular period and to so inform his supervisor. In this instance, the employee scheduled will receive the standby pay, assuming it is not necessary to call the substituting employee back to work during the substituting time period. The employee who is scheduled for standby will be responsible for paying back the substituting employee for the time owed in the form of a future substitution when that employee is scheduled for standby.

B. Employees at the rank of Police Officer, Sergeant or Lieutenant who are called back to the workplace during their off-duty time for an emergency situation shall receive two (2) hours of overtime compensation, whether or not the employee works two hours due to the emergency call back, for the first callback during each off-duty period. Any time worked beyond this initial two (2) hours will be compensated according to the 82.5 hour cutoff for patrol officers and 80 hour cutoff for investigators and in house officers. Employees who are called back to the workplace again during the same off-duty period shall only receive compensation for the actual hours worked. The off-duty period to be used to determine when the two hour minimum is paid for the first call back will be from midnight to midnight. All emergency call backs must be authorized by the appropriate supervisor prior to an employee responding.

Section 6. Officers traveling to out of town classes where they earn CLEET Credit shall receive hour for hour comp time for travel to and from the training whenever the total length of the class and drive time exceeds a normal 8-hour work day. Travel arrangements shall be approved by the Chief of Police to ensure that the most cost-effective travel plans are used. If officers are traveling to a regular assignment as part of extended training or their workday, this section will not apply.

ARTICLE 18 INSURANCE

Section 1. It is agreed that City will provide to members represented by the Lodge the same rights, benefits and obligations relating to life insurance, health, and accident insurance as the City grants to other City employees not represented by a Lodge.

Section 2. The City will allow access to its medical insurance plan by the surviving eligible dependents of a member who is killed in the line of duty. Such surviving dependents will pay premiums at the retiree rate for up to five (5) years and at the COBRA rate thereafter. Once a surviving spouse elects to discontinue coverage for himself/herself and/or any eligible dependents, he/she will not be able to reinstate coverage. Coverage will cease upon the remarriage of the surviving spouse.

ARTICLE 19 ASSIGNED DAYS OFF

Days off will be bid by rank first and then by seniority for each shift or division by the first week of November for the following year. This does not apply when in conflict with department programs such as FTO. In the event of transfers, the transferred officer will be assigned the vacated days off until January 1 of the following year.

ARTICLE 20 VACATIONS

Section 1. Vacation time is accrued at the following rates:

Years of Service	Hours Accrued Per Pay Period	Hours Accrued Per Year
1-4	3.08	80
5-11	4.62	120
12-19	6.16	160
20 or more	7.70	200

Upon completing 5, 12 and 20 years of service, an employee will have an additional 40 hours of vacation added to his accrued vacation and will begin accruing vacation at the higher rates shown above.

Section 2. After completion of the Assigned Day Off roster, a Vacation/Holiday calendar will be made available to each shift or division as appropriate to schedule these leaves for the following calendar year. The officers will place part or all of their available leave on the calendar. This will be done by rank, and following rank by seniority. This roster must be completed by January 1st of the following calendar year. A choice once made cannot be subsequently altered without prior approval of the person who is on the roster and the division commander.

The Vacation/Holiday calendar for each shift or division shall be used expressly for the scheduling of vacations and holidays. This calendar shall not be used to schedule training schools. The Chief or his designee may determine a maximum number of officers who may be off per day. This determination will be irrespective of the scheduling of training schools or paid leave time. Except in case of emergencies, all time off must be scheduled a minimum of three (3) days in advance. However, if there are openings on the calendar the three-day period does not apply.

Section 3. Employees will be eligible to take vacation after completing six months of service. Vacation may be taken in one/half hour increments.

Section 4. An employee is authorized to carry over to the next calendar year up to one year plus 16 hours of unused vacation time.

Section 5. Absence due to sickness, injury or disability or attending the funeral of someone other than an immediate family member as defined in the Funeral Leave Section of this Agreement may be charged against vacation at the request of the employee and upon approval by the Chief of Police.

Section 6. An employee who terminates employment with the City shall be paid for accumulated vacation if he has completed at least six (6) months of service. Such accumulated time shall be paid on the employee's final paycheck.

Section 7. Veterans will receive Veteran's Day off when it is their regularly scheduled day to work and will be paid for the day as military leave. The employee must provide the department payroll clerk with a copy of their DD214 during the applicable pay period as documentation in order to receive Veteran's Day off.

When the number of veterans taking the holiday creates a minimum manning or hire back issue, the Chief, or his designee, has the authority to allow veterans to use their Veterans Day holiday within 30 days after Veteran's Day. His decision is final and will be made based on business needs and will not rely on rank, seniority or any other practices.

Should the employee take a day other than Veteran's Day (within the 30 day period), they will still provide a copy of their DD214 for the day used.

ARTICLE 21 HOLIDAYS

Section 1. Effective January 1 of each year, employees will receive eleven (11) days holiday leave per calendar year.

Section 2. Employees will receive holiday pay based on their regularly scheduled work hours for that day.

Section 3. Employees who work on their scheduled holiday, other than those who voluntarily hire back on their scheduled holiday and offer to reschedule the holiday, shall be compensated at their regular rate of pay for the regularly scheduled hours of work in addition to one and one-half hours at the regular rate of pay for each hour worked.

Section 4. Employees will not be allowed to carry forward holiday hours into the next calendar year except in situations caused by extenuating circumstances as determined by the Police Chief. Request for exceptions must be submitted in writing to the Chief of Police for approval prior to the beginning of the next calendar year.

Section 5. If an employee with earned, unused holiday leave terminates employment with the City, he will be paid for such unused hours. If an employee who has used unearned holiday leave terminates employment, he will repay the City for such hours. Such adjustments shall be made on the employee's final paycheck.

ARTICLE 22 HIRE BACK

Section 1. Hire back is defined as work time deemed necessary because of manpower and/or staffing shortage where an off-duty Police Officer may be called into work to supplement manpower or staffing shortage.

Nothing in this article is construed to limit the management of the Police Department from alternate staffing options. At times, Police Department volunteers might be relied upon to conduct some duties. It is the discretion of Police Department management to utilize its volunteer Police Department staff to also supplement manpower and/or staffing shortages.

Section 2. The Shift Supervisor will ask for a volunteer from the off going shift to fill the vacancy. If more than one-person volunteers, the Shift Supervisor will conduct a lottery of those volunteers to fill the vacant position. If in the event there are no volunteers to fill the vacant spot, the Shift Supervisor will conduct a forced lottery of the off going shift (From Lieutenant to junior officer) to fill the vacancy. In the event that an officer is hired back for any reason to fill a vacancy the rate of pay will be at double time.

Section 3. Emergency Detention Order transports shall fall under the hire back guidelines of this section if the supervisor of the transporting shift determines that his/her manpower will not be sufficient to meet shift needs and a reserve officer is not available. In the event a transport is needed, as early as possible, an attempt shall be made to fulfill the requirements set forth in the above sections.

Section 4. In the event it is determined by the supervisor in charge that an emergency situation exists that affects or potentially could affect the health, safety or welfare of the citizens of Bartlesville and it is determined that it is not appropriate to spend time calling the various parties on the hire back list, the supervisor may direct the dispatcher to call any officer in the department and inform them that an emergency condition exists. Although any available officer can be called, the most readily available officers to contact should be the officer(s) on-call on the hire back list. In such an event, the officer called shall be required to immediately report for duty unless he is impaired and would not be able to function safely. Being undermanned, in itself, is not considered by this section as an emergency situation. The supervisor making the determination of an emergency condition will forward a report to the Chief within twenty-four (24) hours. The report will contain all information relative to the facts that caused the supervisor to believe that an emergency existed.

Section 5. If an officer or supervisor is off duty and is called and directed to report to some location while off duty, then said officer or supervisor shall be paid for the time spent at the location to which they were directed to report, but in any event should be paid for a minimum of two (2) hours. Provided however, if the reason for requiring the officer to report to said location is to rectify an error or omission made by said officer, then said officer shall only be paid for reporting to said location and any time spent thereat correcting the error or omission made by said officer. In such event, the two (2) hour minimum shall not apply.

Section 6. It is the intent of the City to Hire Back Officers within these guidelines. Any errors in following these guidelines should be brought to the attention of the Patrol Captain immediately who will have the authority to make adjustment and modifications to the list as needed to correct any error.

**ARTICLE 23
LEAVE**

A. Family Leave.

Section 1. Employees will have a maximum of four (4) work days available per calendar year for family leave purposes. When approved by the Chief of Police or designee, family leave can be used for family members residing with the employee when the circumstances require the personal care and attention of the employee, when a serious health condition affects family members outside the employee's residence, or for other situations which are deemed appropriate.

Section 2. Family leave must have prior approval of the Chief of Police or designee and is charged against leave accumulation.

Section 3. If the circumstances warrant it, the Chief of Police may approve family leave in excess of the annual maximum referenced above, which will be charged in the following order: an employee's sick leave accumulation, compensatory time off, vacation, and leave without pay.

Section 4. Family leave may be taken in one/half hour increments. An employee who leaves the City's employment for any reason shall not be compensated for any accumulated family leave.

B. Personal Sick Leave.

Section 1. Sick leave shall accrue at the rate of 3.70 hours per pay period (12 days per year) with no limit on accumulation. Accrued sick leave can be used for an employee's personal illness, for an employee's medical or dental appointments, or for family leave purposes beyond the annual amount available as described in the previous paragraph. Employees must use all available paid leave (sick leave, compensatory time, vacation) before the employee would be eligible for a leave without pay for sick leave purposes.

Section 2. An employee who is unable to report to work due to personal illness must contact his immediate supervisor or dispatcher at least one/half hour prior to the beginning of his shift.

Section 3. Sick leave may be taken in one/half hour increments.

Section 4. The Chief of Police may require an employee to present a written statement by the treating health care provider before approving sick leave with pay in excess of three (3) consecutive work days. If a review of sick leave usage by the Chief of Police leads him to believe an employee is abusing sick leave, he may require such a written statement sooner. The Chief of Police has the authority to conduct an investigation if he has reason to believe that an employee has used sick leave (of family leave) inappropriately. In such a case, the employee will be given an opportunity to be heard. If after an investigation, the Chief of Police determines that sick leave (or family leave) has been used inappropriately, the employee shall be required to charge

the absence to leave without pay rather than sick leave (or family leave). Progressive disciplinary action may be taken for abuse of sick leave (or family leave).

Section 5. An employee who leaves the City's employment for any reason other than retirement, shall not be compensated for any accumulated sick leave. Upon direct retirement from the City of Bartlesville, an employee will receive compensation for 15% of his/her accumulated sick leave hours up to a maximum of 1,920 hours ($1920 \times 15\% = 288$) at the employee's current rate of pay. Provided however, before an employee qualifies for the above benefit, said employee must have a minimum of 576 hours of accumulated sick leave at the time of retirement.

Section 6. Sick leave in excess of sixty (60) consecutive days shall not be used in computing time-in-Step for merit increases, and the review date shall be changed accordingly. (See Extended Sick Leave/Family Leave Section of this Agreement for more detail.)

Section 7. The employee's estate of an employee who is killed in the line of duty shall be paid 100% of the employee's accumulated unused sick leave at the time of death.

C. Attendance Bonus.

Section 1. Employees, who have used not more than ten (10) hours of sick leave as of their anniversary date, will be entitled to a \$250.00 bonus. Employees, who have used not more than twenty (20) hours of sick leave as of their anniversary date, will be entitled to a \$125.00 bonus.

D. Extended Sick Leave/Family Leave.

Section 1. Full-time or part-time employees who are regularly scheduled to work at least thirty (30) hours per week are eligible for extended sick leave or family leave as stipulated in the following paragraphs. Each leave request will be evaluated on an individual case basis. The City of Bartlesville will comply with all provisions contained in the Family and Medical Leave Act of 1993 requiring an employer to provide up to twelve (12) weeks of unpaid leave for particular circumstances in each twelve (12) month period. In this regard, the twelve (12) month period referenced in the Act to be used by the City of Bartlesville will be the calendar year, and employees will be required to substitute appropriate paid leave that is available for unpaid leave time. Where a definition of a term is required, the definition in the Family and Medical Leave Act of 1993 and the related regulations shall be used. Where this labor agreement provides greater benefits for employees, these provisions will supersede those contained in the Family and Medical Leave Act of 1993.

Section 2. Extended sick leave or family leave may be granted when an employee is unable to work due to a serious health condition, extended illness, off-the-job injury or other temporary disability; for the birth of an employee's child and to care for the newborn; for placement with the employee of a child for adoption or foster care; to care for an immediate family member (spouse, child or parent) with a serious health condition; or for other situations which are deemed appropriate. If such leave is approved, employees must use all available paid leave such as sick leave, family leave (whichever is appropriate for the particular situation), compensatory time, and

vacation for extended leave purposes before a leave without pay will be granted. (An employee will not receive holiday pay while on leave without pay).

Section 3. Extended sick leave or family leave shall not constitute a break in service, but benefits will not accrue while on leave without pay. Time off for extended leave (with or without pay) in excess of sixty (60) consecutive days shall not be used to compute time-in-step for merit increases and the review date shall be changed accordingly.

Section 4. A written statement from treating health care provider or other appropriate source may be required by the Chief of Police in support of the initial request for extended sick leave or family leave and as a condition of an employee's continued leave eligibility. A written statement from the treating health care provider releasing an employee to return to work after extended sick leave will be required.

In maternity cases, the expectant mother must provide a written statement from the health care provider indicating the expected delivery date, when her leave is anticipated to begin and her expected return to work date. Subsequent written statements from the treating health care provider may be required by the Chief of Police as a condition of her continued leave eligibility.

It is anticipated that an expectant father will request to take some time off for the birth of his child. This would be acceptable use of family leave. Requests for time off beyond the maximum of four (4) work days available per calendar year for family leave purposes that could be charged to the father's available personal sick leave must be accompanied by a written statement from the treating health care provider stating that he is needed to care of his wife and/or child. If such a written statement is not obtained from the treating health care provider, the father may request to use compensatory time off, vacation, or leave without pay in accordance with the applicable provisions in this labor agreement.

A husband and wife who are both employed by the City of Bartlesville will only be permitted to take a maximum of combined total of twelve (12) weeks of leave for the birth of a child, regardless of whether the time taken off is charged to any available paid leave time or leave without pay.

Section 5. An employee who has requested or who is on extended sick leave due to a serious health condition of his/her own may be required to be examined by a physician designated by the Chief of Police, at the City's expense.

The Chief of Police may require an employee on extended sick leave or family leave to report periodically on the employee's status and intent to return to work.

Section 6. Insurance coverage may be continued during a leave of absence with pay, provided the employee pays the applicable share of the premium. Insurance coverage shall be continued during a leave of absence without pay that does not exceed twelve (12) months provided the employee pays the applicable share of the premium. After twelve (12) months, insurance coverage shall be continued, provided the employee pays the total premium.

Section 7. Any employee who performs work for another employer while on extended sick leave or family leave may be subject to immediate dismissal. In most cases, this provision also applies to employees who are self-employed and/or perform work in their homes. Exceptions must be reviewed and approved by the Chief of Police and the City Manager.

Section 8. When an extended sick leave or family leave is granted, the duties of the employee's position may be assumed by a temporary assignment. If the duties of the position cannot be assumed by a temporary assignment, a replacement employee may be hired to fill the position. Before an employee requests this type of leave, he should be informed of this possibility. On return from extended sick leave or family leave, an employee is entitled to be returned to the same position held when leave commenced, if it is still available, or to an equivalent position, if the original position is not still available.

E. Funeral Leave.

Section 1. Employees may be granted up to three (3) work days of funeral leave per occurrence. Such leave will be allowed for an employee to attend the funeral of, make funeral arrangements for or perform other related activities involving an immediate family member, defined as spouse, children (including Step-children), parents (including Step-parents), grandparent, grandchild, brother or sister. Funeral leave may also be used by an employee for situations involving his spouse's immediate family members as defined above.

Section 2. Such leave must be approved by the Chief of Police and is not charged against any leave accumulation. The determination of the number of hours/days up to a maximum of three (3) work days will be determined on a case-by-case basis, depending on the particular circumstances of the case and the relative involved.

Section 3. An employee may request to use vacation to attend other funerals in accordance with the Vacation section of this Agreement.

ARTICLE 24 TRADING WORK DAYS

Police Officers shall be permitted to voluntarily trade work or leave days with other Police Officers. Supervisors shall be permitted to voluntarily trade work or leave days with other supervisors. Provided however, that employees scheduled to work must inform their respective immediate supervisors in writing signed by both officers at least twenty-four (24) hours in advance of any voluntary trade of work days or leave days. The fill-in officer shall be responsible for shift attendance. Absences shall be charged to the fill-in officer.

**ARTICLE 25
SUBSTANCE ABUSE POLICY**

Incorporated herein as a part of this Agreement by reference is the City of Bartlesville Substance Abuse Policy revised July 1, 2018 and as updated which policy will be in conformity with Oklahoma and federal laws.

**ARTICLE 26
PROMOTIONS**

Section 1. All Police Departments promotional vacancies for corporal, sergeant and lieutenant shall be filled by promotion from within the ranks of the Bartlesville Police Department. The rank of captain shall be appointed by the Chief of Police from within the ranks of the Bartlesville Police Department. The promotion of captains shall otherwise be at the sole discretion of the Chief of Police and exempt from the promotional process. Nothing contained herein, including specifically the inclusion of the captains rank in Appendix I, shall be construed to suggest that the promotion of captains should be a part of the promotional process. The City has sole discretion in determining which positions are to be refilled. After going through the promotional process, the participating officers shall be ranked according to final score, and this ranking shall be valid until February of each year.

Section 2. Pre-promotional notification shall be as follows:

A. A list of eligible candidates will be posted on the Department bulletin board at least fifteen (15) calendar days prior to the beginning of any testing. Tests shall be given from January 1st through the 31st of each year, regardless of whether or not there is an immediate opening for promotion. A copy of this list will be forwarded to the Lodge at the same time for posting on the Lodge bulletin board, if desired. A copy of this list will be placed in each candidate's mailbox.

B. All candidates who will be eligible for promotion by January 31st and desire to participate in the promotional process shall notify the Chief of Police in writing within five (5) days of beginning the promotional process. Provided further, the Lieutenant and Sergeant assigned to the Criminal Investigations Division will be appointed by the Chief of Police. No employee on disciplinary probation at the time of accepting applications will be deemed eligible for promotion until such time as the probationary period ends.

Eligible officers are responsible for scheduling their test with the Training Supervisor one week prior to the desired test date. No testing will be allowed before Jan 1st or after Jan 31st. Candidates will be given their score but you will not be allowed to review the test until after Jan 31st.

Eligibility to test:

Corporal – 3 years of combined certified law enforcement (LE) officer experience with at least 2 years of LE service at BPD

Sergeant – 5 years of LE service at BPD with at least 1 year as a BPD Corporal

Lieutenant – Six years of LE service at BPD and two years as a BPD Sgt.

Section 3. The promotional process shall consist of A, B and C below, with an A being administered first, B second, and C third:

A. A written examination of law enforcement related questions. The written exam will be selected by the Chief of Police. The score on the written exam will constitute 40% of the applicant's promotional score. In order to qualify for placement on the list of applicants eligible for promotion, the applicant must attain a minimum score of 70%. The test score will be provided to the applicant immediately after testing.

B. The Board shall consist of five (5) members appointed by the Chief of Police, at least three (3) of which shall be active or retired police officers. The score by the Review Board shall constitute 50% of the applicant's promotional score. Each member of the Review Board shall grade each applicant. In connection with each applicant, the high score and the low score of the Review Board shall be dropped; then the three (3) remaining scores shall be averaged to arrive at the Review Board score for each applicant. A minimum score of 70% must be attained to move to the next test state. The applicant will be notified of the score achieved before dismissal from the Review Board.

C. Points will be given as follows:

Education

HS = 0

60-119 hours of college credit = 1

120+ hours of college credit = 2

Masters Certificate ONLY = 3

Military

Yes = 1

No = 0

Experience

0-3 Years = 0

3.1-5 Years = 1

5.1-10 Years = 3

10.1+ Years = 4

(Experience only counts if you are a sworn full time police officer.)

CLEET Certification Level

Basic = 0

Intermediate = 1

Advanced = 2

Section 4. When the testing process is completed, the Chief of Police, or his designee, will determine a score and discuss the score with the candidate upon request.

Section 5. Each time the City decides to make a promotion, the files of the top five (5) eligible applicants will be forwarded to the Chief of Police for review. The Chief MAY meet with the eligible candidates in the top five after all other testing has concluded. This meeting will be held to assist the Chief in determining the order in which promotions will be made. In the event that one of the applicants from the top five (5) has been promoted at an earlier date, then the sixth-place applicant shall be moved up into the top five (5) for consideration. During the year, if any further promotions take place, the next eligible applicant shall be moved up into the top five (5) to replace the name of the prior promoted individual. In the event there are no eligible applicants, the Police Chief can schedule a retest. All phases of the testing will be used in determining the promotion. (Written exam, oral exam, and seniority.) The Chief of Police may also review the applicant's personnel file in helping to make his decision. It will then be the Chief's decision on who to promote from one (1) of the top five (5) applicants. In the event that an applicant refuses promotion, that applicant will be rotated to the bottom of the eligibility list. The applicant next in line will move into the top five (5) applicants.

Section 6. City agrees to maintain one (1) complete set of recommended study materials for each promotional test at the Police Station for use by any person in studying for the promotional examinations. Such materials shall not be removed from the Police Station. No materials or equipment of any kind may be brought to the test.

Section 7. Assuming the City decides to fill a vacancy when it occurs, the promotion will be made as soon as possible from the list of eligible applicants that is in effect at the time the vacancy occurs. (Upon promotion, the person promoted will receive a minimum of a 5 % promotional increase.) If the City decides not to fill the vacancy due to budgetary constraints, departmental reorganization or other circumstances, the Police Chief shall issue a memorandum notifying Lodge members that the vacancy will not be filled. Even if such a vacancy is to be filled at a later date, the promotional list in effect at the time the vacancy occurs will be used.

Section 8. The following Units/positions will be considered assignments and will be made at the sole discretion of the Chief of Police: Traffic Unit, School Resource Unit, K9 Handler Training Division, CID(Criminal Investigations Division), Property/evidence Officer, Community Impact Team, Field Training Officer and Mental Health Unit.

Procedures and Eligibility for Selection of Personnel Assigned to Specialized Units:

1. Assigned personnel must be eligible to test for the rank of Corporal.
2. Those who have already attained the rank of Corporal and above may be assigned to specialized units at the Chief's direction.
3. There will be a 5% pay adjustment for all personnel who are assigned to all specialized units. (5% pay adjustment will be given to Primary FTO and 5% pay when a stand in FTO has a trainee)

4. Police Officers who receive a 5% pay adjustment to serve on specialized units can only receive one (1) pay adjustment.
5. Any additional testing requirements per department policy or collective bargaining agreement for eligibility to serve any specialized unit shall remain, including policy 310 "Canines" as it is written on September 22,2021.
6. Per the Best Practice Review of the Bartlesville Police Department Reported in January 2021, too much change happening too quickly results in an unstable work environment. Personnel assigned to a specialized unit will serve in that unit until any of the following occur; a) annual shift bidding processes and assignments occurring in January of each year; b) Documented disciplinary or performance issues meriting reassignment; c) Voluntary transfer of assigned personnel; d) Circumstances determined to be unavoidable by police department command staff in collaboration with the police department steering committee.
7. Captains are exempt from receiving differential pays for special units.

**ARTICLE 27

It is agreed that all materials concerning investigations, complaints, reprimands, counseling sessions for violations of any rules, regulations or policies that might be considered detrimental to the employee's position, advancement or future with the Department that are to be placed in the employee's personnel file, that the Employer shall notify said employee of such action that the employee be given proper opportunity to appeal such action before it becomes a part of his personnel file. An officer shall have thirty (30) days within which to file a written response to any adverse comment entered in his personnel file. Such written response shall be attached to, and shall accompany, the adverse comment.

Section 2. A member shall be allowed to review his personnel file under appropriate supervision at any reasonable time.

Section 3. Any controversy between the employer and the Lodge or any employee concerning the interpretation, enforcement of or application of any provision of this Agreement, shall be adjusted in the following manner:

The employee can pick either the grievance procedure contained in this Article, or can elect to follow the grievance procedure outlined in Article X of the City of Bartlesville Rules and Regulations but only one procedure may be selected per grievance. The employee shall write up the grievance and include their choice of grievance procedure. The employee shall submit the grievance to either Lodge 117 if they wish to follow the CBA Article 34 grievance procedure or to the Chief of Police, or his designee, if they wish to follow the City Rules and Regulations Article X grievance procedure.

Once the employee presents the grievance to the Lodge Grievance Committee or to the Chief of Police for consideration, no other grievance procedure is allowed. The City of Bartlesville Rules and Regulations requires a grievance to be filed within three (3) workdays after the grievance occurs. The requirement is modified to fifteen (15) calendar days for those employees who elect to follow the City of Bartlesville grievance procedure. All other timing shall be followed.

The choice outlines above does not grant an employee the right to use the Article 34 grievance procedure if the employee does not have that right.

The City Manager shall respond to the employee and Lodge Grievance Committee within ten (10) calendar days of receipt of the grievance.

D. The above sequence applies to an individual grievant. However, if the Bargaining Agent wishes to file a grievance on behalf of the Lodge, he shall go directly to Section B.

E. If the grievance has not been settled within the above time, it may be submitted for arbitration by either the Lodge or City within thirty (30) calendar days of the City Manager's answer. It is further agreed that an individual employee may not institute arbitration proceedings. If neither party requests that the matter be submitted to arbitration within said thirty (30) day period, the grievance shall be considered dismissed. If arbitration is requested by either party, then the arbitration hearing must be held within one hundred twenty (120) days from the request by either party for arbitration. If the hearing is not held within said one hundred twenty (120) day period, then the grievance shall be considered moot. In the event the grievance is to be held, the procedure shall be as follows:

- a. Prior to the initiation of arbitration, the parties jointly may notify the Federal Mediation and Conciliation Service to administer grievance mediation in a good faith effort to resolve the grievance. If the grievance remains unresolved, it may be submitted to a grievance arbitrator for resolution by either party or jointly as the case may be.

- d. With respect to the interpretation or application of the provisions of this Agreement, the decision of the arbitrator shall be final and binding upon the parties.

- e. Each party will pay for its own cost of the transcript.
- f. The cost of the arbitrator shall be shared equally between the Lodge and City.
- g. All time limits set forth in this Article may be extended by mutual written consent, but if not so extended, they must be strictly observed. If a party fails to pursue any grievance within the time limits provided, he shall have no further right to continue the grievance. If the City fails to respond within the above time limits, said failure shall be deemed a denial of the grievance and it shall be advanced to the next Step.

The parties also recognize that cooperative efforts in ensuring proper fitness and wellness of employees will result in the most beneficial and accepted approach to the matter of employee's physical fitness and wellness.

Section 2. The Bartlesville Police Department has established specific physical fitness standards for all current and future employees based on a professional analysis of the physical skills required of a Bartlesville Police Officer (Physical Assessment Test) (Appendix III).

The following provisions outline requirements of all sworn members of the Police Department.

- All sworn members of the Bartlesville Police Department shall be required to participate in the physical fitness test twice each year at a designated time. Members of the Bartlesville Police Department assigned to Administration, such as, Police Chief, Deputy Chief, or Captains, or members of the Command Staff, are encouraged, but not required to participate in the physical fitness test.

The employee will be allowed to retest after three (3)

months. If the employee is still not able to pass the physical fitness test, the Police Chief, or designee, will meet with the employee to review the employee's performance and expected improvement. The employee will be given an additional three (3) months to pass the physical fitness test. Employees who fail to meet the standard within three (3) months after meeting with the Police Chief shall be subject to progressive discipline.

**ARTICLE 37
PER DIEM PAYMENTS**

Section 1. The City agrees to pay all members of the bargaining unit a fixed daily per diem using the GSA’s per diem allowances for meals and incidentals for department approved traveling out of town. Members will not be allowed to seek reimbursement for meals and incidentals over the per diem amount received. Per diem will be their sole payment for meals and incidentals. This will not be considered an “accountable plan” by IRS rules, and therefore the per diem amounts received will be taxable by IRS rules. Since this is taxable, it will need to be paid as part of payroll. Therefore, members will need to submit their request far enough in advance that it can be paid on the payroll before their travel. If for any reason, a member does not take the trip after receiving the per diem, they will need to notify the City’s Accounting & Finance Department to have the refund withheld from their next paycheck.

THIS AGREEMENT is executed this ____ day of _____, 2023, by the City of Bartlesville and on the ____ day of _____, 2023, by the Lodge, but shall become effective as of July 1, 2023.
