### **LAW ENFORCEMENT CODE OF ETHICS**

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against abuse or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or abuse and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

## 203.2 POLICY

The Department shall administer a training program that will meet the standards of federal, state, local and the Council on Law Enforcement Education and Training (CLEET) training requirements. - (d) Ensure compliance with CLEET rules and regulations concerning law enforcement training.

## 203.4 TRAINING PLAN

The training plan should include the anticipated costs associated with each type of training, including attendee salaries and backfill costs. The plan should include a systematic and detailed method for recording and logging of all training for all members.

While updates and revisions may be made to any portion of the training plan at any time it is deemed necessary, the Training Coordinator shall review the entire training plan on an annual basis.

Committee members should be selected based on their abilities at post-incident evaluation and at assessing related training needs. The Training Coordinator may remove or replace members of the committee at his/her discretion.

The Training Committee should review certain incidents to determine whether training would likely improve future outcomes or reduce or prevent the recurrence of the undesirable issues related to an incident. Specific incidents the Training Committee should review include, but are not limited to:

- (a) Any incident involving the death or serious injury of a member.
- (b) Incidents involving a high risk of death, serious injury or civil liability.

Generally, one training bulletin is available for each day of the month. However, the number of DTBs may be adjusted by the Training Coordinator.

Members assigned to participate in DTBs shall only use the login credentials assigned to them by the Training Coordinator. Members should not share their password with others and should frequently change their password to protect the security of the system. ### **204.4 RESTRICTIONS ON USE OF EMAIL**

Messages transmitted over the email system are restricted to official business activities, or shall only contain information that is essential for the accomplishment of business-related tasks or for communications that are directly related to the business, administration or practices of the Department.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the email system is prohibited and may result in discipline.

Email messages addressed to the entire Department are only to be used for official business-related items that are of particular interest to all users. In the event that a member has questions about sending a particular email communication, the member should seek prior approval from a supervisor in his/her chain of command.

It is a violation of this policy to transmit a message under another member's name or email address or to use the password of another to log into the system unless directed to do so by a supervisor. Members are required to log off the network or secure the workstation when the computer is unattended. This added security measure will minimize the potential misuse of a member's email, name or password. Any member who believes his/her password has become known to another person shall change their password immediately.

### **204.5 EMAIL RECORD MANAGEMENT**

Email may, depending upon the individual content, be a public record under the Oklahoma Open Records Act and must be managed in accordance with the established records retention schedule and in compliance with state law.

The Chief of Police or the authorized designee shall ensure that email messages are retained and recoverable utilizing the City of Bartlesville Information Technology Department as outlined in the Records Maintenance and Release Policy.

### **206.2 POLICY**

The Bartlesville Police Department will ensure that proper supervision is available to meet the needs of its members and to achieve the goals of the Department. While balance is desirable, the paramount concern is to meet the needs of the Department.

### **206.3 MINIMUM SUPERVISION STAFFING LEVELS**

Minimum staffing levels should be established by the Captains for each Division and work group. The supervision staffing levels should support proper supervision, span of control, compliance with any employment agreement and activity levels to meet the needs of members and the goals of the Department.

## **Chapter 3 - General Operations**

## Use of Force

### 300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner.

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Conducted Energy Device policies.

This policy meets statutory requirements for the adoption of a use of force policy pursuant to 11 O.S. § 34-107 and 22 O.S. § 34.2.

#### 300.1.1 DEFINITIONS

Definitions related to this policy include:

**Deadly force** - Force reasonably anticipated and intended to create a substantial likelihood of causing death or very serious injury.

**Feasible** - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person.

**Force** - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

**Imminent** - Ready to take place; impending. Note that imminent does not mean immediate or instantaneous.

**Totality of the circumstances** - All facts and circumstances known to the officer at the time, taken as a whole, including the conduct of the officer and the subject leading up to the use of force.

### 300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Use of Force*

---

The Bartlesville Police Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

**300.2.1 DUTY TO INTERCEDE AND REPORT**

Any officer present and observing another law enforcement officer or a member using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force.

Any officer who observes another law enforcement officer or a member use force that is potentially beyond that which is objectively reasonable under the circumstances should report these observations to a supervisor as soon as feasible.

**300.2.2 ADDITIONAL REPORTING REQUIREMENTS**

Any officer who witnesses another peace officer use physical force that exceeds the degree permitted by law or this policy shall make a written report of such use to his/her immediate supervisor within 10 days (22 O.S. § 34.2). At a minimum, the written report shall include:

- (a) The date, time, and place of the occurrence.
- (b) The identity, if known, and description of the participants.
- (c) A description of the events and the force used.

An officer may use a copy of an arrest report or similar report provided it contains the mandatory minimum information.

**300.2.3 PERSPECTIVE**

When observing or reporting force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject.

**300.3 USE OF FORCE**

Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Use of Force*

---

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons or methods provided by this department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

**300.3.1 USE OF FORCE TO EFFECT AN ARREST**

An officer may use reasonable force when a person being lawfully arrested resists arrest or attempts to escape (21 O.S. § 643).

**300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE**

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include but are not limited to:

- (a) Immediacy and severity of the threat to officers or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
- (c) Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The effects of suspected drug or alcohol use.
- (e) The individual's mental state or capacity.
- (f) The individual's ability to understand and comply with officer commands.
- (g) Proximity of weapons or dangerous improvised devices.
- (h) The degree to which the individual has been effectively restrained and his/her ability to resist despite being restrained.
- (i) The availability of other reasonable and feasible options and their possible effectiveness.
- (j) Seriousness of the suspected offense or reason for contact with the individual.
- (k) Training and experience of the officer.
- (l) Potential for injury to officers, suspects, and others.
- (m) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (n) The risk and reasonably foreseeable consequences of escape.

- (o) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (p) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (q) Prior contacts with the individual or awareness of any propensity for violence.
- (r) Any other exigent circumstances.

**300.3.3 PAIN COMPLIANCE TECHNIQUES**

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the individual can comply with the direction or orders of the officer.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

**300.3.4 CAROTID CONTROL HOLD**

A carotid control hold is a technique designed to control an individual by temporarily restricting blood flow through the application of pressure to the side of the neck and, unlike a chokehold, does not restrict the airway. The proper application of the carotid control hold may be effective in restraining a violent or combative individual. However, due to the potential for injury, the use of the carotid control hold is limited to those circumstances where deadly force is authorized and is subject to the following:

- (a) At all times during the application of the carotid control hold, the response of the individual should be monitored. The carotid control hold should be discontinued when circumstances indicate that the application no longer reasonably appears necessary.
- (b) Any individual who has had the carotid control hold applied, regardless of whether he/she was rendered unconscious, shall be promptly examined by paramedics or other qualified medical personnel and should be monitored until such examination occurs.
- (c) The officer shall inform any person receiving custody, or any person placed in a position of providing care, that the individual has been subjected to the carotid control hold and whether the individual lost consciousness as a result.
- (d) Any officer attempting or applying the carotid control hold shall promptly notify a supervisor of the use or attempted use of such hold.
- (e) The use or attempted use of the carotid control hold shall be thoroughly documented by the officer in any related reports.

**300.3.5 USE OF FORCE TO SEIZE EVIDENCE**

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Bartlesville Police Department for this specific purpose.

**300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION**

When circumstances reasonably permit, officers should use non-violent strategies and techniques to decrease the intensity of a situation, improve decision-making, improve communication, reduce the need for force, and increase voluntary compliance (e.g., summoning additional resources, formulating a plan, attempting verbal persuasion).

**300.3.7 RESPIRATORY RESTRAINTS**

The use of a respiratory restraint, also known as a chokehold, is limited to circumstances where deadly force is authorized and if applied, is subject to the same guidelines and requirements as a carotid control hold.

**300.4 DEADLY FORCE APPLICATIONS**

When reasonable, the officer shall, prior to the use of deadly force, make efforts to identify him/herself as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts.

Use of deadly force is justified in the following circumstances involving imminent threat or imminent risk:

- (a) An officer may use deadly force to protect him/herself or others from what he/she reasonably believes is an imminent threat of death or serious bodily injury.
- (b) An officer may use deadly force to stop a fleeing subject when the officer has probable cause to believe that the individual has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and the officer reasonably believes that there is an imminent risk of serious bodily injury or death to any other person if the individual is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible.

Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the suspect is not at that very moment pointing a weapon at someone. For example, an imminent danger may exist if an officer reasonably believes that the individual has a weapon or is attempting to access one and intends to use it against the officer or another person. An imminent danger may also exist if the individual is capable of causing serious bodily injury or death without a weapon, and the officer believes the individual intends to do so.

**300.4.1 MOVING VEHICLES**

Shots fired at or from a moving vehicle involve additional considerations and risks, and are rarely effective.

When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants.

An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

**300.5 REPORTING THE USE OF FORCE**

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances.

To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

**300.5.1 NOTIFICATIONS TO SUPERVISORS**

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

**300.6 MEDICAL CONSIDERATIONS**

Once it is reasonably safe to do so, medical assistance shall be obtained for any person who exhibits signs of physical distress, has sustained visible injury, expresses a complaint of injury or continuing pain, or was rendered unconscious. Any individual exhibiting signs of physical

distress after an encounter should be continuously monitored until the individual can be medically assessed. Individuals should not be placed on their stomachs for an extended period, as this could impair their ability to breathe.

Based upon the officer's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain, or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away.

See the Medical Aid and Response Policy for additional guidelines.

### **300.7 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to a reported application of force resulting in visible injury, if reasonably available. When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the individual upon whom force was applied. If this interview is conducted without the individual having voluntarily waived his/her *Miranda* rights, the following shall apply:
  - 1. The content of the interview should not be summarized or included in any related criminal charges.
  - 2. The fact that a recorded interview was conducted should be documented in a property or other report.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Use of Force*

---

3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
  1. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the individual may pursue civil litigation.
  1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

#### **300.7.1 SHIFT SUPERVISOR RESPONSIBILITY**

The Shift Supervisor shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

#### **300.8 TRAINING**

BPD Officers who routinely work enforcement assignments are required to attend at least one, quarterly training on this policy and demonstrate their knowledge and understanding.

This training should include

- (a) Guidelines regarding vulnerable populations, including but not limited to children, elderly, pregnant persons, and individuals with physical, mental, or intellectual disabilities.
- (b) De-escalation tactics, including alternatives to force.

Personnel **REQUIRED** to attend the training include: Patrol personnel ranked Sergeant and below, Criminal Investigations personnel ranked Sergeant and below, any specialized units ranked Sergeant and below.

Personnel **NOT** required to attend the training include: In-house or office personnel such as Training Division, Offender Compliance, etc. are exempt from this training requirement unless or until such time their duties and/or assignments change.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Use of Force*

---

Those required to attend the DT training are responsible for scheduling and completing it once quarterly. Supervisors are responsible for tracking compliance by their personnel and taking corrective action if necessary.

**300.9 USE OF FORCE ANALYSIS**

At least annually, the Patrol Captain should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects, or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

A review committee will also analyze all use of force incidents periodically as an additional layer of quality control. The review committee will consist of department members and department use of force instructors assigned to the committee at the discretion of the Chief of Police. Any suggestions or concerns identified by the committee should be submitted to the Chief of Police.

# Use of Force Review Boards

## 301.1 PURPOSE AND SCOPE

This policy establishes a process for the Bartlesville Police Department to review the use of force by its members.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or the evaluation of the use of force.

## 301.2 POLICY

The Bartlesville Police Department will objectively evaluate the use of force by its members to ensure that their authority is used appropriately and consistent with training and policy.

## 301.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever a member's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that member will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place a member in an administrative assignment.

## 301.4 REVIEW BOARD

The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another person.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the member was on- or off-duty, excluding training or recreational use.

The Chief of Police may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Administration Captain will convene the Use of Force Review Board as necessary. It will be the responsibility of the Captain or supervisor of the involved member to notify the Administration Captain of any incidents requiring board review. The involved member's Captain or supervisor will also ensure that all relevant reports, documents and materials are available for consideration and review by the board.

### 301.4.1 COMPOSITION OF THE BOARD

The Administration Captain should staff the Use of Force Review Board with five individuals from the following, as appropriate:

- Representatives of each division
- Command staff representative from the involved member's chain of command
- Training Coordinator

*Use of Force Review Boards*

---

- Nonadministrative supervisor
- A peer officer/department member
- A law enforcement officer from an outside law enforcement agency, as appropriate
- Department instructor for the type of weapon, device or technique used

The senior ranking command staff representative who is not in the same division as the involved member will serve as chairperson.

**301.4.2 RESPONSIBILITIES OF THE BOARD**

The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved member to appear. The involved member will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief of Police will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges, the decision not to file criminal charges or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

Absent an express waiver from the involved member, no more than two designated board members may ask questions of the involved member. Other board members may provide questions to the designated board members.

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the involved member at the time shall neither justify nor call into question a member's decision regarding the use of force.

Any questioning of the involved member conducted by the board will be in accordance with Bartlesville Police Department disciplinary procedures, the Personnel Complaints Policy, the current employment agreement and any applicable state or federal law.

The board shall make one of the following recommended findings:

- (a) The member's actions were within department policy and procedure.
- (b) The member's actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to consider whether training should be developed or revised, and policy reviews, as may be appropriate.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Use of Force Review Boards*

---

The board chairperson will submit the written recommendation to the Chief of Police. The board chairperson will also complete and submit appropriate reports in accordance with National Use-of-Force Data Collection protocols.

The Chief of Police shall review the recommendation, make a final determination as to whether the member's actions were within policy and procedure, and determine whether any additional actions, investigations or reviews are appropriate. Those findings will be forwarded to the involved member's Captain for review and appropriate action. If the Chief of Police concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief of Police.

# Handcuffing and Restraints

## 302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions, arrests and transports.

## 302.2 POLICY

The Bartlesville Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

## 302.3 USE OF RESTRAINTS

Only members who have successfully completed Bartlesville Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

### 302.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

### 302.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

### *Handcuffing and Restraints*

---

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, officers, or others.

#### **302.3.3 RESTRAINT OF JUVENILES**

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

#### **302.3.4 NOTIFICATIONS**

Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the jail.

#### **302.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS**

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

#### **302.5 APPLICATION OF SPIT HOODS**

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide

**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

### *Handcuffing and Restraints*

---

assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Officers should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

#### **302.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES**

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

#### **302.7 APPLICATION OF LEG RESTRAINT DEVICES**

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

##### **302.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS**

When applying leg restraints the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Handcuffing and Restraints*

---

- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

**302.8 REQUIRED DOCUMENTATION**

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

**302.9 TRAINING**

Subject to available resources, the Training Coordinator should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Handcuffing and Restraints*

---

- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

## Control Devices

### **303.1 PURPOSE AND SCOPE**

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

### **303.2 POLICY**

In order to control individuals who are violent or who demonstrate the intent to be violent, the Bartlesville Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy. The Chief of Police may also authorize other positions or individual department members to use specific control devices.

### **303.3 ISSUING, CARRYING AND USING CONTROL DEVICES**

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only those members who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a person who is violent or who demonstrates the intent to be violent and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

### **303.4 RESPONSIBILITIES**

#### **303.4.1 SHIFT SUPERVISOR RESPONSIBILITIES**

The Shift Supervisor may authorize the use of a control device by selected department members who may not currently be issued or carrying the control device or those in specialized assignments who have successfully completed the required training.

#### **303.4.2 RANGEMASTER RESPONSIBILITIES**

The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

#### **303.4.3 USER RESPONSIBILITIES**

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster

for disposition. Documentation shall also be forwarded through the chain of command, when appropriate, explaining the cause of damage.

**303.5 BATON GUIDELINES**

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to him/herself or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignments or at the direction of their supervisors.

**303.6 TEAR GAS GUIDELINES**

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects, based on the circumstances. Only the Shift Supervisor, Incident Commander or Special Operations Team Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire and emergency medical services personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation, if needed.

**303.7 OLEORESIN CAPSICUM (OC) GUIDELINES**

As with other control devices, OC spray and pepper projectiles may be considered for use to bring under control an individual or group of individuals who are engaging in, or are about to engage in, violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of department members or the public.

**303.7.1 OC SPRAY**

Uniformed members carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field members may carry OC spray as authorized, in accordance with the needs of their assignments or at the direction of their supervisors.

**303.7.2 PEPPER PROJECTILE SYSTEMS**

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system

Bartlesville Police Department Policy Manual

---

incidents where an individual has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward an individual, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training or a product demonstration, is exempt from the reporting requirement.

**303.7.3 TREATMENT FOR OC EXPOSURE**

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those who complain of further severe effects shall be examined by appropriate medical personnel.

**303.8 POST-APPLICATION NOTICE**

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, the owners or available occupants should be provided with notice of the possible presence of residue which could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner's expense. Information regarding how and when the notice was delivered and the individuals notified should be included in related reports.

**303.9 KINETIC ENERGY PROJECTILE GUIDELINES**

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

**303.9.1 DEPLOYMENT AND USE**

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of individuals engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at officers, other department members and/or other people.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Control Devices*

---

- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

**303.9.2 DEPLOYMENT CONSIDERATIONS**

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the suspect must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

**303.9.3 SAFETY PROCEDURES**

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect shotguns and projectiles at the beginning of each shift to ensure that the shotguns are in proper working order and the projectiles are of the approved type and appear to be free from defects.

When they are not deployed, shotguns will be unloaded and properly and securely stored in police department vehicles. When deploying a kinetic energy projectile shotgun, officers shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a

safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

**303.10 TRAINING FOR CONTROL DEVICES**

The Training Coordinator shall ensure that those members who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the member's training file.
- (c) Members who fail to demonstrate proficiency with the control device or knowledge of the Use of Force Policy will be provided remedial training. If a member cannot demonstrate proficiency with a control device or knowledge of the Use of Force Policy after remedial training, the member will be restricted from carrying the control device and may be subject to discipline.

**303.11 REPORTING USE OF CONTROL DEVICES**

Any application of a control device shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

## Conducted Energy Device

### 304.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the conducted energy device (CED).

### 304.2 POLICY

The CED is used in an attempt to control a violent or potentially violent individual. The appropriate use of such a device may result in fewer serious injuries to officers and suspects.

### 304.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed department-approved training may be issued and may carry the CED.

The Rangemaster should keep a log of issued CED devices and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department inventory.

Officers shall only use the CED and cartridges/magazines that have been issued by the Department. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed officers who have been issued the CED shall wear the device in an approved holster.

Officers who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon.

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices, whenever practicable, officers should carry an additional cartridge on their person when carrying the CED.
- (c) Officers should not hold a firearm and the CED at the same time.

Non-uniformed officers may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

### 304.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances.

The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, activate any warning on the device, which may include display of the electrical arc,

an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the CED in the related report.

**304.5 USE OF THE CED**

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although the CED may be effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, an officer designated as lethal cover for any officer deploying a CED may be considered for officer safety.

**304.5.1 APPLICATION OF THE CED**

The CED may be used when the circumstances reasonably perceived by the officer at the time indicate that such application reasonably appears necessary to control a person who:

- (a) Is violent or is physically resisting.
- (b) Has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, themselves, or others.

Mere flight from a pursuing officer, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

**304.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS**

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject, or others, and the officer reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.
- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Conducted Energy Device*

---

Any CED capable of being applied in the drive-stun mode (i.e., direct contact without probes as a primary form of pain compliance) should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

**304.5.3 TARGETING CONSIDERATIONS**

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, officers should attempt to target the back, lower center mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

**304.5.4 MULTIPLE APPLICATIONS OF THE CED**

Once an officer has successfully deployed two probes on the subject, the officer should continually assess the subject to determine if additional probe deployments or cycles reasonably appear necessary. Additional factors officers may consider include but are not limited to:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

Given that on certain devices (e.g., TASER 10™) each trigger pull deploys a single probe, the officer must pull the trigger twice to deploy two probes to create the possibility of neuro-muscular incapacitation.

**304.5.5 ACTIONS FOLLOWING DEPLOYMENTS**

Officers should take appropriate actions to control and restrain the individual as soon as reasonably practicable to minimize the need for longer or multiple exposures to the CED. As soon as practicable, officers shall notify a supervisor any time the CED has been discharged. If needed for evidentiary purposes, the expended cartridge, along with any probes and wire, should be submitted into evidence (including confetti tags, when equipped on the device). The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

**304.5.6 DANGEROUS ANIMALS**

The CED may be deployed against an animal if the animal reasonably appears to pose an imminent threat to human safety.

**304.5.7 OFF-DUTY CONSIDERATIONS**

Officers are not authorized to carry department CEDs while off-duty.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Conducted Energy Device*

---

Officers shall ensure that CEDs are secured while in their homes, vehicles, or any other area under their control, in a manner that will keep the device inaccessible to others.

**304.6 DOCUMENTATION**

Officers shall document all CED discharges in the related arrest/crime reports and the CED report forms. Photographs should be taken of any obvious probe impact or drive-stun application sites and attached to the CED report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, audible warning, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form. Data downloads from the CED after use on a subject should be done as soon as practicable using a department-approved process to preserve the data.

**304.6.1 CED REPORT FORM**

As applicable based on the device type, items that shall be included in the CED report form are:

- (a) The brand, model, and serial number of the CED and any cartridge/magazine.
- (b) Date, time, and location of the incident.
- (c) Whether any warning, display, laser, or arc deterred a subject and gained compliance.
- (d) The number of probes deployed, CED activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the CED was used.
- (f) The type of mode used (e.g., probe deployment, drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.
- (l) Whether any officers sustained any injuries.

The Training Coordinator should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Coordinator should also conduct audits of CED device data downloaded to an approved location and reconcile CED report forms with recorded activations. CED information and statistics, with identifying information removed, should periodically be made available to the public.

**304.6.2 REPORTS**

The officer should include the following in the arrest/crime report:

- (a) Identification of all personnel firing CEDs
- (b) Identification of all witnesses

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Conducted Energy Device*

---

- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

**304.7 MEDICAL TREATMENT**

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel or officers trained in probe removal and handling should remove CED probes from a person's body. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by CED probes, who have been subjected to the electric discharge of the device, or who sustained direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED (see the Medical Aid and Response Policy).

**304.8 SUPERVISOR RESPONSIBILITIES**

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CED may be used. A supervisor should respond to all incidents where the CED was activated.

A supervisor should review each incident where a person has been exposed to a CED. The device's internal logs should be downloaded by a supervisor or Rangemaster and saved with the related arrest/crime report. The supervisor should arrange for photographs of probe sites to be taken and witnesses to be interviewed.

**304.9 TRAINING**

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the CED as a part of their assignments for a period of six months or more shall be recertified by a qualified CED instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued CEDs should occur every year. A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate, by the Training Coordinator. All training and proficiency for CEDs will be documented in the officer's training files.

Command staff, supervisors, and investigators should receive CED training as appropriate for the investigations they conduct and review.

Officers who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Coordinator is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Training Coordinator should include the following training:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes to the head, neck, area of the heart, and groin.
- (e) Scenario-based training, including virtual reality training when available.
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options.
- (g) De-escalation techniques.
- (h) Restraint techniques that do not impair respiration following the application of the CED.
- (i) Proper use of cover and concealment during deployment of the CED for purposes of officer safety.
- (j) Proper tactics and techniques related to multiple applications of CEDs.

# Officer-Involved Shootings and Deaths

## 305.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

## 305.2 POLICY

The policy of the Bartlesville Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

## 305.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

## 305.4 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

### 305.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Bartlesville Police Department would control the investigation if the suspect's crime occurred in Bartlesville.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Officer-Involved Shootings and Deaths*

---

**305.4.2 CRIMINAL INVESTIGATIONS OF OFFICER ACTIONS**

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

**305.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION**

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

**305.5 INVESTIGATION PROCESS**

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

**305.5.1 UNINVOLVED OFFICER RESPONSIBILITIES**

Upon arrival at the scene of an officer-involved shooting or death, the first uninvolved BPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

**305.5.2 SUPERVISOR RESPONSIBILITIES**

Upon arrival at the scene, the first uninvolved BPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
  - 1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any BPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
  - 1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident

- scene, identity of known or potential witnesses and any other pertinent information.
2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Shift Supervisor and the Communication Center. If feasible, sensitive information should be communicated over secure networks.
- (d) Take command of and secure the incident scene with additional BPD members until properly relieved by another supervisor or other assigned personnel or investigator.
- (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
1. Each involved BPD officer should be given an administrative order not to discuss the incident with other involved officers or BPD members pending further direction from a supervisor.
  2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

**305.5.3 SHIFT SUPERVISOR RESPONSIBILITIES**

Upon learning of an officer-involved shooting or death, the Shift Supervisor shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Chief of Police or a Captain.

All outside inquiries about the incident shall be directed to the Shift Supervisor.

**305.5.4 NOTIFICATIONS**

The following persons shall be notified as soon as practicable:

- Chief of Police
- Investigation Captain
- Officer-Involved Shootings rollout team
- Outside agency investigators (if appropriate)
- Internal Affairs Unit supervisor
- Civil liability response team
- Psychological/peer support personnel
- Chaplain
- Medical Examiner (if necessary)
- Involved officer's agency representative (if requested)

- Public Information Officer

### **305.5.5 INVOLVED OFFICERS**

The following shall be considered for the involved officer:

- (a) Any request for legal or union representation will be accommodated.
  - 1. Involved BPD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
  - 2. Requests from involved non-BPD officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with bargaining agent representatives will be privileged only as to the discussion of non-criminal information.
- (d) A licensed psychotherapist shall be provided by the Department to each involved BPD officer. A licensed psychotherapist may also be provided to any other affected BPD members, upon request.
  - 1. Interviews with a licensed psychotherapist will be considered privileged.
  - 2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, the involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
  - 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Communications between the involved officer and a peer support member is addressed in the Wellness Program Policy.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved BPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Shift Supervisor to make schedule adjustments to accommodate such leave.

### **305.6 CRIMINAL INVESTIGATION**

The District Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting involving injury or death.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies or the District Attorney's Office to avoid duplicating efforts in related criminal investigations.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Officer-Involved Shootings and Deaths*

---

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) BPD supervisors and Internal Affairs Unit personnel should not participate directly in any voluntary interview of BPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, he/she shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

**305.6.1 REPORTS BY INVOLVED BPD OFFICERS**

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved BPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved BPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved BPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

**305.6.2 WITNESS IDENTIFICATION AND INTERVIEWS**

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available law enforcement personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, attempts to identify the witness prior to his/her departure should be made whenever feasible.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
  - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

**305.6.3 INVESTIGATIVE PERSONNEL**

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Investigation Division supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Department investigators will be assigned to work with investigators from the District Attorney's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the District Attorney's Office.

All related department reports, except administrative and/or privileged reports, will be forwarded to the designated Investigation Division supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Captain.

**305.7 ADMINISTRATIVE INVESTIGATION**

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of involved BPD officers to

Bartlesville Police Department Policy Manual

determine conformance with department policy. This investigation will be conducted under the supervision of the Internal Affairs Unit and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws.

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
  - 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
  - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
  - 2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative collectively or in groups prior to being interviewed.
  - 3. Administrative interviews should be recorded by the investigator. The officer may also record the interview.
  - 4. The officer shall be informed of the nature of the investigation. ### **305.9 AUDIO AND VIDEO RECORDINGS**

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with the approval of assigned investigators or a supervisor.

Members who fail to meet the annual requalification requirements will be removed from field assignment and shall be subject to disciplinary action in accordance with Chapter 2 of Title 390 of the Oklahoma Administrative Code (OAC 390:27-1-6).

### **306.7 FIREARM DISCHARGE**

### **306.7.1 DESTRUCTION OF ANIMALS**

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, conducted energy device, oleoresin capicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

### **306.7.2 INJURED ANIMALS**

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

### **306.7.3 WARNING AND OTHER SHOTS**

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective and reasonably safe.

## **306.8 RANGEMASTER DUTIES**

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Training Coordinator after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-participation or non-qualification.

The range shall remain operational and accessible to department members during hours established by the Department.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Rangemaster has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm; it will not be returned to service until it has been inspected and approved by the Rangemaster.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Training Coordinator documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. **306.9 FLYING WHILE ARMED**

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Bartlesville Police Department identification card/Commission Card, bearing the officer's name, a full-face photograph, identification number, the officer's signature and the signature of the Chief of Police or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The Bartlesville Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Bartlesville Police Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail the officer's itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of the officer's assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on the officer's person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative, or other management representative of the air carrier.
- (j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active peace officers from other states are subject to all requirements set forth in 18 USC § 926B.

# Vehicle Pursuits

## 307.1 PURPOSE AND SCOPE

This policy provides guidelines for vehicle pursuits in order to protect the safety of involved officers, the public and fleeing suspects.

This policy meets statutory requirements requiring the adoption of a pursuit driving policy pursuant to 11 O.S. § 34-107.

### 307.1.1 DEFINITIONS

Definitions related to this policy include:

**Blocking or vehicle intercept** - A slow-speed coordinated maneuver where two or more pursuing vehicles simultaneously intercept and block the movement of a suspect vehicle, the driver of which may be unaware of the impending enforcement stop. The goal is containment and preventing a pursuit. Blocking is not a moving or stationary road block.

**Boxing-in** - A tactic designed to stop a suspect's vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

**Ramming** - The deliberate act of contacting a suspect's vehicle with another law enforcement vehicle to functionally damage or otherwise force the suspect's vehicle to stop.

**Roadblocks** - A tactic designed to stop a suspect's vehicle by intentionally placing a law enforcement vehicle or other immovable object in the path of the suspect's vehicle.

**Tactical Vehicle Intervention (TVI)/Pursuit Intervention Technique (PIT)** - A low-speed maneuver designed to cause the suspect vehicle to spin out, stall and come to a stop.

**Terminate** - To discontinue a pursuit or stop chasing fleeing vehicles.

**Tire deflation device** - A device designed to puncture the tires of the pursued vehicle.

**Trail** - Following the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing vehicle will maintain sufficient distance from the pursuit vehicles so as to clearly indicate an absence of participation in the pursuit.

**Vehicle pursuit** - An event involving one or more law enforcement officers attempting to apprehend a suspect, who is attempting to avoid arrest while operating a vehicle by using high-speed driving or other evasive tactics, such as driving off a highway, turning suddenly or driving in a legal manner but willfully failing to yield to an officer's emergency signal to stop.

## 307.2 POLICY

It is the policy of this department to weigh the importance of apprehending suspects who unlawfully flee from law enforcement against the risks associated with vehicle pursuits.

**307.3 OFFICER RESPONSIBILITIES**

Vehicle pursuits shall only be conducted using authorized police department emergency vehicles that are equipped with and displaying emergency lighting and sirens as required by law.

Officers shall drive with due regard for the safety of all persons and property. However, officers may, when in pursuit of a suspect and provided there is no unreasonable risk to persons and property (47 O.S. § 11-106):

- (a) Proceed past a red or stop signal or stop sign, but only after slowing down as may be necessary for safe operation.
- (b) Exceed the speed limit.
- (c) Disregard regulations governing direction of movement or turning in specified directions.
- (d) Park or stand irrespective of the provisions of the Oklahoma Highway Safety Code.

**307.3.1 WHEN TO INITIATE A PURSUIT**

Officers are authorized to initiate a pursuit when it is reasonable to believe that a suspect, who has been given an appropriate signal to stop by a law enforcement officer, is attempting to evade arrest or detention by fleeing in a vehicle.

Factors that shall be considered, both individually and collectively, when deciding to initiate or continue a pursuit include, but are not limited to:

- (a) The seriousness of the known or reasonably suspected crime and its relationship to community safety.
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists and others.
- (c) The safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic (e.g., school zones) and the speed of the pursuit relative to these factors.
- (d) The pursuing officers' familiarity with the area of the pursuit, the quality of radio communications between the pursuing vehicles and dispatcher/supervisor, and the driving capabilities of the pursuing officers under the conditions of the pursuit.
- (e) Whether weather, traffic and road conditions unreasonably increase the danger of the pursuit when weighed against the risks resulting from the suspect's escape.
- (f) Whether the identity of the suspect has been verified and whether there is comparatively minimal risk in allowing the suspect to be apprehended at a later time.
- (g) The performance capabilities of the vehicles used in the pursuit in relation to the speed and other conditions of the pursuit.

- (h) Emergency lighting and siren limitations on unmarked police department vehicles that may reduce visibility of the vehicle, such as visor or dash-mounted lights, concealable or temporary emergency lighting equipment and concealed or obstructed siren positioning.
- (i) Vehicle speeds.
- (j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders and hostages).
- (k) The availability of other resources, such as air support assistance.
- (l) Whether the pursuing vehicle is carrying passengers other than on-duty police officers. Pursuits should not be undertaken with an arrestee in the pursuit vehicle unless exigent circumstances exist, and then only after the need to apprehend the suspect is weighed against the safety of the arrestee in transport. A vehicle containing more than a single arrestee should not be involved in a pursuit.

**307.3.2 WHEN TO TERMINATE A PURSUIT**

Pursuits should be terminated whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect's escape.

When a supervisor directs the pursuit to be terminated, officers will immediately terminate the pursuit.

The factors listed in this policy on when to initiate a pursuit will apply equally to the decision to terminate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists, themselves and the public when electing to continue a pursuit.

In addition to the factors that govern when to initiate a pursuit, other factors should be considered in deciding whether to terminate a pursuit, including:

- (a) The distance between the pursuing vehicle and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time or distance.
- (b) The pursued vehicle's location is no longer definitely known.
- (c) The pursuing vehicle sustains damage or a mechanical failure that renders it unsafe to drive.
- (d) The pursuing vehicle's emergency lighting equipment or siren becomes partially or completely inoperable.
- (e) Hazards posed to uninvolved bystanders or motorists.

**Bartlesville Police Department Policy Manual**

---

- (f) The danger that the continued pursuit poses to the public, the officers or the suspect, balanced against the risk of allowing the suspect to remain at large.
- (g) The identity of the suspect is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit.
- (h) Extended pursuits of violators for misdemeanors not involving violence or weapons (independent of the pursuit) are generally discouraged.

**307.4 PURSUIT VEHICLES**

When involved in a pursuit, unmarked police department emergency vehicles should be replaced by marked emergency vehicles whenever practicable.

Vehicle pursuits should be limited to three police department emergency vehicles (two pursuit vehicles and the supervisor vehicle). However, the number of vehicles involved will vary with the circumstances.

An officer or supervisor may request that additional vehicles join a pursuit if, after assessing the factors outlined above, it appears that the number of officers involved would be insufficient to safely arrest the number of suspects. All other officers shall stay out of the pursuit but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the pursuit termination point at legal speeds, following the appropriate rules of the road.

**307.4.1 VEHICLES WITHOUT EMERGENCY EQUIPMENT**

Officers operating vehicles not equipped with emergency lights and siren are prohibited from initiating or joining in any pursuit. Officers in such vehicles may provide support to pursuing vehicles as long as the vehicle is operated in compliance with all traffic laws. Those officers should discontinue such support immediately upon arrival of a sufficient number of authorized emergency police department vehicles or any air support.

**307.4.2 PRIMARY PURSUIT VEHICLE RESPONSIBILITIES**

The initial pursuing officer will be designated as the primary pursuit vehicle and will be responsible for the conduct of the pursuit unless he/she is unable to remain reasonably close to the suspect's vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspect without unreasonable danger to him/herself or others.

The primary pursuing officer should notify the dispatcher, commencing with a request for priority radio traffic, that a vehicle pursuit has been initiated, and as soon as practicable provide information including, but not limited to:

- (a) The location, direction of travel and estimated speed of the suspect's vehicle.
- (b) The description of the suspect's vehicle including the license plate number, if known.
- (c) The reason for the pursuit.
- (d) The use of firearms, threat of force, violence, injuries, hostages or other unusual hazards.

---

- (e) The number of occupants and identity or description.
- (f) The weather, road and traffic conditions.
- (g) The need for any additional resources or equipment.
- (h) The identity of other law enforcement agencies involved in the pursuit.

Until relieved by a supervisor or a secondary pursuing officer, the officer in the primary pursuit vehicle shall be responsible for broadcasting the progress of the pursuit. Unless circumstances reasonably indicate otherwise, the primary pursuing officer should, as soon as practicable, relinquish the responsibility of broadcasting the progress of the pursuit to an officer in a secondary pursuit vehicle or to air support joining the pursuit to minimize distractions and allow the primary pursuing officer to concentrate foremost on safe pursuit tactics.

#### **307.4.3 SECONDARY PURSUIT VEHICLE RESPONSIBILITIES**

The second officer in the pursuit will be designated as the secondary pursuit vehicle and is responsible for:

- (a) Immediately notifying the dispatcher of his/her entry into the pursuit.
- (b) Remaining a safe distance behind the primary pursuit vehicle unless directed to assume the role of primary pursuit vehicle or if the primary pursuit vehicle is unable to continue the pursuit.
- (c) Broadcasting information that the primary pursuing officer is unable to provide.
- (d) Broadcasting the progress of the pursuit, updating known or critical information and providing changes in the pursuit, unless the situation indicates otherwise.
- (e) Identifying the need for additional resources or equipment as appropriate.
- (f) Serving as backup to the primary pursuing officer once the suspect has been stopped.

#### **307.5 PURSUIT DRIVING**

The decision to use specific driving tactics requires the same assessment of the factors the officer considered when determining whether to initiate and/or terminate a pursuit. The following are tactics for officers who are involved in the pursuit:

- (a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to unusual maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:
  - 1. Available officers not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
  - 2. Pursuing officers should exercise due caution and slow down as may be necessary when proceeding through controlled intersections.

**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Vehicle Pursuits*

---

- (c) As a general rule, officers should not pursue a vehicle driving the wrong direction on a roadway, highway or freeway. In the event the pursued vehicle does so, the following tactics should be considered:
  - 1. Request assistance from available air support.
  - 2. Maintain visual contact with the pursued vehicle by paralleling the vehicle while driving on the correct side of the roadway.
  - 3. Request other officers to observe exits available to the suspect.
- (d) Notify the Oklahoma Highway Patrol (OHP) or other law enforcement agency if it appears that the pursuit may enter its jurisdiction.
- (e) Officers involved in a pursuit should not attempt to pass other pursuing vehicles unless the situation indicates otherwise or they are requested to do so by the pursuing officer and with a clear understanding of the maneuver process between the involved officers.

**307.5.1 PURSUIT TRAILING**

In the event that initial pursuing officers relinquish control of the pursuit to another agency, the initial officers may, with the permission of a supervisor, trail the pursuit to the termination point in order to provide information and assistance for the arrest of the suspect and reporting the incident.

**307.5.2 AIR SUPPORT ASSISTANCE**

When available, air support assistance should be requested. Once the air support crew has established visual contact with the pursued vehicle, they should assume communication control over the pursuit. The primary and secondary ground pursuit vehicles, or involved supervisor, will maintain operational control but should consider whether the participation of air support warrants their continued close proximity and/or involvement in the pursuit.

The air support crew should coordinate the activities of resources on the ground, report progress of the pursuit, and provide officers and supervisors with details of upcoming traffic congestion, road hazards or other pertinent information to evaluate whether to continue the pursuit. If officers on the ground are not within visual contact of the pursued vehicle and the air support crew determines that it is unsafe to continue the pursuit, the air support crew should recommend terminating the pursuit.

**307.5.3 OFFICERS NOT INVOLVED IN THE PURSUIT**

Officers who are not involved in the pursuit should remain in their assigned areas, should not parallel the pursuit route and should not become involved with the pursuit unless directed otherwise by a supervisor. Uninvolved officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Those officers should attempt to place their vehicles in locations that provide some safety or an escape route in the event of an unintended collision or if the suspect intentionally tries to ram the police department vehicle.

### *Vehicle Pursuits*

---

Non-pursuing members needed at the pursuit termination point should respond in a non-emergency manner, observing the rules of the road.

The primary pursuit vehicle, secondary pursuit vehicle and supervisor vehicle should be the only vehicles operating under emergency conditions (emergency lights and siren) unless other officers are assigned to the pursuit.

#### **307.6 SUPERVISORY CONTROL AND RESPONSIBILITIES**

Available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department.

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor, will be responsible for:

- (a) Immediately notifying involved officers and the dispatcher of supervisory presence and ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit. This is to ensure that the pursuit is conducted within established department guidelines.
- (b) Engaging in the pursuit, when appropriate, to provide on-scene supervision.
- (c) Exercising management and control of the pursuit even if not engaged in it.
- (d) Ensuring that no more than the required law enforcement vehicles are involved in the pursuit under the guidelines set forth in this policy.
- (e) Directing that the pursuit be terminated if, in his/her judgment, it is not justified to continue the pursuit under the guidelines of this policy.
- (f) Ensuring that assistance from air support, canines or additional resources is requested, if available and appropriate.
- (g) Ensuring that the proper radio channel is being used.
- (h) Ensuring that the Shift Supervisor is notified of the pursuit, as soon as practicable.
- (i) Ensuring the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this department.
- (j) Controlling and managing Bartlesville Police Department officers when a pursuit enters another jurisdiction.
- (k) Preparing a post-pursuit review and documentation of the pursuit as required.

##### **307.6.1 SHIFT SUPERVISOR RESPONSIBILITIES**

Upon becoming aware that a pursuit has been initiated, the Shift Supervisor should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Shift Supervisor has the final responsibility for the coordination, control and termination of a vehicle pursuit and shall be in overall command.

The Shift Supervisor shall review all pertinent reports for content and forward them to the Captain.

**307.7 THE COMMUNICATION CENTER**

If the pursuit is confined within the City limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or dispatcher. If the pursuit leaves the jurisdiction of this department or such is imminent, involved officers should, whenever available, switch radio communications to a tactical or emergency channel most accessible by participating agencies.

**307.7.1 RESPONSIBILITIES**

Upon notification or becoming aware that a pursuit has been initiated, the dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved officers.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Shift Supervisor as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

**307.8 LOSS OF PURSUED VEHICLE**

When the pursued vehicle is lost, the involved officers should broadcast pertinent information to assist other officers in locating the vehicle. The primary pursuing officer or supervisor will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

**307.9 INTERJURISDICTIONAL CONSIDERATIONS**

When a pursuit enters another agency's jurisdiction, the primary pursuing officer or supervisor, taking into consideration the distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit.

Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary pursuing officer or supervisor ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether the jurisdiction is expected to assist.

**307.9.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY**

Officers will relinquish control of the pursuit when another agency has assumed the pursuit, unless the continued assistance of the Bartlesville Police Department is requested by the agency assuming the pursuit. Upon relinquishing control of the pursuit, the involved officers may proceed, with supervisory approval, to the termination point of the pursuit to assist in the investigation. The supervisor should coordinate such assistance with the assuming agency and obtain any information that is necessary for any reports.

Bartlesville Police Department Policy Manual

### *Vehicle Pursuits*

---

The roles and responsibilities of officers at the termination point of a pursuit initiated by this department shall be coordinated with appropriate consideration of the needs of the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific. Because of communication limitations between local law enforcement agencies, a request for another agency's assistance will mean that its personnel will assume responsibility for the pursuit. For the same reasons, when a pursuit leaves another jurisdiction and a request for assistance is made to this department, the other agency should relinquish control.

#### **307.9.2 PURSUITS EXTENDING INTO THIS JURISDICTION**

The agency that initiates a pursuit shall be responsible for conducting the pursuit. Officers from this department should not join a pursuit unless specifically requested to do so by the pursuing agency and with approval from a supervisor. The exception to this is when a single vehicle from the initiating agency is in pursuit. Under this circumstance, an officer from this department may, with supervisor approval, immediately join the pursuit until sufficient vehicles from the initiating agency join the pursuit or until additional information is provided allowing withdrawal from the pursuit.

When a request is made for this department to assist or take over a pursuit that has entered the jurisdiction of the Bartlesville Police Department, the supervisor should consider:

- (a) The public's safety within this jurisdiction.
- (b) The safety of the pursuing officers.
- (c) Whether the circumstances are serious enough to continue the pursuit.
- (d) Whether there is adequate staffing to continue the pursuit.
- (e) The ability to maintain the pursuit.

As soon as practicable, a supervisor or the Shift Supervisor should review a request for assistance from another agency. The Shift Supervisor or supervisor, after considering the above factors, may decline to assist in or assume the other agency's pursuit.

Assistance to a pursuing agency by officers of this department will conclude at the City limits, provided that the pursuing agency has sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

In the event that the termination point of a pursuit from another agency is within this jurisdiction, officers shall provide appropriate assistance including, but not limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

#### **307.10 PURSUIT INTERVENTION**

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Vehicle Pursuits*

---

.Pursuit intervention is an attempt to stop the suspect's ability to continue to flee in a vehicle through tactical application of technology, tire deflation devices, blocking or vehicle intercept, boxing-in, the TVI, ramming or roadblock procedures.

**307.10.1 WHEN USE IS AUTHORIZED**

Whenever practicable, an officer shall seek approval from a supervisor before employing any intervention to stop the pursued vehicle. In deciding whether to use intervention tactics, officers/supervisors should balance the risk of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the officers and persons in or on the pursued vehicle. With this in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances apparent to the officer at the time of the decision.

**307.10.2 USE OF FIREARMS**

The use of firearms to disable a pursued vehicle is not generally an effective tactic and involves all the dangers associated with discharging firearms. Officers should not utilize firearms during an ongoing pursuit unless the conditions and circumstances meet the requirements authorizing the use of deadly force. Nothing in this section shall be construed to prohibit any officer from using a firearm to stop a suspect from using a vehicle as a deadly weapon.

**307.10.3 INTERVENTION STANDARDS**

Any intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the officers, the public or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of force, including deadly force, and are subject to policies guiding such use. Officers shall consider these facts and requirements prior to deciding how, when, where and if an intervention tactic should be employed.

- (a) Blocking or vehicle intercept should only be considered in cases involving felony suspects or impaired drivers who pose a threat to the public's safety, and when officers reasonably believe that attempting a conventional enforcement stop will likely result in the driver attempting to flee in the vehicle. Because of the potential risks involved, this intervention tactic should only be employed by properly trained officers and after giving consideration to the following:
  - 1. The need to immediately stop the suspect vehicle or prevent it from leaving substantially outweighs the risk of injury or death to occupants of the suspect vehicle, officers or others.
  - 2. All other reasonable intervention tactics have failed or reasonably appear ineffective.
  - 3. Employing the blocking or vehicle intercept maneuver does not unreasonably increase the risk of safety to those involved or the public.
  - 4. The suspect vehicle is stopped or traveling at a low speed.
  - 5. Only law enforcement vehicles should be used in this tactic.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Vehicle Pursuits*

---

- (b) The TVI/PIT is limited to use by properly trained officers with the approval of a supervisor and upon assessment of the circumstances and conditions presented at the time, including the potential for risk of injury to officers, the public and occupants of the pursued vehicle.
- (c) Ramming a fleeing vehicle should be done only after other reasonable tactical means at the officer's disposal have been exhausted or would not be effective, and immediate control is necessary. Ramming should be reserved for situations where there does not appear to be another reasonable alternative method. If there does not reasonably appear to be a present or immediately foreseeable serious threat to the public, the use of ramming is not authorized. When ramming is used as a means to stop a fleeing vehicle, the following factors should be present:
  - 1. The suspect is an actual or suspected felon, who reasonably appears to represent a serious threat to the public if not apprehended.
  - 2. The suspect is driving with willful or wanton disregard for the safety of other persons or is driving in a reckless and life-endangering manner or using the vehicle as a weapon.
- (d) Boxing-in a suspect vehicle should only be attempted upon approval by a supervisor. The use of such a tactic must be carefully coordinated with all involved vehicles, taking into consideration the circumstances and conditions apparent at the time, as well as the potential risk of injury to officers, the public and occupants of the pursued vehicle. Officers and supervisors should weigh the potential consequences against the need to immediately stop the vehicle.
- (e) Tire deflation devices should be deployed only after notification of pursuing officers and the supervisor of the intent and location of the intended deployment, and in a manner that:
  - 1. Should reasonably only affect the pursued vehicle.
  - 2. Provides the deploying officer adequate cover and escape from intentional or unintentional exposure to the approaching vehicle.
  - 3. Takes into account the limitations of such devices as well as the potential risk to officers, the public and occupants of the pursued vehicle.
  - 4. Takes into account whether the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials or a school bus transporting children.
- (f) Because roadblocks involve a potential for serious injury or death to occupants of the pursued vehicle if the suspect does not stop, the intentional placement of roadblocks in the direct path of a pursued vehicle is generally discouraged and should not be deployed without prior approval of a supervisor. If roadblocks are deployed, it should only be done under extraordinary conditions when all other reasonable intervention tactics have failed or reasonably appear ineffective and the need to immediately stop

the pursued vehicle substantially outweighs the risks of injury or death to occupants of the pursued vehicle, officers or the public.

**307.11 CAPTURE OF SUSPECTS**

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

Unless relieved by a supervisor, the primary pursuing officer should coordinate efforts to apprehend the suspect following the pursuit. Officers should consider the safety of the public and the involved officers when formulating plans for setting up perimeters or for containing and capturing the suspect.

**307.12 REPORTING REQUIREMENTS**

All appropriate reports shall be completed to comply with appropriate laws and policies or procedures.

- (a) The primary pursuing officer shall complete appropriate crime/arrest reports.
- (b) The primary pursuing officer or supervisor shall complete the appropriate pursuit report.
- (c) After first obtaining the available information, the involved, or if unavailable, on-duty field supervisor shall promptly complete a supervisor's log or interoffice memorandum, briefly summarizing the pursuit to the Chief of Police or the authorized designee. This log or memorandum should include, at a minimum:
  - 1. Date and time of the pursuit.
  - 2. Initial reason and circumstances surrounding the pursuit.
  - 3. Length of pursuit in distance and time, including the starting and termination points.
  - 4. Involved vehicles and officers.
  - 5. Alleged offenses.
  - 6. Whether a suspect was apprehended, as well as the means and methods used.
    - (a) Any use of force shall be reported and documented in compliance with the Use of Force Policy.
  - 7. Arrestee information, if applicable.
  - 8. Any injuries and/or medical treatment.
  - 9. Any property or equipment damage.
  - 10. Name of supervisor at the scene or who handled the incident.

11. A preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.
- (d) After receiving copies of reports, logs and other pertinent information, the Chief of Police or the authorized designee shall conduct or assign the completion of a post-pursuit review, as appropriate.
- (e) Annually, the Chief of Police should direct a documented review and analysis of department vehicle pursuits to minimally include policy suitability, policy compliance and training needs.

**307.13 REGULAR AND PERIODIC PURSUIT TRAINING**

In addition to initial and supplementary training on pursuits, all officers will participate, no less than annually, in regular and periodic training addressing this policy and the importance of vehicle safety and protecting the public. Training will include recognition of the need to balance the known offense and the need for immediate capture against the risks to officers and others.

## Foot Pursuits

### 308.1 PURPOSE AND SCOPE

This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

### 308.2 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.

### 308.3 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual that the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity alone shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Thermal imaging or other sensing technology.

- (e) Air support.
- (f) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

**308.4 GENERAL GUIDELINES**

When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory.
- (b) The officer is acting alone.
- (c) Two or more officers become separated, lose visual contact with one another or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspects should a confrontation occur.
- (f) The physical condition of the officer renders him/her incapable of controlling the suspect if apprehended.
- (g) The officer loses radio contact with the dispatcher or with assisting or backup officers.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm or other essential equipment.
- (l) The officer or a third party is injured during the foot pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer known.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Foot Pursuits*

---

- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.
- (o) The officer's ability to safely continue the foot pursuit is impaired by inclement weather, darkness or other environmental conditions.

### **308.5 RESPONSIBILITIES IN FOOT PURSUITS**

#### **308.5.1 INITIATING OFFICER RESPONSIBILITIES**

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit and containment. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify the dispatcher of his/her location and the status of the foot pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects or members of the public.

**308.5.2 ASSISTING OFFICER RESPONSIBILITIES**

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize nonessential radio traffic to permit the involved officers maximum access to the radio frequency.

**308.5.3 SUPERVISOR RESPONSIBILITIES**

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible; the supervisor does not, however, need to be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

**308.5.4 THE COMMUNICATION CENTER RESPONSIBILITIES**

Upon notification or becoming aware that a foot pursuit is in progress, the dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved officers.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the foot pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Shift Supervisor as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

**308.6 REPORTING REQUIREMENTS**

The initiating officer shall complete appropriate crime/arrest reports documenting, at a minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.

1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
  - (g) Arrestee information, if applicable.
  - (h) Any injuries and/or medical treatment.
  - (i) Any property or equipment damage.
  - (j) Name of the supervisor at the scene or who handled the incident.
  - (k) A preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

# Officer Response to Calls

## 309.1 PURPOSE AND SCOPE

This policy provides officers with guidelines for the safe and appropriate vehicular response to emergency and non-emergency incidents or requests for assistance, whether these are dispatched or self-initiated.

## 309.2 POLICY

It is the policy of this department to appropriately respond to emergency and non-emergency calls for service or requests for assistance, whether these are dispatched or self-initiated.

## 309.3 RESPONSE TO CALLS

Officers responding to non-emergency calls shall proceed accordingly, unless they are sent or redirected to a higher priority call, and shall obey all traffic laws.

### 309.3.1 EMERGENCY CALLS

Officers responding to an emergency call shall proceed immediately as appropriate and shall continuously operate the emergency vehicle lighting and siren as required by law (47 O.S. § 1-103; 47 O.S. § 11-106; 47 O.S. § 12-218; 47 O.S. § 12-401).

Officers should only respond to a call as an emergency response when so dispatched or when circumstances reasonably indicate an emergency response is required. This includes, but is not limited to:

- (a) When in pursuit or apprehending a violator or suspected violator.
- (b) When responding to a reported emergency involving possible personal injury, death or significant property damage.
- (c) When immediate assistance is requested by an officer or other law enforcement agency.

If an officer believes an emergency response to any call is appropriate, the officer shall immediately notify the dispatcher.

Officers not responding to a call as an emergency response shall observe all traffic laws and proceed without the use of emergency lights and siren.

## 309.4 REQUESTING EMERGENCY ASSISTANCE

When requesting emergency assistance, the involved department member should reasonably believe there is an imminent threat to the safety of him/herself or another person, or that assistance is needed to prevent imminent serious harm to the public.

If circumstances permit, the requesting member should provide the following information:

- Identifying call sign
- Location of the emergency situation

**Bartlesville Police Department**  
Bartlesville Police Department Policy Manual  
Bartlesville Police Department Policy Manual

*Officer Response to Calls*

---

- Suspect information, including weapons
- Reason for the request and type of emergency
- The number of officers or resources required
- Hazards and any known or potential dangers for responding officers

In any event where a situation has stabilized and emergency response is not required, the requesting member shall immediately notify the dispatcher.

**309.5 SAFETY CONSIDERATIONS**

Responding with emergency lights and siren does not relieve the operator of an emergency vehicle of the duty to continue to drive with due regard for the safety of all persons and property, and does not protect the operator from the consequences of reckless disregard for the safety of others. However the officer may, when responding to a call with an emergency response, and provided there is no endangerment or unnecessary risk to persons and property (47 O.S. § 11-106):

- Proceed past a red or stop signal or stop sign, but only after slowing down as may be necessary for safe operation.
- Exceed the speed limit.
- Disregard regulations governing direction of movement or turning in specified directions.
- Park or stand irrespective of the provisions of the Oklahoma Highway Safety Code.

**309.5.1 NUMBER OF OFFICERS ASSIGNED**

The number of officers assigned to respond to an emergency call or request for assistance should be limited to that which is reasonably necessary.

An emergency response involving more than one police vehicle should be coordinated by the Communication Center to avoid any unanticipated intersecting of response routes. The dispatcher shall notify the Shift Supervisor or field supervisor, who will make a determination regarding the appropriateness of the response and reduce or enhance the response as warranted.

**309.6 EMERGENCY EQUIPMENT**

Vehicles not equipped with emergency lights and siren are prohibited from initiating or joining in an emergency response. Officers in such vehicles may provide support to pursuing vehicles as long as the vehicles are operated in compliance with all traffic laws. Those officers should terminate their involvement in any emergency response immediately upon arrival of a sufficient number of emergency law enforcement vehicles.

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the emergency response and continue accordingly. The officer shall notify the Shift Supervisor, field supervisor or the dispatcher of the equipment failure so that another officer may be assigned to the emergency response.

**Bartlesville Police Department**

---

**309.6.1 EXCEPTION TO THE USE OF EMERGENCY EQUIPMENT**

Officers operating an authorized emergency vehicle without using audible and visual signals may exceed the maximum speed limits and disregard regulations governing turning in specified directions, provided that the actions do not endanger life or property, when the officer is following a suspected violator of the law and has probable cause to believe that (47 O.S. § 11-106):

- (a) Knowledge of the presence of the officer will cause the suspect to:
  - 1. Destroy or lose evidence of a suspected felony.
  - 2. End a suspected continuing felony before the officer has obtained sufficient evidence to establish grounds for an arrest.
  - 3. Evade apprehension or identification of the suspect or the vehicle of the suspect.
- (b) Because of traffic conditions, there is a potential increased risk of a collision involving vehicles moving in response to the emergency lights and siren.

**309.7 OFFICER RESPONSIBILITIES**

The decision to initiate or continue an emergency response is at the discretion of the officer. If, in the officer's judgment, the weather, traffic and road conditions do not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of emergency lights and siren at the legal speed limit. In such an event, the officer should immediately notify the dispatcher. An officer shall also discontinue an emergency response when directed by a supervisor or as otherwise appropriate.

Upon receiving authorization or determining that an emergency response is appropriate, whenever practicable, an officer should immediately give the location from which he/she is responding.

The first officer arriving at the emergency call should determine whether to increase or reduce the level of the response of additional officers and shall notify the dispatcher of his/her determination. Any subsequent change in the appropriate response level should be communicated to the dispatcher by the officer in charge of the scene unless a supervisor assumes this responsibility.

**309.8 THE COMMUNICATION CENTER**

When information reasonably indicates that the public is threatened with serious injury or death, or an officer requests emergency assistance and immediate law enforcement response is needed, the dispatcher shall broadcast the information and the responding officer(s) shall determine the level of response. The dispatcher shall ensure acknowledgement of the call along with the response of handling and assisting officers. In all circumstances, the Shift Supervisor or a field supervisor shall retain overall control regarding an emergency response.

**309.8.1 RESPONSIBILITIES**

Upon notification or assignment of an emergency response, the dispatcher is responsible for:

- (a) Confirming the location from which the officer is responding or requesting assistance.
- (b) Attempting to assign the closest available assisting officers to the location of the emergency call.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Officer Response to Calls*

---

- (c) Continuing to obtain and broadcast information as necessary concerning the response and monitoring the situation until it is stabilized or terminated.
- (d) Notifying and coordinating allied emergency services (e.g., fire, emergency medical services).
- (e) Notifying the Shift Supervisor as soon as practicable.
- (f) Controlling all radio communications during the emergency and coordinating assistance under the direction of the Shift Supervisor or field supervisor.

**309.9 SUPERVISOR RESPONSIBILITIES**

Upon being notified that an emergency response has been initiated or requested, the Shift Supervisor or the field supervisor shall verify that:

- (a) The proper response has been initiated.
- (b) No more than those officers reasonably necessary under the circumstances are involved in the response.
- (c) Affected outside jurisdictions are being notified as practicable.

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing officers into or out of the response, if necessary. If, in the supervisor's judgment, the circumstances require additional officers to be assigned an emergency response, the supervisor may do so.

It is the supervisor's responsibility to terminate an emergency response that, in his/her judgment, is inappropriate due to the circumstances.

When making the decision to authorize an emergency response, the Shift Supervisor or the field supervisor should consider:

- The type of call or crime involved.
- The type and circumstances of the request.
- The necessity of a timely response.
- Weather, traffic and road conditions.
- The location of the responding officers and the location of the incident.

**309.9.1 SUPERVISOR RESPONSE**

Supervisors should respond on scene to any incident that, in the supervisor's judgment, is appropriate due to the circumstances; when requested by an officer; and to events as detailed in specific policies, including but not limited to:

- Use of Force Policy
- Officer-Involved Shootings and Deaths Policy

# Canines

## 310.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of canines to augment law enforcement services in the community including but not limited to locating individuals and contraband and apprehending criminal offenders.

## 310.2 POLICY

It is the policy of the Bartlesville Police Department that teams of handlers and canines meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

## 310.3 ASSIGNMENT

Canine teams should be assigned to assist and supplement the Patrol Division to function primarily in assist or cover assignments. However, they may be assigned by the Shift Supervisor to other functions, such as routine calls for service, based on the current operational needs.

Canine teams should generally not be assigned to handle routine matters that will take them out of service for extended periods of time. If such assignment is necessary, it should only be made with the approval of the Shift Supervisor.

Canine teams may be assigned to specialized or other divisions within the Bartlesville Police Department at the direction of the Chief of Police.

## 310.4 CANINE COORDINATOR

The canine coordinator shall be appointed by and directly responsible to the Patrol Captain or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
- (b) Maintaining a liaison with the vendor kennel.
- (c) Maintaining a liaison with command staff and functional supervisors.
- (d) Maintaining a liaison with other agency canine coordinators.
- (e) Maintaining accurate records to document canine activities.
- (f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
- (g) Scheduling all canine-related activities.
- (h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

**310.5 REQUESTS FOR CANINE TEAMS**

Patrol Division members are encouraged to request the use of a canine. Requests for a canine team from department units outside of the Patrol Division shall be reviewed by the Shift Supervisor.

**310.5.1 OUTSIDE AGENCY REQUEST**

All requests for canine assistance from outside agencies must be approved by the Shift Supervisor and are subject to the following:

- (a) Canine teams shall not be used for any assignment that is not consistent with this policy.
- (b) The canine handler shall have the authority to decline a request for any specific assignment that he/she deems unsuitable.
- (c) Calling out off-duty canine teams is discouraged.
- (d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.
- (e) It shall be the responsibility of the canine handler to complete all necessary reports or as directed.

**310.5.2 PUBLIC DEMONSTRATION**

All public requests for a canine team shall be reviewed and, if appropriate, approved by the canine coordinator prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the canine coordinator.

**310.6 APPREHENSION GUIDELINES**

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has committed, is committing, or is threatening to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any officer, or the handler.
- (b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine.

Absent a reasonable belief that a suspect has committed, is committing, or is threatening to commit a serious offense, mere flight from a pursuing officer, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

## *Canines*

---

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Shift Supervisor. Absent a change in circumstances that presents an imminent threat to officers, the canine, or the public, such canine use should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, the handler should promptly remove the canine once the suspect has been secured in handcuffs.

### **310.6.1 PREPARATION FOR DEPLOYMENT**

Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect's known or perceived age.
- (e) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other officers at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler's responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

### **310.6.2 WARNINGS AND ANNOUNCEMENTS**

Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a canine will be used if the suspect does not surrender should be made prior to releasing a canine. The handler should allow a reasonable time for a suspect to surrender and should quiet the canine momentarily to listen for any verbal response to the warning. If feasible, other members should

be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

If a warning is not to be given, the canine handler, when practicable, should first advise the supervisor of his/her decision before releasing the canine. In the event of an apprehension, the handler shall document in any related report how the warning was given and, if none was given, the reasons why.

### **310.6.3 REPORTING DEPLOYMENTS, BITES AND INJURIES**

Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in a canine use report. The injured person shall be promptly treated by emergency medical services personnel and, if appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by a canine, whether on- or off-duty, shall be promptly reported to the canine coordinator. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual's injured and uninjured areas shall be photographed as soon as practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current department evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

Department canines that bite a person are exempt from a 10-day quarantine upon presentation of a record of immunization against rabies. When required by the Oklahoma State Department of Health, the canine coordinator shall ensure that a certification of animal health is obtained after examination by a licensed veterinarian at the end of 10 days (OAC 310:599-3-1).

### **310.7 NON-APPREHENSION GUIDELINES**

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine's suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply:

- (a) Absent a change in circumstances that presents an imminent threat to officers, the canine, or the public, such applications should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.
- (b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

- (c) Throughout the deployment, the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.
- (d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

### **310.7.1 ARTICLE DETECTION**

A canine trained to find objects or property related to a person or crime may be used to locate or identify articles. A canine search should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

### **310.7.2 NARCOTICS DETECTION**

A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

- (a) The search of vehicles, buildings, bags, and other articles.
- (b) Assisting in the search for narcotics during a search warrant service.
- (c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

### **310.7.3 BOMB/EXPLOSIVE DETECTION**

Because of the high risk of danger to the public and officers when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available, an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

- (a) Assisting in the search of a building, structure, area, vehicle, or article where an actual or suspected explosive device has been reported or located.
- (b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).
- (c) Preventive searches at special events, VIP visits, official buildings, and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.
- (d) Assisting in the search of scenes where an explosion has occurred and an explosive device or secondary explosive device is suspected.

At no time will an explosive-detection trained canine be used to render a suspected device safe or clear.

## **310.8 HANDLER SELECTION**

The minimum qualifications for the assignment of canine handler include:

- (a) An officer who is currently off probation.

- (i) Additional consideration will be given if the officer has previous experience as a canine handler.
- (j) There shall be an oral review board for canine handler selection, which shall consist of five people selected by the Chief of Police or his designee.

**310.9 HANDLER RESPONSIBILITIES**

The canine handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection and living conditions.

The canine handler will be responsible for the following:

- (a) Except as required during appropriate deployment, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
- (b) The handler shall maintain all department equipment under his/her control in a clean and serviceable condition.
- (c) When not in service, the handler shall park the canine vehicle off the public street or roadway.
- (d) When a handler is off-duty for an extended number of days, the assigned canine vehicle should be stored at the Bartlesville Police Department facility.
- (e) Handlers shall permit the canine coordinator to conduct spontaneous on-site inspections of affected areas of their homes as well as their canine vehicles, to verify that conditions and equipment conform to this policy.
- (f) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine coordinator as soon as possible.

- (g) When off-duty, the canine shall be in a kennel provided by the City at the home of the handler. When a canine is kenneled at the handler's home, the gate shall be secured with a lock. When off-duty, the canine may be let out of the kennel while under the direct control of the handler.
- (h) The canine should be permitted to socialize in the home with the handler's family for short periods of time and under the direct supervision of the handler.
- (i) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Shift Supervisor.
- (j) When off-duty, the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine coordinator or Shift Supervisor.
- (k) Whenever a canine handler is off-duty for an extended number of days, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the canine coordinator so that appropriate arrangements can be made.

### **310.9.1 CANINE IN PUBLIC AREAS**

The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

- (a) A canine shall not be left unattended in any area to which the public may have access.
- (b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the canine. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

### **310.10 HANDLER COMPENSATION**

The canine handler shall be available for call-out under conditions specified by the canine coordinator.

The canine handler shall be compensated for time spent in the care, feeding, grooming and other needs of the canine in accordance with the Fair Labor Standards Act (FLSA), and according to the terms of the employment agreement (29 USC § 207).

### **310.11 CANINE INJURY AND MEDICAL CARE**

In the event that a canine is injured, or there is an indication that the canine is not in good physical condition, the injury or condition will be reported to the canine coordinator or Shift Supervisor as soon as practicable and appropriately documented.

All medical attention shall be rendered by the designated canine veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the handler's personnel file.

**310.12 TRAINING**

Before assignment in the field, each canine team shall be trained and certified to meet current Council on Law Enforcement Education and Training (CLEET) or other state-recognized and approved certification standards. Canine teams trained exclusively for the detection of narcotics or explosives also shall be trained and certified to meet current nationally recognized standards or other recognized and approved certification standards established for their particular skills.

A canine shall not be certified as both a drug dog and a bomb dog; once a dog is certified as either a drug dog or a bomb dog, that dog may not be certified in the other category (OAC 390:30-1-3; OAC 390:31-1-3; 70 O.S. § 3311(B)(9)).

The canine coordinator shall be responsible for scheduling periodic training for all department members in order to familiarize them with how to conduct themselves in the presence of department canines. Because canines may be exposed to dangerous substances such as opioids, as resources are available, the canine coordinator should also schedule periodic training for the canine handlers about the risks of exposure and treatment for it.

All canine training shall be conducted while on-duty unless otherwise approved by the canine coordinator or Shift Supervisor.

**310.12.1 CONTINUED TRAINING**

Each canine team shall thereafter be recertified to CLEET or other state-approved certification standards on an annual basis (70 O.S. § 3311(K); 70 O.S. § 3311(L)).

Additional training considerations are as follows:

- (a) Canine teams should receive training as defined in the current contract with the Bartlesville Police Department canine training provider.
- (b) Canine handlers are encouraged to engage in additional training with approval of the canine coordinator.
- (c) To ensure that all training is consistent, no handler, trainer or outside vendor is authorized to train to a standard that is not reviewed and approved by the Department.

**310.12.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING**

Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved. When reasonably practicable, pending successful certification, the canine handler shall be temporarily reassigned to regular patrol duties.

**310.12.3 TRAINING RECORDS**

All canine training records shall be maintained in the canine handler's and the canine's training file.

**310.12.4 TRAINING AIDS**

Training aids are required to effectively train and maintain the skills of canines. Officers possessing, using or transporting controlled substances or explosives for canine training purposes

must comply with federal and state requirements. Alternatively, the Bartlesville Police Department may work with outside trainers with the applicable licenses or permits.

### **310.12.5 CONTROLLED SUBSTANCE TRAINING AIDS**

Officers acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with state and federal laws and in compliance with applicable state requirements (21 USC § 823(f); OAC 475:10-1-4; 63 O.S. § 2-302).

The Chief of Police or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the Bartlesville Police Department to be possessed by the member or a narcotics-detection canine trainer who is working under the direction of this department for training purposes, provided the controlled substances are no longer needed as criminal evidence.

As an alternative, the Chief of Police or the authorized designee may request narcotics training aids from the Drug Enforcement Administration (DEA).

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.

### **310.12.6 CONTROLLED SUBSTANCE PROCEDURES**

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine's accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

- (a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.
- (b) The weight and test results shall be recorded and maintained by this department.
- (c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.
- (d) All controlled substance training samples will be stored in locked, airtight and watertight cases at all times, except during training. The locked cases shall be secured in the canine handler's assigned patrol vehicle during transport to and from training. When not being used during training events, the samples within the locked cases shall be stored in an appropriate locked container in a secure storage area within the department building, as designated by the canine coordinator. There are no exceptions to this procedure.
- (e) The canine coordinator shall inspect every controlled substance training sample for damage or tampering quarterly. Inspections shall be documented by the canine coordinator. Any defects found in a controlled substance training sample shall be recorded, and may warrant further investigation by the department.
- (f) Any unusable controlled substance training samples shall be returned to the Property and Evidence Section or to the dispensing agency.

- (g) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

**310.12.7 EXPLOSIVE TRAINING AIDS**

Officers may possess, transport, store or use explosives or destructive devices in compliance with state and federal laws (18 USC § 842; 27 CFR 555.41; 63 O.S. § 123.8).

Explosive training aids designed specifically for canine teams should be used whenever feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids by canine teams is subject to the following:

- (a) All explosive training aids, when not in use, shall be properly stored in a secure facility appropriate for the type of materials.
- (b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids that are stored.
- (c) The canine coordinator shall be responsible for verifying the explosive training aids on hand against the inventory ledger once each quarter.
- (d) Only members of the canine team shall have access to the explosive training aids storage facility.
- (e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally, the handler will be designated as the primary custodian while the trainer or authorized second person on-scene will be designated as the secondary custodian.
- (f) Any lost or damaged explosive training aids shall be promptly reported to the canine coordinator, who will determine if any further action will be necessary. Any loss of explosives will be reported to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).

## Domestic Abuse

### 311.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic abuse through vigorous enforcement and to address domestic abuse as a serious crime against society. The policy specifically addresses the commitment of the Bartlesville Police Department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic abuse.

This policy meets statutory requirements requiring the adoption of a domestic abuse policy pursuant to 11 O.S. § 34-107.

#### 311.1.1 DEFINITIONS

Definitions related to this policy include (22 O.S. § 60.1):

**311.2 POLICY**

The Bartlesville Police Department's response to incidents of domestic abuse and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic abuse is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

**311.3 OFFICER SAFETY**

The investigation of domestic abuse cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

**311.4 INVESTIGATIONS**

The following guideline shall be followed by officers when investigating domestic abuse cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic abuse and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Investigation Division in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.

- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence.
  - 1. Investigating officers shall seize any weapon or instrument when there is probable cause to believe the weapon or instrument has been used to commit an act of domestic abuse when an arrest is made and the weapon or instrument can be lawfully seized as evidence (22 O.S. § 60.8).
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order, and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
  - 1. Whether the suspect lives on the premises with the victim.
  - 2. Claims by the suspect that the victim provoked or perpetuated the abuse.
  - 3. The potential financial or child custody consequences of arrest.
  - 4. The physical or emotional state of either party.
  - 5. Use of drugs or alcohol by either party.
  - 6. Denial that the abuse occurred where evidence indicates otherwise.
  - 7. A request by the victim not to arrest the suspect.
  - 8. Location of the incident (public/private).
  - 9. Speculation that the complainant may not follow through with the prosecution.
  - 10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
  - 11. The social status, community status, or professional position of the victim or suspect.

**311.4.1 IF A SUSPECT IS ARRESTED**

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

**311.4.2 IF NO ARREST IS MADE**

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
  - 1. Voluntary separation of the parties.
  - 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness assistance).
- (b) Document the resolution in a report.

**311.5 VICTIM ASSISTANCE**

Because victims may be traumatized or confused, officers should be aware that a victim's behavior and actions may be affected.

- Victims shall be provided with the department domestic abuse information handout, even if the incident may not rise to the level of a crime (21 O.S. § 142A-3).
- Victims should also be alerted to any available victim advocates, shelters and community resources.
- When an involved person requests law enforcement assistance while removing essential items of personal property, officers should stand by for a reasonable amount of time.
- If the victim has sustained injury or complains of pain, officers should seek medical assistance for the victim as soon as practicable.
- Officers should ask the victim whether he/she has a safe place to stay and assist in arranging transportation to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
- Officers should make reasonable efforts to ensure that any children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- If appropriate, officers shall seek or assist the victim in obtaining an emergency order.
  - The investigating officer shall ensure the victim handout contains a petition for an emergency temporary order of protection and, if necessary, assist the victim in completing the petition form as directed in the Victim and Witness Assistance Policy (22 O.S. § 40.3; 22 O.S. § 60.16).
- Victims of domestic abuse shall not be discouraged from pressing charges (22 O.S. § 60.16).

**311.6 DISPATCH ASSISTANCE**

All calls of domestic abuse, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Domestic Abuse*

---

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

**311.7 FOREIGN COURT ORDERS**

Various types of orders may be issued in domestic abuse cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

**311.8 VERIFICATION OF COURT ORDERS**

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

A copy of a court order is generally acceptable as proof that a court order is valid in this state (22 O.S. § 60.9).

**311.9 STANDARDS FOR ARRESTS**

Officers investigating a domestic abuse report should consider the following:

- (a) Officers investigating an assault that qualifies as domestic abuse may make an arrest even if the assault was not committed in his/her presence if, based upon probable cause, an offense occurred within the last 72 hours and it caused the victim an observable injury or impairment (22 O.S. § 60.16).
  - 1. Investigating officers shall consider the circumstances surrounding the incident, past history of abuse between the parties, statements of any children present

in the residence, which party is the dominant aggressor and any other relevant factors in making these arrests (22 O.S. § 60.16).

- (b) Investigating officers shall make an arrest when they have probable cause to believe a person with notice has violated an enforceable court order, whether or not the order was issued in Oklahoma. Persons arrested for a violation of a court order shall not be released but brought before a judge within 24 hours of arrest (22 O.S. § 60.9).

**311.10 REPORTS AND RECORDS**

Requirements for domestic abuse reports and records include:

- (a) Investigating officers shall document each reported incident of domestic abuse. Documentation shall include (22 O.S. § 40.6):
  - 1. The type of crime involved in the domestic abuse.
  - 2. The date, time, and day of the week the incident occurred.
  - 3. Other information required by the Department.
- (b) A lethality assessment form shall be completed and included in the report submitted by the investigating member, and if the results indicate a referral is suggested, the assessing officer shall (21 O.S. § 142A-3):
  - 1. Advise the victim of the assessment results.
  - 2. Advise the victim that the officer will call the domestic violence hotline to allow the victim to speak with an advocate.
  - 3. Document the refusal if the victim does not want to speak to an advocate.
  - 4. Provide referral information for shelters, domestic violence programs, and other social services regardless of the results of the assessment.
- (c) The Records Clerk shall complete a monthly report of domestic abuse incidents on forms provided by the Oklahoma State Bureau of Investigation (OSBI) and submit the report to the OSBI in accordance with 74 O.S. § 150.12B (22 O.S. § 40.6).

**311.11 SERVICE OF COURT ORDERS**

Officers shall assist specific victims, including domestic abuse victims, with petitions and service of court orders and lethality assessment forms (see the Victim and Witness Assistance Policy).

# Search and Seizure

## 312.1 PURPOSE AND SCOPE

Both the federal and state constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Bartlesville Police Department personnel to consider when dealing with search and seizure issues.

This policy meets statutory requirements requiring the adoption of a search and seizure policy pursuant to 11 O.S. § 34-107.

## 312.2 POLICY

It is the policy of the Bartlesville Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

## 312.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions to the rule that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to:

- Valid consent.
- Incident to a lawful arrest.
- Legitimate community caretaking interests.
- Vehicle searches under certain circumstances.
- Exigent circumstances.

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

## *Search and Seizure*

---

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

### **312.4 SEARCH PROTOCOL**

Although conditions will vary, and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) Whenever practicable, a search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.
- (f) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
  1. Another officer or a supervisor should witness the search.
  2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

### **312.5 DOCUMENTATION**

Officers are responsible for documenting any search and ensuring that any required reports are sufficient including, at minimum, documentation of:

- Reason for the search.
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys).
- What, if any, injuries or damage occurred.
- All steps taken to secure property.
- The results of the search including a description of any property or contraband seized.
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer.

# Child Abuse

## 313.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Bartlesville Police Department members are required to notify the Oklahoma Human Services (OKDHS) of suspected child abuse.

### 313.1.1 DEFINITIONS

Definitions related to this policy include:

**Child** - Any unmarried person 18 years of age and younger, including an infant born alive (OAC 340:75-3-120).

**Child abuse** - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to OKDHS.

## 313.2 POLICY

The Bartlesville Police Department will investigate all reported incidents of alleged criminal child abuse and ensure OKDHS is notified as required by law.

## 313.3 MANDATORY NOTIFICATION

Members of the Bartlesville Police Department shall notify OKDHS when there is reason to believe that a child is the victim of abuse or neglect (10A O.S. § 1-2-101).

For purposes of notification, abuse includes harm or threatened harm to the health, safety, or welfare of a child by a person responsible for the child's health, safety, or welfare, including but not limited to non-accidental physical or mental injury, sexual abuse, or sexual exploitation. Neglect includes abandonment; the failure or omission to provide adequate nourishment, medical care, or supervision; or the failure or omission to protect the child from illegal drugs, illegal activities, or sexual acts that are not age-appropriate (10A O.S. § 1-1-105). It also includes when a member has reasonable suspicion to believe that a child is a victim of human trafficking as defined by 21 O.S. § 748 (OAC 340:75-3-300).

### 313.3.1 NOTIFICATION PROCEDURE

Notification shall occur immediately or as soon as practicable by calling OKDHS' child abuse and neglect hotline (10A O.S. § 1-2-101).

The following information should be reported:

- (a) Name, address, and whereabouts of the child, child's parents, or the person responsible for the child's welfare
- (b) Child's age
- (c) Nature and extent of the abuse or neglect

---

- (d) Any other information that might be helpful in establishing the cause of the injuries and the identity of the person responsible for the abuse or neglect

**313.4 QUALIFIED INVESTIGATORS**

Qualified investigators should be available for child abuse investigations. When feasible, a joint investigation shall be conducted with OKDHS. These investigators should (10A O.S. § 1-9-102):

- (a) Conduct interviews in child-appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to child abuse investigations.
- (c) Present all cases of alleged child abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies, and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians, and support for the child and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable supporting the district attorney in meeting the requirements of the Oklahoma Commission on Children and Youth (OAC 135:10-25-2).
- (g) Obtain copies of medical examinations, including notes, X-rays, photographs, or any other medical records related to the alleged abuse or neglect (10A O.S. § 1-2-101; 10A O.S. § 1-2-105).

**313.5 INVESTIGATIONS AND REPORTING**

In all reported or suspected cases of child abuse, officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.
- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim was transported for medical treatment or a medical examination.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Child Abuse*

---

- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.
- (h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

### **313.6 PROTECTIVE CUSTODY**

Before taking any child into protective custody, the officer should make reasonable attempts to contact OKDHS. Generally, removal of a child from the child's family, guardian, or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from the child's parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to OKDHS (10A O.S. § 1-4-201).

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian:

- (a) Upon an order from a court of proper jurisdiction (10A O.S. § 1-4-201).
- (b) Without a court order if the officer has reasonable suspicion that (10A O.S. § 1-4-201):
  - 1. The child is in need of immediate protection due to an imminent safety threat.
  - 2. The circumstances or surroundings of the child are such that continuation in the child's home or in the care or custody of the parent, legal guardian, or custodian would present an imminent safety threat to the child.
  - 3. When the child, including a child with a disability, is unable to communicate effectively about abuse, neglect, or another safety threat, or is in a vulnerable position due to the inability to communicate effectively, and the child is in need of immediate protection due to an imminent safety threat.

- (c) Without a court order if the officer has reasonable suspicion that the child may be a victim of human trafficking and is in need of immediate protection (21 O.S. § 748.2; OAC 340:75-3-300).

The officer shall ensure that the parent, legal guardian, or custodian of a child taken into temporary protective custody by the Department is provided with a proper written notice of the protective custody and of an emergency custody hearing as provided in 10A O.S. § 1-4-203.

When a child is taken into protective custody by the officer and an emergency placement is identified, the officer shall conduct a criminal history check, including a check for orders of protection, and outstanding warrants of each person residing in the household prior to placement. A criminal history check and fingerprint verification shall be performed when requested by OKDHS to assist in determining the suitability of an emergency placement home. The results of each person's criminal history and whether any orders of protection or outstanding warrants exist shall be reported verbally to OKDHS (10A O.S. § 1-7-115).

#### **313.6.1 RELINQUISHMENT OF CHILD**

A parent may voluntarily relinquish a child 30 days of age or younger to an authorized member on-duty at the Bartlesville Police Department under the terms of the Oklahoma Safe Haven law (10A O.S. § 1-2-109).

Upon receiving a child 30 days of age or younger, the member may request, but not demand, any information the parent may be willing to share including the child or parents' medical history. If the parent wishes to remain anonymous, the request shall be honored. The surrendering parent should be provided written information, if available, related to parental rights, reunification with the child, and sources of counseling.

The member shall protect the physical health and safety of the child, including requesting medical treatment if necessary. Notification to OKDHS shall be made immediately to assume custody of the child. The member should check to determine whether the child has been reported missing (10A O.S. § 1-2-109).

### **313.7 INTERVIEWS**

#### **313.7.1 PRELIMINARY INTERVIEWS**

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

Officers shall follow appropriate protocols and procedures for investigating and interviewing child victims (10A O.S. § 1-9-102).

**313.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW**

An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
  - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
  - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
  - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

**313.8 MEDICAL EXAMINATIONS**

If the child has been the victim of abuse that requires a medical examination for evidence collection, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

**313.8.1 EMERGENCY MEDICAL CARE**

When a child is taken into protective custody without a court order and requires emergency medical care for treatment related to suspected abuse or neglect and the parent or legal guardian is unavailable or unwilling to consent to the treatment recommended by a physician, the officer may authorize treatment as necessary to safeguard the health or life of the child. Prior to authorizing treatment based on the unavailability of the parent or guardian, the officer shall exercise diligence in locating the parent or guardian, if known (10A O.S. § 1-3-102).

**313.9 DRUG-ENDANGERED CHILDREN**

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

**313.9.1 SUPERVISOR RESPONSIBILITIES**

The Investigation Division supervisor should:

- (a) Work with professionals from the appropriate agencies, including OKDHS, other law enforcement agencies, medical service providers, and local prosecutors to develop

community-specific procedures for responding to situations where there are children endangered by their exposure to methamphetamine labs or the manufacture and trafficking of other drugs.

- (b) Activate any available interagency response when an officer notifies the Investigation Division supervisor that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives at the scene.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social, and other conditions that may affect the child.

**313.9.2 OFFICER RESPONSIBILITIES**

Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Investigation Division supervisor so an interagency response can begin.

**313.10 STATE MANDATES AND OTHER RELEVANT LAWS**

Oklahoma requires or permits the following:

**313.10.1 PROCESSING REPORTS AND RECORDS**

The Department shall provide OKDHS with a copy of the report of any investigation resulting from a referral from OKDHS (10A O.S. § 1-2-102).

**313.10.2 RELEASE OF REPORTS**

Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (10A O.S. § 1-6-102; 10A O.S. § 1-2-101).

**313.11 TRAINING**

The Department should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting forensic interviews.
- (c) Availability of therapy services for children and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to child abuse investigations.

# Adult Abuse

## 314.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Bartlesville Police Department members as required by law.

### 314.1.1 DEFINITIONS

Definitions related to this policy include:

**Adult abuse** - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement.

## 314.2 POLICY

The Bartlesville Police Department will investigate all reported incidents of alleged adult abuse and ensure proper reporting and notification as required by law.

## 314.3 MANDATORY NOTIFICATION

Members of the Bartlesville Police Department shall notify the Department of Human Services (DHS) when there is reasonable cause to believe that a vulnerable adult is suffering from abuse, neglect, or exploitation (43A O.S. § 10-104).

For purposes of notification, abuse is (43A O.S. § 10-103):

- Causing or permitting the infliction of physical pain, injury, sexual abuse, sexual exploitation, unreasonable restraint or confinement, mental anguish, or personal degradation.
- The deprivation of nutrition, clothing, shelter, health care, or other care or services without which serious physical or mental injury is likely to occur by either a caretaker or other person providing services to a vulnerable adult.

A vulnerable adult is an incapacitated person 18 years of age or older who, because of a physical or mental disability, incapacity, or other disability, is any of the following (43A O.S. § 10-103):

- (a) Substantially impaired in the ability to provide adequate care or custody of himself/herself
- (b) Unable to manage his/her property and financial affairs effectively
- (c) Unable to meet the essential requirements for mental or physical health or safety
- (d) Unable to protect him/herself from abuse, verbal abuse, neglect, or exploitation without assistance from others

### 314.3.1 NOTIFICATION PROCEDURE

Notification shall occur as soon as possible by contacting the local county DHS (43A O.S. § 10-104). Notification shall include (43A O.S. § 10-104):

- (a) The name and address of the vulnerable adult.
- (b) The name and address of the caretaker, guardian or person having power of attorney over the vulnerable adult's resources, if any.
- (c) A description of the current location.
- (d) A description of the current condition of the vulnerable adult.
- (e) A description of the abuse, neglect or exploitation of the vulnerable adult.

A written report shall be prepared when initial notification is made directly to the Bartlesville Police Department and DHS shall be notified as soon as possible of the department's investigation.

#### **314.4 QUALIFIED INVESTIGATORS**

Qualified investigators should be available to investigate cases of adult abuse. When feasible, a joint investigation shall be conducted with DHS (43A O.S. § 10-105). These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to adult abuse investigations.
- (c) Present all cases of alleged adult abuse to the prosecutor for review as follows (43A O.S. § 10-104):
  - 1. If it is clear from the investigation that no abuse occurred, the investigator should note in the case file that the suspected adult abuse may be unfounded.
  - 2. In cases of self-neglect, the investigator should only forward cases when it reasonably appears that there has been a similar investigation within the preceding six months.
- (d) Coordinate with other enforcement agencies, social service agencies, and facility administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians, and support for the victim and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable.

#### **314.5 INVESTIGATIONS AND REPORTING**

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name, and title of the person making the decision, and why other alternatives were not appropriate.

---

- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.
- (j) Any other investigative information necessary for a joint investigation with DHS (43A O.S. § 10-105).

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

**314.6 PROTECTIVE CUSTODY**

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact DHS. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation (43A O.S. § 10-108).

Generally, members of this department should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim.

Prior to taking an adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to DHS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

**314.6.1 INVOLUNTARY PROTECTIVE SERVICES**

An officer shall transport a vulnerable adult when presented with a court order by DHS authorizing involuntary protective services and directing law enforcement to transport the vulnerable adult for necessary care, treatment or residential placement (43A O.S. § 10-108).

An officer may forcibly enter the premises when authorized by the court order to gain access to the vulnerable person for transport to another location for the provision of involuntary protective services (43A O.S. § 10-108).

**314.7 INTERVIEWS**

**314.7.1 PRELIMINARY INTERVIEWS**

Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

**314.7.2 DETAINING VICTIMS FOR INTERVIEWS**

An officer should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
  - 1. A reasonable belief that medical issues of the adult need to be addressed immediately.
  - 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
  - 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

**314.7.3 ASSISTING DEPARTMENT OF HUMAN SERVICES INTERVIEWS**

If DHS has obtained a court order permitting access to a person believed to be a vulnerable adult and forced entry is required, the DHS representative may force entry into the vulnerable adult's home or other place of residence. The assigned officer shall accompany the DHS representative but should not force the entry unless authorized by the court order (43A O.S. § 10-108).

**314.8 MEDICAL EXAMINATIONS**

When an adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The officer should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

**314.9 DRUG-ENDANGERED VICTIMS**

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

**314.9.1 SUPERVISOR RESPONSIBILITIES**

The Investigation Division supervisor should:

- (a) Work with professionals from the appropriate agencies, including DHS, other law enforcement agencies, medical service providers and local prosecutors to develop community-specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Investigation Division supervisor that he/she has responded to a drug lab or other narcotics crime scene where an adult abuse victim is present or where evidence indicates that an adult abuse victim lives at the scene.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the adult.

**314.9.2 OFFICER RESPONSIBILITIES**

Officers responding to a drug lab or other narcotics crime scene where an adult abuse victim is present or where there is evidence that an adult abuse victim lives should:

- (a) Document the environmental, medical, social and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Investigation Division supervisor so an interagency response can begin.

**314.10 STATE MANDATES AND OTHER RELEVANT LAWS**

Oklahoma requires or permits the following:

**314.10.1 RECORDS SECTION RESPONSIBILITIES**

The Records Section is responsible for:

- (a) Providing a copy of the adult abuse report to the DHS as required by law.
- (b) Retaining the original adult abuse report with the initial case file.

**314.10.2 RELEASE OF REPORTS**

Information related to incidents of adult abuse or suspected adult abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (43A O.S. § 10-110).

**314.11 TRAINING**

The Department should provide training on best practices in adult abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting interviews.
- (c) Availability of therapy services for adults and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to adult abuse investigations.

# **Discriminatory Harassment**

## **315.1 PURPOSE AND SCOPE**

The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

## **315.2 POLICY**

The Bartlesville Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits, and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights and privileges it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

## **315.3 DEFINITIONS**

Definitions related to this policy include:

### **315.3.1 DISCRIMINATION**

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance, or creating a hostile, or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes; stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material, or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

**315.3.2 RETALIATION**

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

**315.3.3 SEXUAL HARASSMENT**

The Department prohibits all forms of discrimination and discriminatory harassment including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly as a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

**315.3.4 ADDITIONAL CONSIDERATIONS**

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission and the Oklahoma Attorney General's Office of Civil Rights Enforcement guidelines.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with city or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

**315.4 RESPONSIBILITIES**

This policy applies to all department members, who shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct, or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the Director of Human Resources, or the City Manager.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or

retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with a resolution as stated below.

**315.4.1 QUESTIONS OR CLARIFICATION**

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the Director of Human Resources, or the City Manager for further information, direction, or clarification.

**315.4.2 SUPERVISOR RESPONSIBILITIES**

The responsibilities of supervisors and managers shall include but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment, or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
- (c) Ensuring that their subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief of Police or the Director of Human Resources in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

**315.4.3 SUPERVISOR'S ROLE**

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Department and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline, in a manner that is consistent with established procedures.

**315.5 INVESTIGATION OF COMPLAINTS**

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate

any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented, and promptly and thoroughly investigated.

**315.5.1 SUPERVISOR RESOLUTION**

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

**315.5.2 FORMAL INVESTIGATION**

If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, the Director of Human Resources, or the City Manager.

**315.5.3 ALTERNATIVE COMPLAINT PROCESS**

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

**315.6 DOCUMENTATION OF COMPLAINTS**

All complaints or allegations shall be thoroughly documented on the appropriate forms and in a manner designated by the Chief of Police. The outcome of all reports shall be:

- (a) Approved by the Chief of Police, the City Manager, or the Director of Human Resources, depending on the ranks of the involved parties.

**315.7 TRAINING**

All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The member shall certify by signing the prescribed form that the member has been advised of this policy, is aware of and understands its contents, and agrees to abide by its provisions during the member's term with the Department.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, department policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members shall familiarize themselves with policies and procedures and are responsible for compliance with each. Members should seek clarification and guidance from supervisors in the event of any perceived ambiguity or uncertainty.

Discipline may be initiated for any good cause. It is not mandatory that a specific policy or rule violation be cited to sustain discipline. This policy is not intended to cover every possible type of misconduct.

**320.4.1 DISCIPLINARY PROCESS**

When initiated, discipline should incorporate training and counseling as corrective actions and follow adopted standards for progressive discipline.

**320.5 CAUSES FOR DISCIPLINE**

The purpose of this policy is to provide guidelines for the proper use of department information technology resources, including computers, electronic devices, hardware, software and systems.

### 321.1.1 DEFINITIONS

Definitions related to this policy include:

**Computer system** - All computers (on-site and portable), electronic devices, hardware, software, and resources owned, leased, rented or licensed by the Bartlesville Police Department that are provided for official use by its members. This includes all access to, and use of, Internet Service Providers (ISP) or other service providers provided by or through the Department or department funding.

**Hardware** - Includes, but is not limited to, computers, computer terminals, network equipment, electronic devices, telephones (including cellular and satellite), pagers, modems or any other tangible computer device generally understood to comprise hardware.

**Software** - Includes, but is not limited to, all computer programs, systems and applications, including shareware. This does not include files created by the individual user.

**Temporary file, permanent file or file** - Any electronic document, information or data residing or located, in whole or in part, on the system including, but not limited to, spreadsheets, calendar entries, appointments, tasks, notes, letters, reports, messages, photographs or videos.

## 321.2 POLICY

### 321.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to emails, texts or anything published, shared, transmitted or maintained through file-sharing software or any Internet site that is accessed, transmitted, received or reviewed on any department computer system.

The Department reserves the right to access, audit and disclose, for whatever reason, any message, including attachments, and any information accessed, transmitted, received or reviewed over any technology that is issued or maintained by the Department, including the department email system, computer network and/or any information placed into storage on any department system or device. This includes records of all key strokes or Web-browsing history made at any department computer or over any department network. The fact that access to a database, service or website requires a username or password will not create an expectation of privacy if it is accessed through department computers, electronic devices or networks.

However, the Department may not request or require a member to disclose a personal username or password or open a personal social website for review or observation. When it is reasonably believed, based on the receipt of specific information, that work-related misconduct has or is

occurring, the employee may be required to share the content that has been reported in order to make a factual determination (40 O.S. § 173.2).

**321.4 RESTRICTED USE**

Members shall not access computers, devices, software or systems for which they have not received prior authorization or the required training. Members shall immediately report unauthorized access or use of computers, devices, software or systems by another member to their supervisors or Shift Supervisors.

Members shall not use another person's access passwords, logon information and other individual security data, protocols and procedures unless directed to do so by a supervisor.

**321.4.1 SOFTWARE**

Members shall not copy or duplicate any copyrighted or licensed software except for a single copy for backup purposes, in accordance with the software company's copyright and license agreement.

To reduce the risk of a computer virus or malicious software, members shall not install any unlicensed or unauthorized software on any department computer. Members shall not install personal copies of any software on any department computer.

When related to criminal investigations, software program files may be downloaded only with the approval of the information systems technology (IT) staff and with the authorization of the Chief of Police or the authorized designee.

No member shall knowingly make, acquire or use unauthorized copies of computer software that is not licensed to the Department while on department premises, computer systems or electronic devices. Such unauthorized use of software exposes the Department and involved members to severe civil and criminal penalties.

Introduction of software by members should only occur as a part of the automated maintenance or update process of department- or City-approved or installed programs by the original manufacturer, producer or developer of the software. Any other introduction of software requires prior authorization from IT staff and a full scan for malicious attachments.

**321.4.2 HARDWARE**

Access to technology resources provided by or through the Department shall be strictly limited to department-related activities. Data stored on or available through department computer systems shall only be accessed by authorized members who are engaged in an active investigation or assisting in an active investigation, or who otherwise have a legitimate law enforcement or department-related purpose to access such data. Any exceptions to this policy must be approved by a supervisor.

**321.4.3 INTERNET USE**

Internet access provided by or through the Department shall be strictly limited to department-related activities. Internet sites containing information that is not appropriate or applicable to

Certain exceptions may be permitted with the express approval of a supervisor as a function of a member's assignment.

Downloaded information from the Internet shall be limited to messages, mail and data files.

**321.4.4 OFF-DUTY USE**

Members shall only use technology resources provided by the Department while on-duty or in conjunction with specific on-call assignments unless specifically authorized by a supervisor. This includes the use of telephones, cell phones, texting, email or any other off-the-clock work-related activities. This also applies to personally owned computers that are used to access department resources.

Refer to the Personal Communication Devices Policy for guidelines regarding off-duty use of personally owned technology.

**321.5 PROTECTION OF SYSTEMS AND FILES**

All members have a duty to protect the computer system and related systems and devices from physical and environmental damage and are responsible for the correct use, operation, care and maintenance of the computer system.

Members shall ensure department computers and access terminals are not viewable by persons who are not authorized users. Computers and terminals should be secured, users logged off and password protections enabled whenever the user is not present. Access passwords, logon information and other individual security data, protocols and procedures are confidential information and are not to be shared. Password length, format, structure and content shall meet the prescribed standards required by the computer system or as directed by a supervisor and shall be changed at intervals as directed by IT staff or a supervisor.

It is prohibited for a member to allow an unauthorized user to access the computer system at any time or for any reason. Members shall promptly report any unauthorized access to the computer system or suspected intrusion from outside sources (including the Internet) to a supervisor.

**321.5.1 DISCLOSURE OF BREACH OF SECURITY OF COMPUTERIZED PERSONAL INFORMATION**

Any breach of computerized data owned or maintained by the Department shall be disclosed to any resident of Oklahoma whose unencrypted personal information is reasonably believed to have been acquired by an unauthorized person (74 O.S. § 3113.1).

**321.6 INSPECTION AND REVIEW**

A supervisor or the authorized designee has the express authority to inspect or review the computer system, all temporary or permanent files, related electronic systems or devices, and any contents thereof, whether such inspection or review is in the ordinary course of his/her supervisory duties or based on cause.

Reasons for inspection or review may include, but are not limited to, computer system malfunctions, problems or general computer system failure, a lawsuit against the Department involving one of its members or a member's duties, an alleged or suspected violation of any department policy, a request for disclosure of data, or a need to perform or provide a service.

The IT staff may extract, download or otherwise obtain any and all temporary or permanent files residing or located in or on the department computer system when requested by a supervisor or during the course of regular duties that require such information.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting member will be required by the reviewing supervisor to promptly make corrections and resubmit the report.

In general, the narrative portion of reports where an arrest is made or when there is a long narrative should be typed or dictated. Members who dictate reports shall use appropriate grammar, as the content is not the responsibility of the typist.

## Media Relations

### 324.1 PURPOSE AND SCOPE

This policy provides guidelines for the release of official department information to the media. It also addresses coordinating media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

### 324.2 POLICY

It is the policy of the Bartlesville Police Department to protect the privacy rights of individuals, while releasing non-confidential information to the media regarding topics of public concern. Information that has the potential to negatively affect investigations will not be released.

### 324.3 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief of Police. In situations not warranting immediate notice to the Chief of Police and in situations where the Chief of Police has given prior approval, Captains, Shift Supervisors and designated Public Information Officers (PIOs) may prepare and release information to the media in accordance with this policy and applicable laws regarding confidentiality.

### 324.4 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of department members and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief of Police.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Chief of Police will consider, at a minimum, whether the release of information or the presence of the media would unreasonably endanger any individual or prejudice the rights of any person or is otherwise prohibited by law.

### 324.5 MEDIA REQUESTS

Any media request for information or access to a law enforcement incident shall be referred to the PIO, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, members shall consider the following:

- (a) At no time shall any member of this department make any comment or release any official information to the media without prior approval from a supervisor or the PIO.
- (b) In situations involving multiple agencies or government departments, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this department.

**324.6 ACCESS**

Authorized media representatives shall be provided access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities as required by law.

Access by the media is subject to the following conditions:

- (a) The media representative shall produce valid media credentials that shall be prominently displayed at all times while in areas otherwise closed to the public.
- (b) Media representatives should be prevented from interfering and may be removed for interfering with emergency operations and criminal investigations.
  - 1. Based upon available resources, reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or criminal investigation operations. All information released to the media should be coordinated through the PIO or other designated spokesperson.
- (c) Media interviews with individuals who are in custody should not be permitted without the approval of the Chief of Police and the express written consent of the person in custody.
- (d) No member of this department who is under investigation shall be subjected to media visits or interviews without the consent of the involved member.

**324.6.1 CRITICAL OPERATIONS**

A critical incident or tactical operation should be handled in the same manner as a crime scene, except the media should not be permitted within the inner perimeter of the incident, subject to any restrictions as determined by the supervisor in charge. Department members shall not jeopardize a critical incident or tactical operation in order to accommodate the media. All comments to the media shall be coordinated through a supervisor or the PIO.

**324.6.2 TEMPORARY FLIGHT RESTRICTIONS**

Whenever the presence of media or other aircraft pose a threat to public or member safety or significantly hamper incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Shift Supervisor. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration (FAA) should be contacted (14 CFR 91.137).

## 327.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

## 327.2 POLICY

It is the policy of the Bartlesville Police Department to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

## 327.3 ASSISTING OUTSIDE AGENCIES

Generally, requests for any type of assistance from another agency should be routed to the Shift Supervisor's office for approval. In some instances, a memorandum of understanding, specialized agreement or other established protocol may exist that eliminates the need for approval of individual requests (11 O.S. § 34-103; 19 O.S. § 547; 63 O.S. § 695.2 et seq.).

When another law enforcement agency requests assistance from this department, the Shift Supervisor may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this department.

Officers may respond to a request for emergency assistance; however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this department will not ordinarily be booked at this department. Only in exceptional circumstances, and subject to supervisor approval, will this department provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

### 327.3.1 POWERS AND DUTIES

Peace officers serving in response to an emergency request shall have the same powers and duties as peace officers employed by the requesting law enforcement agency (11 O.S. § 34-103; 19 O.S. § 547).

### 327.3.2 INITIATED ACTIVITY

Any on-duty officer who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the Bartlesville Police Department shall notify his/her supervisor or the Shift Supervisor and the Communication Center as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

*Outside Agency Assistance*

---

**327.4 REQUESTING OUTSIDE ASSISTANCE**

If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

**327.5 REPORTING REQUIREMENTS**

Incidents of outside assistance or law enforcement activities that are not documented in a crime report shall be documented in a general case report or as directed by the Shift Supervisor.

**327.6 MANDATORY SHARING**

Equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies should be documented and updated as necessary by the Administration Captain or the authorized designee.

The documentation should include:

- (a) The conditions relative to sharing.
- (b) The training requirements for:
  - 1. The use of the equipment and supplies.
  - 2. The members trained in the use of the equipment and supplies.
- (c) Any other requirements for use of the equipment and supplies.

Copies of the documentation should be provided to the Communication Center and the Shift Supervisor to ensure use of the equipment and supplies is in compliance with the applicable sharing agreements.

The Training Coordinator should maintain documentation that the appropriate members have received the required training.

**327.7 REQUESTING NATIONAL GUARD ASSISTANCE**

Any request for assistance from the Oklahoma National Guard or federal troops shall be made to the governor of the State of Oklahoma.

## Registered Offender Information

### 328.1 PURPOSE AND SCOPE

This policy establishes guidelines by which the Bartlesville Police Department will address issues associated with certain offenders who are residing in the jurisdiction, and how the Department will disseminate information and respond to public inquiries for information about registered sex offenders and violent offenders.

### 328.2 POLICY

It is the policy of the Bartlesville Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

### 328.3 REGISTRATION

The Investigation Division supervisor shall establish a process to reasonably accommodate registration of offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the Oklahoma Department of Corrections (DOC) within three days in accordance with 57 O.S. § 584 and 57 O.S. § 595.

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

#### 328.3.1 CONTENTS OF REGISTRATION

Members shall use forms approved by the DOC during the offender registration process and ensure that the required notices are provided and appropriately explained. Offenders shall be required to read and sign a form stating that their duty to register has been explained (57 O.S. § 583; 57 O.S. § 595).

A sex offense registrant shall be photographed if an existing DOC sex offender registry photograph is more than one year old or if it cannot be determined when the registry photograph was taken (57 O.S. § 584). A violent crime registrant should be photographed annually (57 O.S. § 595).

### 328.4 MONITORING OF REGISTERED OFFENDERS

The Investigation Division supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an Internet search or drive-by of the declared residence.
- (b) Review of information on the Oklahoma Sex Offender Registry and Violent Crime Offender Registry websites.
- (c) Contact with a registrant's parole or probation officer.

Any discrepancies should be reported to the DOC.

The Investigation Division supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Bartlesville Police Department members, including timely updates regarding new or relocated registrants.

**328.5 DISSEMINATION OF PUBLIC INFORMATION**

Members will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Members who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be made by the Chief of Police, with the assistance of legal counsel as necessary, whether such a public alert should be made (57 O.S. § 584; 57 O.S. § 596).

Members of the public requesting information on registrants should be directed to the Oklahoma Sex Offender Registry website, Violent Crime Offender Registry website or the Bartlesville Police Department website (57 O.S. § 599.1).

The Records Clerk shall release local registered offender information to residents in accordance with 57 O.S. § 584 and 57 O.S. § 595, and in compliance with an Oklahoma's Open Records Act request.

**328.5.1 RELEASE NOTIFICATIONS**

Registrant information that is released should include notification that:

- (a) The offender registry includes only those persons who have been required by law to register and who are in compliance with the offender registration laws.
- (b) The information is provided as a public service and may not be current or accurate.
- (c) Persons should not rely solely on the offender registry as a safeguard against offenses in their communities.
- (d) The crime for which a person is convicted may not accurately reflect the level of risk.
- (e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.

**328.5.2 DISSEMINATION**

The Chief of Police may initiate public notification by any method deemed appropriate after a habitual or aggravated sex offender or a habitual violent crime offender has registered with the Bartlesville Police Department (57 O.S. § 584; 57 O.S. § 595).

The Shift Supervisor shall make reasonable attempts to obtain as much information on the incident as possible before notification, and shall attempt to make the notifications as soon as practicable. Notification should be made by using the call notification protocol posted in the Communication Center.

# Death Investigation

## 330.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers initially respond to and investigate the circumstances of a deceased person.

Some causes of death may not be readily apparent and some cases differ substantially from what they appear to be initially. The thoroughness of death investigations and use of appropriate resources and evidence gathering techniques is critical.

## 330.2 POLICY

It is the policy of the Bartlesville Police Department to respond, document and investigate incidents where a person is deceased. Investigations involving the death of a person, including those from natural causes, accidents, workplace incidents, suicide and homicide, shall be initiated, conducted and properly documented.

## 330.3 INVESTIGATION CONSIDERATIONS

Emergency medical services shall be called in all suspected death cases unless death is obvious (e.g., decapitated, decomposed).

A supervisor shall be notified as soon as possible to assist and provide appropriate personnel and resources. The on scene supervisor should ensure that the responding officer conduct a preliminary investigation to gather relevant information to report to the Medical Examiner's Office. If the Medical Examiner's Office determine that the death occurred due to natural causes and waives jurisdiction, the responding Officer shall continue and conclude the investigation. If the Medical Examiner responds to the scene or does not waive jurisdiction the Supervisor should contact the on-call investigator to conduct the follow up investigation.

### 330.3.1 REPORTING

All incidents involving a death shall be documented on the appropriate form.

### 330.3.2 MEDICAL EXAMINER REQUEST

Officers are not authorized to pronounce death unless they are also Medical Examiners, Deputy Medical Examiners, or appointed Medical Examiner investigators. The Medical Examiner shall be called in all sudden or unexpected deaths or deaths due to other than natural causes. **330.3.3 SEARCHING DEAD BODIES**

- (a) The Medical Examiner, his/her assistant and authorized investigators are generally the only persons permitted to move, handle or search a dead body.
- (b) An officer may make a reasonable search of an individual who it is reasonable to believe is dead, or near death, for the purpose of identification or for information identifying the individual as an anatomical donor. If a donor document is located, the Medical Examiner or his/her assistant shall be promptly notified.
- (c) The Medical Examiner, with the permission of the Department, may take property, objects or articles found on the deceased or in the immediate vicinity of the deceased that may be necessary for conducting an investigation to determine the identity of the deceased or the cause or manner of death.
- (d) Should exigent circumstances indicate to an officer that any other search of a known dead body is warranted prior to the arrival of the Medical Examiner or his/her assistant, the investigating officer should first obtain verbal consent from the Medical Examiner or his/her assistant when practicable.
- (e) Whenever reasonably possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain nearby the scene and available to the officer pending the arrival of the Medical Examiner or his/her assistant. The name and address of this person shall be included in the narrative of the death report.
- (f) Whenever personal effects are removed from the body of the deceased by the Medical Examiner or his/her assistant, a receipt shall be obtained. This receipt shall be attached to the death report.

**330.3.4 SUSPECTED HOMICIDE**

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the officer shall take steps to protect the scene. The on-call investigator shall be notified by the on-scene supervisor to respond to the scene and conduct all follow-up investigation.

The investigator assigned to investigate a homicide or death that occurred under suspicious circumstances will contact the Medical Examiner to conduct physical examinations and tests, and to provide a report.

**330.3.5 EMPLOYMENT-RELATED DEATHS OR INJURIES**

Any member of this department who responds to and determines that a death, serious illness or serious injury has occurred as a result of an accident at or in connection with the victim's employment should ensure that the regional Occupational Safety and Health Administration (OSHA) office is notified of all pertinent information.

**330.4 UNIDENTIFIED DEAD BODY**

If the identity of a dead body cannot be established, the handling officer will request from the Medical Examiner a unique identifying number for the body. The number shall be included in any report.

**330.4.1 IDENTIFYING MISSING OR PREVIOUSLY UNIDENTIFIED DEAD BODY**

When a dead body previously reported missing has been found or when a previously reported unidentified dead body has been identified, the Department shall report to the National Missing and Unidentified Persons System (NamUs) within 24 hours that the person has been found and that the case can be archived within NamUs (74 O.S. § 151.3).

**330.5 DEATH NOTIFICATION**

When reasonably practicable, and if not handled by the Medical Examiner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification.

If a deceased person has been identified as a missing person, this department shall attempt to locate family members and inform them of the death and location of the deceased missing person's remains. All efforts to locate and notify family members shall be recorded in appropriate reports.

**330.6 PARENTAL RIGHTS**

Parents should generally be allowed to view the body of their deceased child if supervised by an officer and accomplished in a manner that will not disturb any evidence or impair an investigation. If the investigation qualifies for an autopsy, parents who wish to touch a deceased child may only be allowed to do so with the consent of the Medical Examiner or the authorized designee (63 O.S. § 944).

# Identity Theft

## 331.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of identity theft.

## 331.2 POLICY

It is the policy of the Bartlesville Police Department to effectively investigate cases of identity theft.

## 331.3 ACCEPTANCE OF REPORTS

A report shall be taken any time a person living within the jurisdiction of the Bartlesville Police Department reports that he/she has been a victim of identity theft. This includes (21 O.S. § 1533.3):

- (a) Taking a report even if the location of the crime is outside the jurisdiction of this department or has not been determined.
- (b) Providing the victim with department information, as set forth in the Victim and Witness Assistance Policy. Encourage the individual to review the material, and assist with any questions.
- (c) When requested, provide the victim with a copy of the report.

A report should also be taken if a person living outside the department jurisdiction reports an identity theft that may have been committed or facilitated within this jurisdiction (e.g., use of a post office box in Bartlesville to facilitate the crime).

## 331.4 FOLLOW-UP INVESTIGATION

A member investigating a case of identity theft should ensure that each case is referred to the appropriate agency if it is determined that this department should not be the investigating agency (e.g., an identity theft ring working from out of state). The victim should be advised that the case is being transferred to the agency of jurisdiction for investigation. The investigating member should also ensure that appropriate entries are made into related databases that have been authorized for department use.

## Private Person's Arrest

### 332.1 PURPOSE AND SCOPE

This policy provides guidance for the handling and acceptance of a private person's arrest.

### 332.2 POLICY

It is the policy of the Bartlesville Police Department to accept a private person's arrest only when legal and appropriate.

### 332.3 ARRESTS BY PRIVATE PERSON

A private person may arrest another under the following circumstances:

- (a) Breach of the peace (22 O.S. § 200)
- (b) A public offense committed or attempted in the presence of the private person (22 O.S. § 202)
- (c) When the person arrested has committed a felony although not in the presence of the private person (22 O.S. § 202)
- (d) When a felony has been committed, and the private person has reasonable cause to believe the person arrested committed the felony (22 O.S. § 202)
- (e) Without a warrant, upon reasonable information that the person stands charged in the courts of a state with a crime punishable by death or imprisonment for a term exceeding one year (22 O.S. § 1141.14)
- (f) When directed by a magistrate by a verbal or written order (22 O.S. § 201)

### 332.4 OFFICER RESPONSIBILITIES

An officer confronted with a person claiming to have made a private person's arrest should determine whether such an arrest is lawful.

If the officer determines that the private person's arrest is unlawful, the officer should:

- (a) Take no action to further detain or restrain the arrested individual, unless there is independent justification for continuing a detention.
- (b) Advise the parties that the arrest will not be accepted but the circumstances will be documented in a report.
- (c) Document the incident, including the basis for refusing to accept custody of the individual.

Whenever an officer determines that a private person's arrest is justified, the officer may take the individual into custody and proceed in the same manner as with any other arrest.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Private Person's Arrest*

---

**332.5 PRIVATE PERSON'S ARREST FORM**

The arresting person should be asked to complete and sign a private person's arrest form. If the person fails or refuses to do so, the arrested individual should be released, unless the officer has a lawful reason, independent of the private person's arrest, to take the individual into custody and determines an arrest is appropriate.

## Limited English Proficiency Services

### 333.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

#### 333.1.1 DEFINITIONS

Definitions related to this policy include:

**Authorized interpreter** - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

**Interpret or interpretation** - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

**Limited English proficiency (LEP) individual** - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still exhibit LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

**Qualified bilingual member** - A member of the Bartlesville Police Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

**Translate or translation** - The replacement of written text from one language (source language) into an equivalent written text (target language).

### 333.2 POLICY

It is the policy of the Bartlesville Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

### 333.3 LEP COORDINATOR

The Chief of Police shall delegate certain responsibilities to an LEP coordinator. The coordinator shall be appointed by, and directly responsible to, the Patrol Captain or the authorized designee.

The responsibilities of the coordinator include, but are not limited to:

- (a) Coordinating and implementing all aspects of the Bartlesville Police Department's LEP services to LEP individuals.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Limited English Proficiency Services*

---

- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Shift Supervisor and Services Lieutenant. The list should include information regarding:
  - 1. Languages spoken.
  - 2. Contact information.
  - 3. Availability.
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and data from community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by this department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of this department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, developing new procedures or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

#### **333.4 FOUR-FACTOR ANALYSIS**

Because there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of the following four factors, which are:

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Limited English Proficiency Services*

---

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of this department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

**333.5 TYPES OF LEP ASSISTANCE AVAILABLE**

Bartlesville Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

**333.6 WRITTEN FORMS AND GUIDELINES**

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

**333.7 AUDIO RECORDINGS**

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

**333.8 QUALIFIED BILINGUAL MEMBERS**

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Limited English Proficiency Services*

---

When a qualified bilingual member from this department is not available, personnel from other City departments who have been identified by the Department as having the requisite skills and competence may be requested.

**333.9 AUTHORIZED INTERPRETERS**

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP coordinator that demonstrates their skills and abilities in the following areas:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

**333.9.1 SOURCES OF AUTHORIZED INTERPRETERS**

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other City departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

**333.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE**

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

**333.10 CONTACT AND REPORTING**

Although all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation that involves a situation in which interpretation services were provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

**333.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE**

The Bartlesville Police Department will take reasonable steps and will work with the Human Resources Department to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

**333.11.1 EMERGENCY CALLS TO 9-1-1**

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in the Communication Center, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Limited English Proficiency Services*

---

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

Although 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

**333.12 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

**333.13 INVESTIGATIVE FIELD INTERVIEWS**

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

**333.14 CUSTODIAL INTERROGATIONS**

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

To ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

**333.15 BOOKINGS**

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, to protect the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

**333.16 COMPLAINTS**

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during a complaint investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

**333.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

**333.18 TRAINING**

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

**Bartlesville Police Department**

The Training Coordinator shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Coordinator shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with the established records retention schedule.

**333.18.1 TRAINING FOR AUTHORIZED INTERPRETERS**

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Coordinator shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

# Communications with Persons with Disabilities

## 334.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

### 334.1.1 DEFINITIONS

Definitions related to this policy include:

**Auxiliary aids** - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

**Disability or impairment** - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

**Qualified interpreter** - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters and intermediary interpreters. Qualified interpreters should have a valid certification of competency pursuant to 63 O.S. § 2408.

## 334.2 POLICY

It is the policy of the Bartlesville Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees, have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

## 334.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief of Police shall delegate certain responsibilities to an ADA coordinator (28 CFR 35.107). The coordinator shall be appointed by and directly responsible to the Patrol Captain or the authorized designee.

The responsibilities of the coordinator include, but are not limited to:

- (a) Working with the City ADA coordinator regarding the Bartlesville Police Department's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports or new procedures or recommending modifications to this policy.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

---

- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Shift Supervisor and Services Lieutenant. The list should include information regarding:
  - 1. Contact information.
  - 2. Availability.
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas indicating that auxiliary aids are available free of charge to individuals with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

**334.4 FACTORS TO CONSIDER**

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate his/her understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

**334.5 INITIAL AND IMMEDIATE CONSIDERATIONS**

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Communications with Persons with Disabilities*

---

Members should exercise special care in the use of all gestures and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, is hard of hearing or has impaired speech must be handcuffed while in the custody of the Bartlesville Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

#### **334.6 TYPES OF ASSISTANCE AVAILABLE**

Bartlesville Police Department members shall never refuse an available service to an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall it require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to disabled individuals through a variety of services.

Disabled individuals may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

**334.7 AUDIO RECORDINGS AND ENLARGED PRINT**

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form (e.g., a personnel complaint form) or provide forms with enlarged print.

**334.8 QUALIFIED INTERPRETERS**

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee) if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

**334.9 TTY AND RELAY SERVICES**

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, are hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

**334.10 COMMUNITY VOLUNTEERS**

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

**334.11 FAMILY AND FRIENDS**

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

**334.12 REPORTING**

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

**334.13 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

---

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

**334.13.1 FIELD RESOURCES**

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, is hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

**334.14 CUSTODIAL INTERROGATIONS**

In an effort to ensure that the rights of individuals who are deaf, are hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

*Communications with Persons with Disabilities*

---

To ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

**334.15 ARRESTS AND BOOKINGS**

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable. The individual with speech or hearing disabilities shall have the right to determine which type of qualified legal interpreter best fits his/her needs (63 O.S. § 2410).

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, are hard of hearing, have impaired speech or vision, are blind or have other disabilities. In the interest of the arrestee's health and welfare, to protect the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

**334.16 COMPLAINTS**

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the ADA coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this department.

**334.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

**334.18 TRAINING**

To ensure that all members who may have contact with disabled individuals are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

- (c) Working with in-person and telephone interpreters and related equipment.

The Training Coordinator shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including those who are deaf, are hard of hearing, have impaired speech or vision or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Coordinator shall maintain records of all training provided and will retain a copy in each member's training file in accordance with the established records retention schedule.

#### **334.18.1 CALL-TAKER TRAINING**

Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, are hard of hearing or have speech impairments. Such training and information should include:

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.
- (c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls and using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.
- (d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all the Communication Center members who may have contact with individuals from the public who are deaf, are hard of hearing or have impaired speech. Refresher training should occur every six months.

# Biological Samples

## 335.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction or arrest for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from an individual in conjunction with a criminal investigation, nor does it apply to biological samples collected from those required to register, for example, as sex offenders.

## 335.2 POLICY

The Bartlesville Police Department will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

## 335.3 OFFENDERS SUBJECT TO BIOLOGICAL SAMPLE COLLECTION

Persons convicted of a felony or any misdemeanor provided in 74 O.S. § 150.27a must submit a biological sample.

In addition, subject to when the Oklahoma State Bureau of Investigation (OSBI) receives funding, persons 18 years of age or older who are arrested for a felony must submit a sample (22 O.S. § 210).

### 335.4.1 COLLECTION

The following steps should be taken to collect a sample:

- (a) Verify that the offender is required to provide a sample pursuant to 74 O.S. § 150.27a.
- (b) Verify that a biological sample has not been previously collected from the offender by querying the CODIS database. There is no need to obtain a biological sample if one has been previously obtained (22 O.S. § 210).
- (c) Use the designated collection kit provided by the OSBI to perform the collection and take steps to avoid cross contamination.
- (d) Forward the collection kit to OSBI within 10 days of collection (OAC 375:30-3-3).

## 335.5 USE OF FORCE TO OBTAIN SAMPLES

If an offender refuses to cooperate with the sample collection process, members should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Force will not be used in the collection of samples except as authorized by court order or approval of legal counsel and only with the approval of a supervisor.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

- (d) The individual's attorney.
- (e) A chaplain.
- (f) Another custody facility with additional resources, where the individual can be transferred to better facilitate sample collection.
- (g) A supervisor who may be able to authorize custodial disciplinary actions to compel compliance, if any are available.

The supervisor shall review and approve any plan to use force and be present to document the process.

#### **335.5.1 VIDEO RECORDING**

A video recording should be made any time force is used to obtain a biological sample. The recording should document all persons participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the investigation file, if any, or otherwise retained in accordance with the established records retention schedule.

#### **335.6 ARRESTEE SAMPLES**

The Records Clerk should coordinate with OSBI regarding arrestee samples to ensure that only qualifying samples are collected and analyzed. Samples are only subject to analysis when one of the following applies (22 O.S. § 210):

- (a) The person was arrested pursuant to a warrant.
- (b) A judge or magistrate judge made a finding that probable cause existed for the arrest.
- (c) The arrestee was released prior to appearing before a judge or magistrate judge and then failed to appear at a scheduled hearing.

# Public Safety Video Surveillance System

## 337.1 PURPOSE AND SCOPE

This policy provides guidance for the placement and monitoring of department public safety video surveillance, as well as the storage and release of the captured images.

This policy only applies to overt, marked public safety video surveillance systems operated by the Department. It does not apply to mobile audio/video systems, covert audio/video systems or any other image-capturing devices used by the Department.

## 337.2 POLICY

The Bartlesville Police Department operates a public safety video surveillance system to complement its anti-crime strategy, to effectively allocate and deploy personnel, and to enhance public safety and security in public areas. Cameras may be placed in strategic locations throughout the City to detect and deter crime, to help safeguard against potential threats to the public, to help manage emergency response situations during natural and man-made disasters and to assist City officials in providing services to the community.

Video surveillance in public areas will be conducted in a legal and ethical manner while recognizing and protecting constitutional standards of privacy.

## 337.3 OPERATIONAL GUIDELINES

Only department-approved video surveillance equipment shall be utilized. Members authorized to monitor video surveillance equipment should only monitor public areas and public activities where no reasonable expectation of privacy exists. The Chief of Police or the authorized designee shall approve all proposed locations for the use of video surveillance technology and should consult with and be guided by legal counsel as necessary in making such determinations.

### 337.3.1 PLACEMENT AND MONITORING

Camera placement will be guided by the underlying purpose or strategy associated with the overall video surveillance plan. As appropriate, the Chief of Police should confer with other affected City divisions and designated community groups when evaluating camera placement. Environmental factors, including lighting, location of buildings, presence of vegetation or other obstructions, should also be evaluated when determining placement.

Cameras shall only record video images and not sound. Recorded images may be used for a variety of purposes, including criminal investigations and monitoring of activity around high-value or high-threat areas. The public safety video surveillance system may be useful for the following purposes:

- (a) To prevent, deter and identify criminal activity.
- (b) To target identified areas of gang and narcotics complaints or activity.
- (c) To respond to critical incidents.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

- (d) To assist in identifying, apprehending and prosecuting offenders.
- (e) To document officer and offender conduct during interactions to safeguard the rights of the public and officers.
- (f) To augment resources in a cost-effective manner.
- (g) To monitor pedestrian and vehicle traffic activity.

Images from each camera should be recorded in a manner consistent with the underlying purpose of the particular camera. Images should be transmitted to monitors installed in the Shift Supervisor's office and the Communication Center. When activity warranting further investigation is reported or detected at any camera location, the available information should be provided to responding officers in a timely manner. The Shift Supervisor or trained the Communication Center personnel are authorized to adjust the cameras to more effectively view a particular area for any legitimate public safety purpose.

The Chief of Police may authorize video feeds from the public safety video surveillance system to be forwarded to a specified location for monitoring by other than police personnel, such as allied government agencies, road or traffic crews, or fire or emergency operations personnel.

Unauthorized recording, viewing, reproduction, dissemination or retention of anything documented by public safety surveillance equipment is prohibited.

#### **337.3.2 CAMERA MARKINGS**

All public areas monitored by public safety surveillance equipment shall be marked in a conspicuous manner with appropriate signs to inform the public that the area is under police surveillance. Signs should be well lit, placed appropriately and without obstruction to ensure visibility.

#### **337.3.3 INTEGRATION WITH OTHER TECHNOLOGY**

The Department may elect to integrate its public safety video surveillance system with other technology to enhance available information. Systems such as gunshot detection, incident mapping, crime analysis, license plate recognition, facial recognition and other video-based analytical systems may be considered based upon availability and the nature of department strategy.

The Department should evaluate the availability and propriety of networking or otherwise collaborating with appropriate private sector entities and should evaluate whether the use of certain camera systems, such as pan-tilt-zoom systems, video enhancement or other analytical technology, requires additional safeguards.

#### **337.4 VIDEO SUPERVISION**

Supervisors should monitor video surveillance access and usage to ensure members follow department policy and applicable laws. Supervisors should ensure such use and access is appropriately documented.

**337.4.1 VIDEO LOG**

A log should be maintained at all locations where video surveillance monitors are located. The log should be used to document all persons not assigned to the monitoring locations who have been given access to view or monitor images provided by the video surveillance cameras. The logs should, at a minimum, record the:

- (a) Date and time access was given.
- (b) Name and agency of the person being given access to the images.
- (c) Name of person authorizing access.
- (d) Identifiable portion of images viewed.

**337.4.2 PROHIBITED ACTIVITY**

Public safety video surveillance systems will not intentionally be used to invade the privacy of individuals or observe areas where a reasonable expectation of privacy exists.

Public safety video surveillance equipment shall not be used in an unequal or discriminatory manner and shall not target individuals or groups based solely on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability.

Video surveillance equipment shall not be used to harass, intimidate, or discriminate against any individual or group.

**337.5 STORAGE AND RETENTION OF MEDIA**

All downloaded media shall be stored in a secure area with access restricted to authorized persons. A recording needed as evidence shall be copied to a suitable medium and booked into evidence in accordance with established evidence procedures. All actions taken with respect to retention of media shall be appropriately documented.

The type of video surveillance technology employed and the manner in which recordings are used and stored will affect retention periods. The recordings should be stored and retained in accordance with the established records retention schedule.

**337.5.1 EVIDENTIARY INTEGRITY**

All downloaded and retained media shall be treated in the same manner as other evidence. Media shall be accessed, maintained, stored and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, digital masking of innocent or uninvolved individuals to preserve anonymity, authenticity certificates and date and time stamping shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.

**337.6 RELEASE OF VIDEO IMAGES**

All recorded video images gathered by the public safety video surveillance equipment are for the official use of the Bartlesville Police Department.

Requests for recorded video images from the public or the media shall be processed in the same manner as requests for department public records.

Requests for recorded images from other law enforcement agencies shall be referred to the Shift Supervisor for release in accordance with a specific and legitimate law enforcement purpose.

Recorded video images that are the subject of a court order or subpoena shall be processed in accordance with the established department subpoena process.

**337.7 VIDEO SURVEILLANCE AUDIT**

The Chief of Police or the authorized designee will conduct an annual review of the public safety video surveillance system. The review should include an analysis of the cost, benefit and effectiveness of the system, including any public safety issues that were effectively addressed or any significant prosecutions that resulted, and any systemic operational or administrative issues that were identified, including those related to training, discipline or policy.

The results of each review shall be appropriately documented and maintained by the Chief of Police or the authorized designee and other applicable advisory bodies. Any recommendations for training or policy should be promptly addressed.

**337.8 TRAINING**

All department members authorized to operate or access public safety video surveillance systems shall receive appropriate training. Training should include guidance on the use of cameras, interaction with dispatch and patrol operations and a review regarding relevant policies and procedures, including this policy. Training should also address state and federal law related to the use of video surveillance equipment and privacy.

## Child and Dependent Adult Safety

### 338.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Adult Abuse policies.

### 338.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Bartlesville Police Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

### 338.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should consider reasonable alternatives to arresting a parent, guardian or caregiver in the presence of his/her child or dependent adult.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be nonproductive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

#### 338.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Child and Dependent Adult Safety*

---

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
  - 1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence that it would not be in the dependent person's best interest (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
  - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify the Department of Human Services, if appropriate.
- (e) Notify the field supervisor or Shift Supervisor of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

### 338.3.2 DURING THE BOOKING PROCESS

During the booking process, the arrestee should be allowed to make telephone calls to arrange for the care of any child or dependent adult in accordance with the Temporary Custody of Adults Policy.

If an arrestee is unable to arrange for the care of any child or dependent adult through this process, or circumstances prevent them from making such arrangements (e.g., their behavior prevents reasonable accommodations for making necessary calls), a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

**338.3.3 REPORTING**

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
  - 1. Name
  - 2. Sex
  - 3. Age
  - 4. Special needs (e.g., medical, mental health)
  - 5. How, where and with whom or which agency the child was placed
  - 6. Identities and contact information for other potential caregivers
  - 7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
  - 1. Name
  - 2. Sex
  - 3. Age
  - 4. Whether the person reasonably appears able to care for him/herself
  - 5. Disposition or placement information if he/she is unable to care for him/herself

**338.3.4 SUPPORT AND COUNSELING REFERRAL**

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis response telephone number, the appropriate referral information may be provided.

**338.4 DEPENDENT WELFARE SERVICES**

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service agency to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked law enforcement vehicle or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

**338.5 TRAINING**

# Service Animals

## 339.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to ensure that the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act (ADA).

### 339.1.1 DEFINITIONS

Definitions related to this policy include:

**Service animal** - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

## 339.2 POLICY

It is the policy of the Bartlesville Police Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

## 339.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Service Animals*

---

- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

**339.4 MEMBER RESPONSIBILITIES**

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Bartlesville Police Department affords to all members of the public (28 CFR 35.136).

**339.4.1 INQUIRY**

If it is apparent or if a member is aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about his/her disability nor should the person be asked to provide any license, certification or identification card for the service animal.

**339.4.2 CONTACT**

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

**339.4.3 REMOVAL**

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services that are reasonably available to an individual with a disability, with or without a service animal.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

---

**339.4.4 COMPLAINTS**

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).

#### **340.4.1 RECRUITMENT**

Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity, nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested department members to the volunteer coordinator through the requester's immediate supervisor. A complete description of the volunteer's duties and a requested time frame should be included in the request. All department members should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. **340.6 PERSONNEL WORKING AS VOLUNTEERS**

However, this department shall not utilize the services of volunteers in such a way that it would violate employment laws or employment agreements (e.g., a detention officer participating as a volunteer for reduced or no pay). Therefore, the volunteer coordinator should consult with the Human Resources Department prior to allowing regular department personnel to serve in a volunteer capacity (29 CFR 553.30).

**340.7 VOLUNTEER COORDINATOR**

The volunteer coordinator shall be appointed by and directly responsible to the Administration Captain or the authorized designee.

An evaluation of the overall use of volunteers will be conducted on an annual basis by the coordinator.

### **340.8 DUTIES AND RESPONSIBILITIES**

Volunteers assist department personnel as needed. Assignments of volunteers will usually be to augment the Patrol Division, but volunteers may be assigned to other areas within the Department as needed. Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills and abilities and the needs of the Department.

All volunteers will be assigned to duties by the volunteer coordinator or the authorized designee.

#### **340.8.1 COMPLIANCE**

Volunteers shall be required to adhere to all department policies and procedures. A copy of the policies and procedures will be made available to each volunteer upon appointment. The volunteer shall become thoroughly familiar with these policies.

Whenever a rule, regulation or guideline in this Policy Manual refers to regular department personnel, it shall also apply to a volunteer, unless by its nature it is inapplicable.

Volunteers are required by this department to meet department-approved training requirements as applicable to their assignments.

#### **340.8.2 VOLUNTEER MEETINGS**

All volunteers are required to attend scheduled meetings. Any absences must be satisfactorily explained to the volunteer coordinator.

### **340.9 TASK-SPECIFIC TRAINING**

Task-specific training is intended to provide the required instruction and practice for volunteers to properly and safely perform their assigned duties. A volunteer's training should correspond to his/her assignment as determined by the volunteer coordinator.

Volunteers will be provided with an orientation program to acquaint them with the policies of the Department and law enforcement procedures applicable to their assignments.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete the required tasks, and should receive ongoing training as deemed appropriate by their supervisors or the volunteer coordinator.

Training should reinforce to volunteers that they shall not intentionally represent themselves as, or by omission infer that they are, officers or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all applicable orders and directives, either oral or written, issued by the Department.

### **340.9.1 VOLUNTEER TRAINING MATERIALS**

Each new volunteer will be issued volunteer training materials. The materials outline the subject matter and skills necessary to properly function as a volunteer with the Bartlesville Police Department. The volunteer shall become knowledgeable of the subject matter and proficient with the skills as set forth in the training materials.

### **340.10 SUPERVISION**

Each volunteer must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the volunteer's assigned duties. The following are some considerations that supervisors should keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to members on all levels.
- (b) Ensure volunteers have work space and necessary office supplies.

A volunteer may be assigned as a supervisor of other volunteers, provided that the supervising volunteer is under the direct supervision of an employee of the Bartlesville Police Department.

#### **340.10.1 EVALUATIONS**

While in training, volunteers should be continuously evaluated using standardized daily and weekly observation reports. A volunteer will be considered a trainee until he/she has satisfactorily completed training. Volunteers who have completed their training should be evaluated annually using performance dimensions applicable to the duties and authorities granted to that volunteer.

#### **340.10.2 FITNESS FOR DUTY**

No volunteer shall report for work or be at work when his/her judgment or physical condition has been impaired due to illness or injury, or by the use of alcohol or drugs, whether legal or illegal.

**340.11 INFORMATION ACCESS**

With appropriate security clearance, a volunteer may have access to or be in the vicinity of criminal histories, investigative files or information portals. Unless otherwise directed by a supervisor, the duties of the position or department policy, all such information shall be considered confidential. Only that information specifically identified and approved by authorized members shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by department policy and supervisory personnel.

A volunteer whose assignment requires the use of, or access to, confidential information will be required to have his/her fingerprints submitted to the Oklahoma State Bureau of Investigation (OSBI) to obtain clearance. Volunteers working this type of assignment will receive training in data practices and be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any confidential information verbally, in writing or by any other means by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to newspapers or other periodicals, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

Volunteers assigned to duties that require the use of a vehicle must first complete:

- (a) A driving safety briefing and department-approved driver safety course.

The coordinator should ensure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating department vehicles, volunteers shall obey all rules of the road, including seat belt requirements.

Volunteers should not operate a marked law enforcement vehicle unless there is a prominently placed sign indicating that the vehicle is out of service.

Volunteers are not authorized to operate department vehicles while using the vehicle's emergency equipment (e.g., emergency lights siren).

### **340.13 DISCIPLINARY PROCEDURES/TERMINATION**

If a volunteer has a personnel complaint made against him/her or becomes involved in an internal investigation, the matter shall be investigated in compliance with the Personnel Complaints Policy.

Volunteers are considered at-will and may be removed from service at the discretion of the Chief of Police, with or without cause. Volunteers shall have no property interest in their continued appointments. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing, which shall be limited to a single appearance before the Chief of Police or the authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice and a reason for their decision.

#### **340.13.1 EXIT INTERVIEWS**

Such objects must have been considered inalienable by the Native American group at the time the object was separated from the group.

## 341.2 POLICY

It is the policy of the Bartlesville Police Department that the protection of Native American human remains, funerary objects, sacred objects or objects of cultural patrimony on federal lands is the responsibility of all members. Such protection includes minimizing destruction, contamination, inadvertent disruption or complicated custody transfer processes.

## 341.3 COMPLIANCE WITH NAGPRA

## Off-Duty Law Enforcement Actions

### 342.1 PURPOSE AND SCOPE

This policy is intended to provide guidelines for officers of the Bartlesville Police Department with respect to taking law enforcement action while off-duty.

### 342.2 POLICY

It is the policy of the Bartlesville Police Department that officers generally should not initiate law enforcement action while off-duty. Officers are not expected to place themselves in unreasonable peril and should first consider reporting and monitoring the activity. However, any officer who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage or loss, may take reasonable action to minimize or eliminate the threat.

### 342.3 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action unless they are in uniform at a public function. Officers should consider waiting for on-duty uniformed peace officers to arrive instead of immediately intervening and, while waiting, gather as much accurate intelligence as possible. However, if an officer decides to intervene, he/she must evaluate whether the action is necessary or desirable, and should take into consideration:

- (a) The potential to be misidentified by other peace officers.
- (b) The potential to be misidentified by members of the public, who may be armed or who may take action.
- (c) The tactical disadvantage of being alone and the possibility of multiple or hidden suspects.
- (d) Limited off-duty firearms capabilities and ammunition.
- (e) The inability to communicate with responding peace officers.
- (f) The lack of equipment, such as body armor, handcuffs or control devices.
- (g) Unfamiliarity with the surroundings, including escape routes.
- (h) The potential for increased risk to bystanders by confronting a suspect or taking action.

An off-duty officer in official uniform in attendance at a public function, event or assemblage of people has the same powers and obligations as when he/she is on-duty (22 O.S. § 37.1).

#### 342.3.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary, the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. If possible, the dispatcher receiving the call should obtain a description of the off-duty officer from the caller and broadcast that information to responding officers.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Off-Duty Law Enforcement Actions*

---

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an officer with the Bartlesville Police Department until acknowledged. Official identification should also be displayed when possible.

**342.4 CONSIDERATIONS**

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she is working in an undercover capacity.

**342.4.1 CIVILIAN RESPONSIBILITIES**

Civilian members should not become involved in any law enforcement action while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

**342.4.2 INCIDENTS OF PERSONAL INTEREST**

Department members should refrain from handling incidents of personal interest (e.g., family or neighbor disputes) and should remain neutral. In such circumstances members should call the responsible agency to handle the matter.

**342.5 REPORTING**

If prior notification to the appropriate local law enforcement agency is not reasonably possible before taking action, the officer shall notify the agency as soon as reasonably practicable. Officers shall cooperate fully with the agency having jurisdiction by providing statements or reports as requested or as appropriate.

Officers shall notify the Shift Supervisor regarding any law enforcement action taken while off-duty. The Shift Supervisor may send a supervisor to the location. The supervisor may request assistance from the Internal Affairs Unit, if deemed appropriate.

The Shift Supervisor shall determine whether a crime report or an administrative report should be completed by the involved officer.

# Community Relations

## 343.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for community relationship-building.

- Suspicious Activity Reporting Policy.

## 343.2 POLICY

It is the policy of the Bartlesville Police Department to promote positive relationships between department members and the community by treating community members with dignity and respect and engaging them in public safety strategy development and relationship-building activities, and by making relevant policy and operations information available to the community in a transparent manner.

## 343.3 MEMBER RESPONSIBILITIES

Officers should, as time and circumstances reasonably permit:

- (a) Make casual and consensual contacts with community members to promote positive community relationships (see the Contacts and Temporary Detentions Policy).
- (b) Become reasonably familiar with the schools, businesses and community groups in their assigned jurisdictional areas.
- (c) Work with community members and the department community relations coordinator to identify issues and solve problems related to community relations and public safety.

**343.5 SURVEYS**

The community relations coordinator should arrange for a survey of community members and department members to be conducted at least annually to assess the condition of the relationship between the Department and the community. Survey questions should be designed to evaluate perceptions of the following:

- (a) Overall performance of the Department
- (b) Overall competence of department members

**343.9 SAFETY AND OTHER CONSIDERATIONS**

Department members responsible for community relations activities should consider the safety of the community participants and, as much as reasonably practicable, should not allow them to be present in any location or situation that would jeopardize their safety.

Department members in charge of community relations events should ensure that participating community members have completed waiver forms before participation, if appropriate. A parent or guardian must complete the waiver form if the participating community member has not reached 18 years of age.

Community members are subject to a criminal history check before approval for participation in certain activities, such as citizen academies.

**343.10 COMMUNITY ADVISORY COMMITTEE**

The Chief of Police should establish a committee of volunteers consisting of community members, community leaders and other community stakeholders (e.g., representatives from schools, churches, businesses, social service organizations). ## **Chapter 4 - Patrol Operations**

# Patrol

## **400.1 PURPOSE AND SCOPE**

The purpose of this policy is to define the patrol function and address intraorganizational cooperation and information sharing.

## **400.2 POLICY**

The Bartlesville Police Department provides patrol services 24 hours a day, seven days a week and will prioritize responses to requests for emergency services using available resources to enhance the safety of the public and department members.

## **400.3 FUNCTION**

Patrol will generally be conducted by uniformed officers in clearly marked law enforcement vehicles in assigned jurisdictional areas of Bartlesville. The function of patrol is to respond to calls for assistance and reports of criminal activity, act as a deterrent to crime, enforce state and local laws, identify community needs, provide support and assistance to the community and respond to emergencies.

Patrol services include, but are not limited to:

- (a) Responding to emergency calls for service.
- (b) Apprehending criminal offenders.
- (c) Providing mutual aid and assistance to other agencies for emergency and law enforcement-related activities.
- (d) Preventing criminal acts, traffic violations and collisions, maintaining public order and discovering hazardous situations or conditions.
- (e) Responding to reports of both criminal and non-criminal acts.
- (f) Responding to routine calls for service, such as public assistance or public safety.
- (g) Directing and controlling traffic.
- (h) Carrying out crime prevention activities, such as residential inspections, business inspections and community presentations.
- (i) Carrying out community-oriented policing and problem-solving activities, including the application of resources to improve or resolve specific problems or situations and contacting or assisting members of the public in a positive way.

**400.4 INFORMATION SHARING**

To the extent feasible, all information relevant to the mission of the Department should be shared among all divisions and specialized units on a timely basis. Members should be provided with opportunities on a regular basis to share information during the daily roll calls and to attend roll calls of other divisions or specialized units.

Additionally, information should be shared with outside agencies and the public in conformance with department policies and applicable laws. Members are encouraged to share information with other units and divisions.

**400.5 CROWDS, EVENTS AND GATHERINGS**

Officers may encounter gatherings of people, including, but not limited to, civil demonstrations, public displays, parades, sporting events and civic, social and business events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action.

Generally, officers should consider seeking compliance through advisements and warnings for minor violations, and should reserve greater enforcement options for more serious violations or when voluntary compliance with the law is not achieved.

Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety concerns.

**400.6 STAFFING**

The Patrol Captain will establish minimum staffing levels based on average calls for service, geographic areas to be covered, response time considerations, shift length and available staff for assignment.

The shift supervisor will regularly assign staff to fill the positions established by the minimum staffing levels, following agency practice for position assignment.

The shift supervisor will assign staff to fill vacancies any time the vacancies result in the failure to meet established minimum staffing levels.

**400.7 COMMUNITY-ORIENTED POLICING SERVICES**

The Patrol Captain should ensure that a community-oriented policing program is established and a program manual developed that should include at a minimum:

- (a) The mission, organizational values and management principles that support community partnerships.
- (b) A definition of community partnerships as a commitment to a philosophy rather than a program.

## Bias-Based Policing

### 401.1 PURPOSE AND SCOPE

This policy provides guidance to department members that affirms the Bartlesville Police Department's commitment to policing that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

This policy meets statutory requirements requiring the adoption of an impartial policing/racial profiling policy (11 O.S. § 34-107; 22 O.S. § 34.3).

#### 401.1.1 DEFINITIONS

Definitions related to this policy include:

**Bias-based policing** - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement (22 O.S. § 34.3).

### 401.2 POLICY

The Bartlesville Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group.

This policy shall be available for public inspection during normal business hours (22 O.S. § 34.3).

### 401.3 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

### 401.4 MEMBER RESPONSIBILITIES

Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based policing to a supervisor. Members should, when reasonable to do so, intervene to prevent any bias-based actions by another member.

**401.4.1 REASON FOR CONTACT**

Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

To the extent that written documentation would otherwise be completed (e.g., arrest report, field interview (FI) card), the involved officer should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

**401.5 SUPERVISOR RESPONSIBILITIES**

Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy (22 O.S. § 34.3).

- (a) Supervisors should discuss any issues with the involved officer and his/her supervisor in a timely manner.
  - 1. Supervisors should document these discussions, in the prescribed manner.
- (b) Supervisors should periodically review Mobile Audio/Video (MAV) recordings, portable audio/video recordings, Mobile Data Terminal (MDT) data and any other available resource used to document contact between officers and the public to ensure compliance with this policy.
  - 1. Supervisors should document these periodic reviews.
  - 2. Recordings or data that capture a potential instance of bias-based policing should be appropriately retained for administrative investigation purposes.
- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based policing.
- (e) Supervisors shall initiate an investigation whenever a complaint is received by the Attorney General's Office of Civil Rights Enforcement (22 O.S. § 34.4).

**401.6 ADMINISTRATION**

The Patrol Captain should review the efforts of the Department to provide fair and objective policing and submit an annual report, including public concerns and complaints, to the Chief of Police. The annual report should not contain any identifying information about any specific complaint, member of the public or officer. It should be reviewed by the Chief of Police to identify any changes in training or operations that should be made to improve service.

Supervisors should review the annual report and discuss the results with those they are assigned to supervise.

**401.7 TRAINING**

Training on fair and objective policing and review of this policy should be conducted as directed by the Training Coordinator.

## Roll call

### 402.1 PURPOSE AND SCOPE

This policy discusses the activity of roll call and includes the tasks that should be accomplished during this short period.

### 402.2 POLICY

Roll call is intended to facilitate the accurate flow of information in order to enhance coordination of activities, improve performance and safety, and outline the expected actions of members.

### 402.3 ROLL CALL

All divisions and specialized units will conduct regular roll call to discuss, disseminate and exchange information among department members, work groups and other organizations. A supervisor generally will conduct roll call. However, the supervisor may delegate this responsibility to a subordinate member in his/her absence or for training purposes.

Roll call should include, but is not limited to:

- (a) Providing members with information regarding daily activities, with particular attention given to changes in the status of:
  - 1. Wanted persons.
  - 2. Crime patterns.
  - 3. Suspect descriptions.
  - 4. Intelligence reports and photographs.
  - 5. Community issues affecting law enforcement.

# Crime and Disaster Scene Integrity

## 403.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

## 403.2 POLICY

It is the policy of the Bartlesville Police Department to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

## 403.3 SCENE RESPONSIBILITY

The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, it shall be maintained until the officer is properly relieved by a supervisor or other designated person.

## 403.4 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
- (c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
- (d) Provide first aid to injured parties if it can be done safely.
- (e) Evacuate the location safely as required or appropriate.
- (f) Secure the inner perimeter.
- (g) Protect items of apparent evidentiary value.
- (h) Secure an outer perimeter.
- (i) Identify potential witnesses.
- (j) Start a chronological log noting critical times and personnel allowed access.

## 403.5 SEARCHES

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Crime and Disaster Scene Integrity*

---

Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

**403.5.1 CONSENT**

When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

## Special Operations Team

### 404.1 PURPOSE AND SCOPE

This policy provides guidelines for the specialized support of the Special Operations Team (SOT) in handling critical field operations where special tactical deployment methods or intense negotiations are beyond the capacity of field officers.

#### 404.1.1 DEFINITIONS

Definitions related to this policy include:

**Negotiation team** - Designated officers, including those in a multijurisdictional team, who are specifically trained and equipped to provide skilled verbal communications to de-escalate or effect surrender in situations where suspects have taken hostages or barricaded themselves or who are suicidal.

**Tactical team** - Designated officers, including those in a multijurisdictional team, who are specifically trained and equipped to resolve critical incidents that are so hazardous, complex or unusual that they may exceed the capabilities of first responders or investigators. This includes, but is not limited to, hostage taking, barricaded suspects, snipers, terrorist acts and other high-risk incidents. As a matter of department policy, a tactical team may also be used to serve high-risk warrants, both search and arrest, where public and officer safety issues necessitate such use.

### 404.2 POLICY

It shall be the policy of the Bartlesville Police Department to maintain a SOT, either internally or through participation in a regional team, comprised of negotiation and tactical teams, and to provide the equipment, manpower and training necessary to maintain such teams. The SOT should develop sufficient resources to perform three basic operational functions:

- (a) Command and control
- (b) Containment
- (c) Entry/apprehension/rescue

### 404.3 CAPABILITIES

This department acknowledges that training needs may vary based on the experience level of team members, team administrators and potential incident commanders. Therefore, with the preservation of innocent human life being paramount, nothing in this policy shall prohibit individual teams from responding to a situation that exceeds their training level due to the exigency of the circumstances.

The various levels of tactical team capability and training are as follows and may fluctuate based upon personnel, training, available equipment, resources and capabilities:

- Level I - A basic team capable of providing containment and intervention in critical incidents that exceed the training and resources available to line-level officers. This

*Special Operations Team*

---

does not include ad hoc teams of officers that are formed around a specific mission, detail or incident (e.g., active shooter response). Generally 5 percent of the Level I team's on-duty time should be devoted to training.

- Level II - An intermediate-level tactical team capable of providing containment and intervention. These teams possess tactical capabilities above the Level I teams. These teams may or may not work together on a daily basis, but are intended to respond to incidents as a team. At least 5 percent of the Level II team's on-duty time should be devoted to training with supplemental training for tactical capabilities above the Level I team.
- Level III - An advanced-level tactical team whose members function on a full-time basis. Generally 25 percent of the Level III team's on-duty time is devoted to training. Level III teams operate in accordance with contemporary best practices. Such teams possess both skills and equipment to utilize tactics beyond the capabilities of Level I and Level II teams.

#### **404.4 MANAGEMENT AND SUPERVISION**

Under the direction of the Chief of Police, through the Patrol Captain, the SOT shall be managed by the appointed SOT Commander. The SOT Commander shall be selected by the Chief of Police upon recommendation of command staff.

##### **404.4.1 TEAM SUPERVISORS**

The negotiation team and tactical team will be under the direction of designated team supervisors, who shall be selected by the Chief of Police upon specific recommendation by command staff and the SOT Commander.

The primary responsibility of the team supervisors is to oversee the operation of their teams, which includes deployment, training, first-line supervisor participation and other duties as directed by the SOT Commander.

#### **404.5 READINESS**

An operational readiness assessment should be conducted to determine the type and extent of SOT missions and operations appropriate to this department. The assessment should consider the capabilities, training and limitations of the SOT and should be reviewed annually by the SOT Commander or the authorized designee.

##### **404.5.1 EQUIPMENT INSPECTIONS**

The SOT Commander shall appoint a team supervisor to perform operational readiness inspections of all SOT equipment at least quarterly. The result of the inspection will be forwarded to the SOT Commander in writing. The inspections will include personal equipment issued to members of the SOT, operational equipment maintained in the SOT facility and equipment maintained or used in SOT vehicles.

**404.5.2 MULTIJURISDICTIONAL OPERATIONS**

The SOT, including any relevant specialized teams and supporting resources, should develop protocols, agreements, memorandums of understanding (MOUs) or working relationships to support multijurisdictional or regional responses.

- (a) If it is anticipated that multijurisdictional SOT operations will regularly be conducted, multi-agency and multidisciplinary joint training exercises should occur.
- (b) Members of the Bartlesville Police Department SOT shall operate under the policies, procedures and command of the Bartlesville Police Department when working in a multi-agency situation.

**404.6 PROCEDURES**

Situations that necessitate the need for a SOT response vary greatly from incident to incident and often demand on-scene evaluation. The guidelines allow for appropriate on-scene decision-making and development of organizational and operational procedures.

**404.6.1 ORGANIZATIONAL PROCEDURES**

The Department shall develop a separate written set of organizational procedures that should address, at a minimum:

- (a) Specific missions the SOT is capable of performing.
- (b) SOT organization and function.
- (c) Member selection, retention and termination criteria.
- (d) Training and required competencies including record production and retention.
- (e) Procedures for notification, activation, deactivation and deployment.
- (f) Command and control issues, including a clearly defined command structure and dedicated lines of communication.
- (g) Multi-agency response.
- (h) Out-of-jurisdiction response.
- (i) Specialized functions and supporting resources.

**404.6.2 OPERATIONAL PROCEDURES**

The Department shall develop a separate written set of operational procedures in accordance with the determination of the SOT's level of capability, using sound risk-reduction practices. The operational procedures should be patterned after the National Tactical Officers Association's (NTOA) SWAT Standard for Law Enforcement Agencies. Because such procedures are specific to SOT members and outline negotiation, tactical and officer safety issues, they are not included within this policy.

The operational procedures should include, at a minimum:

- (a) Designation of members who are responsible for developing an operational or tactical plan prior to, and/or during SOT operations (time permitting).
  - 1. All SOT members should have an understanding of operational planning.
  - 2. SOT training should include planning for both spontaneous and planned events.
  - 3. SOT planning should incorporate medical emergency contingency plans as part of the SOT operational plan.
- (b) Plans for mission briefings conducted prior to an operation, unless circumstances require immediate deployment.
  - 1. When possible, briefings should include the specialized teams, certified tactical dispatchers and other supporting personnel.
- (c) Protocols for a sustained operation to be developed that may include relief, rotation of members and augmentation of personnel and resources.
- (d) A generic checklist to be worked through prior to initiating a tactical action as a means of conducting a threat assessment to determine the appropriate response and resources necessary, including the use of the SOT.
- (e) Roles for the negotiations team and negotiators.
- (f) A standard method of determining whether a warrant should be regarded as high risk.
- (g) A method for deciding how best to serve a high-risk warrant with all reasonably foreseeable alternatives being reviewed in accordance with risk/benefit criteria prior to selecting the method of response.
- (h) Protocols for post-incident scene management, including:
  - 1. Documentation of the incident.
  - 2. Transition to investigations and/or other divisions.
  - 3. Debriefing after every deployment of the SOT.
    - (a) After-action team debriefing provides evaluation and analysis of critical incidents, affords the opportunity for individual and team assessments, helps to identify training needs and reinforces sound risk management practices.
    - (b) Such debriefing should not be conducted until involved members have had the opportunity to individually complete necessary reports or provide formal statements.
    - (c) In order to maintain candor and a meaningful exchange, debriefing will generally not be recorded.

- (d) When appropriate, debriefing should include specialized teams and supporting or assisting personnel.
- (i) A sound risk management analysis.
- (j) Standardization of equipment deployed.

#### **404.7 OPERATIONAL GUIDELINES**

The following are guidelines for the operational deployment of the SOT. Generally, the tactical team and the negotiation team will be activated together. It is recognized, however, that the teams can be activated independently as circumstances dictate. The tactical team may be used in a situation not requiring the physical presence of the negotiation team, such as warrant service operations. The negotiation team may be used in a situation not requiring the physical presence of the tactical team, such as handling a suicidal person. Operational deployment of the specialized teams shall be at the discretion of the SOT Commander.

##### **404.7.1 APPROPRIATE USE**

Incidents that may result in the activation of the SOT include:

- (a) Barricaded suspects who refuse an order to surrender.
- (b) Incidents where hostages are taken.
- (c) Individuals who are threatening suicide and have refused to surrender.
- (d) Arrests of potentially armed or dangerous persons.
- (e) Any situation that could threaten or undermine the ability of the Department to preserve life, maintain social order and ensure the protection of persons or property.

Requests by field personnel for assistance from crisis response units from another agency must be approved by the Shift Supervisor. Deployment of the Bartlesville Police Department SOT in response to requests by other agencies must be authorized by a Captain.

##### **404.7.2 ON-SCENE DETERMINATION AND NOTIFICATION**

The supervisor-in-charge at the scene of a particular event will be designated as the Incident Commander and will assess whether the SOT is to respond to the scene. With input from the Incident Commander, final determination will be made by the Shift Supervisor, who shall then notify the SOT Commander. If the SOT Commander is unavailable, then a specialized team supervisor shall be notified.

The Shift Supervisor should brief the SOT Commander about the incident. Such information should include:

- (a) The type of crime involved.
- (b) The number of suspects, identity and criminal history.
- (c) The known weapons and resources available to the suspect.

- (d) If the suspect is in control of hostages and/or barricaded.
- (e) Whether contact has been made with the suspect and whether there have been demands.
- (f) If potential victims are still within the inner perimeter.
- (g) If the suspect has threatened or attempted suicide.

- (j) Any other assets or resources at the scene including other involved agencies.
- (k) Any notifications that should be made to ensure public awareness and safety.
- (l) Any other important facts critical to the immediate situation.

The SOT Commander or team supervisor shall then follow current callout procedures. A current mobilization list shall be maintained in the Shift Supervisor's office and the Communication Center by the SOT Commander.

The Shift Supervisor will notify the Patrol Captain as soon as practicable.

#### 404.7.3 FIELD PERSONNEL RESPONSIBILITIES

While waiting for the SOT to respond, field personnel should, if determined to be safe and practicable and sufficient resources exist:

- (a) Establish an arrest/response team in case the suspect takes action. The response team's tasks may include:
  - 1. Taking action to mitigate a deadly threat or behavior either inside or outside the location.
  - 2. Securing any subject or suspect who may surrender or attempt to escape.

Once the SOT Commander authorizes deployment, the SOT Commander or the authorized designee will be responsible for the tactical response and negotiations. The Incident Commander shall continue to supervise the command post operation, outer perimeter security, evacuation and media access and will support the SOT. The Incident Commander and SOT Commander or the authorized designee shall maintain direct communication at all times.

**404.7.5 COMMUNICATIONS WITH SOT MEMBERS**

All persons who are non-SOT members should refrain from any non-emergency contact or interference with any SOT member during active negotiations. SOT operations require the utmost in concentration by involved members and, as a result, no one should interrupt or communicate with SOT members directly. All non-emergency communications shall be channeled through the negotiation team or tactical team supervisor or the authorized designee.

**404.8 TACTICAL TEAM ADMINISTRATIVE GUIDELINES**

The tactical team was established to provide a skilled and trained team for deployment to events that require specialized tactics, in situations where suspects have taken hostages and/or barricaded themselves, and in prolonged or predictable situations where persons who are armed or suspected of being armed pose a danger to themselves or others.

The following procedures serve as directives for the administrative operation of the tactical team.

**404.8.1 SELECTION OF TACTICAL MEMBERS**

Pursuant to an annual notice to all members via the internal email system, the SOT Commander will accept letters of interest from all eligible members who are off probation requesting to be considered for selection as member of the SOT. After the submission deadline, the SOT Commander will provide notice to the interested members for the SOT testing process. The order of the tests will be at the discretion of the SOT Commander. The testing process will consist of an oral interview, physical agility test, firearm qualification and team evaluation.

- (a) Oral interview: The oral interview will be conducted by individuals selected by the SOT Commander. Applicants will be evaluated by certain criteria, which includes:
  - 1. Recognized competence and ability, as evidenced by performance.
  - 2. Demonstrated good judgment and understanding of the critical role of a tactical team member.
  - 3. Special skills, training or appropriate education as it pertains to this assignment.

#### 404.8.2 TACTICAL TRAINING

Training shall be coordinated by the SOT Commander. The SOT Commander may conduct monthly training exercises that include a review and critique of members and their performance in the exercises, in addition to specialized training. Training shall consist of the following:

- (a) Each tactical team member shall perform a physical fitness test twice each year. A minimum qualifying score must be attained by each team member.
- (b) Any tactical team member failing to attain the minimum physical fitness qualification score will be notified of the requirement to retest. Within 30 days of the previous physical fitness test date, the member required to qualify shall report to a team supervisor and complete the entire physical fitness test. Failure to qualify after a second attempt may result in dismissal from the team.
- (c) Those who are on vacation, are ill or are on light-duty status with a medical professional's note of approval on the test date shall be responsible for reporting to a team supervisor and taking the test within 30 days of their return to regular duty. Any member who fails to arrange for and perform the physical fitness test within the 30-day period shall be considered as having failed to attain a qualifying score for that test period.
- (d) Each tactical team member shall complete the quarterly tactical team handgun qualification course. The qualification course shall consist of the SOT basic drill for the handgun. Failure to qualify will require the team member to seek remedial training from a Rangemaster who has been approved by the SOT Commander. Team members who fail to qualify will not be used in SOT operations until qualified. Team members who fail to qualify must retest within 30 days. Failure to qualify within 30 days, with or without remedial training, may result in dismissal from the team.
- (e) Each tactical team member shall complete twice annually the tactical qualification course for any specialty weapon issued to, or used by, the team member during tactical team operations. Failure to qualify will require the team member to seek remedial training from a Rangemaster who has been approved by the SOT Commander. Team members who fail to qualify on their specialty weapon may not utilize the specialty weapon on SOT operations until qualified. Team members who fail to qualify must retest within 30 days. Failure to qualify with specialty weapons within 30 days may result in the team member being removed from the team or permanently disqualified from use of that particular specialty weapon.

Any member of the tactical team who performs or functions at a level less than satisfactory shall be subject to dismissal from the team.

**404.9 NEGOTIATION TEAM ADMINISTRATIVE GUIDELINES**

The negotiation team has been established to provide skilled verbal communicators who will attempt to de-escalate and effect surrender in critical situations where suspects have taken hostages or barricaded themselves or have suicidal tendencies.

The following procedures serve as directives for the administrative operation of the negotiation team.

**404.9.1 SELECTION OF NEGOTIATION MEMBERS**

Based upon an identified need for new or additional members submitted by the SOT Commander and approved by the Captain, the SOT Commander will begin the selection process for Negotiation Team members. Pursuant to a notice to all members via the internal email system, the SOT Commander will accept letters of interest from all eligible members who are off probation requesting to be considered for selection as member of the Negotiation Team. After the submission deadline, the SOT Commander will provide notice to the interested members for the Negotiation Team testing process. Any member of the negotiation team who performs or functions at a level less than satisfactory shall be subject to dismissal from the team.

**404.10 UNIFORMS AND EQUIPMENT**

**404.10.1 EQUIPMENT**

SOT specialized teams from this department should be adequately equipped to meet the specific missions identified by the Department.

**404.10.2 FIREARMS**

## Ride-Alongs

### 405.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for a ride-along with members of the Bartlesville Police Department. This policy provides the requirements, approval process, hours of operation and member responsibilities for ride-alongs.

### 405.2 POLICY

Ride-along opportunities will be provided only to the members of the public, who have been approved by the Chief of Police. The purpose of the ride-along is to observe and experience, first-hand, various functions of the Bartlesville Police Department. The term "ride-along" includes riding as a passenger with an officer on patrol or observing the work day of members engaged in other functions within the Department, such as the Communication Center.

### 405.3 ELIGIBILITY

A ride-along is available to adults 18 years of age or older. Efforts will be made to accommodate all interested persons. However, any applicant may be disqualified without cause from participating. (For those persons who are Explorers, please refer to the Explorers Policy for further guidance.)

Factors that may be considered in disqualifying an applicant include, but are not limited to:

- Being under 18 years of age (unless a member of the Explorers).
- Prior criminal history.
- Pending criminal action.
- Pending lawsuit against this department or the City
- Denial by any supervisor.

### 405.4 AVAILABILITY

A ride-along or job observation is available most days of the week and at those times approved by the Chief of Police.

### 405.5 REQUESTS TO PARTICIPATE

Generally, ride-along and job observation requests will be maintained and scheduled by the Chief of Police. The applicant will complete and sign a ride-along or job observation waiver form. If the applicant is an Explorer under 18 years of age, a parent or guardian must be present to complete the waiver form. Information requested will include a valid state-issued identification card or driver license number, birthdate, address and telephone number.

The Chief of Police will schedule a date, based on availability. If approved, a copy of the waiver form will be forwarded to the appropriate shift commander as soon as possible for scheduling considerations.

If the request is denied, the Chief of Police or the authorized designee of this department will advise the applicant of the denial.

**405.6 PROCEDURES**

Once approved, ride-along applicants will be allowed to participate no more than once per year. An exception may apply to the following law enforcement-involved participants:

- Explorers
- Volunteers
- Chaplains
- Reserves
- Bartlesville Police Department applicants
- Any others with approval of the Chief of Police
- Students enrolled in any department-approved dispatcher training course

An effort will be made to ensure that no more than one member of the public will participate in a ride-along or job observation during any given time period. Normally, no more than one ride-along participant will be allowed in department vehicles at a given time.

Ride-along requirements for department Explorers are covered in the Explorers Policy.

**405.6.1 OFF-DUTY PARTICIPATION**

Off-duty members of this department or any other law enforcement agency, will not be permitted to participate in a ride-along with on-duty members of this department without the express consent of the Chief of Police.

In the event that such participation is permitted, the off-duty department member or other law enforcement agency personnel shall not:

- (a) Be considered on-duty.
- (b) Represent him/herself as a member of this department or any other law enforcement agency.
- (c) Participate in any law enforcement activity except as emergency circumstances may require.

**405.6.2 CRIMINAL HISTORY CHECK**

**405.6.3 SUITABLE ATTIRE**

Any person approved to participate in a ride-along is required to be suitably dressed in a collared shirt, blouse or jacket, slacks and shoes. Sandals, t-shirts, tank tops, shorts and ripped or torn pants are not permitted. Hats and ball caps will not be worn without the express consent of the Shift Supervisor. The Shift Supervisor or a supervisor may refuse a ride-along to anyone who is not dressed appropriately.

**405.7 MEMBER RESPONSIBILITIES**

The assigned department member shall consider the safety of the ride-along or job observation participant at all times. The member shall maintain control over the participant and shall instruct the individual about the conditions that necessarily limit his/her participation. Instructions should include:

- (a) The participant will follow the directions of the department member.
- (b) The participant will not become involved in any investigation, handling of evidence, discussions with victims or suspects, reading an individual's criminal history or other protected information, or handling any police department equipment.
- (c) Participation may be terminated at any time by the member if the participant interferes with the performance of the member's duties.
  - 1. If the ride-along is in progress, the member may return the participant to the point the ride originated.
- (d) Participants may be allowed to continue a ride-along during the transportation and booking process, provided it does not jeopardize their safety.
- (e) Members will not allow participants to be present in any location or situation that would jeopardize the participant's safety or cause undue stress or embarrassment to a victim or any other member of the public.
- (f) Participants who are not law enforcement officers shall not be permitted to accompany the department member into a private residence without the express consent of the resident or other authorized person.

The member assigned to provide a ride-along shall advise the dispatcher that a ride-along participant is present in the vehicle before going into service. An officer with a ride-along participant should use sound discretion when encountering a potentially dangerous situation, such as a high-speed pursuit and, if feasible, let the participant out of the vehicle in a well-lit public place. The dispatcher will be advised of the situation and as soon as practicable have another department member respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

Conduct by a person participating in a ride-along that results in termination of the ride, or is otherwise inappropriate, should be immediately reported to the Shift Supervisor. The member should enter comments regarding the reasons for terminating the ride-along on the waiver form.

Upon completion of the ride-along, the member shall return the waiver form to the Shift Supervisor.

# Hazardous Material Response

## 406.1 PURPOSE AND SCOPE

Exposure to hazardous materials presents potential harm to department members and the public. This policy outlines the responsibilities of members who respond to these events and the factors that should be considered while on-scene, including the reporting of exposures and supervisor responsibilities.

### 406.1.1 DEFINITIONS

Definitions related to this policy include:

**Hazardous material** - A substance which, by its nature, containment or reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

## 406.2 POLICY

It is the policy of the Bartlesville Police Department to respond to hazardous material emergencies with due regard for the safety of the public and those members responding to such incidents.

## 406.3 HAZARDOUS MATERIAL RESPONSE

Members may encounter situations involving suspected hazardous materials, such as at the scene of a traffic collision, chemical spill or fire. When members come into contact with a suspected hazardous material, they should take certain steps to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond and mitigate most incidents involving hazardous materials and biohazards.

Responders should not perform tasks or use equipment without proper training. A responder entering the area may require decontamination before he/she is allowed to leave the scene, and should be evaluated by appropriate technicians and emergency medical services personnel for signs of exposure.

## 406.4 CONSIDERATIONS

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Make the initial assessment of a potentially hazardous material from a safe distance.
- (b) Notify the Communication Center, appropriate supervisors, the appropriate fire department and hazardous response units.
  1. Provide weather conditions, wind direction, a suggested safe approach route and any other information pertinent to responder safety.
  2. When appropriate, request the lead official designated by the City to respond to the incident (27A O.S. § 4-1-102; 27A O.S. § 4-1-103).

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Hazardous Material Response*

---

- (c) Wear personal protective gear, being cognizant that some hazardous material can be inhaled.
- (d) Remain upwind, uphill and at a safe distance, maintaining awareness of weather and environmental conditions, until the material is identified and a process for handling has been determined.
- (e) Attempt to identify the type of hazardous material from a safe distance using optical aids (binoculars or spotting scopes) if they are available. Identification can be determined by:
  - 1. Placards or use of an emergency response guidebook.
  - 2. Driver's statements or shipping documents from the person transporting the material.
  - 3. Information obtained from any involved person with knowledge regarding the hazardous material. Information should include:
    - (a) The type of material.
    - (b) How to secure and contain the material.
    - (c) Any other information to protect the safety of those present, the community and the environment.
- (f) Provide first aid to injured parties if it can be done safely and without contamination.
- (g) Make reasonable efforts to secure the scene to prevent access from unauthorized individuals and to protect and identify any evidence.
- (h) Begin evacuation of the immediate and surrounding areas, dependent on the material. Voluntary evacuation should be considered; mandatory evacuation may be necessary and will depend on the type of material.
- (i) Establish a decontamination area when needed.
- (j) Activate automated community notification systems, if applicable.
- (k) If the incident is believed to be a threat to the public health, safety or the environment, notify the Oklahoma Department of Environmental Quality as soon as reasonably possible (27A O.S. § 4-1-103).

**406.5 REPORTING EXPOSURE**

Department members who believe they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the member in an incident report that shall be forwarded via chain of command to the Shift Supervisor as soon as practicable. Should the affected member be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the report.

*Hazardous Material Response*

---

Injury or illness caused or believed to be caused by exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report as applicable.

**406.5.1 SUPERVISOR RESPONSIBILITIES**

When a supervisor has been informed that a member has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to mitigate the exposure or continued exposure.

To ensure the safety of members, safety equipment is available from supervisors. Safety items not maintained by this department may be available through the appropriate fire department or emergency response team.

# Hostage and Barricade Incidents

## 407.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

### 407.1.1 DEFINITIONS

Definitions related to this policy include:

**Barricade situation** - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

**Hostage situation** - An incident where it is reasonable to believe a person is:

- Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.
- Unlawfully held against his/her will under threat or actual use of force.

## 407.2 POLICY

It is the policy of the Bartlesville Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

## 407.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands, and the available resources.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Hostage and Barricade Incidents*

---

**407.3.1 EMERGENCY COMMUNICATIONS**

A telephone company may be directed to cut, reroute or divert telephone lines in an emergency in which a hostage is being held or a suspect is barricaded to prevent telephone communications with any person other than a peace officer or a person authorized by the peace officer (21 O.S. § 747).

**407.4 FIRST RESPONDER CONSIDERATIONS**

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

**407.4.1 BARRICADE SITUATION**

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. In the interim, the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt to obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.

- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer.
- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

**407.4.2 HOSTAGE SITUATION**

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated, if practicable, pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (f) Provide responding emergency personnel with a safe arrival route to the location.
- (g) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.
- (h) Coordinate pursuit or surveillance vehicles and control of travel routes.
- (i) Attempt to obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.

- (l) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer (PIO).
- (m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

**407.5 SUPERVISOR RESPONSIBILITIES**

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting Special Operations Team (SOT) response if appropriate and apprising the SOT Commander of the circumstances. In addition, the following options, listed here in no particular order, should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized assignment members, additional department members, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.

- (h) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct nonessential personnel away from the scene unless they have been summoned by the supervisor or the Communication Center.
- (i) Identify a media staging area outside the outer perimeter and have the department PIO or a designated temporary media representative provide media access in accordance with the Media Relations Policy.
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

**407.6 SOT RESPONSIBILITIES**

It will be the SOT Commander's decision, with input from the Incident Commander, whether to deploy the SOT during a hostage or barricade situation. Once the SOT Commander authorizes deployment, the SOT Commander or the authorized designee will be responsible for the tactical response and negotiations. The Incident Commander shall continue to supervise the command post operation, outer perimeter security, evacuation and media access, and will support the SOT. The Incident Commander and the SOT Commander or the authorized designees shall maintain direct communications at all times.

**407.7 REPORTING**

Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

# Response to Bomb Calls

## **408.1 PURPOSE AND SCOPE**

The purpose of this policy is to provide guidelines to assist members of the Bartlesville Police Department in their initial response to incidents involving explosives or explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

## **408.2 POLICY**

It is the policy of the Bartlesville Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

## **408.3 RECEIPT OF BOMB THREAT**

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Shift Supervisor is immediately advised and informed of the details. This will enable the Shift Supervisor to ensure that the appropriate personnel are dispatched, and, as appropriate, the threatened location is given an advance warning.

## **408.4 GOVERNMENT FACILITY OR PROPERTY**

A bomb threat targeting a government facility may require a different response based on the government agency.

### **408.4.1 BARTLESVILLE POLICE DEPARTMENT FACILITY**

If the bomb threat is against the Bartlesville Police Department facility, the Shift Supervisor will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

### **408.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY**

If the bomb threat is against a county or municipal facility within the jurisdiction of the Bartlesville Police Department that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Shift Supervisor deems appropriate.

---

**408.4.3 FEDERAL BUILDING OR PROPERTY**

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

**408.5 PRIVATE FACILITY OR PROPERTY**

When a member of this department receives notification of a bomb threat at a location in the City of Bartlesville, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied, and if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting police assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
  - 1. No evacuation of personnel and no search for a device.
  - 2. Search for a device without evacuation of personnel.
  - 3. Evacuation of personnel without a search for a device.
  - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Shift Supervisor is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

**408.5.1 ASSISTANCE**

The Shift Supervisor should be notified when police assistance is requested. The Shift Supervisor will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Shift Supervisor determine that the Department will assist or control such an incident, he/she will determine:

**Bartlesville Police Department**

- (a) The appropriate level of assistance.
- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
  - 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
  - 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
  - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

**408.6 FOUND DEVICE**

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes:
  - 1. Two-way radios.
  - 2. Cell phones.
  - 3. Other personal communication devices.
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Response to Bomb Calls*

---

- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Shift Supervisor including:
  - 1. The time of discovery.
  - 2. The exact location of the device.
  - 3. A full description of the device (e.g., size, shape, markings, construction).
  - 4. The anticipated danger zone and perimeter.
  - 5. The areas to be evacuated or cleared.

**408.7 EXPLOSION/BOMBING INCIDENTS**

When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, contamination of the scene by gathering crowds, or any additional damage from fires or unstable structures.

**408.7.1 CONSIDERATIONS**

Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.
- (i) Identify witnesses.

**408.7.2 NOTIFICATIONS**

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional department personnel, such as investigators and forensic services

- Field supervisor
- Shift Supervisor
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate

**408.8 CROWD CONTROL**

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

**408.8.1 PRESERVATION OF EVIDENCE**

As in any other crime scene, steps should immediately be taken to preserve the scene. The Shift Supervisor should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be embedded in nearby structures or hanging in trees and bushes.

# Crisis Intervention Incidents

## 409.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

This policy meets statutory requirements requiring the adoption of a mental health policy pursuant to 11 O.S. § 34-107.

### 409.1.1 DEFINITIONS

Definitions related to this policy include:

**Person in crisis** - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; noncompliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

## 409.2 POLICY

The Bartlesville Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

## 409.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation or lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Crisis Intervention Incidents*

---

Members should be aware that this list is not exhaustive. The presence or absence of any of these signs should not be treated as proof of the presence or absence of a mental health issue or crisis.

**409.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS**

The Chief of Police should designate an appropriate Captain to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

**409.5 FIRST RESPONDERS**

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

**409.6 DE-ESCALATION**

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm and courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (i.e., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

**409.7 INCIDENT ORIENTATION**

When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents or suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

**409.8 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Crisis Intervention Incidents*

---

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Captain.
- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

#### **409.9 INCIDENT REPORTING**

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

##### **409.9.1 DIVERSION**

Individuals who are not being arrested should be processed in accordance with the Emergency Detentions Policy.

#### **409.10 CIVILIAN INTERACTION WITH PEOPLE IN CRISIS**

Civilian or clerical members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

**409.11 EVALUATION**

The Captain designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

**409.12 TRAINING**

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

All active full-time officers shall annually complete two hours of continuing training on mental health issues that is accredited or provided by the Council on Law Enforcement Education and Training (CLEET) (70 O.S. § 3311.4).

# Emergency Detentions

## 410.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may place a person under an emergency detention.

This policy meets statutory requirements requiring the adoption of a mental health policy pursuant to 11 O.S. § 34-107.

### 410.1.1 DEFINITIONS

Definitions related to this policy include:

**Person requiring treatment** - A person who because of his/her mental illness or drug or alcohol dependency (43A O.S. § 1-103):

- (a) Poses a substantial risk of immediate physical harm to him/herself as manifested by evidence or serious threats of, or attempts at, suicide or other significant self-inflicted bodily harm.
- (b) Poses a substantial risk of immediate physical harm to another as manifested by evidence of violent behavior toward another.
- (c) Has placed another person in reasonable fear of violent behavior directed toward such person or serious physical harm to them as manifested by serious and immediate threats.
- (d) Is in a condition of severe deterioration such that, without immediate intervention, there exists a substantial risk that severe impairment or injury will result to the person.
- (e) Poses a substantial risk of immediate serious physical injury to self or death as manifested by evidence that the person is unable to provide for, and is not providing for, his/her basic physical needs.

## 410.2 POLICY

It is the policy of the Bartlesville Police Department to protect the public and individuals through legal and appropriate use of an emergency detention process.

## 410.3 AUTHORITY

An officer should take a person into protective custody if the officer reasonably believes the person is a person requiring treatment. A reasonable effort shall be made to take the person into custody in the least conspicuous manner (43A O.S. § 1-110; 43A O.S. § 5-207).

If the person is medically stable, the officer shall either (43A O.S. § 1-110; 43A O.S. § 5-207):

- (a) Transport the person to the nearest appropriate facility within a 30-mile radius of the officer's operational headquarters for an initial assessment.
  - 1. If, subsequent to the initial assessment, it is determined that the person does not require treatment or that an emergency detention is not warranted, the officer shall immediately transport the person back to the point where the person was

taken into protective custody and release them, or transport the person to their home or an alternative facility (43A O.S. § 5-208).

- (b) Request that the Department of Mental Health and Substance Abuse Services conduct an initial assessment of the person at the point of initial contact either by telemedicine or in person by a member of a mobile crisis response team.
  - 1. If, subsequent to the initial assessment, it is determined that an emergency detention is warranted, the officer shall transport the person to the nearest appropriate facility with bed space available within a 30-mile radius of the officer's operational headquarters.

#### **410.3.1 VOLUNTARY EVALUATION**

If an officer encounters an individual who may qualify for an emergency detention, they may inquire as to whether the person desires to be voluntarily evaluated at an appropriate facility. If the person so desires, the officer should:

- (a) Transport the person to an appropriate facility that is able to conduct the evaluation and admit the person.
- (b) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

If at any point the person changes his/her mind regarding voluntary evaluation, the officers should proceed with the emergency detention, if appropriate.

#### **410.4 CONSIDERATIONS AND RESPONSIBILITIES**

Any officer handling a call involving a person who may qualify for detention for the purpose of an emergency detention should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the possible cause and nature of the person's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques
- (d) Community or other resources that may be readily available to assist with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Emergency detentions should be preferred over arrest for people who have mental health issues and are suspected of committing minor crimes or creating other public safety issues.

#### **410.5 TRANSPORTATION**

When transporting any individual for an emergency detention, the transporting officer should have the Communication Center notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

### *Emergency Detentions*

---

Officers may transport individuals in the patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of an officer during the transport, Shift Supervisor approval is required before transport commences.

#### **410.6 TRANSFER TO APPROPRIATE FACILITY**

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer should provide the staff member with the written statement for an emergency detention and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

#### **410.7 DOCUMENTATION**

When a person is taken into protective custody upon the officer's personal observations, the officer shall prepare a written affidavit indicating the basis for the belief that the person is a person requiring treatment and the circumstances under which the officer took the person into protective custody. Upon request, a copy of the affidavit shall be provided to the person or the person's attorney (43A O.S. § 5-207).

If the determination to take the person into protective custody is not based on the officer's personal observation, the officer is not required to prepare an affidavit. However, if the officer takes a person into protective custody based on third-party information that a person is mentally ill, alcohol-dependent or drug dependent, the officer shall have the third party sign a third-party statement indicating the basis for such belief that the person is a person requiring treatment. A person should not be taken into protective custody if the third party does not sign the statement (43A O.S. § 5-207).

The officer should also provide the written statement and a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

##### **410.7.1 NOTIFICATION**

A person who is in protective custody for an emergency detention shall be asked to designate any person they would like informed of the detention. If the person is incapable of making such a designation, the officer shall, within 24 hours, notify any of the following of the detention:

- A person other than the person initiating the request for protective custody which may include the person's:
  - Attorney
  - Parent

- Spouse
- Guardian
- Sibling
- Child (18 years or older)

Failure to locate the requested person to be notified shall be reported to the administrator of the facility where the person is being detained (43A O.S. § 5-209).

**410.8 CRIMINAL OFFENSES**

Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken into custody through an emergency detention should resolve the criminal matter by issuing a warning or a citation, as appropriate.

When an individual who may qualify for an emergency detention has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the detention.
- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for an emergency detention.

In the supervisor's judgment, the individual may be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

**410.9 FIREARMS AND OTHER WEAPONS**

Whenever a person is taken into custody for an emergency detention, the handling officers should seek to determine if the person owns or has access to any firearm or other deadly weapon. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful warrantless entry has already been made (e.g., exigent circumstances, consent). A warrant may also be needed before searching for or seizing weapons.

The handling officer should further advise the person of the procedure for the return of any firearm or other weapon that has been taken into custody.

# Citation Releases

## 411.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of the Bartlesville Police Department with guidance on a citation to appear in court for a criminal offense, rather than having the person held in custody for a court appearance or released on bail.

Additional release restrictions may apply to those detained for domestic abuse, as outlined in the Domestic Abuse Policy.

This policy meets statutory requirements requiring the adoption of an arrest and alternatives to arrest policy pursuant to 11 O.S. § 34-107.

## 411.2 POLICY

The Bartlesville Police Department will consider its resources and its mission of protecting the community when exercising any discretion to release suspected offenders on a citation or promise to appear in court when authorized to do so.

## 411.3 RELEASE

A suspected offender may be released as follows:

  - 4. The violation does not constitute :
    - (a) A felony.

    - (c) Driving while impaired.
    - (d) Eluding or attempting to elude.
- (c) An officer who encounters a person charged by a warrant for a misdemeanor offense may release the person after giving a verbal warning the warrant exists, advising the person to contact the court clerk to resolve the warrant, and documenting the verbal warning on a department-issued warning ticket (22 O.S. § 177; 22 O.S. § 185).

The officer shall issue the person a warning/notice to appear in court within 10 days and shall promptly transmit the warning/notice to the proper court pursuant to 22 O.S. § 983.

**411.3 PROHIBITIONS**

The release of a suspected offender on a citation or promise to appear in court is not permitted when:

- (a) A felony arrest warrant was issued on the charge and the court does not authorize release (22 O.S. § 176).
- (b) The arrest is for (22 O.S. § 1105):

An offender arrested without a warrant for any other felony offense should not be released unless authorized by the court in the jurisdiction in which the arrest is made and a required bond is posted by the offender (22 O.S. § 1105).

**411.4 CONSIDERATIONS**

- (a) The type of offense committed.
- (b) The known criminal history of the suspected offender.
- (c) The ability to identify the suspected offender with reasonable certainty.
- (d) Whether there is any record of the individual failing to appear in previous cases or other articulable indications that the individual may not appear in court for this offense.
- (e) The individual's ties to the area, such as residence, employment or family.
- (f) Whether there is reasonable likelihood that criminal conduct by the individual will continue.

# Foreign Diplomatic and Consular Representatives

## 412.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Bartlesville Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

## 412.2 POLICY

The Bartlesville Police Department respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

## 412.3 CLAIMS OF IMMUNITY

If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

- (a) Notify a supervisor.
- (b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person's status.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

## Rapid Response and Deployment

### 413.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist officers in situations that call for rapid response and deployment.

### 413.2 POLICY

The Bartlesville Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those who are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

### 413.3 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

### 413.4 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably possible, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to incidents at other locations.

When deciding on a course of action officers should consider:

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Rapid Response and Deployment*

---

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advancement or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.
- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.
- (h) Whether to request the Communication Center to initiate a public alert (see the Public Alerts Policy) to prevent additional potential victims from entering the area.

In the case of a barricaded or trapped suspect, with no hostages and no immediate threat to others, officers should consider covering escape routes and evacuating persons as appropriate, while summoning and waiting for additional assistance (e.g., special tactics and/or hostage negotiation team response).

#### **413.5 PLANNING**

The Patrol Captain should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment venues and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Patrol first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.
- (i) Mutual aid agreements with other agencies.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Rapid Response and Deployment*

---

- (j) Coordination with private security providers in critical incident target sites.

**413.6 TRAINING**

The Training Coordinator should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment venues and sporting event venues.
- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

# Immigration Violations

## **414.1 PURPOSE AND SCOPE**

The purpose of this policy is to provide guidelines to members of the Bartlesville Police Department relating to immigration and interacting with federal immigration officials.

## **414.2 POLICY**

It is the policy of the Bartlesville Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

## **414.3 VICTIMS AND WITNESSES**

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or Oklahoma constitutions.

## **414.4 DETENTIONS**

An officer should not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant.

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of federal immigration law may detain the person for a reasonable period of time in order to contact federal immigration officials to verify whether an immigration violation is a federal civil violation or a criminal violation. If the violation is a criminal violation, the officer may continue to detain the person for a reasonable period of time if requested by federal immigration officials (8 USC § 1357(g)(10)). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has committed a criminal immigration offense, he/she may continue the detention and may request a federal immigration official to respond to the location to take custody of the detained person (8 USC § 1357(g)(10)).

An officer is encouraged to forgo detentions made solely on the basis of a misdemeanor offense when time limitations, availability of personnel, issues of officer safety, communication capabilities, or the potential to obstruct a separate investigation outweigh the need for the detention.

An officer should notify a supervisor as soon as practicable whenever an individual is being detained for a criminal immigration violation.

**414.4.1 SUPERVISOR RESPONSIBILITIES**

When notified that an officer has detained an individual and established reasonable suspicion or probable cause to believe the person has violated a criminal immigration offense, the supervisor should determine whether it is appropriate to:

- (a) Transfer the person to federal authorities.
- (b) Lawfully arrest the person for a criminal offense or pursuant to a judicial warrant (see the Law Enforcement Authority Policy).

**414.5 ARREST NOTIFICATION TO IMMIGRATION AND CUSTOMS ENFORCEMENT**

Generally, an officer should not notify federal immigration officials when booking arrestees at a jail facility. Any required notification will be handled according to jail operation procedures. No individual who is otherwise ready to be released should continue to be detained solely for the purpose of notification (22 O.S. § 171.2).

**414.6 FEDERAL REQUESTS FOR ASSISTANCE**

Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The Department may provide available support services, such as traffic control or peacekeeping efforts.

**414.7 INFORMATION SHARING**

No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373; 74 O.S. § 20j):

- (a) Sending information to, or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in department records
- (c) Exchanging such information with any other federal, state, or local government entity

**414.7.1 IMMIGRATION DETAINERS**

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 unless the person has been charged with a federal crime or the detainer is accompanied by a warrant, affidavit of probable cause, or removal order. Notification to the federal authority issuing the detainer should be made prior to the release.

**414.7.2 COMPLYING WITH IMMIGRATION DETAINERS**

The Bartlesville Police Department will comply with lawful immigration detainer requests related to a person already in custody unless there is reason to believe the person is a citizen of the United States or has lawful immigration status in the United States based on proof such as an Oklahoma driver's license or similar government-issued identification.

An individual who is being held in custody and who is the subject of a federal immigration detainer shall be informed the individual is being held pursuant to an immigration detainer request issued by federal immigration officials (22 O.S. § 171.3; 57 O.S. § 16a).

**414.8 U VISA AND T VISA NONIMMIGRANT STATUS**

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Investigation Division supervisor assigned to oversee the handling of any related case. The Investigation Division supervisor should:

- (a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.
- (b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.
- (c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.
  - 1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.
- (d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

**414.9 TRAINING**

The Training Coordinator should ensure officers receive training on this policy.

Training should include:

- (a) Identifying civil versus criminal immigration violations.
- (b) Factors that may be considered in determining whether a criminal immigration offense has been committed.

The fire department, electric company and/or the public works department should be promptly notified, as appropriate.

#### 415.3.3 RESERVOIRS, PUMPS, WELLS

In the event of flooding or equipment malfunctions involving City reservoirs, pumps or wells, the public works department should be contacted as soon as practicable.

A member of this department should be dispatched to the reported location if it appears that assistance such as traffic control or evacuation is needed.

#### 415.3.5 TRAFFIC SIGNALS

A member of this department should be dispatched upon report of a damaged or malfunctioning traffic signal in order to protect against personal injury or property damage that might occur as the result of the damaged or malfunctioning signal. After the NTSB or military representative arrives on-scene, the efforts of this department will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene department supervisor should ensure the accident is still appropriately investigated and documented.

It is the policy of the Bartlesville Police Department to prioritize requests for air support to enhance law enforcement objectives and provide additional safety to officers and the community.

## 418.3 REQUEST FOR AIR SUPPORT

If a supervisor or officer in charge of an incident determines that the use of air support would be beneficial, a request to obtain air support may be made.

### 418.3.1 CIRCUMSTANCES FOR REQUESTS

Law enforcement air support may be requested under conditions that include, but are not limited to:

- (a) When the safety of officers or the community is in jeopardy and the presence of air support may reduce such hazard.
- (b) When the use of air support will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to officers or the community.
- (c) When air support is needed to locate a person who is lost and whose continued absence constitutes a serious health or safety hazard.
- (d) Vehicle pursuits.
- (e) Pre-planned events or actions that require air support.
- (f) Due to a request under an existing mutual aid agreement.
- (g) When the Shift Supervisor or equivalent authority determines a reasonable need exists.

### 418.3.2 AREA AGENCY REQUEST

After consideration and approval of the request for air support, the Shift Supervisor or the authorized designee will call the closest agency having available air support and will apprise that agency of the specific details of the incident prompting the request.

## Contacts and Temporary Detentions

### 419.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

#### 419.1.1 DEFINITIONS

Definitions related to this policy include:

**Consensual encounter** - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

**Field interview (FI)** - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

**Field photographs** - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio/Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

**Pat-down search** - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

**Reasonable suspicion** - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

**Temporary detention** - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

### 419.2 POLICY

The Bartlesville Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete an FI, pat-down search or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations and constitutional safeguards.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Contacts and Temporary Detentions*

---

**419.3 FIELD INTERVIEWS**

Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Bartlesville Police Department to strengthen community involvement, community awareness and problem identification.

**419.3.1 INITIATING A FIELD INTERVIEW**

When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act.
- (b) Actions suggesting that he/she is engaged in a criminal activity.
- (c) Presence in an area at an inappropriate hour of the day or night.
- (d) Presence in a particular area is suspicious.
- (e) Carrying of suspicious objects or items.
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon.
- (g) Location in proximate time and place to an alleged crime.
- (h) Physical description or clothing worn that matches a suspect in a recent crime.
- (i) Prior criminal record or involvement in criminal activity as known by the officer.

**419.4 PAT-DOWN SEARCHES**

Once a valid stop has been made, and consistent with the officer's training and experience, an officer may pat a suspect's outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or area where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Contacts and Temporary Detentions*

---

- (f) Visual indications which suggest that the suspect is carrying a firearm or other dangerous weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

**419.5 FIELD PHOTOGRAPHS**

All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

**419.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT**

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate form accompanying the photograph.

**419.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT**

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

**419.5.3 DISPOSITION OF PHOTOGRAPHS**

All detainee photographs must be adequately labeled and submitted to the Shift Supervisor with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Shift Supervisor should review and forward the photograph to one of the following locations:

- (a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Shift Supervisor will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.
- (b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Records Section.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Contacts and Temporary Detentions*

---

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

**419.5.4 SUPERVISOR RESPONSIBILITIES**

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

**419.6 WITNESS IDENTIFICATION AND INTERVIEWS**

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department members.
  - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.

## Shift Supervisors

### **420.1 PURPOSE AND SCOPE**

This policy provides guidelines for the designation of a Shift Supervisor and, as needed, an acting Shift Supervisor for each shift.

### **420.2 POLICY**

Each shift will be directed by a Shift Supervisor capable of making decisions and managing in a manner consistent with the mission of the Bartlesville Police Department. To accomplish this, a Lieutenant shall be designated as the Shift Supervisor for each shift.

### **420.3 DESIGNATION AS ACTING SHIFT SUPERVISOR**

With prior authorization from the Patrol Captain, generally when a Lieutenant is unavailable for duty as Shift Supervisor, a qualified lower-ranking member shall be designated as acting Shift Supervisor in accordance with the terms of applicable employment agreements and the Temporary Supervisors subsection of the Supervision Staffing Levels Policy.

### **420.4 SHIFT SUPERVISOR RESPONSIBILITIES**

The Shift Supervisor shall have overall responsibility and accountability for the operation of this department on an assigned shift. Duties may include, but are not limited to:

- (a) Ensuring at least one uniformed patrol supervisor is deployed during each shift, in addition to the Shift Supervisor.
- (b) Ensuring sufficient members are on-duty to accomplish the mission of the Bartlesville Police Department.
- (c) Providing command-level oversight of major crime scenes, tactical situations or disasters.
- (d) Establishing service-level priorities.
- (e) Providing job-related training and guidance to subordinates.
- (f) Acquiring outside resources or providing assistance to other agencies, when applicable.
- (g) Handling service inquiries or complaints from the public.
- (h) Acting as the Public Information Officer when appropriate.
- (i) Managing risk exposure.
- (j) Ensuring the security of all department facilities.
- (k) Ensuring the proper equipment and vehicles are available for member use.
- (l) Representing the Department at community functions.
- (m) Serving as a temporary Captain when so designated.

# Mobile Audio/Video

## 421.1 PURPOSE AND SCOPE

### 421.1.1 DEFINITIONS

Definitions related to this policy include:

**Activate** - Any process that causes the MAV system to transmit or store video or audio data in an active mode.

**In-car camera system and MAV system** - Synonymous terms that refer to any system that captures audio and video signals, that is capable of installation in a vehicle, and that includes at a minimum, a camera, microphone, recorder and monitor.

**MAV technician** - Personnel certified or trained in the operational use and repair of MAVs, duplicating methods and storage and retrieval methods and who have a working knowledge of video forensics and evidentiary procedures.

**Recorded media** - Audio/video signals recorded or digitally stored on a storage device or portable media.

## 421.2 POLICY

It is the policy of the Bartlesville Police Department to use mobile audio/video technology to more effectively fulfill the mission of the Department and to ensure these systems are used securely and efficiently.

## 421.3 OFFICER RESPONSIBILITIES

Prior to going into service, each officer will properly equip him/herself to record audio and video in the field if the equipment is available. At the end of the shift, each officer will follow the established procedures for providing to the Department any recordings or used media and any other related equipment. Each officer should have adequate recording media for the entire duty assignment.

At the start of each shift, officers should test the MAV system's operation in accordance with manufacturer specifications and department operating procedures and training.

System documentation is accomplished by the officer recording his/her name, serial number, badge or personal identification number (PIN) and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the officer shall notify a supervisor.

## 421.4 ACTIVATION OF THE MAV

The MAV system is designed to turn on whenever the vehicle's emergency lights are activated. The system remains on until it is turned off manually. The audio portion is independently controlled and should be activated manually by the officer whenever appropriate. When audio is being recorded, the video will also record.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Mobile Audio/Video*

---

**421.4.1 REQUIRED ACTIVATION OF THE MAV**

This policy is not intended to describe every possible situation in which the MAV system may be used, although there are many situations where its use is appropriate. An officer may activate the system any time the officer believes it would be appropriate or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident due to conditions or the location of the camera. However, the audio portion can be valuable evidence and is subject to the same activation requirements as the MAV. The MAV system should be activated in any of the following situations:

- (a) All field contacts involving actual or potential criminal conduct within video or audio range:
  - 1. Traffic stops (including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
  - 2. Priority responses
  - 3. Vehicle pursuits
  - 4. Suspicious vehicles
  - 5. Arrests
  - 6. Vehicle searches
  - 7. Physical or verbal confrontations or use of force
  - 8. Pedestrian checks
  - 9. Driving under the influence (DUI) investigations, including field sobriety tests
  - 10. Consensual encounters
  - 11. Crimes in progress
  - 12. Responding to an in-progress call
- (b) All self-initiated activity in which an officer would normally notify the Communication Center
- (c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect, including:
  - 1. Domestic abuse
  - 2. Disturbance of the peace
  - 3. Offenses involving violence or weapons
- (d) Any other contact that becomes adversarial after the initial contact, in a situation that would not otherwise require recording

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Mobile Audio/Video*

---

- (e) Any other circumstance where the officer believes that a recording of an incident would be appropriate

Activation of the MAV system is not required when exchanging information with other officers, during breaks or lunch periods, or when not in service or not actively on patrol.

#### **421.4.2 CESSATION OF RECORDING**

Once activated, the MAV system should remain on until the incident has concluded. For the purpose of this section, conclusion of an incident has occurred when all arrests have been made, arrestees have been transported and all witnesses and victims have been interviewed. Recording may cease if an officer is simply waiting for a tow truck or a family member to arrive, or in other similar situations.

#### **421.4.3 SURREPTITIOUS RECORDING**

No member of this department may surreptitiously record a conversation of any other member of this department except with a court order or when lawfully authorized by the Chief of Police or the authorized designee for the purpose of conducting a criminal or administrative investigation.

#### **421.4.4 SUPERVISOR RESPONSIBILITIES**

Supervisors should determine if vehicles with non-functioning MAV systems should be placed into service. If these vehicles are placed into service, the appropriate documentation should be made, including notification of the Division Commander.

At reasonable intervals, supervisors should validate that:

- (a) Beginning and end-of-shift recording procedures are followed.
- (b) Media transferred through the appropriate system procedures.
- (c) The operation of MAV systems by new members is assessed and reviewed no less than biweekly.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, officer-involved shootings, department-involved traffic collisions), a supervisor shall respond to the scene and ensure that the appropriate person properly retrieves the recorded media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media.

Supervisors may activate the MAV system remotely to monitor a developing situation, such as a chase, riot or an event that may threaten public safety, officer safety or both, when the purpose is to obtain tactical information to assist in managing the event. Supervisors shall not remotely activate the MAV system for the purpose of monitoring the conversations or actions of an officer.

### **421.5 REVIEW OF MAV RECORDINGS**

All recording media, recorded images and audio recordings are the property of the Department. Dissemination outside of the Department is strictly prohibited, except to the extent permitted or required by law.

*Mobile Audio/Video*

---

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the Department, MAV technician or forensic media staff. When reasonably possible, a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations:

- (a) By officers for use when preparing reports or statements
- (b) By a supervisor investigating a specific act of officer conduct
- (c) By a supervisor to assess officer performance
- (d) To assess proper functioning of MAV systems
- (e) By department investigators who are participating in an official investigation, such as a personnel complaint, administrative inquiry or a criminal investigation
- (f) By department personnel who request to review recordings
- (g) By an officer who is captured on or referenced in the video or audio data, and reviews and uses such data for any purpose relating to his/her employment
- (h) By court personnel through proper process or with the permission of the Chief of Police or the authorized designee
- (i) By the media through proper process
- (j) To assess possible training value
- (k) For training purposes. If an involved officer objects to showing a recording, his/her objection will be submitted to the command staff to determine if the training value outweighs the officer's objection.
- (l) As may be directed by the Chief of Police or the authorized designee

Members desiring to view any previously uploaded or archived MAV recording should submit a request in writing to the Shift Supervisor. Approved requests should be forwarded to the MAV technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any member.

#### **421.6 DOCUMENTING MAV USE**

If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the officer's report. If a citation is issued, the officer shall make a notation on the back of the records copy of the citation or in the officer remarks section of the citation indicating that the incident was recorded.

#### **421.7 RECORDING MEDIA STORAGE AND INTEGRITY**

Once submitted for storage, all recording media that is not booked as evidence or tagged for administrative review will be retained for a minimum of 180 days and disposed of in accordance with the established records retention schedule.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

**421.7.1 COPIES OF ORIGINAL RECORDING MEDIA**

Upon proper request, a copy of the original recording media will be made for use as authorized in this policy.

Original recording media may only be released in response to a court order or upon approval by the Chief of Police or the authorized designee. In the event that an original recording is released to a court, a copy shall be made and placed in storage until the original is returned.

**421.7.2 MAV RECORDINGS AS EVIDENCE**

Officers who reasonably believe that a MAV recording is likely to contain evidence relevant to a criminal offense or to a potential claim against the officer or against the Bartlesville Police Department should indicate this in an appropriate report. Officers should ensure relevant recordings are preserved.

**421.8 SYSTEM OPERATIONAL STANDARDS**

- (a) MAV system vehicle installations should be based on officer safety requirements and the vehicle and device manufacturer's recommendations.
- (b) The MAV system should be configured to minimally record for 30 seconds prior to an event.
- (c) The MAV system may not be configured to record audio data occurring prior to activation.
- (d) Unless the transmitters being used are designed for synchronized use, only one transmitter, usually the primary initiating officer's transmitter, should be activated at a scene to minimize interference or noise from other MAV transmitters.
- (e) Officers using digital transmitters that are synchronized to their individual MAVs shall activate both audio and video recordings when responding in a support capacity. This is to obtain additional perspectives of the incident scene.
- (f) With the exception of law enforcement radios or other emergency equipment, other electronic devices should not be used inside MAV-equipped law enforcement vehicles to minimize the possibility of causing electronic or noise interference with the MAV system.
- (g) Officers shall not erase, alter, reuse, modify or tamper with MAV recordings. Only a supervisor, MAV technician or other authorized designee may erase previous recordings and may only do so pursuant to the provisions of this policy.

**421.9 MAV TECHNICIAN RESPONSIBILITIES**

The MAV technician is responsible for:

- (a) Ordering, issuing, retrieving, storing, erasing and duplicating of all recorded media.
- (b) Oversight and verification of wireless downloaded media.
- (c) Erasing of media:
  - 1. Pursuant to a court order.

- 2. In accordance with the established records retention schedule.
- (d) Ensuring that an adequate supply of recording media is available.
- (e) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the department evidence storage protocols and the established records retention schedule.

**421.10 TRAINING**

All members who are authorized to use the MAV system shall successfully complete an approved course of instruction prior to its use.

# Mobile Data Terminal Use

## 422.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Data Terminal (MDT) system in order to ensure proper access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and the Communication Center.

## 422.2 POLICY

Bartlesville Police Department members using the MDT shall comply with all appropriate federal and state rules and regulations and shall use the MDT in a professional manner, in accordance with this policy.

## 422.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

## 422.4 RESTRICTED ACCESS AND USE

MDT use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDT system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDT by another member to their supervisors or Shift Supervisors.

Use of the MDT system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks or communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDT system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDT system unless directed to do so by a supervisor. Members are required to log off the MDT or secure the MDT when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

### 422.4.1 USE WHILE DRIVING

Use of the MDT by the vehicle operator should generally be limited to times when the vehicle is stopped. When the vehicle is in motion, the operator should only attempt to read messages that are likely to contain information that is required for immediate enforcement, investigative or safety needs.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Mobile Data Terminal Use*

---

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

**422.5 DOCUMENTATION OF ACTIVITY**

Except as otherwise directed by the Shift Supervisor or other department-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the police radio and electronically via the MDT unless security or confidentiality prevents such broadcasting.

MDT and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDT.

**422.5.1 STATUS CHANGES**

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MDT system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDT.

**422.5.2 EMERGENCY ACTIVATION**

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Shift Supervisor are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are handling a different emergency.

**422.6 EQUIPMENT CONSIDERATIONS**

**422.6.1 MALFUNCTIONING MDT**

Whenever possible, members will not use vehicles with malfunctioning MDTs. Whenever members must drive a vehicle in which the MDT is not working, they shall notify the Communication Center. It shall be the responsibility of the dispatcher to document all information that will then be transmitted verbally over the police radio.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Mobile Data Terminal Use*

---

**422.6.2 BOMB CALLS**

When investigating reports of possible bombs, members should not communicate on their MDTs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDT could cause some devices to detonate.

## Portable Audio/Video Recorders

### 423.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand-held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Bartlesville Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

### 423.2 POLICY

The Bartlesville Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

### 423.3 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity of this department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

### 423.4 MEMBER RESPONSIBILITIES

Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a portable recorder, issued by the Department if available, and that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device, if available, as soon as reasonably practicable. Uniformed members should wear the recorder in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Portable recorders (Body Worn Cameras) shall be worn on the members clothing or outer most equipment in forward facing and upright positions at all times. Positioning of the recording equipment shall not be purposely worn to obscure pre-recorded or recorded events at any time.

This does not include while the equipment is removed for charging, uploading, during member's breaks, or otherwise in a private setting such as restroom or at their home

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Portable Audio/Video Recorders*

---

When using a recorder, the assigned member shall record his/her name, BPD identification number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation.

**423.5 ACTIVATION OF THE AUDIO/VIDEO RECORDER**

This policy is not intended to describe every possible situation in which the recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The recorder should be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview situations
- (b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
- (c) Self-initiated activity in which an officer would normally notify the Communication Center
- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

**423.5.1 CESSATION OF RECORDING**

Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording should be ceased once a crime scene is secure and/or is released to criminal investigators doing their work. If any criteria in 423.5 develops while officers are still on the crime scene or assisting with securing it, the portable audio/video recorder should

be utilized. Recording may also be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

**423.5.2 SURREPTITIOUS USE OF THE AUDIO/VIDEO RECORDER**

Oklahoma law permits an individual to surreptitiously record any conversation in which one party to the conversation has given his/her permission (13 O.S. § 176.4).

Members may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation.

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

**423.5.3 EXPLOSIVE DEVICE**

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

**423.6 PROHIBITED USE OF PORTABLE RECORDERS**

Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in an official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Shift Supervisor. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

**423.7 IDENTIFICATION AND PRESERVATION OF RECORDINGS**

To assist with identifying and preserving data and recordings, members should download, tag or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil or administrative matters.

- (b) A complainant, victim or witness has requested non-disclosure.
- (c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an undercover officer or confidential informant.
- (g) The recording or portions of the recording may be protected under the Oklahoma Open Records Act (51 O.S. § 24A.8).

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

**423.8 REVIEW OF RECORDED MEDIA FILES**

When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases). However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing a member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Chief of Police or the authorized designee.
- (d) In compliance with a public records request, provided that all recordings should be reviewed by the Custodian of Records prior to public release (see the Records Maintenance and Release Policy). Recorded files released in compliance with a public records request (51 O.S. § 24A.8):
  - 1. Shall only be released after redaction or obscuring of specific portions of the recording that:
    - (a) Depict the death of a person or a dead body.
    - (b) Depict any person who is nude.
    - (c) Identify minors under 16 years of age.

2. May have redaction or obscuring of specific portions of audio and video that reveal the identity of officers who become subject to internal investigation by the Department until the investigation has been concluded. After conclusion of the investigation and any disciplinary process, the unedited audio and video recordings shall be available for public inspection and copying. The unedited audio and video recordings shall be available for public inspection and copying before the conclusion of the investigation and disciplinary process if the investigation and disciplinary process lasts for an unreasonable amount of time.

**423.9 COORDINATOR**

The Chief of Police or the authorized designee should designate a coordinator responsible for:

- (a) Establishing procedures for the security, storage and maintenance of data and recordings.
- (b) Establishing procedures for accessing data and recordings.
- (c) Establishing procedures for logging or auditing access.
- (d) Establishing procedures for transferring, downloading, tagging or marking events.

**423.10 RETENTION OF RECORDINGS**

All recordings shall be retained for a period consistent with the requirements of the established records retention schedule but in no event for a period less than 180 days.

**423.10.1 RELEASE OF AUDIO/VIDEO RECORDINGS**

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

## Public Recording of Law Enforcement Activity

### 424.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

### 424.2 POLICY

The Bartlesville Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

### 424.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
  - 1. Tampering with a witness or suspect.
  - 2. Inciting others to violate the law.
  - 3. Being so close to the activity as to present a clear safety hazard to the officers.
  - 4. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the officer, him/herself or others.

### 424.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For

example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

#### **424.5 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of department members, such as how and where to file a complaint.

#### **424.6 SEIZING RECORDINGS AS EVIDENCE**

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
  - 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
  - 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
  - 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a department-owned device.

# Bicycle Patrol

## 425.1 PURPOSE AND SCOPE

This policy establishes guidelines for the Bartlesville Police Department to safely and effectively use bicycle patrol for the purpose of enhancing field patrol efforts in the community.

## 425.2 POLICY

It is the policy of the Bartlesville Police Department that patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control or special events. The use of the patrol bicycle will emphasize officer mobility and department visibility in the community.

## 425.3 OPERATIONS

Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas, and the quiet operation of the patrol bicycle can facilitate a tactical approach to crimes in progress. Patrol bicycles may be deployed to any area, at any hour of the day or night, according to department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the bicycle patrol coordinator or the Shift Supervisor.

## 425.4 SELECTION

Interested officers who are off probation shall submit a change of assignment request to their appropriate Captains. A copy will be forwarded to the bicycle patrol coordinator. Qualified applicants will then be invited to an oral interview. The oral interview will be conducted by the coordinator and a second person to be selected by the coordinator.

Interested officers shall be evaluated by the following criteria:

- (a) Recognized competence and ability as evidenced by performance
- (b) Special skills or training as it pertains to the assignment
- (c) Good physical condition
- (d) Willingness to perform duties using the bicycle as a mode of transportation

### 425.4.1 OFFICER RESPONSIBILITIES

Officers should operate the bicycle in compliance with the Oklahoma Highway Safety Code under normal operation, unless their duties require otherwise (47 O.S. § 11-1202).

Officers may operate the bicycle without lighting equipment during hours of darkness only when it reasonably appears necessary for officer safety or tactical considerations. Officers must use caution and care when operating bicycles without lighting equipment or when they are operating in violation of the rules of the road.

Officers are exempt from the rules of the road while using an audible siren or warning lights under the following conditions (47 O.S. § 11-106):

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Bicycle Patrol*

---

- (a) In response to an emergency call
- (b) While engaged in rescue operations
- (c) In the immediate pursuit of an actual or suspected violator of the law

**425.4.2 EXCEPTION TO THE USE OF EMERGENCY EQUIPMENT**

Officers operating a bicycle may exceed maximum speed limits and disregard regulations governing turning in specified directions without using audible and visual signals, provided that the actions do not endanger life or property, when the officer is following a suspected violator of the law and has probable cause to believe that (47 O.S. § 11-106):

- (a) Knowledge of the presence of the officer will cause the suspect to:
  - 1. Destroy or lose evidence of a suspected felony.
  - 2. End a suspected continuing felony before the officer has obtained sufficient evidence to establish grounds for an arrest.
  - 3. Evade apprehension or identification of the suspect or the vehicle of the suspect.
- (b) Because of traffic conditions, there is a potential increased risk of a collision involving vehicles moving in response to the emergency lights and siren.

**425.5 BICYCLE PATROL COORDINATOR**

The Chief of Police shall delegate certain responsibilities to a bicycle patrol coordinator. The coordinator shall be appointed by and directly responsible to the Patrol Captain or the authorized designee.

The coordinator may appoint a senior bicycle patrol officer or other designee to assist in the coordination of bicycle patrol officers and their activities.

The responsibilities of the coordinator include, but are not limited to:

- (a) Organizing bicycle patrol training.
- (b) Inspecting and maintaining an inventory of patrol bicycles and program equipment.
- (c) Inspecting, no less than every three months, bicycles that are not in active service and documenting that they are in serviceable condition.
- (d) Scheduling maintenance and repairs.
- (e) Evaluating the performance of bicycle patrol officers.
- (f) Coordinating activities with the Patrol Division.
- (g) Other activities as required to maintain the efficient operation of bicycle patrol.

**425.6 PATROL BICYCLE**

Bicycle patrol officers will be assigned a specially marked and equipped patrol bicycle, attached gear bag, two batteries and a charger.

Patrol bicycles shall be primarily black or white in color with a “Police” decal affixed to each side of the crossbar or the bicycle’s gear bag. Every patrol bicycle shall be equipped with:

- (a) Front and rear reflectors.
- (b) A siren and horn.
- (c) A steady or flashing blue and red warning light that is visible from the front, sides or rear of the bicycle.
- (d) A rear rack and/or gear bag sufficient to carry all necessary equipment to handle routine patrol calls, including report writing, vehicle storage and citations.
- (e) A gear bag that shall include a first-aid kit, tire pump, repair tool, tire tube, security lock, high-visibility vest and equipment information and use manuals. These items are to remain with/on the patrol bicycle at all times.

Patrol bicycles shall be properly secured when not in the officer’s immediate presence.

**425.6.1 TRANSPORTING THE PATROL BICYCLE**

The patrol bicycle should be transported using a vehicle bicycle rack. Due to possible component damage, transportation of the patrol bicycle in a trunk or on a law enforcement vehicle push-bumper is discouraged.

**425.6.2 MAINTENANCE**

- (a) Bicycle patrol officers shall conduct an inspection of the patrol bicycle and equipment prior to use to ensure proper working order of the equipment.
- (b) Officers are responsible for the routine care and maintenance of their assigned equipment (e.g., tire pressure, chain lubrication, overall cleaning).
  - 1. Each patrol bicycle will have scheduled maintenance twice yearly to be performed by a repair shop or technician approved by the Department.
- (c) Officers shall not modify the patrol bicycle or remove, modify or add components to the patrol bicycle except with the express approval of the bicycle patrol coordinator, or in the event of an emergency.
- (d) If a needed repair is beyond the ability of the bicycle patrol officer, a repair work order will be completed and forwarded to the coordinator for repair by a technician approved by the Department.
- (e) Patrol bicycle batteries shall be rotated on the assigned charger at the end of each tour of duty.
  - 1. During prolonged periods of nonuse, each bicycle patrol officer assigned a patrol bicycle shall periodically rotate the batteries on the respective chargers to increase battery life.

Bartlesville Police Department Policy Manual

*Bicycle Patrol*

---

- (f) At the end of a patrol bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty.

**425.7 UNIFORMS AND EQUIPMENT**

Officers shall wear uniforms and safety equipment in accordance with the Uniforms and Civilian Attire Policy.

The uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt, with Bartlesville Police Department badge and patches, and department-approved bicycle patrol pants or shorts. Optional attire may include, but is not limited to, a jacket in colder weather and turtleneck shirts or sweaters when worn under the uniform shirt.

Bicycle patrol officers shall carry the same equipment on their duty belts as they would on regular patrol assignments. Assignment-specific safety equipment should include, but is not limited to, department-approved helmet, a radio headset and microphone, riding gloves, protective eyewear and approved footwear.

Officers will be responsible for obtaining the necessary forms, citation books and other department equipment needed while on bicycle patrol.

**425.8 TRAINING**

Officers must complete an initial department-approved bicycle-training course prior to assignment to bicycle patrol. Thereafter, bicycle patrol officers should receive twice yearly in-service training to improve skills and refresh safety, health and operational procedures. The initial training shall minimally include:

- (a) Bicycle patrol strategies.
- (b) Bicycle safety and accident prevention.
- (c) Operational tactics and techniques using bicycles.

Bicycle patrol officers will be required to train and qualify with their duty and secondary firearms while wearing bicycle safety equipment, including the helmet and riding gloves.

# Homeless Persons

## 426.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that department members understand the needs and rights of the homeless, and to establish procedures to guide them during all contacts with the homeless, whether consensual or for enforcement purposes.

This policy establishes a liaison to the homeless community, addresses the responsibilities of the department member appointed to act as a liaison to the homeless, and details the need for special protection and services for homeless persons.

## 426.2 POLICY

It is the policy of the Bartlesville Police Department to protect the rights, dignity and private property of all members of the community, including people who are homeless. Abuse of authority to harass any member of the community will not be permitted. The Bartlesville Police Department will address the needs of homeless persons in balance with the overall mission of this department.

Homelessness is not a crime and members will not use homelessness as the sole basis for detention or law enforcement action.

## 426.3 LIAISON TO THE HOMELESS COMMUNITY

The Chief of Police shall delegate certain responsibilities to a liaison to the homeless community. The liaison shall be appointed by and directly responsible to the Patrol Captain or the authorized designee.

The responsibilities of the liaison include, but are not limited to:

- (a) Maintaining and making available to all department members a list of assistance programs and other resources that are available to homeless persons.
- (b) Meeting with social services and representatives of other organizations that render assistance to the homeless community.
- (c) Maintaining a list of the areas within and near the jurisdiction of this department that are used as frequent homeless encampments.
- (d) Remaining abreast of laws dealing with homelessness, including personal property rights.
- (e) Being present during any clean-up operation conducted by this department that involves the removal of personal property of the homeless. This is to ensure that the established rights of the homeless are not violated.
- (f) Developing training to assist members in understanding current legal and social issues relating to the homeless.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Homeless Persons*

---

**426.4 FIELD CONTACTS**

Officers are encouraged to contact a homeless person to render aid, offer assistance or to check on the person's welfare. Officers also will take enforcement action when information supports a reasonable and articulable suspicion of criminal activity. However, such contacts shall not be used for harassment.

When encountering a homeless person who has committed a nonviolent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions, such as shelter referrals and counseling, in lieu of an arrest and criminal charges.

Officers should provide homeless persons with resources and assistance information whenever it is reasonably apparent that such services may be appropriate.

**426.4.1 CONSIDERATIONS**

A homeless person will receive the same level and quality of service provided to other members of the community. The fact that a victim, witness or suspect is homeless can, however, require special consideration for a successful investigation and prosecution. When handling investigations involving victims, witnesses or suspects who are homeless, officers should consider:

- (a) Documenting alternate contact information. This may include obtaining addresses and telephone numbers of relatives and friends.
- (b) Documenting locations the person may frequent.
- (c) Providing victim/witness resources, when appropriate.
- (d) Obtaining sufficient statements from all available witnesses in the event that a victim cannot be located and is unavailable for a court appearance.
- (e) Arranging for transportation for investigation-related matters, such as medical exams and court appearances.
- (f) Whether a crime should be reported and submitted for prosecution, even when a victim who is homeless indicates that he/she does not desire prosecution.
- (g) Whether the person may be an adult abuse victim and, if so, proceed in accordance with the Adult Abuse Policy.

**426.5 MENTAL HEALTH ISSUES**

When mental health issues are evident, officers should consider referring the person to the appropriate mental health agency or providing the person with contact information for mental health assistance, as appropriate. In these circumstances, officers may provide transportation to a mental health facility for voluntary evaluation if it is requested or offered and accepted by the person, and approved by a supervisor. Officers should consider detaining the person under an emergency detention when facts and circumstances reasonably indicate such a detention is warranted (see the Emergency Detentions Policy).

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Homeless Persons*

---

**426.6 PERSONAL PROPERTY**

The personal property of homeless persons must not be treated differently than the property of other members of the community. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, it should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure it. It will be the supervisor's responsibility to coordinate its removal and safekeeping.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the homeless liaison. When practicable, requests by the public for clean-up of a homeless encampment should be referred to the liaison.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the liaison if such property appears to involve a trespass, is a blight to the community or is the subject of a complaint. It will be the responsibility of the liaison to address the matter in a timely fashion.

**426.7 ECOLOGICAL ISSUES**

Sometimes homeless encampments can have an impact on the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or City departments when a significant impact to the environment has or is likely to occur. A significant impact to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

# Medical Aid and Response

## 427.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

## 427.2 POLICY

It is the policy of the Bartlesville Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

## 427.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR and use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact the Communication Center and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide the Communication Center with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
  - 1. Signs and symptoms as observed by the member.
  - 2. Changes in apparent condition.
  - 3. Number of patients, sex, and age, if known.
  - 4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
  - 5. Whether the person is showing signs of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment and should defer medical decisions to the appropriate medical personnel.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Medical Aid and Response*

---

**427.4 TRANSPORTING ILL AND INJURED PERSONS**

Except in exceptional cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

**427.5 PERSONS REFUSING EMS CARE**

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive medical care or be transported.

However, members may assist EMS personnel when EMS personnel determine the person lacks the mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with an emergency detention in accordance with the Emergency Detentions Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

**427.6 SICK OR INJURED ARRESTEE**

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

*Medical Aid and Response*

---

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer's training.

**427.7 MEDICAL ATTENTION RELATED TO USE OF FORCE**

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Conducted Energy Device policies.

**427.8 AIR AMBULANCE**

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Patrol Captain should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Department should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One department member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members shall follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.

- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during the landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

**427.9 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE**

**427.9.1 AED USER RESPONSIBILITY**

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Coordinator who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact the Communication Center as soon as possible and request response by EMS.

**427.9.2 AED REPORTING**

Any member using an AED will complete an incident report detailing its use.

**427.9.3 AED TRAINING AND MAINTENANCE**

The Training Coordinator should ensure appropriate training is provided to members authorized to use an AED.

The Training Coordinator is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule.

**427.10 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION**

Members who have been trained may administer opioid overdose medication (63 O.S. § 1-2506.1).

**427.10.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES**

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Coordinator.

**427.10.2 OPIOID OVERDOSE MEDICATION REPORTING**

Any member administering opioid overdose medication should detail its use in an appropriate report.

**427.10.3 OPIOID OVERDOSE MEDICATION TRAINING**

The Training Coordinator should ensure training is provided to members authorized to administer opioid overdose medication.

**427.11 ADMINISTRATION OF EPINEPHRINE**

Members may administer epinephrine in accordance with protocol specified by the physician who prescribed the medication for use by the member.

**427.11.1 EPINEPHRINE USER RESPONSIBILITIES**

Members who are qualified to administer epinephrine should handle, store, and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Coordinator.

Any member who administers epinephrine should contact the Communication Center as soon as possible and request response by EMS.

**427.11.2 EPINEPHRINE REPORTING**

Any member administering epinephrine should detail its use in an appropriate report.

**427.11.3 EPINEPHRINE TRAINING**

The Training Coordinator should ensure that training is provided to members authorized to administer epinephrine.

**427.12 FIRST AID TRAINING**

Subject to available resources, the Training Coordinator should ensure officers receive periodic first aid training appropriate for their position.

# First Amendment Assemblies

## 428.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

## 428.2 POLICY

The Bartlesville Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

## 428.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets, or walkways, generally have the right to assemble, rally, demonstrate, protest, or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills, leafleting, and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential.

The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life, and to prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones, or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*First Amendment Assemblies*

---

**428.3.1 PHOTOGRAPHS, VIDEO RECORDINGS AND OTHER INFORMATION**

Photographs, video recordings and other information may be collected at assemblies and demonstrations as they can serve a number of purposes, such as support of criminal prosecutions, assistance in evaluating department performance, serving as training material, recording the use of dispersal orders and facilitating a response to allegations of improper law enforcement conduct.

Photographs, video recordings and other information shall not be maintained on the political, religious or social activities, views or associations of any individual, group or organization unless those activities, views or associations directly relate to an investigation of criminal activity and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

**428.4 UNPLANNED EVENTS**

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to:

- Location.
- Number of participants.
- Apparent purpose of the event.
- Leadership (whether it is apparent and/or whether it is effective).
- Any initial indicators of unlawful or disruptive activity.
- Indicators that lawful use of public facilities, streets or walkways will be impacted.
- Ability and/or need to continue monitoring the incident.

Initial assessment information should be promptly communicated to the Communication Center, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

**428.5 PLANNED EVENT PREPARATION**

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

**428.5.1 INFORMATION GATHERING AND ASSESSMENT**

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.
- The potential time, duration, scope, and type of planned activities.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*First Amendment Assemblies*

---

- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

#### 428.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (helmets, shields, etc.).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event.
- (g) An established liaison with demonstration leaders and external agencies.
- (h) An established liaison with City government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.
- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.
- (s) Protocol for handling complaints during the event.
- (t) Parameters for the use of body-worn cameras and other portable recording devices.

**428.5.3 MUTUAL AID AND EXTERNAL RESOURCES**

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

**428.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS**

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear, standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

**428.7 USE OF FORCE**

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and conducted energy devices should be considered only when the participants' conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and the Conducted Energy Device policies).

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*First Amendment Assemblies*

---

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

**428.8 ARRESTS**

The Bartlesville Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been or reasonably appear likely to be unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Citation Releases Policy).

**428.9 MEDIA RELATIONS**

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences and social media, to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

**428.10 DEMOBILIZATION**

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

**428.11 POST EVENT**

The Incident Commander should designate a member to assemble full documentation of the event, to include:

- (a) Operational plan.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*First Amendment Assemblies*

---

- (b) Any incident logs.
- (c) Any assignment logs.
- (d) Vehicle, fuel, equipment and supply records.
- (e) Incident, arrest, use of force, injury and property damage reports.
- (f) Photographs, audio/video recordings, the Communication Center records/tapes.
- (g) Media accounts (print and broadcast media).

**428.11.1 AFTER-ACTION REPORTING**

The Incident Commander should work with City legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used, to include:

- (a) Date, time and description of the event.
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests, costs).
- (c) Problems identified.
- (d) Significant events.
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

**428.12 TRAINING**

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management. The Department should, when practicable, train with its external and mutual aid partners.

## Civil Disputes

### 429.1 PURPOSE AND SCOPE

This policy provides members of the Bartlesville Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Abuse Policy will address specific legal mandates related to domestic abuse court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by Oklahoma law.

### 429.2 POLICY

The Bartlesville Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

### 429.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While the following is not intended to be an exhaustive list, members should give consideration to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice; however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Civil Disputes*

---

**429.4 COURT ORDERS**

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

**429.4.1 STANDBY REQUESTS**

Officers responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

**429.5 VEHICLES AND PERSONAL PROPERTY**

Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

**429.6 REAL PROPERTY**

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

# Suspicious Activity Reporting

## 430.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

### 430.1.1 DEFINITIONS

Definitions related to this policy include:

**Involved party** - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

**Suspicious activity** - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

**Suspicious Activity Report (SAR)** - An incident report used to document suspicious activity.

## 430.2 POLICY

The Bartlesville Police Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

## 430.3 RESPONSIBILITIES

The Investigation Captain and the authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Investigation Division include, but are not limited to:

- (a) Remaining familiar with those databases available to the department that would facilitate the purpose of this policy.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Suspicious Activity Reporting*

---

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage community members to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

**430.4 REPORTING AND INVESTIGATION**

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any civilian member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about the involved parties and the circumstances of the incident. If, during any investigation an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross reference. A SAR should be processed as any other incident report.

**430.5 HANDLING INFORMATION**

The Records Section will forward copies of SARs, in a timely manner, to:

- The Investigation Division supervisor.
- The Crime Analysis unit.
- Other authorized designees.

## Medical Marijuana

### 431.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this department with guidelines for investigating the acquisition, possession, transportation, delivery, production, or use of marijuana under Oklahoma's medical marijuana laws (63 O.S. § 420 et seq.; OAC 442:10-1-1 et seq.).

#### 431.1.1 DEFINITIONS

Definitions related to this policy include:

**Allowable amount** - A licensee is able to have possession of the following (63 O.S. § 420; OAC 442:10-2-8):

- (a) Up to 3 ounces or 84.9 grams of marijuana on the licensee's person
- (b) 6 mature marijuana plants and the marijuana harvested from those plants
- (c) 6 seedling plants
- (d) 1 ounce or 28.3 grams of concentrated marijuana
- (e) 72 ounces or 2,037.6 grams of edible marijuana
- (f) Up to 8 ounces or 226.4 grams of marijuana in the licensee's residence
- (g) 72 ounces of topical marijuana

**Licensee** – A person who has been properly issued any medical marijuana license (e.g., adult/minor patient, caregiver, out-of-state) by the Oklahoma Medical Marijuana Authority (OMMA) (OAC 442:10-1-4).

**Medical marijuana** – Marijuana that is grown, processed, dispensed, tested, possessed, or used for a medical purpose (OAC 442:10-1-4).

### 431.2 POLICY

Oklahoma medical marijuana laws are intended to provide protection from prosecution to those who possess medical marijuana to mitigate the symptoms of a medical condition for which the medical marijuana provides therapeutic or palliative benefits. However, Oklahoma medical marijuana laws do not affect federal laws, and there is no medical exception under federal law for the possession or distribution of marijuana. It is the policy of the Bartlesville Police Department to exercise discretion and ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under Oklahoma law and the resources of the Department.

### 431.3 INVESTIGATION

Investigations involving the possession, delivery, production, or use of marijuana generally fall into one of several categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations when a medicinal claim is made by a licensee.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Medical Marijuana*

---

- (c) Investigations when a medicinal claim is made by a non-licensee.
- (d) Investigations related to the unlawful sale or transfer of medical marijuana.

**431.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM**

In any investigation involving the possession, delivery, production, or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the officer should proceed with a criminal investigation. A medicinal claim may be raised at any time, so officers should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

**431.3.2 INVESTIGATIONS INVOLVING MEDICINAL CLAIM BY LICENSEE**

Officers should not take enforcement action against a licensee who is in possession of the allowable amount of medical marijuana. Officers may utilize the system established by the OMMA to confirm the authenticity and validity of the person's license (OAC 442:10-2-7).

When a person makes a medicinal claim and has an allowable amount of medical marijuana but does not have a license in the person's possession, if the officer can otherwise determine the person is a valid license holder, no enforcement action should be taken.

Possession of up to 1.5 ounces or 42.45 grams of marijuana by a person who claims a medical condition but is not in possession of a valid license is a misdemeanor offense with a fine prescribed by 63 O.S. § 420(B).

Under these circumstances, an arrest shall not be made and a citation shall be issued unless there has been a violation of another provision of law (63 O.S. § 420(B)).

**431.3.3 ADDITIONAL CONSIDERATIONS**

Officers should consider the following when investigating an incident involving marijuana possession, delivery, production, or use:

- (a) Because enforcement of medical marijuana laws can be complex, time-consuming, and can call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:
  - 1. The suspect has been identified and can be easily located at another time.
  - 2. The case would benefit from review by a person with expertise in medical marijuana investigations.
  - 3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.
  - 4. Any other relevant factors exist, such as limited available department resources and time constraints.
  - 5. The case involves the sale or transfer of medicinal marijuana or medical marijuana products or otherwise involves a violation of OAC 442:10-2-9.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Medical Marijuana*

---

- (b) Whenever the initial investigation reveals an amount of marijuana greater than that specified by law, officers should consider and document, in anticipation of an affirmative defense:
  - 1. The amount of marijuana recommended by a medical professional to be ingested.
  - 2. The quality of the marijuana.
  - 3. The method of ingestion (e.g., smoking, eating, nebulizer).
  - 4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
  - 5. Whether the marijuana is being cultivated indoors or outdoors, the climate.
- (c) Before proceeding with enforcement related to dispensaries, commercial growers, or processors, officers should consider conferring with appropriate legal counsel and the OMMA.

**431.4 FEDERAL LAW ENFORCEMENT**

Officers should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

**431.5 EVIDENCE**

**431.5.1 MEMBER RESPONSIBILITIES**

The investigating member should notify the receiving Property and Evidence Section member in writing when marijuana may be the subject of a medical claim.

**431.5.2 PROPERTY AND EVIDENCE SECTION SUPERVISOR RESPONSIBILITIES**

The Property and Evidence Section supervisor should ensure that marijuana, drug paraphernalia, or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed. The Property and Evidence Section supervisor is not responsible for caring for live marijuana plants.

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Property and Evidence Section supervisor should as soon as practicable return to the person from whom it was seized any usable marijuana, plants, drug paraphernalia, or other related property.

The Property and Evidence Section supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Investigation Division supervisor.

## **Chapter 5 - Traffic Operations**

# Traffic

## **500.1 PURPOSE AND SCOPE**

The purpose of this policy is to provide guidelines for improving public safety through education and enforcement of traffic-related laws.

## **500.2 POLICY**

It is the policy of the Bartlesville Police Department to educate the public on traffic-related issues and to enforce traffic laws. The efforts of the Department will be driven by such factors as the location and/or number of traffic collisions, citizen complaints, traffic volume, traffic conditions and other traffic-related needs. The ultimate goal of traffic law enforcement and education is to increase public safety.

## **500.3 DEPLOYMENT**

Enforcement efforts may include such techniques as geographic/temporal assignment of department members and equipment, the establishment of preventive patrols to deal with specific categories of unlawful driving and a variety of educational activities. These activities should incorporate methods that are suitable to the situation; timed to events, seasons, past traffic problems or locations; and, whenever practicable, preceded by enforcement activities.

Several factors will be considered in the development of deployment schedules for department members. State and local data on traffic collisions are a valuable resource. Factors for analysis include, but are not limited to:

- Location.
- Time.
- Day.
- Violation factors.
- Requests from the public.
- Construction zones.
- School zones.
- Special events.

Department members assigned to uniformed patrol or traffic enforcement functions will emphasize the enforcement of violations that contribute to traffic collisions, and also will consider the hours and locations where traffic collisions tend to occur. Members will take directed enforcement action on request, and random enforcement action when appropriate. Members shall maintain high visibility while working general enforcement, especially in areas where traffic collisions frequently occur.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Traffic*

---

#### **500.4 ENFORCEMENT**

Traffic enforcement will be consistent with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas. The number of arrests or citations issued by any member shall not be used as the sole criterion for evaluating member overall performance.

Several methods are effective in the reduction of traffic collisions (22 O.S. § 1115.1; 22 O.S. § 1115.1A).

##### **500.4.1 WARNINGS**

Warnings are a non-punitive option that may be considered by the member when circumstances warrant, such as when a non-hazardous, non-moving or minor violation was inadvertent.

##### **500.4.2 CITATIONS**

Generally, citations should be issued when a member believes it is appropriate. A citation shall be issued to release a person who is arrested solely for a misdemeanor violation of a state traffic law or a municipal traffic ordinance, if (11 O.S. § 27-117; 11 O.S. § 27-117.1; 11 O.S. § 28-114.1; 22 O.S. § 1115.1; 22 O.S. § 1115.1A):

- (a) The arrested person has been issued a valid license to operate a motor vehicle by Oklahoma or another state that is a participant in the Nonresident Violator Compact or any party jurisdiction of the Nonresident Violator Compact.
- (b) The officer is satisfied as to the identity of the arrested person.
- (c) The arrested person signs a written promise to appear, unless the person is unconscious or injured and requires immediate medical treatment as determined by a treating physician.
- (d) The violation does not constitute an offense for which a physical arrest should be made.

When issuing a citation for a traffic violation, it is essential that the rights and requirements imposed on motorists be fully explained. At a minimum, the arresting officer shall include on the citation:

- An explanation of the violation or charge.
- The court appearance procedure, including the optional or mandatory appearance by the motorist.
- A notice of whether the motorist can enter a plea and pay the fine by mail or at the court.
- Notice that failure to timely appear for arraignment will result in the suspension of his/her driving privilege and driver license in Oklahoma or, for nonresidents, pursuant to the Nonresident Violator Compact (47 O.S. § 790).

##### **500.4.3 PHYSICAL ARREST**

Physical arrest can be made on a number of criminal traffic offenses. These cases usually deal with, but are not limited to (22 O.S. § 1115.1; 22 O.S. § 1115.1A):

Multiple or stacked violations/citations should only be utilized when the violations are flagrant or the offender has repeatedly disregarded previous notifications of violations.

**500.4.6 GRACE PERIOD**

A grace period of no more than 30 days should be observed when a new law is implemented or when a traffic control device is installed, unless the violation is flagrant or dangerous.

**500.4.7 PEDESTRIANS, BICYCLES OR NON-REGISTERED CONVEYANCES**

Violations of traffic laws involving pedestrians, bicycles or other non-registered conveyances should be cited based upon local ordinances. The age and ability of the pedestrian, bicycle rider or other user should be considered in issuing citations.

**500.5 SUSPENDED OR REVOKED LICENSES**

If an officer contacts a traffic violator who is also driving on a suspended or revoked license, the officer should issue a traffic citation or make an arrest as appropriate.

**500.6 HIGH-VISIBILITY VESTS**

**500.6.1 REQUIRED USE**

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn when increased visibility would improve the safety of the department member or when the member will be exposed to the hazards of passing traffic or will be maneuvering or operating vehicles, machinery and equipment.

Examples of when high-visibility vests should be worn include traffic control duties, traffic collision investigations, lane closures and disaster scenes.

When emergency conditions preclude the immediate donning of the vest, members should retrieve and wear the vest as soon as conditions reasonably permit.

Use of the vests shall also be mandatory when directed by a supervisor.

**500.6.2 CARE AND STORAGE**

High-visibility vests shall be maintained in the trunk of each patrol and investigation vehicle, in the side box of each police motorcycle and in the gear bag of each patrol bicycle. Each vest should be stored inside a resealable plastic bag to protect and maintain the vest in a serviceable condition. Before going into service, each member shall ensure that a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained and made available for replacement of damaged or unserviceable vests. The Training Coordinator should be promptly notified whenever the supply of vests needs replenishing.

**500.7 HAZARDOUS CONDITIONS**

Officers encountering hazardous road conditions should assess the severity of the hazard and take appropriate action, including but not limited to:

- (a) Notifying the department responsible for maintaining that section of the road.
- (b) Removing the hazard from the roadway if possible to do so in a safe manner.
- (c) Placing a warning device around the hazard to warn oncoming traffic.
- (d) When practicable, and safe to do so, positioning a patrol car to warn oncoming traffic and direct the traffic around the hazard.

**500.8 VEHICLE CHECKPOINTS**

The Patrol Captain may establish guidelines for roadside vehicle checkpoints based upon reasonable criteria (e.g., holidays, traffic injuries or fatalities, community requests). Operational decisions should be made by supervising officers. Guidelines for checkpoints should include, but are not limited to:

- (a) Reasonable location and duration.
- (b) Neutral criteria for stopping motorists.
- (c) Clear indicators of the official nature of the checkpoint.

Traffic stops should be performed by a uniformed on-duty officer.

Officers initiating a traffic stop shall follow department-approved safety procedures, including but not limited to:

- (a) Contacting dispatch regarding the location, vehicle description and registration and occupants prior to the stop.

# Traffic Collisions

## 501.1 PURPOSE AND SCOPE

This policy provides guidelines for responding to and investigating traffic collisions.

## 501.2 POLICY

It is the policy of the Bartlesville Police Department to respond to traffic collisions and render or summon aid to injured victims as needed. The Department will investigate and prepare reports according to the established minimum reporting requirements with the goal of reducing the occurrence of collisions by attempting to identify the cause of the collision and through enforcing applicable laws. Unless restricted by law, traffic collision reports will be made available to the public upon request.

## 501.3 RESPONSE

Upon arriving at the scene, the responding member should assess the need for additional resources and summon assistance as appropriate. Generally, the member initially dispatched to the scene will be responsible for the investigation and report, if required, unless responsibility is reassigned by a supervisor.

A supervisor should be called to the scene when the incident:

- (a) Is within the jurisdiction of this department and there is:
  - 1. A life-threatening injury.
  - 2. A fatality.
  - 3. A City vehicle involved.
  - 4. A City official or employee involved.
  - 5. Involvement of an on- or off-duty member of this department.
- (b) Is within another jurisdiction and there is:

### 501.3.1 MEMBER RESPONSIBILITIES

Upon arriving at the scene, the responding member should consider and appropriately address:

- (a) Traffic direction and control.
- (b) Proper placement of emergency vehicles, cones, roadway flares or other devices if available to provide protection for members, the public and the scene.
- (c) First aid for any injured parties if it can be done safely.

- (e) The need for additional support as necessary (e.g., traffic control, emergency medical services, fire department, hazardous materials response, tow vehicles).
- (f) Clearance and cleanup of the roadway.
- (g) Control of property belonging to collision victims. If the vehicle is towed at the direction of the member, property will be handled in accordance with the Vehicle Towing and Property and Evidence Section policies.

**501.4 NOTIFICATION**

If a traffic collision involves a life-threatening injury or fatality, the responding officer shall notify a supervisor or, if unavailable, the Shift Supervisor. The Shift Supervisor or any supervisor shall request a member of the Accident Investigation Team or other appropriate personnel to investigate the incident. The Shift Supervisor will ensure notification is made to the Patrol Captain. The Patrol Captain will notify the Chief of Police of the incident and any other members or outside agency personnel in accordance with the Major Incident Notification Policy.

**501.4.1 NOTIFICATION OF FAMILY**

In the event of a life-threatening injury or fatality, the Accident Investigation Team is responsible for the incident. The Accident Investigation Team will coordinate with the on-duty supervisor to ensure notification of the victim's immediate family or coordinate such notification with the Medical Examiner, department chaplain or another suitable person. Notification should be made as soon as practicable following positive identification of the victim.

The identity of any person seriously injured or deceased in a traffic collision should not be released until notification is made to the victim's immediate family.

**501.5 MINIMUM REPORTING REQUIREMENTS**

A written collision report shall be taken when (47 O.S. § 40-102):

- (a) The collision results in the injury or death of a person, including a delayed fatality as defined by OAC 595:65-1-4.
- (b) The collision results in total apparent property damage of \$500 or more.
- (c) Hazardous materials are involved.

**501.5.1 PRIVATE PROPERTY**

Generally, reports should not be taken when a traffic collision occurs on private property unless it involves an injury or fatality, a hit-and-run violation, driving under the influence of intoxicants, extensive property damage that could jeopardize the safety of the occupants in the structure, or when a government vehicle is involved.. Members may provide assistance to motorists as a public service, such as exchanging information and arranging for the removal of the vehicles.

**501.5.2 CITY VEHICLE INVOLVED**

A traffic collision report shall be taken when a City vehicle is involved in a traffic collision.

A general information report may be taken in lieu of a traffic collision report at the direction of a supervisor when the incident occurs entirely on private property or does not involve another vehicle.

Whenever there is damage to a City vehicle, a damage to city property report shall be completed and forwarded to the appropriate Captain. The traffic investigator or supervisor at the scene should determine what photographs should be taken of the scene and the vehicle damage.

**501.5.3 INJURED ANIMALS**

Department members should refer to the Animal Control Policy when a traffic collision involves the disposition of an injured animal.

**501.6 INVESTIGATION**

When a traffic collision meets minimum reporting requirements the investigation should include, at a minimum:

- (a) An on- or off-duty member of the Department.
- (b) An on- or off-duty official or employee of the City of Bartlesville.

Department members shall promptly notify a supervisor when any department vehicle is involved in a traffic collision. The supervisor shall request a member of the Accident Investigation Team or other appropriate personnel to assist in the investigation of the life-threatening or fatal collision. The Shift Supervisor will ensure notification is made to the Patrol Captain. The Patrol Captain will notify the Chief of Police of the incident and any other members or outside agency personnel in accordance with the Major Incident Notification Policy. The collision investigation and report shall be completed by the agency having jurisdiction.

**501.7 ENFORCEMENT ACTION**

After a thorough investigation in which physical evidence or independent witness statements indicate that a violation of a traffic law contributed to the collision, authorized members should issue a citation or arrest the offending driver, as appropriate.

More serious violations, such as driving under the influence of drugs or alcohol, vehicular manslaughter or other felonies, shall be enforced. If a driver who is subject to enforcement action is admitted to a hospital, a supervisor shall be contacted to determine the best enforcement option.

**501.8 REPORTS**

Department members shall utilize state-approved forms as required for the reporting of traffic collisions (OAC 595:65-1-2). All such reports shall be completed by the end of the members work day unless prior approval has been given by the shift commander. The shift commander or his designee will forward the report to the Patrol Division for approval and filing. For life-threatening or fatal collisions, Department members shall utilize state-approved forms as required for the reporting of traffic collisions (OAC 595:65-1-2). All such reports shall be completed within a reasonable time limit not to exceed eight (8) calendar days. These reports shall be forwarded to the supervisor of the Accident Team or their designee for approval. The Accident Team Supervisor or his designee will forward the report to the Patrol Division for approval and filing.

**501.8.1 REPORT MODIFICATION**

A change or modification of a written report that alters a material fact in the report may be made only by the member who prepared the report, and only prior to its approval and distribution. Once a report has been approved and distributed, corrections shall only be made by way of a written supplemental report. A written supplemental report may be made by any authorized member.

**501.8.2 OPERATIONS CAPTAIN RESPONSIBILITIES**

The responsibilities of the Operations Captain include but are not limited to:

- (a) Ensuring that reports of traffic collisions are forwarded to the appropriate state agency (OAC 595:65-1-2).
- (b) Ensuring the monthly and quarterly reports on traffic collision information and statistics are forwarded to the Patrol Captain or other persons as required.

## Vehicle Towing

### 502.1 PURPOSE AND SCOPE

This policy provides guidance related to vehicle towing. Nothing in this policy shall require a member of this department to tow a vehicle.

### 502.2 POLICY

The Bartlesville Police Department will tow vehicles when appropriate and in accordance with the law.

### 502.3 REMOVAL OF VEHICLES DUE TO HAZARD

When a vehicle should be towed because it presents a hazard, the owner or operator should arrange for the towing. Department members may assist by communicating requests through the Communication Center to expedite the process.

If the owner or operator is unable to arrange for towing and the vehicle presents a hazard, the vehicle may be towed at the direction of the department member (47 O.S. § 955).

Vehicles that are not the property of the City should not be driven by department members unless it is necessary to move the vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or comply with posted signs.

### 502.4 ARREST SCENES

Whenever the owner or operator of a vehicle is arrested, the arresting officer should provide reasonable safekeeping by leaving the vehicle secured and lawfully parked at the scene or, when appropriate, by having the vehicle towed, such as when the vehicle presents a traffic hazard, the vehicle would be in jeopardy of theft or damage if left at the scene.

Officers are not required to investigate whether alternatives to towing a vehicle exist after an arrest. However, a vehicle should not be towed if reasonable alternatives exist. When considering whether to leave a vehicle at the scene, officers should take into consideration public safety as well as the reasonable safety of the vehicle and its contents.

The following are examples of situations where a vehicle should not be towed:

- The vehicle can be legally parked, left in a reasonably secure and safe location and is not needed as evidence.
- The vehicle is parked on private property, on which the arrestee or owner is legally residing, or the property owner does not object to the vehicle being parked at that location.
- The arrestee or owner of the vehicle requests that it be released to a person who is present, willing and able to legally take control of the vehicle.

## *Vehicle Towing*

---

- The vehicle is legally parked and the arrestee or owner requests that it be left at the scene. In such cases the requester should be informed that the Department will not be responsible for theft or damages.

### **502.5 CIRCUMSTANCES FOR TOWING VEHICLES**

Officers are authorized to order towing of vehicles when (47 O.S. § 955):

- (a) A report has been made that the vehicle has been stolen or taken without the consent of its owner or the officer has reason to believe the vehicle has been stolen pursuant to 47 O.S. § 4-105.
- (b) There is reason to believe the vehicle has been abandoned as defined in 47 O.S. § 901 and 47 O.S. § 902.
- (c) The person driving or in control of the vehicle is arrested for an alleged offense for which the officer is required by law to take the person arrested or summoned before a proper magistrate without unnecessary delay.
- (d) At the scene of a collision, the owner or driver is not in a position to take charge of the vehicle and direct or request its proper removal.
- (e) The officer has probable cause that the person operating the vehicle has not been granted driving privileges or that the person's driving privileges have been suspended, revoked, canceled, denied, or disqualified.
- (f) The officer has probable cause that the vehicle has been used in the commission of a felony offense and the officer has obtained a search warrant authorizing the search and seizure of the vehicle.
- (g) The officer has probable cause that the vehicle is not insured as required by the Compulsory Insurance Law of Oklahoma.
- (h) The vehicle is involved in a fatal motor vehicle collision and is needed for evidentiary purposes.
- (i) The vehicle is left unattended on any street, sidewalk, alley, or thoroughfare, and constitutes a hazard or obstruction to the normal movement of public transit along a rail fixed guideway.

### **502.6 RECORDS**

Records Section members shall ensure that pertinent data regarding a towed vehicle is promptly entered into the appropriate database.

#### **502.6.1 VEHICLE STORAGE REPORT**

Department members towing a vehicle shall complete a vehicle tow report. The report should be submitted to the Communications Center as soon as practicable after the vehicle is towed.

#### **502.6.2 NOTICE OF TOW**

As soon as practicable, and in any event within 72 hours of a vehicle being towed, the Records Section shall send a notice of tow to the Department of Public Safety. The notice shall include (47 O.S. § 903):

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Vehicle Towing*

---

- (a) The name and address of the owner, if known.
- (b) The date and location where the vehicle is stored.
- (c) A description of the vehicle, including:
  - 1. Make and model.
  - 2. License plate number, registration number and vehicle identification number (VIN).
- (d) The estimated value of the vehicle as determined by the officer who directed the impoundment.

**502.7 TOWING SERVICES**

Members shall not show preference among towing services that have been authorized for use by the Department. A rotation or other system established by the Department for tow services should be followed.

**502.7.1 ROTATION LOGS**

The Department shall keep rotation logs on all requested tows unless there are an insufficient number of licensed wrecker or towing services available to rotate after a competitive bid process. Rotation logs shall be made available for public inspection upon request (47 O.S. § 952).

Calls made from cell phones or two-way radios by department members to any wrecker service shall be listed on the rotation or call logs and made available for public inspection.

A wrecker service shall not be removed from rotation without notification to the wrecker operator stating the reason for removal from the rotation log. A notification for removal from a rotation log shall be mailed to the wrecker service owner at least 10 days before removal and shall state the procedure and requirements for reinstatement.

**502.8 VEHICLE INVENTORY**

The contents of all vehicles towed at the request of department members shall be inventoried and listed on the inventory report. When reasonably practicable, photographs may be taken to assist in the inventory.

- (a) An inventory of personal property and the contents of open containers will be conducted throughout the passenger and engine compartments of the vehicle including, but not limited to, any unlocked glove box, other accessible areas under or within the dashboard area, any pockets in the doors or in the back of the front seat, in any console between the seats, under any floor mats and under the seats.
- (b) In addition to the passenger and engine compartments as described above, an inventory of personal property and the contents of open containers will also be conducted in any other type of unlocked compartments that are a part of the vehicle, including unlocked vehicle trunks and unlocked car top containers.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Vehicle Towing*

---

- (c) Any locked compartments including, but not limited to, locked glove compartments, locked vehicle trunks, locked hatchbacks and locked car-top containers should be inventoried, provided the keys are available and released with the vehicle to the third-party towing company or an unlocking mechanism for such compartment is available within the vehicle.
- (d) Closed containers located either within the vehicle or any of the vehicle's compartments will not be opened for inventory purposes except for the following: wallets, purses, coin purses, fanny packs, personal organizers, briefcases or other closed containers designed for carrying money, small valuables or hazardous materials.

Members should ask the occupants whether the vehicle contains any valuables or hazardous materials. Responses should be noted in the inventory report. If the occupant acknowledges that any closed container contains valuables or a hazardous material, the container shall be opened and inventoried. When practicable and appropriate, such items should be removed from the vehicle and given to the owner, or booked into property for safekeeping.

Any cash, jewelry or other small valuables located during the inventory process will be held for safekeeping, in accordance with the Property and Evidence Section Policy. A copy of the property receipt should be given to the person in control of the vehicle or, if that person is not present, left in the vehicle.

A copy of the vehicle inventory will be given to the tow truck operator.

These inventory procedures are for the purpose of protecting the vehicle owner's property, providing for the safety of department members and protecting the Department against fraudulent claims of lost, stolen or damaged property.

Towing a vehicle in order to perform an inventory should not be used as a pretext for an evidence search. Nothing in this policy prevents the towing of a vehicle that would occur for reasons independent of any suspicion that the vehicle may contain evidence if it is otherwise justified by law or this policy.

#### **502.9 SECURITY OF VEHICLES AND RETRIEVAL OF PROPERTY**

If the search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, the department member conducting the search shall take such steps as are reasonably necessary to secure or protect the vehicle or property from such hazards.

Unless it would cause an unreasonable delay in towing the vehicle or create an issue of officer safety, reasonable accommodations should be made to permit the owner, operator or occupant to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) that are not considered evidence or contraband.

*Vehicle Towing*

---

Members who become aware that a vehicle may have been towed by the Department in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the owner or his/her agent to request a hearing to contest the tow.

**502.10 RELEASE OF IMPOUNDED VEHICLES**

Vehicles impounded at the direction of officers shall not be released to an owner without proof of valid insurance or an affidavit of nonuse on the roadway. An impounded vehicle may be released to an insurer who accepts liability for the vehicle without proof of valid insurance or an affidavit of nonuse (OAC 595:25-7-2).

Members shall not authorize the release of vehicles when there is a legitimate reason to preserve the secured status of an impounded or stored vehicle, including but not limited to:

- (a) Failure to pay taxes due to the state.
- (b) Forfeiture proceedings under the Uniform Controlled Dangerous Substances Act (63 O.S. § 2-506).
- (c) Evidentiary proceedings.
- (d) Failure to provide proof of insurance.
- (e) The vehicle was used in the commission of a felony offense (47 O.S. § 955).

In the event an officer determines a need exists to preserve the secured status of an impounded or stored vehicle, the officer may direct the operator of the towing service or storage facility to place a hold on the vehicle.

# Vehicle Tow Hearings

## 503.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a process for vehicle tow hearings.

## 503.2 POLICY

When a vehicle is towed at the direction of any member of the Bartlesville Police Department, a hearing will be conducted upon request pursuant to 47 O.S. § 903A.

## 503.3 HEARING OFFICER

The Chief of Police will identify the person who will act as a hearing officer when the decision of a member to tow a vehicle is contested. The hearing officer in any case must be a person other than the member who directed the vehicle to be towed.

## 503.4 HEARING PROCESS

The registered or legal owner of the vehicle or his/her agent may request a hearing when a vehicle is towed or stored at the direction of any member of the Bartlesville Police Department (47 O.S. § 903A).

A timely requested hearing shall be scheduled within 72 hours of the request, excluding weekends and holidays. If the registered or legal owner consents, the hearing may be conducted via a telephone conference call.

Any relevant evidence may be submitted and reviewed by the hearing officer to determine the validity of the tow or storage of the vehicle.

Failure of either the registered or legal owner, or his/her agent, to timely request or to timely appear at a scheduled hearing shall be considered a waiver of and satisfaction of the hearing.

## 503.5 DECISION

After consideration of all the evidence, the hearing officer shall determine whether the Department has established the validity of the tow or storage by a preponderance of the evidence (47 O.S. § 903A).

- (a) If a decision is made that reasonable grounds for the tow and storage have been established, the hearing officer shall advise the requesting party of the decision.
- (b) If a decision is made that reasonable grounds for the tow or storage have not been established, the vehicle shall be released immediately. Towing fees will be the responsibility of the Department and storage fees will be waived by the operator of the towing service or storage facility.

### 503.5.1 DE NOVO HEARING

The owner of a stored vehicle may file a petition in the district court of the county where the vehicle is stored to conduct a de novo hearing and determine the validity of a tow and storage either in lieu of or after a department hearing (47 O.S. § 903A).

# Driving Under the Influence

## 504.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence (DUI).

## 504.2 POLICY

The Bartlesville Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Oklahoma's impaired driving laws.

## 504.3 INVESTIGATIONS

Officers should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

The Operations Captain will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency (47 O.S. § 11-902d). Any DUI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

- (a) The standard field sobriety tests (SFSTs) administered and the results.
- (b) The officer's observations that indicate impairment on the part of the individual, and the officer's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in Oklahoma or another jurisdiction.

## 504.4 FIELD TESTS

The Operations Captain should identify SFSTs and any approved alternate tests for officers to use when investigating violations of DUI laws.

### 504.4.1 SCREENING DEVICES

Screening devices may be used to detect the presence of alcohol or drugs in a person suspected of DUI. Members shall use approved devices in accordance with the rules prescribed by the Board of Tests for Alcohol and Drug Influence and have proper training, if required (OAC 40:55-1-1 et seq.; OAC 40:55-2-1 et seq.; OAC 40:10-5-1).

*Driving Under the Influence*

---

The Operations Captain shall establish procedures to properly maintain screening devices in accordance with the manufacturer's instructions (OAC 40:55-1-3; OAC 40:55-2-3).

**504.5 CHEMICAL TESTS**

A person is deemed to have consented to a chemical test or tests, and to providing the associated chemical sample, when the person has been arrested by an officer who has probable cause to believe that the person was operating or in actual physical control of a motor vehicle while DUI (47 O.S. § 751).

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

**504.5.1 STATUTORY NOTIFICATIONS**

Officers arresting a person for DUI should read the implied consent advisory prior to administering a chemical test. If a blood sample will be requested, the officer shall inform the person that the withdrawal will be performed by authorized medical personnel (47 O.S. § 751).

**504.5.2 BREATH SAMPLES**

The Operations Captain should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Operations Captain.

**504.5.3 BLOOD SAMPLES**

Only persons authorized by law to draw blood shall collect blood samples (47 O.S. § 752). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

All blood samples shall be collected, packaged, and transferred as required by OAC 40:20-1-3.

In addition to the blood sample collected for analysis (referred to as the state's blood specimen), an additional and separate blood specimen of sufficient quantity to enable the person to have it tested at his/her own expense shall be collected at the same time, without any additional punctures, whenever possible, and by the same qualified person. This will be the retained blood specimen, and it should be retained by the laboratory for a minimum of 60 days from the date of the collection (47 O.S. § 752; OAC 40:20-1-3).

If an arrestee cannot submit to a blood draw because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test shall not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

**504.5.4 URINE SAMPLES**

If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff member of the same sex as the individual giving the sample. The arrestee should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the sample.

The sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

**504.5.5 ADDITIONAL TESTS**

In addition to any test administered at the direction of an officer, a person arrested for DUI has the right to request an additional test be administered. The cost of the test shall be at the expense of the arrested person, and a sufficient quantity of the additional specimen taken shall be available to the Bartlesville Police Department (47 O.S. § 751).

**504.6 REFUSALS**

When an arrestee refuses to provide a chemical sample, officers shall:

- (a) Advise the arrestee of the requirement to provide a sample.
- (b) Audio- and/or video-record the admonishment and the response when it is practicable.
- (c) Document the refusal in the appropriate report.

**504.6.1 BLOOD SAMPLE WITHOUT CONSENT**

A blood sample may be obtained from a person who refuses to submit to a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained.
- (b) The officer can articulate that exigent circumstances exist and has probable cause to believe that the person arrested for DUI caused the death or serious physical injury of another person (47 O.S. § 753). Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol in the person's bloodstream. Exigency can be established by the existence of special facts, such as a lengthy time delay resulting from a collision investigation or medical treatment of the person.

**504.6.2 FORCED BLOOD SAMPLE**

If an arrestee indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.

**Bartlesville Police Department Policy Manual**

- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes, a viable form of testing in a timely manner.
- (c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer), and attempt to persuade the individual to submit to providing such a sample without physical resistance.
  - 1. This dialogue should be recorded on audio and/or video when practicable.
- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure that the forced blood draw is recorded on audio and/or video when practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
  - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
  - 2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
  - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform the duties of a supervisor, as set forth above.

#### **504.7 RECORDS SECTION RESPONSIBILITIES**

The Records Clerk will ensure that:

- (a) All case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.
- (b) A copy of the report is forwarded to Service Oklahoma within 72 hours (47 O.S. § 754).
- (c) All DUI arrests are entered into the Oklahoma impaired driver database (11 O.S. § 34-108; 47 O.S. § 11-902d).

#### **504.8 ADMINISTRATIVE HEARINGS**

The Records Clerk will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to the DPS.

Any officer who receives notice of required attendance at an administrative license suspension hearing should promptly notify the prosecuting attorney.

An officer called to testify at an administrative hearing should document the hearing date and the DPS file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified.

**504.9 MEDICAL CARE**

Officers should take a person arrested for DUI to be medically evaluated if the person is:

- (a) Vomiting.
- (b) Talking incoherently.
- (c) Unconscious.
- (d) Unable to stand.
- (e) Showing a blood alcohol level of .24 or higher.

## Traffic and Parking Citations

### 505.1 PURPOSE AND SCOPE

This policy outlines the responsibilities for issuing, correcting, voiding and dismissing traffic and parking citations.

### 505.2 POLICY

It is the policy of the Bartlesville Police Department to enforce traffic laws fairly and equally. Authorized members may issue a traffic citation, parking citation, or written or verbal warning based upon the circumstances of the contact and in the best interest of the motoring public and community safety.

### 505.3 RESPONSIBILITIES

The Records Section shall be responsible for the supply and accounting of all traffic and parking citations issued to members of this department. Citations will be kept in a secure location and issued to members by the Records Section staff. Members will sign for the citation books when issued or upon return of unused citations.

Members of the Bartlesville Police Department shall only use department-approved traffic and parking citation forms.

#### 505.3.1 WRITTEN OR VERBAL WARNINGS

Written or verbal warnings may be issued when the department member believes it is appropriate. The Records Section should maintain information relating to traffic stops in which a written warning is issued. Written warnings are retained by this department in accordance with the established records retention schedule.

### 505.4 TRAFFIC CITATIONS

The Bartlesville Police Department utilizes both electronic and hard-copy traffic citations.

#### 505.4.1 CORRECTION

When a traffic citation is issued but is in need of correction, the member issuing the citation shall submit the citation and a letter to his/her immediate supervisor requesting a specific correction. Once approved, the citation and letter shall then be forwarded to the Records Section. The Records Clerk or the authorized designee shall prepare a letter of correction to the court having jurisdiction and notify the citation recipient in writing.

#### 505.4.2 VOIDING

Voiding a traffic citation may occur when the citation has not been completed or when it is completed but not issued. All copies of the voided citation shall be presented to a supervisor for approval. The citation and copies shall then be forwarded to the Records Section.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Traffic and Parking Citations*

---

**505.4.3 DISMISSAL**

Members of this department do not have the authority to dismiss a traffic citation once it has been issued. Only the court has that authority. Any request from a recipient to dismiss a citation shall be referred to the Operations Captain. Upon a review of the circumstances involving the issuance of the traffic citation, the Operations Captain may request the Patrol Captain to recommend dismissal. If approved, the citation will be forwarded to the appropriate prosecutor with a request for dismissal. All recipients of traffic citations whose request for dismissal has been denied shall be referred to the appropriate court.

Prior to a court hearing, a member may submit a request for dismissal of a traffic citation to his/her supervisor. The request must be in writing and should include the reason for dismissal (i.e., in the interest of justice, prosecution is deemed inappropriate). Upon a review of the circumstances involving the issuance of the traffic citation, the supervisor may forward the request to the Patrol Captain to recommend dismissal. If approved, the citation will be forwarded to the appropriate prosecutor with a request for dismissal.

Should a member determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate, the member may request the court to dismiss the citation. Upon such dismissal, the member shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required, and forward it to the Patrol Captain for review.

**505.4.4 DISPOSITION**

The court and file copies of all traffic citations issued by members of this department shall be forwarded to the member's immediate supervisor for review by the end of each shift. The citation copies shall then be filed with the Records Section.

Upon separation from appointment or employment with this department, all members who were issued traffic citation books shall return any unused citations to the Records Section.

**505.4.5 JUVENILE CITATIONS**

Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile's age, place of residency and the type of offense should be considered before issuing a juvenile a citation.

**505.5 PARKING CITATION APPEALS**

Parking citations may be appealed in accordance with local and state law.

## Disabled Vehicles

### 506.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for department members who provide assistance to motorists in disabled vehicles within the primary jurisdiction of the Bartlesville Police Department.

### 506.2 POLICY

It is the policy of the Bartlesville Police Department to assist motorists with disabled vehicles until those vehicles are safely removed from the roadway. Members should take appropriate action to mitigate potential problems when a vehicle constitutes a traffic hazard or the safety of the motorist is a concern.

### 506.3 RESPONSIBILITIES

When an on-duty member of this department sees a disabled vehicle on the roadway, the member should make a reasonable effort to provide assistance. If this is not reasonably possible, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another department member to respond as soon as practicable.

### 506.4 ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department members will be contingent on the time of day, the location, the availability of department resources and the vulnerability of the disabled motorist.

#### 506.4.1 MECHANICAL REPAIRS

Department members shall not make mechanical repairs to a disabled vehicle. The use of push bumpers, with consent of the owner, to relocate vehicles to a position of safety is not considered a mechanical repair.

#### 506.4.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

#### 506.4.3 RELOCATION OF MOTORIST

The relocation of a motorist with a disabled vehicle should only occur with the person's consent and should be suggested when conditions reasonably indicate that immediate movement is necessary to mitigate a potential hazard. The department member may stay with the motorist or transport him/her to a safe area to await pickup.

#### 506.4.4 OTHER ASSISTANCE

Members who come into contact with motorists in need of medical assistance should provide assistance in accordance with the Medical Aid and Response Policy.

## **Chapter 6 - Investigation Operations**

# Investigation and Prosecution

## 600.1 PURPOSE AND SCOPE

The purpose of this policy is to set guidelines and requirements pertaining to the handling and dispositions of criminal investigations.

## 600.2 POLICY

It is the policy of the Bartlesville Police Department to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

## 600.3 INITIAL INVESTIGATION

### 600.3.1 OFFICER RESPONSIBILITIES

An officer responsible for an initial investigation shall complete no less than the following:

- (a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:
  - 1. An initial statement from any witnesses or complainants.
  - 2. A cursory examination for evidence.
  - 3. Documentation of any pertinent information including:
    - (a) The weather and environmental conditions.
    - (b) Events associated with the incident.
    - (c) The officer's factual observations.
- (b) If information indicates a crime has occurred, the officer shall:
  - 1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
  - 2. Determine whether additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
  - 3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Shift Supervisor.
  - 4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
  - 5. Collect any evidence.
  - 6. Take any photographs, sketches or use other methods necessary to record the crime scene.

7. Take any appropriate law enforcement action, including but not limited to apprehending suspects.
  8. Complete and submit the appropriate reports and documentation.
  9. Assist in the prosecution of the case.
- (c) If the preliminary determination is that no crime occurred, determine what other action may be necessary and what other resources may be available, and advise the informant or complainant of this information.

**600.4 CUSTODIAL INTERROGATION REQUIREMENTS**

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

**600.4.1 AUDIO/VIDEO RECORDINGS**

Any custodial interrogation of an individual who is suspected of having committed any violent felony offense should be recorded (audio or video with audio as available) in its entirety. An electronic recording (video with audio) shall be made of an entire custodial interrogation of an individual suspected of homicide or a felony sex offense that is conducted at a place of detention. Procedures for electronic recording of custodial interrogations shall follow O.S. Title 22 Section 22, or any other applicable laws. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Investigation Division supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete, and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

**600.4.2 STATUTORY AUDIO/VIDEO RECORDING REQUIREMENTS**

Any custodial interrogation conducted at a law enforcement facility of any person suspected of having committed a homicide or a felony sex offense shall follow the direction in this policy for the recording of any violent offense. Additionally, in these cases (22 O.S. § 22):

- (a) Officers are required to make an audio/video recording when feasible rather than just an audio recording.
- (b) Officers are required to record the making of any signed or written statement obtained.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Investigation and Prosecution*

- (c) Obtaining a recording is mandatory, except when:
  - 1. There was an equipment malfunction and replacement equipment was not immediately available.
  - 2. There was a good faith, inadvertent failure to operate recording equipment properly.
  - 3. The recording equipment malfunctioned or stopped recording without the officer's knowledge.
  - 4. The suspect affirmatively asserted the desire to speak without being recorded.
  - 5. Multiple interrogations took place simultaneously that exceeded the available recording capacity.
  - 6. A statement was made spontaneously and not in response to interrogation.
  - 7. A statement was made during questioning that was routinely asked during booking.
  - 8. The statement was made at a time the officer was unaware of the suspect's involvement in a homicide or a felony sex offense.
  - 9. Exigent circumstances made recording impractical.
  - 10. At the time of the interrogation, the officer, in good faith, was unaware of the type of offense involved.
  - 11. The recording was damaged or destroyed without bad faith.
  - 12. Other unusual circumstances occurred that may reasonably have prevented a recording from being obtained.

The Investigation Division supervisor should verify these recordings are being addressed appropriately in the department's retention schedule and property storage procedures (22 O.S. § 22).

**600.5 DISCONTINUATION OF INVESTIGATIONS**

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, there is no reasonable belief that the person who committed the crime can be identified and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
  - 1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
  - 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Investigation and Prosecution*

---

- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor; charges have been filed; further investigation is not reasonable, warranted or requested; and there is no need to take the suspect into custody.
- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted or requested.
- (f) Investigation has proved that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Abuse, Child Abuse, Sexual Assault Investigations and Adult Abuse policies may also require an arrest or submittal of a case to a prosecutor.

**600.6 COMPUTERS AND DIGITAL EVIDENCE**

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

**600.7 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES**

Use of social media and any other Internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and civil liberties. Information gathered via the Internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty or while using his/her own equipment, the member should note the dates, times and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the Internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and Criminal Organizations policies).

**600.7.1 ACCESS RESTRICTIONS**

Information that can be accessed from any department computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any Internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or

legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any Internet source should be evaluated for its validity, authenticity, accuracy and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an Internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

**600.7.2 INTERCEPTING ELECTRONIC COMMUNICATION**

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Officers should seek legal counsel before any such interception.

**600.8 MODIFICATION OF CHARGES FILED**

Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a Captain or the Chief of Police. Any authorized request to modify the charges or to recommend dismissal of charges shall be made to the prosecutor.

# Sexual Assault Investigations

## 601.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Adult Abuse policies.

### 601.1.1 DEFINITIONS

Definitions related to this policy include:

**Sexual assault** - Any crime or attempted crime of a sexual nature, including, but not limited to, offenses defined in Title 21, Chapter 45 of the Oklahoma Statutes Annotated.

**Sexual Assault Response Team (SART)** - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

## 601.2 POLICY

It is the policy of the Bartlesville Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

## 601.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.
- (b) Conduct follow-up interviews and investigation.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.
- (e) Provide referrals to therapy services, victim advocates and support for the victim.
- (f) Participate in or coordinate with the SART or other multidisciplinary investigative teams as applicable.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Sexual Assault Investigations*

---

**601.4 REPORTING**

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

**601.5 RELEASING INFORMATION TO THE PUBLIC**

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Investigation Division supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

**601.6 TRAINING**

Subject to available resources, periodic training should be provided to:

- (a) Members who are first responders. Training should include:
  - 1. Initial response to sexual assaults.
  - 2. Legal issues.
  - 3. Victim advocacy.
  - 4. Victim's response to trauma.
- (b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:
  - 1. Interviewing sexual assault victims.
  - 2. SART.
  - 3. Medical and legal aspects of sexual assault investigations.
  - 4. Serial crimes investigations.
  - 5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP).
  - 6. Techniques for communicating with victims to minimize trauma.

**601.7 VICTIM INTERVIEWS**

The primary considerations in sexual assault investigations, which begin with the initial call to the Communication Center, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of the SART should be included in the initial victim interviews (21 O.S. § 142C-3).

An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change

---

of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded should be included in a report.

Victims should not be asked or required to take a polygraph examination (34 USC § 10451).

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

#### **601.8 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE**

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately.

##### **601.8.1 DNA TEST RESULTS**

Members investigating sexual assault cases should notify victims of any DNA test results as soon as reasonably practicable.

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

Members investigating sexual assaults cases should ensure that DNA results are entered into databases when appropriate and as soon as practicable.

##### **601.8.2 COLLECTION AND TESTING REQUIREMENTS**

Members investigating sexual assaults or handling related evidence are required to do the following:

- (a) A sexual assault evidence kit, or other DNA evidence if a kit is not collected, should be submitted to the appropriate laboratory for forensic testing within 20 days after receipt

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

---

unless the victim requests that the sexual assault evidence kit not be tested (74 O.S. § 150.28b).

- (b) Use trackable sexual assault evidence collection kits that comply with the requirements of the statewide electronic tracking system (74 O.S. § 150.28a).
- (c) Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Section Policy.

**601.9 DISPOSITION OF CASES**

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Investigation Division supervisor.

Classification of a sexual assault case as unfounded requires the Investigation Division supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

**601.10 CASE REVIEW**

The Investigation Division supervisor should ensure cases are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The reviews should include an analysis of:

- Case dispositions.
- Decisions to collect biological evidence.
- Submissions of biological evidence for lab testing.

The SART and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain of command to the Chief of Police.

# Asset Forfeiture

## 602.1 PURPOSE AND SCOPE

This policy describes the authority and procedure for the seizure, forfeiture and liquidation of property associated with designated offenses.

### 602.1.1 DEFINITIONS

Definitions related to this policy include:

**Fiscal agent** - The person designated by the Chief of Police to be responsible for securing and maintaining seized assets and distributing any proceeds realized from any forfeiture proceedings.   - 3. Things of value furnished or intended to be furnished in exchange for a controlled dangerous substance.
  - 4. Real property used to commit a controlled substance offense that is punishable by more than one year imprisonment.
  - 5. Weapons used to facilitate controlled substance violations.

**Seizure** - The act of law enforcement officials taking property, cash or assets that have been used in connection with or acquired by specified illegal activities.

## 602.2 POLICY

The Bartlesville Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential of revenue shall not be allowed to jeopardize the effective investigation and prosecution of criminal offenses, officer safety, the integrity of ongoing investigations or any person's due process rights.

*Asset Forfeiture*

---

It is the policy of the Bartlesville Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeitures.

**602.3 ASSET SEIZURE**

Property may be seized for forfeiture as provided in this policy.

**602.3.1 PROPERTY SUBJECT TO SEIZURE**

The following property may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer:

- (a) Property seized under the authority of a valid court order.
- (b) Property subject to forfeiture under the Oklahoma Uniform Controlled Dangerous Substances Act may be seized without a court order when (63 O.S. § 2-504):
  - 1. The seizure is incident to arrest or other lawful evidence collection.
  - 2. Probable cause exists to believe the property is dangerous to the health or safety of the public.
  - 3. Probable cause exists to believe the property is subject to forfeiture under the Oklahoma Uniform Controlled Dangerous Substances Act and that a nexus between the property and the Act's violation can be articulated.

Whenever practicable, obtaining a search warrant or court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

**602.3.2 PROPERTY NOT SUBJECT TO SEIZURE**

The following property should not be seized for forfeiture:

- (a) Cash and property that does not meet the forfeiture counsel's current minimum forfeiture thresholds
- (b) Property where there is reason to suspect the owner was not consenting or aware of the relation of the property and the offense (21 O.S. § 2002; 63 O.S. § 2-503)

**602.4 PROCESSING SEIZED PROPERTY FOR FORFEITURE PROCEEDINGS**

When property or cash subject to this policy is seized, the officer making the seizure should ensure compliance with the following:

- (a) Complete the applicable seizure forms and present the appropriate copy to the person from whom the property is seized. If cash or property is seized from more than one person, a separate copy must be provided to each person, specifying the items seized. When property is seized and no one claims an interest in the property, the officer must leave the copy in the place where the property was found, if it is reasonable to do so.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Asset Forfeiture*

---

- (b) Complete and submit a report and original seizure forms within 24 hours of the seizure, if practicable.
- (c) Forward the original seizure forms and related reports to the forfeiture reviewer within two days of seizure.

The officer will book seized property as evidence with the notation in the comment section of the property form, "Seized Subject to Forfeiture." Property seized subject to forfeiture should be booked on a separate property form. No other evidence from the case should be booked on this form.

Photographs should be taken of items seized, particularly cash, jewelry and other valuable items.

Officers who suspect property may be subject to seizure but are not able to seize the property (e.g., the property is located elsewhere; the whereabouts of the property is unknown; it is real estate, bank accounts, non-tangible assets) should document and forward the information in the appropriate report to the forfeiture reviewer.

**602.5 MAINTAINING SEIZED PROPERTY**

The Property and Evidence Section supervisor is responsible for ensuring compliance with the following:

- (a) All property received for forfeiture is reasonably secured and properly stored to prevent waste and preserve its condition.
- (b) All property received for forfeiture is checked to determine whether the property has been stolen.
- (c) All property received for forfeiture is retained in the same manner as evidence until forfeiture is finalized or the property is returned to the claimant or the person with an ownership interest.
- (d) Property received for forfeiture is not used unless the forfeiture action has been completed.
- (e) Forfeitable property is retained until such time as its use as evidence is no longer required.

**602.6 FORFEITURE REVIEWER**

The Chief of Police will appoint a forfeiture reviewer. Prior to assuming duties, or as soon as practicable thereafter, the forfeiture reviewer should attend a course approved by the Department on asset forfeiture.

The responsibilities of the forfeiture reviewer include:

- (a) Remaining familiar with forfeiture laws, particularly the provisions of the Oklahoma Uniform Controlled Dangerous Substances Act pursuant to 63 O.S. § 2-503 et seq., the forfeiture of unlawful proceeds under 21 O.S. § 2002 and the forfeiture policies of the forfeiture counsel.

---

- (b) Serving as the liaison between the Department and the forfeiture counsel and ensuring prompt legal review of all seizures.
- (c) Making reasonable efforts to obtain annual training that includes best practices in pursuing, seizing and tracking forfeitures.
- (d) Reviewing each seizure-related case and deciding whether the seizure is more appropriately made under state or federal seizure laws. The forfeiture reviewer should contact federal authorities when appropriate.
- (e) Ensuring that responsibilities, including the designation of a fiscal agent, are clearly established whenever multiple agencies are cooperating in a forfeiture case.
- (f) Ensuring that seizure forms are available and appropriate for department use. These should include notice forms, a receipt form and a checklist that provides relevant guidance to officers. The forms should be available in languages appropriate for the region and should contain spaces for:
  - 1. Names and contact information for all relevant persons and law enforcement officers involved.
  - 2. Information as to how ownership or other property interests may have been determined (e.g., verbal claims of ownership, titles, public records).
  - 3. A space for the signature of the person from whom cash or property is being seized.
  - 4. A tear-off portion or copy, which should be given to the person from whom cash or property is being seized, that includes the legal authority for the seizure, information regarding the process to contest the seizure and a detailed description of the items seized (63 O.S. § 2-507).
- (g) Ensuring that officers who may be involved in asset forfeiture receive training in the proper use of the seizure forms and the forfeiture process. The training should be developed in consultation with the appropriate legal counsel and may be accomplished through traditional classroom education, electronic media, Daily Training Bulletins (DTBs) or General Orders. The training should cover this policy and address any relevant statutory changes and court decisions.
- (h) Reviewing each asset forfeiture case to ensure that:
  - 1. Written documentation of the seizure and the items seized is in the case file.
  - 2. Independent legal review of the circumstances and propriety of the seizure is made in a timely manner.
  - 3. Notice of seizure has been given in a timely manner to those who hold an interest in the seized property.
  - 4. Property is promptly released to those entitled to its return.

**Bartlesville Police Department Policy Manual**

---

5. All changes to forfeiture status are forwarded to any supervisor who initiates a forfeiture case.
  6. Any cash received is deposited with the fiscal agent.
  7. Assistance with the resolution of ownership claims and the release of property to those entitled is provided.
  8. Current minimum forfeiture thresholds are communicated appropriately to officers.
  9. This policy and any related policies are periodically reviewed and updated to reflect current federal and state statutes and case law.
- (i) Ensuring that a written plan is available that enables the Chief of Police to address any extended absence of the forfeiture reviewer, thereby ensuring that contact information for other law enforcement personnel and attorneys who may assist in these matters is available.
  - (j) Ensuring that the process of selling or adding forfeited property to Department inventory is in accordance with all applicable laws and consistent with the use and disposition of similar property.
  - (k) Upon completion of any forfeiture process, ensuring that no property is retained by the Bartlesville Police Department unless the Chief of Police authorizes in writing the retention of the property for official use.

Forfeiture proceeds should be maintained in a separate fund or account subject to appropriate accounting control, with regular reviews or audits of all deposits and expenditures (63 O.S. § 2-506).

Forfeiture reporting and expenditures should be completed in the manner prescribed by the law and City financial directives.

**602.7 DISPOSITION OF FORFEITED PROPERTY**

No member of this department may use property that has been seized for forfeiture until the forfeiture action has been completed and the Chief of Police has given written authorization to retain the property for official use. No department member involved in the decision to seize property should be involved in any decision regarding the disposition of the property.

# Informants

## 603.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of informants.

### 603.1.1 DEFINITIONS

Definitions related to this policy include:

**Informant** - A person who covertly interacts with other individuals or suspects at the direction or request of, or by agreement with, the Bartlesville Police Department for law enforcement purposes. This also includes a person agreeing to supply information to the Bartlesville Police Department for a benefit (e.g., a quid pro quo in the form of a reduced criminal penalty, money).

## 603.2 POLICY

The Bartlesville Police Department recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this department that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

## 603.3 USE OF INFORMANTS

### 603.3.1 INITIAL APPROVAL

Before using an individual as an informant, an officer must receive approval from his/her supervisor. The officer shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual, including age, maturity and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this department should not guarantee absolute safety or confidentiality to an informant.

### 603.3.2 JUVENILE INFORMANTS

In all cases, a juvenile 13 years of age or older may only be used as an informant with the written consent of each of the following:

- (a) The juvenile's parents or legal guardians
- (b) The juvenile's attorney, if any
- (c) The court in which the juvenile's case is being handled, if applicable
- (d) The Chief of Police or the authorized designee

During an operation in which a juvenile is being used, an officer should maintain visual or auditory observation of the juvenile informant. An officer shall be assigned to the juvenile and shall remain in close enough proximity to the juvenile to intervene for his/her protection, based upon the type of operation involved.

*Informants*

---

**603.3.3 INFORMANT AGREEMENTS**

All informants are required to sign and abide by the provisions of the designated department informant agreement. The officer using the informant shall discuss each of the provisions of the agreement with the informant.

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

**603.4 INFORMANT INTEGRITY**

To maintain the integrity of the informant process, the following must be adhered to:

- (a) The identity of an informant acting in a confidential capacity shall not be withheld from the Chief of Police, Captain, Drug Task Force supervisor or their authorized designees.
  - 1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.
- (b) Reasonable steps shall be taken to ensure the security and safety of informants, including, but not limited to:
  - 1. Meetings and transactions with the informant should include precautions that minimize the probability of revealing the informant's identity to subjects of the investigation.
  - 2. If the informant's identity is revealed or suspected to have been revealed and there is a threat of violence or harm against the informant, the Bartlesville Police Department will take appropriate and reasonable action to mitigate the threat.
- (c) Criminal activity by informants shall not be condoned.
- (d) Informants shall be told they are not acting as police officers, employees or agents of the Bartlesville Police Department, and that they shall not represent themselves as such.
- (e) The relationship between department members and informants shall always be ethical and professional.
  - 1. Members shall not become intimately involved with an informant.
  - 2. Social contact shall be avoided unless it is necessary to conduct an official investigation, and only with prior approval of the Drug Task Force supervisor.
  - 3. Members shall neither solicit nor accept gratuities or engage in any private business transaction with an informant.
- (f) Officers shall not meet with informants in a private place unless accompanied by at least one additional officer or with prior approval of the Drug Task Force supervisor.
  - 1. Officers may meet informants alone in an occupied public place, such as a restaurant.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Informants*

---

- (g) When contacting informants for the purpose of making payments, officers shall arrange for the presence of another officer.
- (h) In all instances when department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.
- (i) Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

**603.4.1 UNSUITABLE INFORMANTS**

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Department and, if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file "unsuitable" when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- (a) The informant has provided untruthful or unreliable information in the past.
- (b) The informant behaves in a way that may endanger the safety of an officer.
- (c) The informant reveals to suspects the identity of an officer or the existence of an investigation.
- (d) The informant appears to be using his/her affiliation with this department to further criminal objectives.
- (e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
- (f) The informant engages in any other behavior that could jeopardize the safety of officers or the integrity of a criminal investigation.
- (g) The informant commits criminal acts subsequent to entering into an informant agreement.

**603.5 INFORMANT FILES**

Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of department members or the reliability of the informant.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

## *Informants*

---

Informant files shall be maintained in a secure area within the Drug Task Force. The Drug Task Force supervisor or the authorized designee shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the Chief of Police, Captain, Drug Task Force supervisor or their authorized designees.

The Investigation Captain should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the Drug Task Force supervisor is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

### **603.5.1 FILE SYSTEM PROCEDURE**

A separate file shall be maintained on each informant and shall be coded with an assigned informant control number. An informant history that includes the following information shall be prepared for each file:

- (a) Name and aliases
- (b) Date of birth
- (c) Physical description: sex, race, height, weight, hair color, eye color, scars, tattoos or other distinguishing features
- (d) Photograph
- (e) Current home address and telephone numbers
- (f) Current employers, positions, addresses and telephone numbers
- (g) Vehicles owned and registration information
- (h) Places frequented
- (i) Briefs of information provided by the informant and his/her subsequent reliability
  - 1. If an informant is determined to be unsuitable, the informant's file is to be marked "unsuitable" and notations included detailing the issues that caused this classification.
- (j) Name of the officer initiating use of the informant
- (k) Signed informant agreement
- (l) Update on active or inactive status of informant
- (m) Criminal history

### **603.6 INFORMANT PAYMENTS**

No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Informants*

---

- The extent of the informant's personal involvement in the case
- The significance, value or effect on crime
- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant's previous criminal activity
- The level of risk taken by the informant

The Drug Task Force supervisor will discuss the above factors with the Patrol Captain and recommend the type and level of payment, subject to approval by the Chief of Police.

**603.6.1 PAYMENT PROCESS**

Approved payments to an informant should be in cash using the following process:

- (a) Payments of \$500 and under may be paid in cash from the Drug Task Force buy/expense fund.
  - 1. The Drug Task Force supervisor shall sign the voucher for cash payouts from the buy/expense fund.
- (b) Payments exceeding \$500 shall be made by issuance of a check, payable to the officer who will be delivering the payment.
  - 1. The check shall list the case numbers related to and supporting the payment.
  - 2. A written statement of the informant's involvement in the case shall be placed in the informant's file.
  - 3. The statement shall be signed by the informant verifying the statement as a true summary of his/her actions in the case.
  - 4. Authorization signatures from the Chief of Police and the City Manager are required for disbursement of the funds.
- (c) To complete the payment process for any amount, the officer delivering the payment shall complete a cash transfer form.
  - 1. The cash transfer form shall include:
    - (a) Date.
    - (b) Payment amount.
    - (c) Bartlesville Police Department case number.
    - (d) A statement that the informant is receiving funds in payment for information voluntarily rendered.
  - 2. The cash transfer form shall be signed by the informant.

**Bartlesville Police Department**

*Informants*

---

3. The cash transfer form will be kept in the informant's file.

**603.6.2 REPORTING OF PAYMENTS**

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as "other income" and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

**603.6.3 AUDIT OF PAYMENTS**

The Drug Task Force supervisor or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At least once every six months, the Chief of Police or the authorized designee should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

# Eyewitness Identification

## 604.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques.

### 604.1.1 DEFINITIONS

Definitions related to this policy include:

**Eyewitness identification process** - Any field identification, live lineup or photographic identification.

**Field identification** - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

**Live lineup** - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

**Photographic lineup** - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

## 604.2 POLICY

The Bartlesville Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

## 604.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

## 604.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Investigation Division supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (22 O.S. § 21):

- (a) The date, time, and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Eyewitness Identification*

---

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.

The process and related forms should be reviewed at least annually and modified when necessary.

#### **604.5 EYEWITNESS IDENTIFICATION**

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case. Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures.

#### **604.6 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS**

When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness. Techniques to achieve this include randomly numbering photographs, shuffling folders, or using a computer program to order the persons in the lineup (22 O.S. § 21).

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand

out (22 O.S. § 21). In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

#### **604.7 FIELD IDENTIFICATION CONSIDERATIONS**

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identification. A field elimination show-up or one-on-one identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
  - 1. The length of time the witness observed the suspect.
  - 2. The distance between the witness and the suspect.
  - 3. Whether the witness could view the suspect's face.
  - 4. The quality of the lighting when the suspect was observed by the witness.
  - 5. Whether there were distracting noises or activity during the observation.
  - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
  - 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect, or to perform other actions mimicking those of the suspect.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Eyewitness Identification*

---

- (h) If a witness positively identifies a subject of a show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow-up, if necessary.
- (i) If a show-up cannot be conducted within a reasonably short time frame following the offense, a photographic or live lineup should be considered (22 O.S. § 21).

**604.8 DOCUMENTATION**

A thorough description of the eyewitness process and the result of any eyewitness identification should be documented in the case report (22 O.S. § 21).

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

## Brady Information

### 605.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

#### 605.1.1 DEFINITIONS

Definitions related to this policy include:

***Brady* information** - Information known or possessed by the Bartlesville Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

### 605.2 POLICY

The Bartlesville Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Bartlesville Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

### 605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor’s office.

If information is believed to be privileged or confidential (e.g., informant or attorney-client information, attorney work product), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the department case file.

*Brady Information*

---

**605.4 BRADY PROCESS**

The Chief of Police shall select a member of the Department to coordinate requests for *Brady* information. This person shall be directly responsible to the Administration Captain or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Working with the appropriate prosecutors' offices and the City Attorney's office to establish systems and processes to determine what constitutes *Brady* information and the method for notification and disclosure.
- (b) Maintaining a current list of members who have *Brady* information in their files or backgrounds.
  - 1. Updating this list whenever potential *Brady* information concerning any department member becomes known to the Department or is placed into a personnel or internal affairs file.

**605.5 DISCLOSURE OF REQUESTED INFORMATION**

If *Brady* information is located, the following procedure shall apply:

- (a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and department member whose file is related to the motion shall be notified of the potential presence of *Brady* information.
- (b) The prosecuting attorney or City Attorney should be requested to file a motion in order to initiate an in-camera review by the court.
  - 1. If no motion is filed, the Custodian of Records should work with the appropriate counsel to determine whether the records should be disclosed to the prosecutor.
- (c) The Custodian of Records shall accompany all relevant personnel files during any in-camera inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.
- (d) If the court determines that there is relevant *Brady* information contained in the files, only that information ordered released will be copied and released to the parties filing the motion.
  - 1. Prior to the release of any information pursuant to this process, a protective order should be requested from the court limiting the use of such information to the involved case and requiring the return of all copies upon completion of the case.
- (e) If a court has determined that relevant *Brady* information is contained in a member's file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

# Unmanned Aerial System

## 606.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS) and for the storage, retrieval and dissemination of images and data captured by the UAS.

### 606.1.1 DEFINITIONS

Definitions related to this policy include:

**Unmanned aerial system (UAS)** - An unmanned aircraft of any type that is capable of sustaining directed flight, whether preprogrammed or remotely controlled (commonly referred to as an unmanned aerial vehicle (UAV)), and all of the supporting or attached systems designed for gathering information through imaging, recording or any other means.

## 606.2 POLICY

A UAS may be utilized to enhance the department's mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

## 606.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.

## 606.4 PROGRAM COORDINATOR

The Chief of Police will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations, and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current, and/or coordinating compliance with FAA Part 107 Remote Pilot Certificate, as appropriate for department operations.
- Ensuring that all authorized operators and required observers have completed all required FAA and department-approved training in the operation, applicable laws, policies, and procedures regarding use of the UAS.
- Developing uniform protocols for submission and evaluation of requests to deploy a UAS, including urgent requests made during ongoing or emerging incidents. Deployment of a UAS shall require written authorization of the Chief of Police or the authorized designee, depending on the type of mission.

- Developing protocols for conducting criminal investigations involving a UAS, including documentation of time spent monitoring a subject.
- Implementing a system for public notification of UAS deployment.
- Developing operational protocols governing the deployment and operation of a UAS including but not limited to safety oversight, use of visual observers, establishment of lost link procedures, and secure communication with air traffic control facilities.
- Developing a protocol for fully documenting all missions.
- Developing a UAS inspection, maintenance, and record-keeping protocol to ensure continuing airworthiness of a UAS, up to and including its overhaul or life limits.
- Developing protocols to ensure that all data intended to be used as evidence are accessed, maintained, stored, and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, authenticity certificates, and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.
- Developing protocols that ensure retention and purge periods are maintained in accordance with established records retention schedules.
- Facilitating law enforcement access to images and data captured by the UAS.
- Recommending program enhancements, particularly regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic reports on the program to the Chief of Police.
- Maintaining familiarity with FAA regulatory standards, state laws and regulations, and local ordinances regarding the operations of a UAS.

**606.5 USE OF UAS**

Only authorized operators who have completed the required training shall be permitted to operate the UAS.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible in viewing areas only where there is no protectable privacy interest or when in compliance with a search warrant or court order. In all other instances, legal counsel should be consulted.

UAS operations should only be conducted consistent with FAA regulations.

**606.6 PROHIBITED USE**

The UAS video surveillance equipment shall not be used:

- To conduct random surveillance activities.

## Warrant Service

### 607.1 PURPOSE AND SCOPE

This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by patrol officers.

### 607.2 POLICY

It is the policy of the Bartlesville Police Department to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

### 607.3 OPERATIONS DIRECTOR

The operations director (see the Operations Planning and Deconfliction Policy) shall review all risk assessment forms with the involved supervisor to determine the risk level of the warrant service.

The operations director will also have the responsibility to coordinate service of those warrants that are categorized as high risk. Deconfliction, risk assessment, operational planning, briefing and debriefing should follow guidelines in the Operations Planning and Deconfliction Policy.

### 607.4 SEARCH WARRANTS

Officers should receive authorization from a supervisor before preparing a search warrant application. Once authorization is received, the officer will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed. He/she will also complete the risk assessment form and submit it, along with the warrant affidavit, to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

### 607.5 ARREST WARRANTS

If an officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the officer should complete the risk assessment form and submit it to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

If the warrant is classified as high risk, service will be coordinated by the operations director. If the warrant is not classified as high risk, the supervisor should weigh the risk of entry into a residence to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Warrant Service*

**607.6 WARRANT PREPARATION**

An officer who prepares a warrant should ensure the documentation in support of the warrant contains, as applicable:

- (a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime or no-knock warrant execution.
- (b) A clear explanation of the affiant's training, experience and relevant education.
- (c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.
- (d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.
- (e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.
- (f) A specific description of the location to be searched, including photographs of the location, if reasonably available.
- (g) A sufficient description of the items to be seized.
- (h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the *Brady* Information Policy).

**607.7 HIGH-RISK WARRANT SERVICE**

The operations director or the authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have sole authority in determining the manner in which the warrant will be served, including the number of officers deployed.

The member responsible for directing the service should ensure the following as applicable:

- (a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.
- (b) The warrant service is audio- and video-recorded when practicable and reasonable to do so.
- (c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the designated members to the presence of potential evidence and not touch or disturb the items.
- (d) Reasonable efforts are made during the search to maintain or restore the condition of the location.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Warrant Service*

---

- (e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.
- (f) Reasonable care provisions are made for children and dependent adults (see the Child and Dependent Adult Safety Policy).
- (g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.
- (h) A copy of the search warrant is left at the location.
- (i) The condition of the property is documented with video recording or photographs after the search.

**607.8 DETENTIONS DURING WARRANT SERVICE**

Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

**607.9 ACTIONS AFTER WARRANT SERVICE**

The supervisor shall ensure that all affidavits, warrants, receipts and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant or in accordance with 22 O.S. § 1231.

**607.10 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS**

The operations director will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members
- Roles and responsibilities
- Familiarity with equipment
- Rules of engagement
- Asset forfeiture procedures

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

### *Warrant Service*

---

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the operations director. The director should review and confirm the warrant, including the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The director should ensure that members of the Bartlesville Police Department are utilized appropriately. Any concerns regarding the requested use of Bartlesville Police Department members should be brought to the attention of the Chief of Police or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the operations director is unavailable, the Shift Supervisor should assume this role.

If officers intend to serve a warrant outside Bartlesville Police Department jurisdiction, the operations director should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Officers will remain subject to the policies of the Bartlesville Police Department when assisting outside agencies or serving a warrant outside Bartlesville Police Department jurisdiction.

#### **607.11 MEDIA ACCESS**

No advance information regarding warrant service operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

#### **607.12 TRAINING**

The Training Coordinator should ensure officers receive periodic training on this policy and associated topics, such as legal issues, warrant preparation, warrant service and reporting requirements.

# Operations Planning and Deconfliction

## 608.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction and execution of high-risk operations.

Additional guidance on planning and serving high-risk warrants is provided in the Warrant Service Policy.

### 608.1.1 DEFINITIONS

Definitions related to this policy include:

**High-risk operations** - Operations, including service of search and arrest warrants and sting operations, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

## 608.2 POLICY

It is the policy of the Bartlesville Police Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations and prevent duplicating efforts.

## 608.3 OPERATIONS DIRECTOR

The Chief of Police will designate a captain of this department to be the operations director.

The operations director will develop and maintain a risk assessment form to assess, plan and coordinate operations. This form should provide a process to identify high-risk operations.

The operations director will review risk assessment forms with involved supervisors to determine whether a particular incident qualifies as a high-risk operation. The director will also have the responsibility for coordinating operations that are categorized as high risk.

## 608.4 RISK ASSESSMENT

### 608.4.1 RISK ASSESSMENT FORM PREPARATION

Officers assigned as operational leads for any operation that may qualify as a high-risk operation shall complete a risk assessment form.

When preparing the form, the officer should query all relevant and reasonably available intelligence resources for information about the subject of investigation, others who may be present and the involved location. These sources may include regional intelligence and criminal justice databases, target deconfliction systems, firearm records, commercial databases and property records. Where appropriate, the officer should also submit information to these resources.

The officer should gather available information that includes, but is not limited to:

*Operations Planning and Deconfliction*

---

- (a) Photographs, including aerial photographs, if available, of the involved location, neighboring yards and obstacles.
- (b) Maps of the location.
- (c) Diagrams of any property and the interior of any buildings that are involved.
- (d) Historical information about the subject of investigation (e.g., history of weapon possession or use, known mental illness, known drug use, threats against police, gang affiliation, criminal history).
- (e) Historical information about others who may be present at the location (e.g., other criminals, innocent third parties, dependent adults, children, animals).
- (f) Obstacles associated with the location (e.g., fortification, booby traps, reinforced doors/windows, surveillance measures, number and type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations).
- (g) Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
- (h) Other available options that may minimize the risk to officers and others (e.g., making an off-site arrest or detention of the subject of investigation).

**608.4.2 RISK ASSESSMENT REVIEW**

Officers will present the risk assessment form and other relevant documents (such as copies of search warrants and affidavits and arrest warrants) to their supervisor and the operations director.

The supervisor and operations director shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

**608.4.3 HIGH-RISK OPERATIONS**

If the operations director, after consultation with the involved supervisor, determines that the operation is high risk, the operations director should:

- (a) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
  - 1. Special Operations Team (SOT)
  - 2. Additional personnel
  - 3. Outside agency assistance
  - 4. Special equipment
  - 5. Medical personnel
  - 6. Persons trained in negotiation
  - 7. Additional surveillance

  9. Property and Evidence Section or analytical personnel to assist with cataloguing seizures
  10. Forensic specialists
  11. Specialized mapping for larger or complex locations
- (b) Contact the appropriate department members or other agencies as warranted to begin preparation.
  - (c) Ensure that all legal documents such as search warrants are complete and have any modifications reasonably necessary to support the operation.
  - (d) Coordinate the actual operation.

**608.5 DECONFLICTION**

Deconfliction systems are designed to identify persons and locations associated with investigations or law enforcement operations and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups or locations.

The officer who is the operations lead shall ensure the subject of investigation and operations information have been entered in an applicable deconfliction system to determine if there is reported conflicting activity. This should occur as early in the process as practicable, but no later than two hours prior to the commencement of the operation. The officer should also enter relevant updated information when it is received.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

**608.6 OPERATIONS PLAN**

The operations director should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan.

The plan should address such issues as:

- (a) Operation goals, objectives and strategies.
- (b) Operation location and people:
  1. The subject of investigation (e.g., history of weapon possession/use, known mental illness issues, known drug use, threats against police, gang affiliation, criminal history)
  2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces,

- 4. Identification of other people who may be present in or around the operation, such as other criminal suspects, innocent third parties and children
- (c) Information from the risk assessment form by attaching a completed copy in the operational plan.
  - 1. The volume or complexity of the information may indicate that the plan includes a synopsis of the information contained on the risk assessment form to ensure clarity and highlighting of critical information.
- (d) Participants and their roles.
  - 1. An adequate number of uniformed officers should be included in the operation team to provide reasonable notice of a legitimate law enforcement operation.
  - 2. How all participants will be identified as law enforcement.
- (e) Whether deconfliction submissions are current and all involved individuals, groups and locations have been deconflicted to the extent reasonably practicable.
- (f) Identification of all communications channels and call-signs.
- (g) Use of force issues.
- (h) Contingencies for handling medical emergencies (e.g., services available at the location, closest hospital, closest trauma center).

- (k) Communications plan.
- (l) Responsibilities for writing, collecting, reviewing and approving reports.

#### **608.6.1 OPERATIONS PLAN RETENTION**

Since the operations plan contains intelligence information and descriptions of law enforcement tactics, it shall not be filed with the report. The operations plan shall be stored separately and retained in accordance with the established records retention schedule.

#### **608.7 OPERATIONS BRIEFING**

A briefing should be held prior to the commencement of any high-risk operation to allow all participants to understand the operation, see and identify each other, identify roles and responsibilities and ask questions or seek clarification as needed. Anyone who is not present at the briefing should not respond to the operation location without specific supervisory approval.

- (a) The briefing should include a verbal review of plan elements, using visual aids, to enhance the participants' understanding of the operations plan.
- (b) All participants should be provided a copy of the operations plan and search warrant, if applicable. Participating personnel should be directed to read the search warrant and initial a copy that is retained with the operation plan. Any items to be seized should be identified at the briefing.
- (c) The operations director shall ensure that all participants are visually identifiable as law enforcement officers.
  - 1. Exceptions may be made by the operations director for officers who are conducting surveillance or working under cover. However, those members exempt from visual identification should be able to transition to a visible law enforcement indicator at the time of enforcement actions, such as entries or arrests, if necessary.
- (d) The briefing should include details of the communications plan.
  - 1. It is the responsibility of the operations director to ensure that the Communication Center is notified of the time and location of the operation, and to provide a copy of the operation plan prior to officers arriving at the location.

#### **608.8 SOT PARTICIPATION**

If the operations director determines that SOT participation is appropriate, the director and the SOT supervisor shall work together to develop a written plan. The SOT supervisor shall assume operational control until all persons at the scene are appropriately detained and it is safe to begin a search. When this occurs, the SOT supervisor shall transfer control of the scene to the handling supervisor. This transfer should be communicated to the officers present.

#### **608.9 MEDIA ACCESS**

No advance information regarding planned operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

#### **608.10 OPERATIONS DEBRIEFING**

High-risk operations should be debriefed as soon as reasonably practicable. The debriefing should include as many participants as possible. This debrief may be separate from any SOT debriefing.

## Personal Communication Devices

### 701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

### 701.2 POLICY

The Bartlesville Police Department allows members to utilize department-issued PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable open records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

### 701.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received or reviewed on any PCD issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location detection capabilities (see the Information Technology Use Policy for additional guidance.)

### 701.4 DEPARTMENT-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue a PCD for the member's use to facilitate on-duty performance. Department-issued PCDs may not be used for personal business either on- or off-duty unless authorized by the Chief of Police or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

*Personal Communication Devices*

---

Unless a member is expressly authorized by the Chief of Police or the authorized designee for off-duty use of the PCD, the PCD will either be secured in the workplace at the completion of the tour of duty or will be turned off when leaving the workplace.

**701.5 PERSONALLY OWNED PCD**

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications). Members will have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy with regard to any department business-related communication.
- (e) The device shall not be utilized to record or disclose any department business-related information, including photographs, video or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the Department, without the express authorization of the Chief of Police or the authorized designee.
- (f) Use of a personally owned PCD while at work or for work-related business constitutes consent for the Department to access the PCD to inspect and copy data to meet the needs of the Department, which may include litigation, records retention and release obligations and internal investigations. If the PCD is carried on-duty, members will provide the Department with the telephone number of the device.
- (g) All work-related documents, emails, photographs, recordings or other public records created or received on a member's personally owned PCD should be transferred to the Bartlesville Police Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing employment agreements, or if the member has prior express authorization from his/her supervisor, the member may engage in department business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document

the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate record keeping.

**701.6 USE OF PCD**

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform, unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty, except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times, unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means, without the express authorization of the Chief of Police or the authorized designee, may result in discipline.
- (f) Members will not access social networking sites for any purpose that is not official department business.
- (g) Using PCDs to harass, threaten, coerce or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

**701.7 SUPERVISOR RESPONSIBILITIES**

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
  - 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.

*Personal Communication Devices*

---

2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief of Police or the authorized designee.

**701.8 OFFICIAL USE**

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

**701.9 USE WHILE DRIVING**

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Members operating department vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Members operating department vehicles shall ensure that use of a PCD does not prevent them from devoting their full time and attention to driving (47 O.S. § 11-901b).

Members shall not use a PCD to compose, send or read electronic text messages while driving unless the communication is between other law enforcement or emergency services personnel and involves an imminent emergency (47 O.S. § 11-901d).

Vehicles that may have been damaged or perform poorly shall be removed from service for inspections and repairs as soon as practicable.

### 702.4.2 SEVERE USE

Patrol vehicles should not be retired at the end of shift with less than one-quarter tank of fuel. Vehicles shall only be refueled at the authorized location.

**702.7 WASHING OF VEHICLES**

Vehicles shall be kept clean at all times and, weather conditions permitting, shall be washed as necessary to maintain the professional appearance of the Department.

## Vehicle Use

### 703.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the City of Bartlesville to provide assigned take-home vehicles.

### 703.2 POLICY

The Bartlesville Police Department provides vehicles for department-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Department, requirements for tactical deployments and other considerations.

### 703.3 USE OF VEHICLES

#### 703.3.1 SHIFT ASSIGNED VEHICLES

The Shift Supervisor shall ensure a copy of the shift assignment roster, indicating member assignments, is completed for each shift and retained in accordance with the established records retention schedule. If a member exchanges vehicles during his/her shift, the new vehicle number shall be documented on the roster.

#### 703.3.2 OTHER USE OF VEHICLES

Members utilizing a vehicle for any purpose other than their normally assigned duties or normal vehicle assignment (e.g., transportation to training, community event) shall first notify the Shift Supervisor. A notation will be made on the shift assignment roster indicating the member's name and vehicle number.

This subsection does not apply to those who are assigned to transport vehicles to and from the maintenance yard or car wash.

#### 703.3.3 INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any suspect, prisoner or arrestee, the transporting member shall search all areas of the vehicle that are accessible by the person before and after that person is transported.

## *Vehicle Use*

---

All department vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

### **703.3.4 SECURITY AND UNATTENDED VEHICLES**

Unattended vehicles should be locked and secured at all times. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging). Officers who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended.

### **703.3.5 MDT**

Members assigned to vehicles equipped with a Mobile Data Terminal (MDT) shall log onto the MDT with the required information when going on-duty. If the vehicle is not equipped with a working MDT, the member shall notify the Communication Center. Use of the MDT is governed by the Mobile Data Terminal Use Policy.

### **703.3.6 VEHICLE LOCATION SYSTEM**

Patrol and other vehicles, at the discretion of the Chief of Police, may be equipped with a system designed to track the vehicle's location. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Members shall not make any unauthorized modifications to the system. At the start of each shift, supervisors shall verify that the systems are on and report any malfunctions to the Patrol Captain. If the supervisor finds that a system is not functioning properly at any time during the shift, he/she should exchange the vehicle for one with a working system, if available.

System data may be accessed by supervisors at any time. However, access to historical data by other than supervisors will require Captain approval.

All data captured by the system shall be retained in accordance with the established records retention schedule.

### **703.3.7 KEYS**

Members approved to operate marked patrol vehicles should be issued a copy of the key as part of their initial equipment distribution. Members who are assigned a specific vehicle should be issued keys for that vehicle.

Members shall not duplicate keys. The loss of a key shall be promptly reported in writing through the member's chain of command.

**703.3.8 AUTHORIZED PASSENGERS**

Members operating department vehicles shall not permit persons other than City personnel or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as passengers in the vehicle, except as stated in the Ride-Alongs Policy.

**703.3.9 ALCOHOL**

Members who have consumed alcohol are prohibited from operating any department vehicle unless it is required by the duty assignment (e.g., task force, undercover work). Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

**703.3.10 PARKING**

Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Department vehicles should be parked in assigned areas. Members shall not park privately owned vehicles in areas assigned to department vehicles or in other areas of the parking lot that are not so designated unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

**703.3.11 ACCESSORIES AND/OR MODIFICATIONS**

There shall be no modifications, additions or removal of any equipment or accessories without written permission from the assigned vehicle program manager.

**703.3.12 CIVILIAN MEMBER USE**

Civilian members using marked emergency vehicles shall ensure that all weapons have been removed before going into service. Civilian members shall not operate the emergency lights or siren of any vehicle unless expressly authorized by a supervisor.

**703.4 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES**

Department vehicles may be assigned to individual members at the discretion of the Chief of Police. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform his/her regular assignment.

**703.4.1 ON-DUTY USE**

Vehicle assignments shall be based on the nature of the member's duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Chief of Police or the authorized designee.

**703.4.2 UNSCHEDULED TAKE-HOME USE**

Circumstances may arise where department vehicles must be used by members to commute to and from a work assignment. Members may take home department vehicles only with prior approval of a supervisor and shall meet the following criteria:

- (d) Off-street parking will be available at the member's residence.
- (e) The vehicle will be locked when not attended.
- (f) All firearms, weapons and control devices will be properly secured in the vehicle or removed from the interior of the vehicle and properly secured in the residence when the vehicle is not attended, unless the vehicle is parked in a locked garage.

**703.4.3 ASSIGNED VEHICLES**

Assignment of take-home vehicles shall be based on the location of the member's residence; the nature of the member's duties, job description and essential functions; and the member's employment or appointment status. Residence within a 15 mile radius of the City of Bartlesville is a prime consideration for assignment of a take-home vehicle. Members who reside outside the City of Bartlesville may be required to secure the vehicle at a designated location or the Department at the discretion of the Chief of Police.

Department members shall sign a take-home vehicle agreement that outlines certain standards, including, but not limited to, how the vehicle shall be used, where it shall be parked when the member is not on-duty, vehicle maintenance responsibilities and member enforcement actions.

Members are cautioned that under federal and local tax rules, personal use of a City vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes unless special circumstances exist and the Chief of Police or a Captain gives authorization.
- (b) Vehicles may be used to transport the member to and from the member's residence for work-related purposes.
- (c) Vehicles will not be used when off-duty except:
  - 1. In circumstances when a member has been placed on call by the Chief of Police or Captains and there is a high probability that the member will be called back to duty.
  - 2. When the member is performing a work-related function during what normally would be an off-duty period, including vehicle maintenance or traveling to or from a work-related activity or function.

  4. When the vehicle is being used by the Chief of Police, Captains or members who are in on-call administrative positions.
  5. When the vehicle is being used by on-call investigators.
- (d) While operating the vehicle, authorized members will carry and have accessible their duty firearms and identification card/Commission Card and be prepared to perform any function they would be expected to perform while on-duty.
- (e) The two-way communications radio, MDT and global positioning satellite device, if equipped, must be on and set to an audible volume when the vehicle is in operation.
- (f) Unattended vehicles are to be locked and secured at all times.
1. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging).
  2. All weapons shall be secured while the vehicle is unattended.
  3. All department identification, portable radios and equipment should be secured.
- (g) Vehicles are to be parked off-street at the member's residence unless prior arrangements have been made with the Chief of Police or the authorized designee. If the vehicle is not secured inside a locked garage, all firearms and kinetic impact weapons shall be secured properly in the vehicle or residence (see the Firearms Policy regarding safe storage of firearms at home).
- (h) Vehicles are to be secured at the member's residence or the appropriate department facility, at the discretion of the Department, when a member will be away (e.g., on vacation) for periods exceeding one week.
1. If the vehicle remains at the residence of the member, the Department shall have access to the vehicle.
  2. If the member is unable to provide access to the vehicle, it shall be parked at the Department.
- (i) The member is responsible for the care and maintenance of the vehicle.

#### 703.4.4 ENFORCEMENT ACTIONS

When driving a take-home vehicle to and from work outside of the jurisdiction of the Bartlesville Police Department or while off-duty, an officer shall not initiate enforcement actions except in those circumstances where a potential threat to life or serious property damage exists (see the Off-Duty Law Enforcement Actions and Law Enforcement Authority policies).

Officers may render public assistance when it is deemed prudent (e.g., to a stranded motorist).

Officers driving take-home vehicles shall be armed and appropriately attired and shall carry their department-issued identification card/Commission Card. Officers should also ensure that department radio communication capabilities are maintained to the extent feasible.

**703.4.5 MAINTENANCE**

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by the Department. Failure to adhere to these requirements may result in discipline and loss of vehicle assignment. The following should be performed as outlined below:

- (a) Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage.
- (b) It is the member's responsibility to ensure that his/her assigned vehicle is maintained according to the established service and maintenance schedule.
- (c) All scheduled vehicle maintenance and car washes shall be performed as necessary at a facility approved by the department supervisor in charge of vehicle maintenance.
- (d) The Department shall be notified of problems with the vehicle and approve any major repairs before they are performed.
- (e) When leaving the vehicle at the maintenance facility, the member will complete a vehicle repair card explaining the service or repair, and leave it on the seat or dash.
- (f) All weapons shall be removed from any vehicle left for maintenance.
- (g) Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with this policy.

**703.5 UNMARKED VEHICLES**

Unmarked vehicles are assigned to various divisions and their use is restricted to the respective division and the assigned member, unless otherwise approved by a supervisor. Any use of unmarked vehicles by those who are not assigned to the division to which the vehicle is assigned shall also be recorded with the Shift Supervisor on the shift assignment roster.

**703.6 DAMAGE, ABUSE AND MISUSE**

When any department vehicle is involved in a traffic collision or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any traffic collision report shall be filed with the agency having jurisdiction (see the Traffic Collisions Policy).

Damage to any department vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered and documented in memorandum format, which shall be forwarded to the Shift Supervisor. An administrative investigation should be initiated to determine if there has been any vehicle abuse or misuse.

**703.7 TOLL ROAD USAGE**

Law enforcement vehicles are not routinely exempt from incurring toll road charges.

To avoid unnecessary toll road charges, all members operating department vehicles on a toll road shall adhere to the following:

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

**703.8 ATTIRE AND APPEARANCE**

When operating any department vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever in view of or in contact with the public, attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Department.

# Fiscal Management

## 704.1 PURPOSE AND SCOPE

This policy does not address cash-handling issues specific to the Property and Evidence Section and Informants policies.

This policy meets statutory requirements requiring the adoption of an inventories and audits policy pursuant to 11 O.S. § 34-107.

## 704.2 POLICY

It is the policy of the Bartlesville Police Department to properly manage and audit fiscal operations, including budget preparation, cash transactions, fund expenditures and disposition of assets, and to maintain accurate records of fiscal transactions, in order to protect the integrity of department operations and ensure the public trust.

## 704.3 FISCAL MANAGEMENT

The Chief of Police shall designate a person as the fiscal manager responsible for maintaining and managing fiscal accountability. The fiscal manager may appoint others to oversee specific portions of the fiscal operations.

Each member overseeing a fiscal responsibility is required to create and maintain an accurate and current transaction ledger that is approved by the fiscal manager and that documents all transactions relating to the specific fund or fiscal responsibility.

All department funds shall be open for inspection and audit by auditors at any time. Members of the Department shall cooperate fully and provide assistance in support of any audit.

A separate audit of each fund or other fiscal area of responsibility should be completed on a random date, approximately once each year, by the Chief of Police or the City.

Audits shall include a review of procedures in place to manage the funds.

**704.7.1 PETTY CASH AUDITS**

Each member overseeing a petty cash fund shall perform an audit no less than once every six months. This audit requires that the fund manager and at least one command staff member, selected by the Chief of Police or the fiscal manager, review the transaction ledger and verify the accuracy of the accounting. The member overseeing the petty cash fund and the participating member shall sign or otherwise validate the ledger, attesting to the accuracy of all documentation and fund accounting. A discrepancy in the audit requires documentation by those performing the audit and an immediate reporting of the discrepancy to the fiscal manager and the Chief of Police.

Transference of fund management to another member shall require completion of a separate petty cash audit and involve a command staff member.

**704.8 INVENTORY CONTROL OF PROPERTY, EQUIPMENT AND OTHER ASSETS**

When a call for services is received, the dispatcher will reasonably and quickly attempt to determine whether the call is an emergency or non-emergency, and shall quickly ascertain the call type, location and priority by asking four key questions:

- Where?
- What?
- When?
- Who?

If the dispatcher determines that the caller has a hearing and/or speech impairment or disability, he/she shall immediately initiate a connection with the individual via available TDD/TTY equipment or Telephone Relay Service (TRS), as mandated by the Americans with Disabilities Act (ADA).

If the dispatcher determines that the caller is a limited English proficiency (LEP) individual, the dispatcher should quickly determine whether sufficient information can be obtained to initiate an appropriate response. If language assistance is still needed, the language is known and a language-appropriate authorized interpreter is available in the Communication Center, the dispatcher should immediately connect the LEP caller to the authorized interpreter.

If no authorized interpreter is available or the dispatcher is unable to identify the caller's language, the dispatcher will contact the contracted telephonic interpretation service and establish a three-party call connecting the dispatcher, the LEP individual and the interpreter.

Dispatchers should be courteous, patient and respectful when dealing with the public.

Dispatchers shall identify themselves on the radio with the appropriate station name or number, and identify the department member by his/her call sign. Members should use their call signs when initiating communication with the dispatcher. Notice shall be given without unreasonable delay, consistent with the legitimate needs of the Bartlesville Police Department or any measures necessary to determine the scope of the breach and to restore the reasonable integrity of the agency data system. Notice may be delayed if notification will impede a criminal or civil investigation or homeland or national security (24 O.S. § 163).

Members may consider acting before the arrival of such assistance when:

**806.5 ANIMAL CRUELTY COMPLAINTS**

Laws relating to the cruelty of animals should be enforced, including, but not limited to, any offense listed in 21 O.S. § 1680 through 21 O.S. § 1700.

- (b) Legal steps should be taken to protect an animal that is in need of immediate care or protection from acts of cruelty.

**806.5.1 PROTECTIVE CUSTODY OF ABUSED OR NEGLECTED ANIMALS**

Members may take protective custody of abused or neglected animals as follows (21 O.S. § 1680.4):

Within seven days of seizing an animal and prior to charges being filed, the Department shall petition the district court for a bond hearing to determine the cost and care for the animal including, but not limited to, medical care and boarding of the animal. The Department may petition the court for a subsequent bond hearing at any time.

The Department shall provide an accounting of expenses to the court when the animal is no longer in the custody of the Department or upon request by the court.

When all expenses covered by the bond are exhausted and a subsequent bond has not been posted, the animal shall be forfeited to the Department.

- (g) Any known threat or danger the individual may pose (e.g., escape risk, suicide potential, medical condition) is documented, and the documentation transported with the individual if he/she is being sent to another facility.
  - 1. The department member transporting the individual shall ensure such risks are communicated to intake personnel at the other facility.
- (h) Generally, persons of the opposite sex, or adults and juveniles, should not be transported in the same vehicle unless they are physically separated by a solid barrier. If segregating individuals is not practicable, officers should be alert to inappropriate physical or verbal contact and take appropriate action as necessary.
- (i) Transfers between facilities or other entities, such as a hospital, should be accomplished with a custodial escort of the same sex as the person being transferred to assist with his/her personal needs as reasonable.

**900.11 ASSIGNED ADMINISTRATOR**

The Patrol Captain will ensure any reasonably necessary supplemental procedures are in place to address the following issues:

- (a) General security

- (c) Sanitation and maintenance
- (d) Emergency medical treatment
- (e) Escapes
- (f) Evacuation plans

## Temporary Custody of Juveniles

### 901.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Bartlesville Police Department (34 USC § 11133).

#### 901.1.1 DEFINITIONS

Definitions related to this policy include:

**Juvenile non-offender** - An abused, neglected, dependent, or alien juvenile who may be legally held for his/her own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian or other responsible person.

**Juvenile offender** - A juvenile 17 years of age or younger who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense). It also includes an offense under 21 O.S. § 1273 for handgun possession by a minor (28 CFR 31.303).

**Non-secure custody** - When a juvenile is held in the presence of an officer or other department member at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication, is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

**Safety checks** - Direct visual observation by a member of this department performed at random intervals, within time frames prescribed in this policy, to provide for the health and welfare of juveniles in temporary custody.

**Secure custody** - When a juvenile offender is held in a locked room, a set of rooms, or a cell. The Oklahoma Juvenile Authority prohibits securing juveniles to a fixed object.

Examples of secure custody include:

- (a) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (b) A juvenile being processed in a secure booking area when a non-secure booking area is available.
- (c) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (d) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.

**Sight and sound separation** - Located or arranged to prevent physical, visual, or auditory contact.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Temporary Custody of Juveniles*

---

**Status offender** - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, and truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender.

**901.2 POLICY**

The Bartlesville Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and to keeping juveniles safe while in temporary custody at the Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

**901.2.1 JUVENILES IN HOLDING OR LOCKUP FACILITIES**

A juvenile shall not be detained in any holding facility or lockup facility (OAC 310:670-7-1).

**901.3 JUVENILES WHO SHOULD NOT BE HELD**

Juveniles who exhibit certain behaviors or conditions should not be held at the Bartlesville Police Department. These include:

- (a) Unconsciousness or having been unconscious while being taken into custody or transported.
- (b) Serious injuries or a medical condition requiring immediate medical attention.
- (c) A suspected suicide risk or showing obvious signs of severe emotional or mental disturbance (see the Emergency Detentions Policy).
  - 1. If the officer taking custody of a juvenile believes that he/she may be a suicide risk, the officer shall ensure continuous direct supervision until evaluation, release or transfer to an appropriate facility is completed.
- (d) Significant intoxication or showing signs of having ingested any substance that poses a significant risk to their health, whether or not they appear intoxicated.
- (e) Extremely violent or continuously violent behavior.
- (f) Afflicted with, or displaying symptoms of, a communicable disease that poses an unreasonable exposure risk.

Officers taking custody of a juvenile exhibiting any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and should notify a supervisor of the situation. These juveniles should not be held at the Department unless they have been evaluated by a qualified medical or mental health professional, as appropriate for the circumstances.

**901.4 CUSTODY OF JUVENILES**

Officers should take custody of a juvenile and temporarily hold the juvenile at the Bartlesville Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile who is suspected of being a victim.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Temporary Custody of Juveniles*

---

No juvenile should be held in temporary custody at the Department without authorization of the arresting officer's supervisor or the Shift Supervisor. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile's parent, legal guardian, or other responsible adult, or transferred to a juvenile custody facility or to other authority as soon as practicable. In no event shall a juvenile be held beyond six hours from the time of his/her entry into the Department (34 USC § 11133).

**901.4.1 PARENTAL/GUARDIAN NOTIFICATION**

Officers shall notify parents or guardians of juveniles who are taken into custody as soon as practicable.

**901.4.2 CUSTODY OF JUVENILE NON-OFFENDERS**

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Bartlesville Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders may not be held in secure custody (34 USC § 11133).

**901.4.3 CUSTODY OF JUVENILE STATUS OFFENDERS**

Status offenders should generally be released by a promise to appear or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (34 USC § 11133).

**901.4.4 CUSTODY OF JUVENILE OFFENDERS**

Juvenile offenders should be held in non-secure custody while at the Bartlesville Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Juvenile offenders may be taken into custody without a court order for any criminal offense for which an adult may be arrested without a warrant (10A O.S. § 2-2-101).

When applicable, members taking a juvenile offender into custody should advise a supervisor that the release of the juvenile may be contrary to the child's welfare and/or the protection of the public. The supervisor may then seek court-approved detention. Examples of when further detention may be appropriate include (10A O.S. § 2-3-101):

- (a) The juvenile offender is an escapee from court placement or a fugitive.
- (b) The juvenile offender is seriously assaultive, destructive toward others or a danger to him/herself.
- (c) The juvenile offender is currently on probation or some form of supervision for a previous offense.
- (d) The juvenile offender has a history of failing to appear at court proceedings.

**901.5 ADVISEMENTS**

No custodial interrogation of a juvenile offender under 16 years of age and who is charged with an offense specified in the Youthful Offender Act (e.g., murder in the first degree, kidnapping, certain robbery offenses) shall begin until the juvenile and his/her parents, guardian, attorney, adult relative, adult caretaker, or legal custodian have been fully advised of the juvenile's constitutional and legal rights (10A O.S. § 2-5-202; 10A O.S. § 2-2-301).

**901.6 JUVENILE CUSTODY LOGS**

Any time a juvenile is in temporary custody at the Bartlesville Police Department, the custody shall be promptly and properly documented in the juvenile custody log, including:

- (a) Identifying information about the juvenile.
- (b) Date and time of arrival and release from the Department.

**901.7 NO-CONTACT REQUIREMENTS**

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Bartlesville Police Department (34 USC § 11133). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Department shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact.

**901.8 TEMPORARY CUSTODY REQUIREMENTS**

Members and supervisors assigned to monitor or process any juvenile at the Bartlesville Police Department shall ensure:

- (c) Juveniles in custody are informed that they will be monitored at all times, except when using the toilet.

**901.12.1 LOCKED ENCLOSURES**

An inspection should be conducted when he/she is released. Any damage noted to the area should be photographed and documented.

# Custodial Searches

## 902.1 PURPOSE AND SCOPE

This policy provides guidance regarding searches of individuals in custody. Such searches are necessary to eliminate the introduction of contraband, intoxicants or weapons into the Bartlesville Police Department facility. Such items can pose a serious risk to the safety and security of department members, individuals in custody, contractors and the public.

Nothing in this policy is intended to prohibit the otherwise lawful collection of evidence from an individual in custody.

This policy meets statutory requirements requiring the adoption of a strip and body cavity search policy pursuant to 11 O.S. § 34-107.

### 902.1.1 DEFINITIONS

Definitions related to this policy include:

**Custody search** - An in-custody search of an individual and of his/her property, shoes and clothing, including pockets, cuffs and folds on the clothing, to remove all weapons, dangerous items and contraband.

**Physical body cavity search** - A search that includes a visual inspection and may include a physical intrusion into a body cavity. Body cavity means the stomach or rectal cavity of an individual, and the vagina of a female person.

**Strip search** - A search that requires an individual to remove or rearrange some or all of his/her clothing to permit a visual inspection of the underclothing, breasts, buttocks, anus or outer genitalia. This includes monitoring an individual who is changing clothes, where his/her underclothing, buttocks, genitalia or female breasts are visible.

## 902.2 POLICY

All searches shall be conducted with concern for safety, dignity, courtesy, respect for privacy and hygiene, and in compliance with policy and law to protect the rights of those who are subject to any search.

Searches shall not be used for intimidation, harassment, punishment or retaliation.

## 902.3 FIELD AND TRANSPORTATION SEARCHES

An officer should conduct a custody search of an individual immediately after his/her arrest, when receiving an individual from the custody of another, and before transporting a person who is in custody in any department vehicle.

Whenever practicable, a custody search should be conducted by an officer of the same sex as the person being searched. If an officer of the same sex is not reasonably available, a witnessing officer should be present during the search.

**902.4 SEARCHES AT POLICE FACILITIES**

Custody searches shall be conducted on all individuals in custody, upon entry to the Bartlesville Police Department facilities. Except in exigent circumstances, the search should be conducted by a member of the same sex as the individual being searched. If a member of the same sex is not available, a witnessing member must be present during the search.

Custody searches should also be conducted any time an individual in custody enters or re-enters a secure area, or any time it is reasonably believed that a search is necessary to maintain the safety and security of the facility.

**902.4.1 PROPERTY**

Members shall take reasonable care in handling the property of an individual in custody to avoid discrepancies or losses. Property retained for safekeeping shall be kept in a secure location until the individual is released or transferred.

Some property may not be accepted by a facility or agency that is taking custody of an individual from this department, such as weapons or large items. These items should be retained for safekeeping in accordance with the Property and Evidence Section Policy.

All property shall be inventoried by objective description (this does not include an estimated value). The individual from whom it was taken shall be required to sign the completed inventory. If the individual's signature cannot be obtained, the inventory shall be witnessed by another department member. The inventory should include the case number, date, time, member's Bartlesville Police Department identification number and information regarding how and when the property may be released.

**902.4.2 VERIFICATION OF MONEY**

All money shall be counted in front of the individual from whom it was received. When possible, the individual shall initial the dollar amount on the inventory. Additionally, all money should be placed in a separate envelope and sealed. Negotiable checks or other instruments and foreign currency should also be sealed in an envelope with the amount indicated but not added to the cash total. All envelopes should clearly indicate the contents on the front. The department member sealing it should place his/her initials across the sealed flap. Should any money be withdrawn or added, the member making such change shall enter the amount below the original entry and initial it. The amount of money in the envelope should always be totaled and written on the outside of the envelope.

**902.4.3 SPECIFIC PAT-DOWN GUIDANCE**

Custody (or pat-down) searches shall be performed by lightly skimming the exterior surface of the inmate's clothing covering the legs and torso (OAC 310:670-1-2).

**902.5 STRIP SEARCHES**

No individual in temporary custody at any Bartlesville Police Department facility shall be subjected to a strip search unless there is reasonable suspicion based upon specific and articulable facts to believe the individual has a health condition requiring immediate medical attention, or is concealing

- (c) Custody history (e.g., past possession of contraband while in custody, assaults on department members, escape attempts).
- (d) The individual's actions or demeanor.
- (e) Criminal history (i.e., level of experience in a custody setting).

No transgender or intersex individual shall be searched or examined for the sole purpose of determining the individual's genital status. If the individual's genital status is unknown, it may be determined during conversations with the person, by reviewing medical records, or as a result of a broader medical examination conducted in private by a medical practitioner (28 CFR 115.115).

#### **902.5.1 STRIP SEARCH PROCEDURES**

Strip searches at Bartlesville Police Department facilities shall be conducted as follows (28 CFR 115.115):

- (a) Written authorization from the Shift Supervisor shall be obtained prior to the strip search.
- (b) All members involved with the strip search shall be of the same sex as the individual being searched, unless the search is conducted by a medical practitioner.

- (d) Whenever possible, a second member of the same sex should also be present during the search, for security and as a witness to the finding of evidence.
- (e) Members conducting a strip search shall not touch the breasts, buttocks or genitalia of the individual being searched.
- (f) The primary member conducting the search shall prepare a written report to include:

  10. The facts upon which the member based his/her belief that the individual was concealing a weapon or contraband.
- (g) No member should view an individual's private underclothing, buttocks, genitalia or female breasts while that individual is performing bodily functions or changing clothes, unless he/she otherwise qualifies for a strip search. However, if serious hygiene or health issues make it reasonably necessary to assist the individual with a shower or a change of clothes, a supervisor should be contacted to ensure reasonable steps are taken to obtain the individual's consent and/or otherwise protect his/her privacy and dignity.

**902.5.2 SPECIAL CIRCUMSTANCE FIELD STRIP SEARCHES**

A strip search may be conducted in the field only with Shift Supervisor authorization and only in exceptional circumstances, such as when:

- (a) There is probable cause to believe that the individual is concealing a weapon or other dangerous item that cannot be recovered by a more limited search.
- (b) There is probable cause to believe that the individual is concealing controlled substances or evidence that cannot be recovered by a more limited search, and there is no reasonable alternative to ensure the individual cannot destroy or ingest the substance during transportation.

These special-circumstance field strip searches shall only be authorized and conducted under the same restrictions as the strip search procedures in this policy, except that the Shift Supervisor authorization does not need to be in writing.

**902.6 PHYSICAL BODY CAVITY SEARCH**

Physical body cavity searches shall be subject to the following:

- (a) No individual shall be subjected to a physical body cavity search without written approval of the Shift Supervisor and only upon a search warrant. A copy of any search warrant and the results of the physical body cavity search shall be included with the related reports and made available, upon request, to the individual or authorized representative (except for those portions of the warrant ordered sealed by a court).

**903.5.5 CONCLUSIONS AND FINDINGS**

All completed investigations shall be forwarded to the Chief of Police, or if the allegations may reasonably involve the Chief of Police, to the City Manager. The review shall (28 CFR 115.186):

- (d) Assess the adequacy of staffing levels in that area during different shifts.
- (e) Assess whether monitoring technology should be deployed or augmented to supplement supervision by department members.

The review team shall prepare a report of its findings, including any determinations made pursuant to this section and any recommendations for improvement. The report shall be submitted to the Chief of Police and the PREA coordinator. The Chief of Police or the authorized designee shall implement the recommendations for improvement or shall document the reasons for not doing so (28 CFR 115.186).

However, the nature of the redacted material shall be indicated.

All aggregated sexual abuse data from department facilities and private facilities with which it contracts shall be made readily available to the public at least annually. Before making aggregated sexual abuse data publicly available, all personal identifiers shall be removed (28 CFR 115.189).

# Performance Evaluations

## 1001.1 PURPOSE AND SCOPE

This policy provides guidelines for the Bartlesville Police Department performance evaluation system.

## 1001.2 POLICY

The Bartlesville Police Department shall use a performance evaluation system to measure, document, and recognize work performance. The performance evaluation will serve as an objective guide for the recognition of good work and the development of a process for improvement.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

## 1001.3 TYPES OF EVALUATIONS

The Department shall use the following types of evaluations:

**Regular** - An evaluation completed at regular intervals by the employee's immediate supervisor. Employees who have been promoted should be evaluated as established by the Human Resources Department or, minimally, on the anniversary of the date of the last promotion.

When an employee transfers to a different assignment in the middle of an evaluation period and less than six months has transpired since the transfer, the evaluation should be completed by the current supervisor with input from the previous supervisor.

**Special** - An evaluation that may be completed at any time the supervisor and Captain or the authorized designee determine an evaluation is necessary to address less than standard performance. The evaluation may include a plan for follow-up action (e.g., performance improvement plan (PIP), remedial training, retraining).

### 1001.3.1 RATINGS

When completing an evaluation, the supervisor will identify the rating category that best describes the employee's performance. The definition of each rating category is as follows:

**Outstanding** - Performance is well beyond that required for the position. It is exceptional performance, definitely superior or extraordinary.

**Exceeds standards** - Performance is better than demonstrated by a competent employee. It is performance superior to what is required, but is not of such nature to warrant a rating of outstanding.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Performance Evaluations*

---

**Meets standards** - Performance of a competent employee. It is satisfactory performance that meets the standards required of the position.

**Needs improvement** - Performance is less than the standards required of the position. A needs improvement rating shall be thoroughly discussed with the employee.

**Unsatisfactory** - Performance is inferior to the standards required of the position. It is inadequate or undesirable performance that cannot be allowed to continue.

Supervisor comments may be included in the evaluation to document the employee's strengths, weaknesses and requirements for improvement. Any job dimension rating marked as unsatisfactory or outstanding shall be substantiated with supervisor comments.

**1001.3.2 PERFORMANCE IMPROVEMENT PLAN**

Employees who receive an unsatisfactory rating may be subject to a PIP. The PIP shall delineate areas that need improvement, any improvement measures and a timetable in which to demonstrate improvement. The issuing supervisor shall meet with the employee to review his/her performance and the status of the PIP at least monthly.

**1001.4 EVALUATION PROCESS**

Supervisors should meet with the employees they supervise at the beginning of the evaluation period to discuss expectations and establish performance standards. Each supervisor should discuss the tasks of the position, standards of expected performance and the evaluation criteria with each employee.

Performance evaluations cover a specific period and should be based upon documented performance dimensions that are applicable to the duties and authorities granted to the employee during that period. Evaluations should be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the evaluating supervisor for input.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise and to acknowledge good work. Periodic discussions with the employee during the course of the evaluation period are encouraged. Supervisors should document all discussions in the prescribed manner.

Non-probationary employees demonstrating substandard performance shall be notified in writing as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

All supervisors shall receive training on performance evaluations within one year of a supervisory appointment.

Any performance areas in need of improvement and goals for reaching the expected level of performance should be identified and discussed. If the employee has reasonable objections to any of the ratings, the supervisor may make appropriate adjustments to the evaluation. The reason for such adjustments shall be documented.

Employees may write comments in an identified section of the evaluation. The supervisor and employee will sign and date the evaluation.

**1001.7 APPEAL**

An employee who disagrees with his/her evaluation may provide a formal written response that will be attached to the evaluation, or may request an appeal.

To request an appeal, the employee shall forward a written memorandum within three days to the evaluating supervisor's Captain or the authorized designee. The memorandum shall identify the specific basis for the appeal and include any relevant information for the reviewer to consider.

**1001.8 CHAIN OF REVIEW**

The signed performance evaluation and any employee attachment should be forwarded to the evaluating supervisor's Captain or the authorized designee. The Captain or the authorized designee shall review the evaluation for fairness, impartiality, uniformity and consistency, and shall consider any written response or appeal made by the employee.

The Captain or the authorized designee should evaluate the supervisor on the quality of ratings given.

**1001.9 RETENTION AND DISTRIBUTION**

The purpose of this policy is to provide guidelines for the Bartlesville Police Department grievance system. The grievance system is intended to facilitate communication and to promptly and equitably address employee grievances in the workplace.

For those members subject to the Collective Bargaining Agreement, please refer to the current Fraternal Order of Police - Lodge 117 Collective Bargaining Agreement for further guidance on this matter.

For those members not subject to the Collective Bargaining Agreement, please refer to the City of Bartlesville Personnel Rules and Regulations by contacting the City Human Resources Director.

#### **1003.1.1 GRIEVANCE DEFINED**

A grievance is a difference of opinion or dispute regarding the meaning, interpretation, or application of any of the following:

- The employee agreement
- This Policy Manual
- Rules and regulations governing personnel practices or working conditions
- Workplace issues that do not amount to misconduct under the Personnel Complaints Policy, such as fraud, waste, abuse of authority, gross mismanagement, or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety, or well-being of members

Specifically outside the category of grievances are complaints related to allegations of discrimination or harassment subject to the Discriminatory Harassment Policy. Also outside the category of grievances are personnel complaints regarding any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy or federal, state, or local law, as set forth in the Personnel Complaints Policy.

### **1003.2 POLICY**

It is the policy of the Bartlesville Police Department to provide a just and equitable system for the prompt handling of employee grievances without discrimination, coercion, restraint or retaliation against any employee who submits or is otherwise involved in a grievance.

## Anti-Retaliation

### 1004.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, state and local law, ordinance or employment agreement.

### 1004.2 POLICY

The Bartlesville Police Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

### 1004.3 RETALIATION PROHIBITED

No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including, but not limited to:

- Refusing to hire or denying a promotion.
- Extending the probationary period.
- Unjustified reassignment of duties or change of work schedule.
- Real or implied threats or other forms of intimidation to dissuade the reporting of wrongdoing or filing of a complaint, or as a consequence of having reported or participated in protected activity.

**1004.4 COMPLAINTS OF RETALIATION**

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Chief of Police or the City Director of Human Resources.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false or with willful or reckless disregard for the truth or falsity of the information, or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

**1004.5 SUPERVISOR RESPONSIBILITIES**

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include, but are not limited to:

**1004.7 WHISTLE-BLOWING**

State law protects employees from being discharged, penalized or in any other manner discriminated against because they file a complaint or institute an investigation concerning the enforcement of certain labor laws or testify in an investigation or proceeding concerning the enforcement of any Oklahoma labor law (40 O.S. § 199). State law also protects employees engaging in certain activities related to enforcing child abuse laws, occupational health and safety standards, workers' compensation laws and unlawful discrimination laws (10A O.S. § 1-2-101; 40 O.S. § 403(B); 85A O.S. § 7; 25 O.S. § 1601).

## 1005.2 POLICY

The Bartlesville Police Department requires disclosure of member arrests, convictions and certain court orders to maintain the high standards, ethics and integrity in its workforce, and to ensure compatibility with the duties and responsibilities of the Department.

Such convictions and court orders often involve allegations of the use or attempted use of force, or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; 21 O.S. § 1290.10).

All members and retired officers with identification cards/Commission Cards issued by the Department are responsible for ensuring that they have not been disqualified from possessing firearms by any such conviction or court order, and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

- (c) An emergency detention or a diagnosis of a mental illness, condition or disorder by a licensed physician, psychologist, or a licensed mental health professional as a substantial disorder of thought, mood, perception, psychological orientation or memory that significantly impairs judgment, behavior, capacity to recognize reality or ability to meet the ordinary demands of life.
- (d) Entry of a final order of protection against a member.

**1005.5 REPORTING**

All members and all retired officers with identification cards/Commission Cards issued by the Department shall immediately notify their supervisors (retired officers should immediately notify the Shift Supervisor or the Chief of Police) of any criminal detention, arrest, charge or conviction in any state or foreign country, regardless of whether the matter was dropped or rejected, is currently pending or is on appeal, and regardless of the penalty or sentence, if any; and additionally, all members will provide written notice as soon as practicable.

All members and all retired officers with identification cards/Commission Cards issued by the Department shall immediately notify their supervisors (retired officers should immediately notify the Shift Supervisor or the Chief of Police) in writing if they become the subject of a domestic violence-related order or any court order that prevents the member or retired officer from possessing a firearm or requires suspension or revocation of applicable CLEET certification.

Any member whose criminal arrest, conviction or court order restricts or prohibits that member from fully and properly performing his/her duties, including carrying a firearm, may be disciplined. This includes, but is not limited to, being placed on administrative leave, reassignment and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member, on his/her own time and at his/her own expense.

Any employee failing to provide prompt written notice pursuant to this policy shall be subject to discipline, up to and including termination.

Retired officers may have their identification cards/Commission Cards rescinded or modified, as may be appropriate (see the Retiree Concealed Firearms Policy).

**1005.5.1 NOTIFICATION REQUIREMENTS**

The Administration Captain shall make notifications to CLEET regarding the resignation or termination regarding any current officer in accordance with the Personnel Complaints Policy.

## Sick Leave

### 1007.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees is detailed in the City personnel manual or applicable employment agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.).

### 1007.2 POLICY

It is the policy of the Bartlesville Police Department to provide eligible employees with a sick leave benefit.

### 1007.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences.

Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment, or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see the Outside Employment policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

#### 1007.3.1 NOTIFICATION

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Department with no less than 7-days' notice of the impending absence.

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

### 1007.4 EXTENDED ABSENCE

Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return

Exposure only includes those instances that occur due to a member's position at the Bartlesville Police Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

## 1008.2 POLICY

**1008.4.2 IMMUNIZATIONS**

Members who could be exposed to HBV due to their positions will be offered the HBV vaccination within one month of employment and may receive any routine booster at no cost (29 CFR 1910.1030; 40 O.S. § 403; OAC 310:670-5-8; OAC 380:40-1-2).

The vaccination program for members who may act as first responders shall be implemented as appropriate under 63 O.S. § 682.1.

**1008.5 POST EXPOSURE**

**1008.5.1 INITIAL POST-EXPOSURE STEPS**

Members who experience an exposure or suspected exposure shall (29 CFR 1910.1030; 40 O.S. § 403; OAC 380:40-1-2):

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practical.

**1008.5.2 REPORTING REQUIREMENTS**

The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (29 CFR 1910.1030; 40 O.S. § 403; OAC 380:40-1-2):

- (a) Name of the member exposed
- (b) Date and time of incident

- (e) Work being done during exposure
- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall complete an Oklahoma Health Department Communicable Disease Risk Exposure Report (Form 207) for each incident and submit to the appropriate Captain. The Captain shall ensure the report is submitted in accordance with OAC 310:555-1-4.

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Work-Related Illness and Injury Reporting and Illness and Injury Prevention policies).

**1008.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT**

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary.

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information (29 CFR 1910.1030; 40 O.S. § 403; OAC 380:40-1-2):

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

**1008.5.4 COUNSELING**

The Department shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure (29 CFR 1910.1030; 40 O.S. § 403; OAC 380:40-1-2).

**1008.5.5 SOURCE TESTING**

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate. Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by (OAC 310:555-1-1 et seq.):

- (a) Obtaining consent from the individual.
- (b) Using the Oklahoma Health Department Communicable Disease Risk Exposure Report (Form 207) pursuant to OAC 310:555-1-4.
- (c) By court order.

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult with the City Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if the individual refuses.

**1008.6 CONFIDENTIALITY OF REPORTS**

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

# Smoking and Tobacco Use

## **1009.1 PURPOSE AND SCOPE**

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Bartlesville Police Department facilities or vehicles.

For the purpose of this policy, smoking and tobacco use includes, but is not limited to, any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches and chewing tobacco, as well as any device that is intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

## **1009.2 POLICY**

The Bartlesville Police Department recognizes that tobacco use is a health risk and can be offensive to others. Smoking and tobacco use also presents an unprofessional image for the Department and its members. Therefore, smoking and tobacco use is prohibited by members and visitors in all department facilities, buildings and vehicles, and as is further outlined in this policy.

## **1009.3 SMOKING AND TOBACCO USE**

Smoking and tobacco use by members is prohibited any time members are in public view representing the Bartlesville Police Department.

It shall be the responsibility of each member to ensure that no person under his/her supervision smokes or uses any tobacco product inside City facilities and vehicles.

## **1009.4 SIGNAGE**

Signs shall be conspicuously posted at entrances to, and in prominent locations within, the department facilities where smoking is prohibited, stating that smoking is prohibited and that the indoor environment is free of tobacco smoke or that a smoke-free environment is provided pursuant to OAC 310:355-17-1.

## **1009.5 ADDITIONAL PROHIBITIONS**

No employee shall smoke tobacco products within 25 feet of the entrance or exit of any City facility (21 O.S. § 1247).

# Personnel Complaints

## 1010.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the Bartlesville Police Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

## 1010.2 POLICY

The Bartlesville Police Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law and municipal and county rules and the requirements of any employment agreements.

It is also the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

## 1010.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Department.

### 1010.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

**Informal** - A matter in which the Shift Supervisor is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

**Formal** - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Internal Affairs Unit, depending on the seriousness and complexity of the investigation.

**Incomplete** - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Internal Affairs Unit, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

**1010.3.2 SOURCES OF COMPLAINTS**

The following applies to the source of complaints:

- (a) Individuals from the public may make complaints in any form, including in writing, by email, in person or by telephone.
- (b) Any department member becoming aware of alleged misconduct shall immediately notify a supervisor.
- (c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.
- (d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.
- (e) Tort claims and lawsuits may generate a personnel complaint (see also the Notification to Council of Law Enforcement Education and Training (CLEET) section in this policy).

**1010.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS**

**1010.4.1 COMPLAINT FORMS**

Personnel complaint forms will be maintained in a clearly visible location in the public area of the police facility and be accessible through the department website. Forms may also be available at other City facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

**1010.4.2 ACCEPTANCE**

All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs or physical evidence may be obtained as necessary.

**1010.5 DOCUMENTATION**

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the Chief of Police or the authorized designee.

**1010.6 ADMINISTRATIVE INVESTIGATIONS**

Allegations of misconduct will be administratively investigated as follows.

**1010.6.1 SUPERVISOR RESPONSIBILITIES**

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
  - 1. The original complaint form will be directed to the Shift Supervisor of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
  - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Captain or the Chief of Police, who will initiate appropriate action.
- (b) Responding to all complainants in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
  - 1. Follow-up contact with the complainant should be made within 24 hours of the Department receiving the complaint.
  - 2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Shift Supervisor.
- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Shift Supervisor and Chief of Police are notified via the chain of command as soon as practicable.
- (e) Promptly contacting the Human Resources Department and the Shift Supervisor for direction regarding the supervisor's role in addressing a complaint that relates to sexual, racial, ethnic, or other forms of prohibited harassment or discrimination.
- (f) Forwarding unresolved personnel complaints to the Shift Supervisor, who will determine whether to contact the complainant or assign the complaint for investigation.
- (g) Informing the complainant of the investigator's name and the complaint number within three days after assignment.
- (h) Investigating a complaint as follows:

**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Personnel Complaints*

---

1. Making reasonable efforts to obtain names, addresses, and telephone numbers of witnesses.
  2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.
- (i) Ensuring that the procedural rights of the accused member are followed.
- (j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

**1010.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES**

Whether conducted by a supervisor or a member of the Internal Affairs Unit, the following applies to employees:

- (a) Interviews of an accused employee shall be conducted during reasonable hours and preferably when the employee is on-duty. If the employee is off-duty, the employee shall be compensated.
- (b) Unless waived by the employee, interviews of an accused employee shall be at the Bartlesville Police Department or other reasonable and appropriate place.
- (c) No more than two interviewers should ask questions of an accused employee.
- (d) Prior to any interview, an employee should be informed of the nature of the investigation.
  1. Prior to any interview or special examination, the employee shall receive a confidential written notification of the complaint. This notification will include a copy of the original complaint or a summary adequately listing the relevant facts and a reference to the employee's rights and responsibilities during the investigation.
- (e) All interviews should be for a reasonable period and the employee's personal needs should be accommodated.
- (f) No employee should be subjected to offensive or threatening language, nor shall any promises, rewards, or other inducements be used to obtain answers.
- (g) Any employee refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
  1. An employee should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Garrity* advisement. Administrative investigators should consider the impact that compelling a statement from the employee may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Personnel Complaints*

---

2. No information or evidence administratively coerced from an employee may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
- (h) The interviewer should record all interviews of employees and witnesses. The employee may also record the interview. If the employee has been previously interviewed, a copy of that recorded interview should be provided to the employee prior to any subsequent interview.
- (i) All employees subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual's statement, involved employees shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (j) All employees shall provide complete and truthful responses to questions posed during interviews.
- (k) No employee may be compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation.

**1010.6.3 ADMINISTRATIVE INVESTIGATION FORMAT**

Formal investigations of personnel complaints shall be thorough, complete and essentially follow this format:

**Introduction** - Include the identity of the members, the identity of the assigned investigators, the initial date and source of the complaint.

**Synopsis** - Provide a brief summary of the facts giving rise to the investigation.

**Summary** - List the allegations separately, including applicable policy sections, with a brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

**Evidence** - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member and witness statements. Other evidence related to each allegation should also be detailed in this section.

**Conclusion** - A recommendation regarding further action or disposition should be provided.

**Exhibits** - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

**1010.6.4 DISPOSITIONS**

Each personnel complaint shall be classified with one of the following dispositions:

**Unfounded** - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**  
Bartlesville Police Department Policy Manual

*Personnel Complaints*

**Exonerated** - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

**Not sustained** - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

**Sustained** - When the investigation discloses sufficient evidence to establish that the act occurred and that it constituted misconduct.

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

**1010.6.5 COMPLETION OF INVESTIGATIONS**

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation in a timely manner from the date of discovery by an individual authorized to initiate an investigation.

**1010.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS**

The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

**1010.7 ADMINISTRATIVE SEARCHES**

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

**1010.8 ADMINISTRATIVE LEAVE**

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief of Police or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

**1010.9 CRIMINAL INVESTIGATION**

Where a member is accused of potential criminal conduct, a separate supervisor or investigator may be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief of Police may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be provided with all rights afforded to a civilian. The member should not be administratively ordered to provide any information in the criminal investigation.

The Bartlesville Police Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

**1010.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES**

Upon completion of a formal investigation, an investigation report should be forwarded to the Chief of Police through the chain of command. Each level of command should review the report and include their comments in writing before forwarding the report. The Chief of Police may accept or modify any classification or recommendation for disciplinary action.

**1010.10.1 CAPTAIN RESPONSIBILITIES**

Upon receipt of any completed personnel investigation, the Captain of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Captain may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief of Police, the Captain may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief of Police, the Captain shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

**1010.10.2 CHIEF OF POLICE RESPONSIBILITIES**

Upon receipt of any written recommendation for disciplinary action, the Chief of Police shall review the recommendation and all accompanying materials. The Chief of Police may modify any recommendation and/or may return the file to the Captain for further investigation or action.

Once the Chief of Police is satisfied that no further investigation or action is required by staff, the Chief of Police shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief of Police shall provide the member with a written notice and the following:

- (a) Access to all of the materials considered by the Chief of Police in recommending the proposed discipline.
- (b) An opportunity to respond orally or in writing to the Chief of Police within five days of receiving the notice.
  - 1. Upon a showing of good cause by the member, the Chief of Police may grant a reasonable extension of time for the member to respond.
  - 2. If the member elects to respond orally, the presentation shall be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response, or if the member has elected to waive any such response, the Chief of Police shall consider all information received in regard to the recommended discipline. The Chief of Police shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief of Police has issued a written decision, the discipline shall become effective.

**1010.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT**

The Chief of Police or the authorized designee should ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint.

**1010.11 PRE-DISCIPLINE EMPLOYEE RESPONSE**

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.
- (d) In the event that the Chief of Police elects to conduct further investigation, the employee shall be provided with the results prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief of Police on the limited issues of information raised in any subsequent materials.

**1010.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE**

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

**1010.13 POST-DISCIPLINE APPEAL RIGHTS**

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any employment agreement and/or personnel rules.

**1010.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS**

At-will and probationary employees and members other than non-probationary employees may be disciplined and/or released from employment without adherence to any of the procedures set out in this policy, and without notice or cause at any time. These individuals are not entitled to any rights under this policy. However, any of these individuals released for misconduct should be afforded an opportunity solely to clear their names through a liberty interest hearing, which shall be limited to a single appearance before the Chief of Police or the authorized designee.

In cases where an individual has been absent for more than a week or when additional time to review the individual is considered to be appropriate, the probationary period may be extended at the discretion of the Chief of Police.

**1010.15 RETENTION OF PERSONNEL INVESTIGATION FILES**

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

**1010.16 NOTIFICATION TO COUNCIL OF LAW ENFORCEMENT EDUCATION AND TRAINING (CLEET)**

The Chief of Police or the authorized designee shall notify CLEET:

- (a) Whenever any officer resigns or is terminated. The notification shall be made within 10 days of the resignation or termination or within 30 days if the officer was under investigation (70 O.S. § 3311(H); 70 O.S. § 3311(J)(8)).
- (b) When any civil proceeding or lawsuit is initiated against an officer that relates to matters under the purview of CLEET pursuant to 70 O.S. § 3311. The notice must be sent no later than 10 days after the officer is served with notice of the proceeding (OAC 390:10-1-8).

## Seat Belts

### 1011.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles.

#### 1011.1.1 DEFINITIONS

Definitions related to this policy include:

**Child restraint system** - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and regulations set forth in 49 CFR 571.213 (47 O.S. § 12-414).

### 1011.2 POLICY

It is the policy of the Bartlesville Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

### 1011.3 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Department, are properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement. Exceptions do not include a nonspecific belief that an unusual event could occur.

### 1011.4 TRANSPORTING CHILDREN

Child passengers shall be transported using an approved child restraint system in compliance with 47 O.S. § 11-1112.

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side air bag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.

### 1011.5 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES

Suspects, prisoners and arrestees should be in a seated position and secured in the rear seat of any department vehicle with a prisoner restraint system or, when a prisoner restraint system is

not available, by seat belts provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

The purpose of this policy is to provide officers with guidelines for the proper use of body armor.

### **1012.2 POLICY**

It is the policy of the Bartlesville Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

### **1012.3 ISSUANCE**

The Administration Captain shall ensure that body armor is issued to all officers and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

Body armor shall be issued when an officer begins service at the Bartlesville Police Department and shall be replaced when the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

The Chief of Police may authorize issuance of body armor to uniformed, civilian members whose jobs may make wearing of body armor advisable.

Generally, the required use of body armor is subject to the following:

- (a) Members shall only wear department-approved body armor.
- (b) Members shall wear body armor any time they are in a situation where they could reasonably be expected to take enforcement action.

- (e) Officers may be excused from wearing body armor when they are involved in undercover or plainclothes work that their supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.
  - 1. In those instances when body armor is not worn, officers should have reasonable access to their body armor.

#### **1012.3.2 INSPECTION**

Supervisors should ensure through routine observation and periodic documented inspections that body armor is worn and maintained in accordance with this policy.

### 1018.3 LACTATION BREAK TIME

A rest period should be permitted each time the member has the need to express breast milk (29 USC § 207). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks, if feasible, should be taken at the same time as the member's regularly scheduled rest or meal periods. While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (40 O.S. § 435).

Members desiring to take a lactation break shall notify the dispatcher or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations.

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

### 1018.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private (40 O.S. § 435). Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 207).

Members occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other members should avoid interrupting a member during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for members assigned to the field may be taken at the nearest appropriate private area.

## 1020.2 POLICY

The Bartlesville Police Department will compensate nonexempt employees who work authorized overtime either by payment of wages or by the accrual of compensatory time (29 CFR 553.22). Employees who are salary exempt from FLSA are not compensated for overtime worked.

## 1020.3 COMPENSATION

Payment of wages to nonexempt employees for overtime, or accrual of compensatory time in lieu of compensation for overtime worked, shall be at the rate of not less than one and one-half hours for each hour of employment for which overtime compensation is required (29 USC § 207(k)(2); 29 USC § 207(o)(1)).

Short periods of overtime worked at the end of the normal duty day (e.g., less than one hour in duration) may be handled informally by an agreement between the supervisor and the employee. In such cases, the supervisor shall document the overtime worked and schedule a subsequent shift adjustment within the same work period that the overtime was worked, rather than submit a request for overtime compensation (29 USC § 207(k)).

Salary exempt employees may be eligible for administrative leave, which may be granted at the discretion of the exempt employee's immediate supervisor.

## 1020.4 REQUESTS FOR OVERTIME COMPENSATION

### 1020.4.1 EMPLOYEE RESPONSIBILITIES

Generally, no employee is authorized to work overtime without the prior approval of a supervisor. If circumstances do not permit prior approval, approval shall be sought as soon as practicable during the overtime shift and in no case later than the end of the shift in which the overtime is worked.

Nonexempt employees shall:

- (a) Obtain supervisory approval, verbal or written.
- (b) Not work in excess of 16 hours, including regularly scheduled work time, overtime and extra-duty time, in any consecutive 24-hour period without supervisory approval.
- (c) Record the actual time worked in an overtime status using the department-approved form or method. Informal notations on reports, logs or other forms not approved for overtime recording are not acceptable.
- (d) Submit the request for overtime compensation to their supervisors by the end of shift or no later than the next calendar day.

*Overtime Compensation*

---

**1020.4.2 SUPERVISOR RESPONSIBILITIES**

Supervisors shall:

- (a) Prior to authorizing an employee to work overtime, evaluate the need for the overtime.
  - 1. Supervisors should not authorize any request to work overtime if the overtime would not be an appropriate use of department resources.
- (b) Upon receipt of a request for overtime compensation, confirm that the overtime was authorized and then verify the actual time worked.
  - 1. Supervisors identifying any unauthorized overtime or discrepancy shall initiate an investigation consistent with the Personnel Complaints Policy.
- (c) After verifying and approving the overtime amount, promptly forward the request for compensation to the employee's Captain for final approval.
  - 1. After the Captain has authorized compensation, the request shall be submitted to Administration as soon as practicable.

Supervisors may not authorize or approve their own overtime.

**1020.5 ACCOUNTING FOR PORTIONS OF AN HOUR**

Authorized overtime work shall be accounted in the increments as listed:

<u>TIME WORKED</u>	<u>INDICATE ON CARD</u>
Up to 15 minutes	.25 hour
16 to 30 minutes	.50 hour
31 to 45 minutes	.75 hour
46 to 60 minutes	1 hour

**1020.5.1 VARIATION IN TIME REPORTED**

When two or more employees are assigned to the same activity, case or court trial, and the amount of time for which overtime compensation is requested varies among the officers, the Shift Supervisor or other approving supervisor may require each employee to include the reason for the variation on the overtime compensation request.

**1020.6 REQUESTING USE OF COMPENSATORY TIME**

Employees who have accrued compensatory time shall be allowed to use that time for time off within a reasonable period after making a request, if the request does not unduly disrupt department operations. Requests to use compensatory time will be submitted to the employee's supervisor at least 24 hours in advance of its intended use. Supervisors may make exceptions in unusual or extraordinary circumstances.

## 1022.3 RESPONSIBILITIES

### 1022.3.1 MEMBER RESPONSIBILITIES

### 1022.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor learning of any work-related injury or occupational illness should ensure the member receives medical care as appropriate.

Supervisors shall ensure that required documents regarding workers' compensation are completed and forwarded promptly. Any related City-wide injury- or illness-reporting protocol shall also be followed.

Supervisors shall determine whether the Major Incident Notification and Illness and Injury Prevention policies apply and take additional action as required.

One adviser may be designated as the coordinator's assistant to lead scheduled meetings and training sessions. Multiple Explorers may be assigned to each adviser. Explorer advisers are not intended to circumvent the established chain of command.

# Temporary Modified-Duty Assignments

## 1028.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, City rules or current employment agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

## 1028.2 POLICY

Subject to operational considerations, the Bartlesville Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Department with a productive employee during the temporary period.

## 1028.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) shall be treated equally, without regard to any preference for a work-related injury.

No position in the Bartlesville Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle or engaging in outside employment, or may otherwise limit them in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

## 1028.4 PROCEDURE

Employees may request a temporary modified-duty assignment for short-term injuries or illnesses.

Employees seeking a temporary modified-duty assignment should submit a written request to their Captains or the authorized designees. The request should, as applicable, include a certification from the treating medical professional containing:

- (c) The nature and scope of limitations and/or work restrictions.
- (d) A statement regarding any required workplace accommodations, mobility aids or medical devices.
- (e) A statement that the employee can safely perform the duties of the temporary modified-duty assignment.

The Captain will make a recommendation through the chain of command to the Chief of Police regarding temporary modified-duty assignments that may be available based on the needs of the Department and the limitations of the employee. The Chief of Police or the authorized designee shall confer with the Human Resources Department or the City Attorney as appropriate.

Requests for a temporary modified-duty assignment of 20 hours or less per week may be approved and facilitated by the Shift Supervisor or Captain, with notice to the Chief of Police.

**1028.5 ACCOUNTABILITY**

Written notification of assignments, work schedules and any restrictions should be provided to employees assigned to temporary modified-duty assignments and their supervisors. Those assignments and schedules may be adjusted to accommodate department operations and the employee's medical appointments, as mutually agreed upon with the Captain.

**1028.5.1 EMPLOYEE RESPONSIBILITIES**

The responsibilities of employees assigned to temporary modified duty shall include, but are not limited to:

**1028.5.2 SUPERVISOR RESPONSIBILITIES**

The employee's immediate supervisor shall monitor and manage the work schedule of those assigned to temporary modified duty.

The responsibilities of supervisors shall include, but are not limited to:

**1028.6 MEDICAL EXAMINATIONS**

Prior to returning to full-duty status, employees shall be required to provide certification from their treating medical professionals stating that they are medically cleared to perform the essential functions of their jobs without restrictions or limitations.

The Department may require a fitness-for-duty examination prior to returning an employee to full-duty status, in accordance with the Fitness for Duty Policy.

**1028.7 PREGNANCY**

If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth or a related medical condition, the employee will be treated the same as any other temporarily disabled employee (42 USC § 2000e(k)). A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment.

**1028.7.1 NOTIFICATION**

Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted in accordance with the City's personnel rules and regulations regarding family and medical care leave.

**1028.8 PROBATIONARY EMPLOYEES**

Probationary employees who are assigned to a temporary modified-duty assignment shall have their probation extended by a period of time equal to their assignment to temporary modified duty.

Employees assigned to temporary modified duty shall maintain all certification, training and qualifications appropriate to both their regular and temporary duties, provided that the certification, training or qualifications are not in conflict with any medical limitations or restrictions. Employees who are assigned to temporary modified duty shall inform their supervisors of any inability to maintain any certification, training or qualifications.

# Speech, Expression and Social Networking

## 1029.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with the use of social networking sites, and provides guidelines for the regulation and balancing of member speech and expression with the needs of the Bartlesville Police Department.

This policy applies to all forms of communication including, but not limited to, film, video, print media, public or private speech and use of all Internet services, including the Web, email, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video and other file-sharing sites.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit a member from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, about matters of public concern, such as misconduct or corruption.

Members are encouraged to consult with their supervisors regarding any questions arising from the application or potential application of this policy.

## 1029.2 POLICY

Members of public entities occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of the Bartlesville Police Department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that members of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Department will carefully balance the individual member's rights against the needs and interests of the Department when exercising a reasonable degree of control over its members' speech and expression.

## 1029.3 SAFETY

Members should carefully consider the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of Bartlesville Police Department members, such as posting personal information in a public forum or posting a photograph taken with a GPS-enabled camera, can result in compromising a member's home address or family ties. Members should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any member, a member's family or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an officer who is working undercover.
- Disclosing the address of a fellow department member.

**1029.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT**

To meet the safety, performance and public-trust needs of the Bartlesville Police Department, the following are prohibited unless the speech is otherwise protected (for example, a member speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, on a matter of public concern):

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Department or its members.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Department and tends to compromise or damage the mission, function, reputation or professionalism of the Department or its members. Examples may include:
  - 1. Statements that indicate disregard for the law or the state or U.S. Constitutions.
  - 2. Expression that demonstrates support for criminal activity.
  - 3. Participation in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the member as a witness. For example, posting to a website statements or expressions that glorify or endorse dishonesty, unlawful discrimination or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the members of the Department (e.g., a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape).
- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment or appointment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.
- (g) Posting, transmitting or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment or other material that specifically identifies the Bartlesville Police Department on any personal or social networking or other website or web page, without the express authorization of the Chief of Police.

Members must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

**1029.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS**

While members are not restricted from engaging in the following activities as private citizens or as authorized members of recognized bargaining units or employee groups, members may not represent the Bartlesville Police Department or identify themselves in any way that could be reasonably perceived as representing the Department in order to do any of the following, unless specifically authorized by the Chief of Police:

- (a) Endorse, support, oppose or contradict any political campaign or initiative.
- (b) Endorse, support, oppose or contradict any social issue, cause or religion.
- (c) Endorse, support or oppose any product, service, company or other commercial entity.
- (d) Appear in any commercial, social or nonprofit publication or any motion picture, film, video or public broadcast or on any website.

Additionally, when it can reasonably be construed that an employee, acting in his/her individual capacity or through an outside group or organization, including as an authorized member of a recognized bargaining unit or an employee group, is affiliated with this department, the member shall give a specific disclaiming statement that any such speech or expression is not representative of the Bartlesville Police Department.

Members retain their rights to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of recognized bargaining units or employee groups, on political subjects and candidates at all times while off-duty. However, members may not use their official authority or influence to interfere with or affect the result of elections or nominations for office. Members are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

**1029.5 PRIVACY EXPECTATION**

Members forfeit any expectation of privacy with regard to emails, texts or anything published or maintained through file-sharing software or any Internet site (e.g., Facebook, MySpace) that is accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

However, the Department may not request or require a member to disclose a personal username or password or open a personal social website for review or observation. When it is reasonably believed, based on the receipt of specific information, that work-related misconduct has or is occurring, the employee may be required to share the content that has been reported in order to make a factual determination (40 O.S. § 173.2).

**1029.6 CONSIDERATIONS**

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief of Police or the authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the Department.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of his/her duties.
- (e) Whether similar speech or conduct has been previously authorized.
- (f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

**1029.7 TRAINING**

Subject to available resources, the Department should provide training regarding the limitations on speech, expression and use of social networking to all members of the Department.

# Illness and Injury Prevention

# Line-of-Duty Deaths

## 1031.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Bartlesville Police Department in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member's survivors.

The Chief of Police may also apply some or all of this policy in situations where members are injured in the line of duty and the injuries are life-threatening.

### 1031.1.1 DEFINITIONS

Definitions related to this policy include:

**Line-of-duty death** - The death of a sworn member during the course of performing law enforcement-related functions while on- or off-duty, or a civilian member during the course of performing their assigned duties.

**Survivors** - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

## 1031.2 POLICY

It is the policy of the Bartlesville Police Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

## 1031.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Shift Supervisor and the Communication Center.
  - 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).
- (b) The Shift Supervisor should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.
- (c) If the member has been transported to the hospital, the Shift Supervisor or the designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Line-of-Duty Deaths*

---

- (d) The Chief of Police or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

**1031.4 NOTIFYING SURVIVORS**

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief of Police or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief of Police, Shift Supervisor or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Department Chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
- (g) Offer to call other survivors, friends or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting childcare or other immediate needs.

**Bartlesville Police Department**  
**Bartlesville Police Department Policy Manual**

*Line-of-Duty Deaths*

---

- (i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.
- (j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Department Liaison.
- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivor's names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Chief of Police or the authorized designee once survivor notifications have been made so that other Bartlesville Police Department members may be apprised that survivor notifications are complete.

**1031.4.1 OUT-OF-AREA NOTIFICATIONS**

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief of Police.

**1031.5 NOTIFYING DEPARTMENT MEMBERS**

Supervisors or members designated by the Chief of Police are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shift. Members reporting for duty from their residence should be instructed to contact their supervisor as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.

- Arranging transportation for the survivors back to their residence.

- If the survivors have no preference, the selection may be made from names recommended by the deceased member's supervisor and/or coworkers. The deceased member's partner or close friends may not be the best selections for this assignment because the emotional connection to the member or survivors may impair their ability to conduct adequate liaison duties.
- The liaison must be willing to assume the assignment with an understanding of the emotional and time demands involved.

The responsibilities of the Survivor Support Liaison include but are not limited to:

- (a) Arranging for transportation of survivors to hospitals, places of worship, funeral homes, and other locations, as appropriate.

It is the employee's responsibility to keep the City personnel office informed as to his current address. Failure to respond to such notice within fourteen (14) calendar days of the mailing of such notice shall result in forfeiture of any re-employment or recall rights. If the employee does notify the City of his intention to return to work but fails to report to work on the agreed upon starting date, he will relinquish all recall rights.

H. Leave time will not accrue during the period of layoff, however, previously accrued sick leave and seniority will be reinstated if the laid off employee is recalled within one year after layoff. The vacation accrual rate and longevity rate will be the same as before the layoff.

They are general employees, employees represented by FOP and employees represented by Local 200. To activate this provision, the wage increase must be to an entire group. A wage increase to a few members of any group will not activate this provision. Raises in compensation due to promotion will not activate this provision.

Section 3. All employees will have an annual performance evaluation conducted by their Division Commander and reviewed/approved by the Police Chief based on each employee's established review date. The employee's Division Commander must have supervised the employee for a period of not less than 60 days. If the reevaluation reflects sufficient improvement in performance, the employee shall be determined to have had a satisfactory evaluation effective as of the revised review date. This revised review date will become the established review date for the following year.

If the reevaluation does not reflect improvement in the employee's performance, appropriate disciplinary action may be necessary.

Those Officers who take advantage of the City's Education Assistance Program will begin receiving the Education Incentive after one (1) year of service after obtaining the degree.

Section 8. In accordance with the past practice of the parties, the work day of all officers covered by this Contract shall consist of eight (8) hours. In addition, officers assigned to Patrol Division shall receive an additional fifteen (15) minutes of pay, per work day, for those days that they attend the shift change briefing prior to the beginning of their assigned shift.

Section 9. Canine officers shall receive differential pay at the rate of 5% of salary. This could result in an officer being paid above the scale in Appendix 1. The differential pay is not a permanent pay increase and is due as long as an officer is assigned a canine. Canine officers shall be allowed to schedule two (2) full shifts per month for the training of the animal. The training shifts shall be scheduled a minimum of one (1) month in advance in coordination with the shift's supervisor to prevent staffing conflicts or shortages. Section 2. Officers working overtime must have prior approval to work overtime from the Chief, his designee, or shift supervisor to work overtime. However, if due to circumstances prior approval cannot be obtained, the overtime work will be subject to review and possible disallowance if not justified in the discretion of the Chief.

Section 3. All hours worked during a pay period that result in overtime will be paid at the rate of one and one-half. No officer shall be sent home from his regularly scheduled shift to avoid the payment of overtime or compensatory time.

Section 4. Officers having accrued compensatory time off may take it at their discretion as long as it does not conflict with department operations.

Section 5.

A. Investigators who are normally scheduled to be on standby status shall receive two hours of pay at the employee's regular hourly rate on a straight-time basis for each day on standby. A standby Investigator who is called back to the workplace during their off-duty time shall receive compensation according to the 80-hour cutoff provision.

If any employee who is scheduled for standby finds that he will not be available for standby on a particular day, it is his responsibility to arrange for a substitute employee who will be available for that particular period and to so inform his supervisor. In this instance, the employee scheduled will receive the standby pay, assuming it is not necessary to call the substituting employee back to work during the substituting time period. The employee who is scheduled for standby will be responsible for paying back the substituting employee for the time owed in the form of a future substitution when that employee is scheduled for standby.

Employees who are

called back to the workplace again during the same off-duty period shall only receive compensation for the actual hours worked. The off-duty period to be used to determine when the two hour minimum is paid for the first call back will be from midnight to midnight. All emergency call backs must be authorized by the appropriate supervisor prior to an employee responding.

Section 2. Starting the second week of November of each year after completion of the Assigned Day Off roster, a Vacation/Holiday calendar will be made available to each shift or division as appropriate to schedule these leaves for the following calendar year. The officers will place part or all of their available leave on the calendar. This will be done by rank, and following rank by seniority. This roster must be completed by January 1<sup>st</sup> of the following calendar year. A choice once made cannot be subsequently altered without prior approval of the person who is on the roster and the division commander.

The Vacation/Holiday calendar for each shift or division shall be used expressly for the scheduling of vacations and holidays. This calendar shall not be used to schedule training schools. The Chief or his designee may determine a maximum number of officers who may be off per day. This determination will be irrespective of the scheduling of training schools or paid leave time. Except in case of emergencies, all time off must be scheduled a minimum of three (3) days in advance. However, if there are openings on the calendar the three day period does not apply.

Section 3. Employees will be eligible to take vacation after completing six months of service. Vacation may be taken in one/half hour increments.

Section 4. An employee is authorized to carry over to the next calendar year up to one year plus 16 hours of unused vacation time.

The employee must provide the department payroll clerk with a copy of their DD214 during the applicable pay period as documentation in order to receive Veteran's Day off.

When the number of veterans taking the holiday creates a minimum manning or hire back issue, the Chief, or his designee, has the authority to allow veterans to use their Veterans Day holiday

within 30 days after Veteran's Day. His decision is final and will be made based on business needs and will not rely on rank, seniority or any other practises.

Should the employee take a day other than Veteran's Day (within the 30 day period), they will still provide a copy of their DD214 for the day used.

## **ARTICLE 21 HOLIDAYS**

Section 1. Effective January 1 of each year, employees will receive eleven (11) days holiday leave per calendar year.

Section 2. Employees will receive holiday pay based on their regularly scheduled work hours for that day.

Section 3. Employees who work on their scheduled holiday, other than those who voluntarily hire back on their scheduled holiday and offer to reschedule the holiday, shall be compensated at their regular rate of pay for the regularly scheduled hours of work in addition to one and one-half hours at the regular rate of pay for each hour worked.

Section 4. Employees will not be allowed to carry forward holiday hours into the next calendar year except in situations caused by extenuating circumstances as determined by the Police Chief. Request for exceptions must be submitted in writing to the Chief of Police for approval prior to the beginning of the next calendar year.

Section 5. If an employee with earned, unused holiday leave terminates employment with the City, he will be paid for such unused hours. If an employee who has used unearned holiday leave terminates employment, he will repay the City for such hours. Such adjustments shall be made on the employee's final paycheck.

## **ARTICLE 22 HIRE BACK**

Section 1. Hire back is defined as work time deemed necessary because of manpower and/or staffing shortage where an off-duty Police Officer may be called into work to supplement manpower or staffing shortage.

Nothing in this article is construed to limit the management of the Police Department from alternate staffing options. At times, Police Department volunteers might be relied upon to conduct some duties. It is the discretion of Police Department management to utilize its volunteer Police Department staff to also supplement manpower and/or staffing shortages.

Section 2. A list for Police Officers will be posted by administrative staff quarterly (every 3 months) for officers wishing to volunteer for hire back. The list will be posted on the Police Department bulletin board for five (5) days and a department wide e-mail sent to all officers advertising the posting of the list and the dates for which it will be available to sign up. Any officer may volunteer by signing up, but can only add or delete their name when a new list is produced each quarter. If unforeseen circumstances arise, such as an officer being off duty for extended personal or family illness, or become ineligible for hire back because of injury or illness, then that officer's name may be skipped on the current quarters hire back list at their written request to administrative staff.

Every officer volunteering for hire back will complete the information on the sign up list by listing the following information:

- 1.) Full Name
- 2.) Primary Telephone Number
- 3.) Secondary Telephone number (home or cellular) if applicable
- 4.) Current Shift Assignment and Days Off
- 5.) Shift(s) available or hire back and specific times available, if any.

Section 3. Information gathered from the hire back sign up list each quarter will be analyzed by administrative staff as soon as possible after Steps in Section 2 have been taken. The list of names shall be organized according to availability for hire back of signed up officer(s). After the names are organized and placed on a master hire back list, administrative staff will assign two (2) officers for two (2) calendar days to "on-call" status for the Police Officer master hire back list. The selection of which days the officers are "on-call" will be made by administrative staff based on the officer's availability, as well as their current shift assignment and regularly scheduled days off.

After two (2) days on-call status, the officers will be rotated to the bottom, or latest dates available on the hire back list for being on-call. The next two (2) officers "on-call" will then be rotated upward or to the next earliest dates available. This rotation will repeat and continue throughout the quarter and until a new master hire back list is created for the next quarter (3 months).

Section 4. Those officers on-call will receive two (2) hours of on-call pay per day at their regular rate of pay per hour for the time that they are on-call. If an officer receiving on-call pay is hired back during their on-call status, they shall be paid at time and one-half their current rate of pay for all hours hired back instead of the two (2) hours of on-call per pay day. Any officer who hires back while not on-call also shall be paid at time and one-half their rate of pay for all hours worked or hired back. Officers or supervisors who are called back to work will receive a minimum of two (2) hours pay.

Section 5. In lieu of using the hire back procedures set forth herein, the police administration and/or patrol shift supervisors are authorized to ask for volunteers to hire back. However, if the official hire back list is to be used, the on-call officers for the current two (2) day period shall be called first if

a hire back is needed. If additional officers are needed for hire back during that two (2) day period, any officer on the master hire back list may be used at the discretion of a supervisor. Supervisors may be used to fill in on the patrol officer hire back list if all other means to hire back from that list have been exhausted.

It is the responsibility of the on-call officers to be available at all times during their on-call status, or find a suitable replacement to cover their on-call status. When on-call, officers shall remain within a (45 min) response window to the Police Department and shall remain fit for duty at all times.

If the on-call officer cannot satisfy the above, it is their sole responsibility to find a suitable replacement and notify the dispatch center of the name and contact information of that suitable replacement officer. The on-call officer shall also advise the dispatch center of the length of time their suitable replacement shall be on-call before reverting back to the original on-call officer.

An on-call officer may use a supervisor to be their suitable replacement on-call officer if no other officer(s) can be located to fill in for them.

An officer on-call who is not excused, fails to find adequate replacement, or who refuses to work hire back by being unfit for duty or failing to answer their telephone when on-call shall be considered absent without leave and subject to disciplinary procedures as if not showing up for a regularly assigned shift.

Section 6. Emergency Detention Order transports shall fall under the hire back guidelines of this section if the supervisor of the transporting shift determines that his/her manpower will not be sufficient to meet shift needs and a reserve officer is not available. In the event a transport is needed, as early as possible, an attempt shall be made to fulfill the requirements set forth in the above sections.

Section 7. In the event it is determined by the supervisor in charge that an emergency situation exists that affects or potentially could affect the health, safety or welfare of the citizens of Bartlesville and it is determined that it is not appropriate to spend time calling the various parties on the hire back list, the supervisor may direct the dispatcher to call any officer in the department and inform them that an emergency condition exists. Although any available officer can be called, the most readily available officers to contact should be the officer(s) on-call on the hire back list. In such an event, the officer called shall be required to immediately report for duty unless he is impaired and would not be able to function safely. Being undermanned, in itself, is not considered by this section as an emergency situation. The supervisor making the determination of an emergency condition will forward a report to the Chief within twenty-four (24) hours. The report

will contain all information relative to the facts that caused the supervisor to believe that an emergency existed.

Section 8. If an officer or supervisor is off duty and is called and directed to report to some location while off duty, then said officer or supervisor shall be paid for the time spent at the location to which they were directed to report, but in any event should be paid for a minimum of two (2) hours. Provided however, if the reason for requiring the officer to report to said location is to rectify an error or omission made by said officer, then said officer shall only be paid for reporting to said location and any time spent thereat correcting the error or omission made by said officer. In such event, the two (2) hour minimum shall not apply.

Section 9. It is the intent of the City to Hire Back Officers within these guidelines. Any errors in following these guidelines should be brought to the attention of the Patrol Captain immediately who will have the authority to make adjustment and modifications to the list as needed to correct any error.

## **ARTICLE 23 LEAVE**

### **A. Family Leave.**

Section 1. Employees will have a maximum of four (4) work days available per calendar year for family leave purposes. When approved by the Chief of Police or designee, family leave can be used for family members residing with the employee when the circumstances require the personal care and attention of the employee, when a serious health condition affects family members outside the employee's residence, or for other situations which are deemed appropriate.

Section 2. Family leave must have prior approval of the Chief of Police or designee and is charged against leave accumulation.

Section 3. If the circumstances warrant it, the Chief of Police may approve family leave in excess of the annual maximum referenced above, which will be charged in the following order: an employee's sick leave accumulation, compensatory time off, vacation, and leave without pay.

Section 4. Family leave may be taken in one/half hour increments. An employee who leaves the City's employment for any reason shall not be compensated for any accumulated family leave.

### **B. Personal Sick Leave.**

Section 1. Sick leave shall accrue at the rate of 3.70 hours per pay period (12 days per year) with no limit on accumulation. Accrued sick leave can be used for an employee's personal illness, for an employee's medical or dental appointments, or for family leave purposes beyond the annual amount available as described in the previous paragraph. Employees must use all available paid

leave (sick leave, compensatory time, vacation) before the employee would be eligible for a leave without pay for sick leave purposes.

Section 2. An employee who is unable to report to work due to personal illness must contact his immediate supervisor or dispatcher at least one-half hour prior to the beginning of his shift.

Section 3. Sick leave may be taken in one-half hour increments.

Section 4. The Chief of Police may require an employee to present a written statement by the treating health care provider before approving sick leave with pay in excess of three (3) consecutive work days. If a review of sick leave usage by the Chief of Police leads him to believe an employee is abusing sick leave, he may require such a written statement sooner. The Chief of Police has the authority to conduct an investigation if he has reason to believe that an employee has used sick leave (or family leave) inappropriately. In such a case, the employee will be given an opportunity to be heard. If after an investigation, the Chief of Police determines that sick leave (or family leave) has been used inappropriately, the employee shall be required to charge the absence to leave without pay rather than sick leave (or family leave). Progressive disciplinary action may be taken for abuse of sick leave (or family leave).

Section 5. An employee who leaves the City's employment for any reason other than retirement, shall not be compensated for any accumulated sick leave. Upon direct retirement from the City of Bartlesville, an employee will receive compensation for 15% of his/her accumulated sick leave hours up to a maximum of 1,920 hours ( $1920 \times 15\% = 288$ ) at the employee's current rate of pay. Provided however, before an employee qualifies for the above benefit, said employee must have a minimum of 576 hours of accumulated sick leave at the time of retirement.

Section 6. Sick leave in excess of sixty (60) consecutive days shall not be used in computing time-in-Step for merit increases, and the review date shall be changed accordingly. (See Extended Sick Leave/Family Leave Section of this Agreement for more detail.)

Section 7. The employee's estate of an employee who is killed in the line of duty shall be paid 100% of the employee's accumulated unused sick leave at the time of death.

#### C. Attendance Bonus.

Section 1. Employees, who have used not more than ten (10) hours of sick leave as of their anniversary date, will be entitled to a \$250.00 bonus. Employees, who have used not more than twenty (20) hours of sick leave as of their anniversary date, will be entitled to a \$125.00 bonus.

#### D. Extended Sick Leave/Family Leave.

Section 1. Full-time or part-time employees who are regularly scheduled to work at least thirty (30) hours per week are eligible for extended sick leave or family leave as stipulated in the following paragraphs. Each leave request will be evaluated on an individual case basis. The

City of Bartlesville will comply with all provisions contained in the Family and Medical Leave Act of 1993 requiring an employer to provide up to twelve (12) weeks of unpaid leave for particular circumstances in each twelve (12) month period. In this regard, the twelve (12) month period referenced in the Act to be used by the City of Bartlesville will be the calendar year, and employees will be required to substitute appropriate paid leave that is available for unpaid leave time. Where a definition of a term is required, the definition in the Family and Medical Leave Act of 1993 and the related regulations shall be used. Where this labor agreement provides greater benefits for employees, these provisions will supersede those contained in the Family and Medical Leave Act of 1993.

Section 2. Extended sick leave or family leave may be granted when an employee is unable to work due to a serious health condition, extended illness, off-the-job injury or other temporary disability; for the birth of an employee's child and to care for the newborn; for placement with the employee of a child for adoption or foster care; to care for an immediate family member (spouse, child or parent) with a serious health condition; or for other situations which are deemed appropriate. If such leave is approved, employees must use all available paid leave such as sick leave, family leave (whichever is appropriate for the particular situation), compensatory time, and vacation for extended leave purposes before a leave without pay will be granted. (An employee will not receive holiday pay while on leave without pay).

Section 3. Extended sick leave or family leave shall not constitute a break in service, but benefits will not accrue while on leave without pay. Time off for extended leave (with or without pay) in excess of sixty (60) consecutive days shall not be used to compute time-in-stip for merit increases and the review date shall be changed accordingly.

Section 4. A written statement from treating health care provider or other appropriate source may be required by the Chief of Police in support of the initial request for extended sick leave or family leave and as a condition of an employee's continued leave eligibility. A written statement from the treating health care provider releasing an employee to return to work after extended sick leave will be required.

In maternity cases, the expectant mother must provide a written statement from the health care provider indicating the expected delivery date, when her leave is anticipated to begin and her expected return to work date. Subsequent written statements from the treating health care provider may be required by the Chief of Police as a condition of her continued leave eligibility.

It is anticipated that an expectant father will request to take some time off for the birth of his child. This would be acceptable use of family leave. Requests for time off beyond the maximum of four (4) work days available per calendar year for family leave purposes that could be charged to the father's available personal sick leave must be accompanied by a written statement from the treating health care provider stating that he is needed to care for his wife and/or child. If such a written statement is not obtained from the treating healthy care provider, the father may request to use compensatory time off, vacation, or leave without pay in accordance with the applicable provisions in this labor agreement.

A husband and wife who are both employed by the City of Bartlesville will only be permitted to take a maximum of combined total of twelve (12) weeks of leave for the birth of a child, regardless of whether the time taken off is charged to any available paid leave time or leave without pay.

Section 5. An employee who has requested or who is on extended sick leave due to a serious health condition of his/her own may be required to be examined by a physician designated by the Chief of Police, at the City's expense.

The Chief of Police may require an employee on extended sick leave or family leave to report periodically on the employee's status and intent to return to work.

Section 6. Insurance coverage may be continued during a leave of absence with pay, provided the employee pays the applicable share of the premium. Insurance coverage shall be continued during a leave of absence without pay that does not exceed twelve (12) months provided the employee pays the applicable share of the premium. After twelve (12) months, insurance coverage shall be continued, provided the employee pays the total premium.

Section 7. Any employee who performs work for another employer while on extended sick leave or family leave may be subject to immediate dismissal. In most cases, this provision also applies to employees who are self-employed and/or perform work in their homes. Exceptions must be reviewed and approved by the Chief of Police and the City Manager.

Section 8. When an extended sick leave or family leave is granted, the duties of the employee's position may be assumed by a temporary assignment. If the duties of the position cannot be assumed by a temporary assignment, a replacement employee may be hired to fill the position. Before an employee requests this type of leave, he should be informed of this possibility. On return from extended sick leave or family leave, an employee is entitled to be returned to the same position held when leave commenced, if it is still available, or to an equivalent position, if the original position is not still available.

#### E. Funeral Leave.

Section 1. Employees may be granted up to three (3) work days of funeral leave per occurrence. Such leave will be allowed for an employee to attend the funeral of, make funeral arrangements for or perform other related activities involving an immediate family member, defined as spouse, children (including Step-children), parents (including Step-parents), grandparent, grandchild, brother or sister. Funeral leave may also be used by an employee for situations involving his spouse's immediate family members as defined above.

Section 2. Such leave must be approved by the Chief of Police and is not charged against any leave accumulation. The determination of the number of hours/days up to a maximum of three (3) work days will be determined on a case-by-case basis, depending on the particular circumstances of the case and the relative involved.

Section 3. An employee may request to use vacation to attend other funerals in accordance with the Vacation section of this Agreement.

## **ARTICLE 24 TRADING WORK DAYS**

Police Officers shall be permitted to voluntarily trade work or leave days with other Police Officers. Supervisors shall be permitted to voluntarily trade work or leave days with other supervisors. Provided however, that employees scheduled to work must inform their respective immediate supervisors in writing signed by both officers at least twenty-four (24) hours in advance of any voluntary trade of work days or leave days. The fill-in officer shall be responsible for shift attendance. Absences shall be charged to the fill-in officer.

## **ARTICLE 25 SUBSTANCE ABUSE POLICY**

Incorporated herein as a part of this Agreement by reference is the City of Bartlesville Substance Abuse Policy revised July 1, 2018 and as updated which policy will be in conformity with Oklahoma and federal laws.

## **ARTICLE 26 PROMOTIONS**

Section 1. All Police Departments promotional vacancies for investigator, sergeant and lieutenant shall be filled by promotion from within the ranks of the Bartlesville Police Department. The rank of captain will be exempt from the promotional process and will be appointed by the Chief of Police. The City has sole discretion in determining which positions are to be refilled. After going through the promotional process, the participating officers shall be ranked according to final score, and this ranking shall be valid until February of each year.

Section 2. Pre-promotional notification shall be as follows:

A. A list of eligible candidates will be posted on the Department bulletin board at least fifteen (15) calendar days prior to the beginning of any testing. Tests shall be given in January of each year, regardless of whether or not there is an immediate opening for promotion. A copy of this list will be forwarded to the Lodge at the same time for posting on the Lodge bulletin board, if desired. A copy of this list will be placed in each candidate's mailbox.

B. All candidates who will be eligible for promotion during the calendar year and desire to participate in the promotional process shall notify the Chief of Police in writing within five (5) days of beginning the promotional process. A person shall be deemed eligible for promotion after having served a minimum of three (3) consecutive years with the Bartlesville Police Department and three (3) consecutive years in the rank immediately below the rank being sought. Provided however, a Police Officer is eligible to test for promotion to the rank of

Investigator and/or Sergeant. Officers that are Investigators will be excluded from the three (3) year requirement and be allowed to test within the three (3) year period. Provided further, the Lieutenant and Sergeant assigned to the Criminal Investigations Division will be appointed by the Chief of Police. No employee on probation at the time of accepting applications will be deemed eligible for promotion until such time as the probationary period ends.

Section 3. The promotional process shall consist of A, B and C below, with an A being administered first, B second, and C third:

A. A written examination of law enforcement related questions. The written exam will be selected by the Chief of Police. The score on the written exam will constitute 40% of the applicant's promotional score. In order to qualify for placement on the list of applicants eligible for promotion, the applicant must attain a minimum score of 70%. The test score will be provided to the applicant immediately after testing.

B. An Oral Review Board consisting of present and retired members of the Bartlesville Police Department, with the Board members being equal to or above the rank being sought. The Board shall consist of five (5) members, appointed by the Chief of Police. The score by the Review Board shall constitute 50% of the applicant's promotional score. Each member of the Review Board shall grade each applicant. In connection with each applicant, the high score and the low score of the Review Board shall be dropped; then the three (3) remaining scores shall be averaged to arrive at the Review Board score for each applicant. A minimum score of 70% must be attained to move to the next test state. The applicant will be notified of the score achieved before dismissal from the Review Board.

C. Seniority for the purpose of promotions will consist of years of service that are continuous and uninterrupted at the present rank. One-half point will be given for each year of uninterrupted service up to a maximum of ten (10) points. Seniority shall be computed as of the closing date of the filing period.

Section 4. When the testing process is completed, the Chief of Police, or his designee, will determine a score and discuss the score with the candidate upon request.

Section 5. Each time the City decides to make a promotion, the files of the top three (3) eligible applicants will be forwarded to the Chief of Police for review. In the event that one of the applicants from the top three (3) has been promoted at an earlier date, then the fourth place applicant shall be moved up into the top three (3) for consideration. During the year, if any further promotions take place, the next eligible applicant shall be moved up into the top three (3) to replace the name of the prior promoted individual. In the event there are no eligible applicants, the Police Chief can schedule a retest. All phases of the testing will be used in determining the promotion. (Written exam, oral exam, and seniority.) The Chief of Police may also review the applicant's personnel file in helping to make his decision. It will then be the Chief's decision on who to promote from one (1) of the final three (3) applicants. In the event that an applicant refuses promotion, that applicant will be rotated to the bottom of the eligibility list. The applicant next in line will move into the top three (3) applicants.

Section 6. City agrees to maintain one (1) complete set of recommended study materials for each promotional test at the Police Station for use by any person in studying for the promotional examinations. Such materials shall not be removed from the Police Station. No materials or equipment of any kind may be brought to the test.

Section 7. Assuming the City decides to fill a vacancy when it occurs, the promotion will be made as soon as possible from the list of eligible applicants that is in effect at the time the vacancy occurs. (Upon promotion, the person promoted will receive a minimum of a 5 % promotional increase.) If the City decides not to fill the vacancy due to budgetary constraints, departmental reorganization or other circumstances, the Police Chief shall issue a memorandum notifying Lodge members that the vacancy will not be filled. Even if such a vacancy is to be filled at a later date, the promotional list in effect at the time the vacancy occurs will be used.

## **ARTICLE 27 PERSONNEL FILES**

## ARTICLE 32 CITIZEN COMPLAINTS AND OFFICERS' RIGHT

Section 1. It is recognized that due to the nature of an officer's duties, complaints may be made by citizens concerning an officer's actions or non-action. The rights of the citizens to complain about abuses of police power must be protected in the same manner as individual Police Officers must be protected against false allegations of abuse, misconduct, etcetera. The procedures, rights, and privileges set forth in this Article are established to insure both parties are guaranteed equal rights.

Section 2. No officer shall be disciplined or threatened with discipline for the reason of exercising or demanding the rights set forth in this Agreement.

- I. In order to protect the integrity of an internal affairs investigation while said investigation is being conducted, any person or officer interviewed in connection with an internal affairs investigation shall not disclose to other any of the contents of the interview or even the fact that the interview took place until such time as the investigation is completed.
- J. In connection with an internal affairs investigation, an accused officer shall cooperate fully with an investigation and provide the Chief of Police or his designees, upon request, a recorded and/or written statement as determined by the Chief of Police.
- K. The Chief of Police has the authority to use or direct others to use guidelines, policies or procedures contained in the Bartlesville Police Department Policy and Procedure Manual, or other related policies or laws, in connection with an internal affairs investigation.

Section 5. If an officer is arrested, likely to be arrested, or is a suspect of any criminal investigation, they shall be accorded the same constitutional rights as are accorded to any citizen.

### **ARTICLE 33 PERSONAL PROPERTY**

Section 1. The employer will repair or replace the employee's personal property which is damaged or destroyed while on duty performing their assigned duties unless the employee was negligent or responsible for said damage. When repair or replacement is requested, the request shall be accompanied by a report from the requesting officer explaining the incident in detail, including all witnesses. If possible, the employee shall present the damaged article for inspection. If the article is replaced, the damaged item will become the property of the City.

Section 2. The Chief of Police will appoint a review board to investigate the request and submit their findings and recommendations for the Chief's decision. The board will consist of one (1) person selected by the Lodge.

Section 3. Repair, replacement or reimbursement will be at the sole discretion of the Chief of Police.

### **ARTICLE 34 GRIEVANCE PROCEDURES**

Section 1. The Lodge or any employee covered under this Agreement may file a written grievance within fifteen (15) calendar days of the alleged occurrence, as hereinafter defined, and shall be afforded the full protection of this Agreement.

Section 2. The Lodge President or his authorized representative may report an impending grievance to the Police Chief in an effort to forestall its occurrence.

Section 3. Any controversy between the employer and the Lodge or any employee concerning the interpretation, enforcement of or application of any provision of this Agreement, shall be adjusted in the following manner:

The employee can pick either the grievance procedure contained in this Article, or can elect to follow the grievance procedure outlined in Article X of the City of Bartlesville Rules and Regulations. The employee shall write up the grievance and include their choice of grievance procedure. The employee shall submit the grievance to either Lodge 117 if they wish to follow the CBA Article 34 grievance procedure or to the Chief of Police, or his designee, if they wish to follow the City Rules and Regulations Article X grievance procedure.

Once the employee presents the grievance to the Lodge Grievance Committee or to the Chief of Police for consideration, no other grievance procedure is allowed. The City of Bartlesville Rules and Regulations requires a grievance to be filed within three (3) workdays after the grievance occurs. The requirement is modified to fifteen (15) calendar days for those employees who elect to follow the City of Bartlesville grievance procedure. All other timing shall be followed.

The choice outlines above does not grant an employee the right to use the Article 34 grievance procedure if the employee does not have that right.

A. If employee chooses the Article 34 grievance procedure and presents the Lodge a grievance, The Lodge Grievance Committee shall determine in its sole discretion and judgment whether or not a grievance exists within the terms and conditions of this Agreement.

- (1) If the Lodge Grievance Committee determines not to proceed further, no further proceedings shall be necessary.
- (2) If the Lodge Grievance Committee determines further proceedings are warranted, the procedure of Section B shall apply.

B. If the Lodge Grievance Committee decides to proceed further, the Committee shall submit in writing this grievance to the Chief of Police for adjustment. In such event, it must be submitted to the Chief of Police for adjustment within fifteen (15) calendar days from the alleged occurrence.

C. The Police Chief or his designee shall submit his answer in writing to the employee(s) involved and to the Lodge Grievance Committee within ten (10) calendar days of receipt. If the grievance is not settled or dropped, the Lodge Grievance Committee shall submit the grievance to the City Manager in writing within five (5) calendar days of receipt of the Police Chief's answer. The City Manager shall respond to the employee and Lodge Grievance Committee within ten (10) calendar days of receipt of the grievance.

D. The above sequence applies to an individual grievant. However, if the Bargaining Agent wishes to file a grievance on behalf of the Lodge, he shall go directly to Section B.

E. If the grievance has not been settled within the above time, it may be submitted for arbitration by either the Lodge or City within sixty (60) calendar days of the City Manager's answer. It is further agreed that an individual employee may not institute arbitration proceedings. If neither party requests that the matter be submitted to arbitration within said sixty (60) day period, the grievance shall be considered dismissed. If arbitration is requested by either

party, then the arbitration hearing must be held within one hundred twenty (120) days from the request by either party for arbitration. If the hearing is not held within said one hundred twenty (120) day period, then the grievance shall be considered moot. In the event the grievance is to be held, the procedure shall be as follows:

- a. Prior to the initiation of arbitration, either party or the parties jointly may notify the Federal Mediation and Conciliation Service to administer grievance mediation in a good faith effort to resolve the grievance. If the grievance remains unresolved, it may be submitted to a grievance arbitrator for resolution by either party or jointly as the case may be.
- b. The party requesting arbitration shall request the Federal Mediation and Conciliation Service to submit a panel of seven (7) arbitrators. The parties shall alternately strike names until one (1) remains. The Lodge shall strike first.
- c. The arbitration hearing shall be informal and the rules of evidence prevailing in judicial proceedings shall not be binding. Any and all documentary evidence and other data deemed relevant by the arbitrator may be considered. The arbitrator shall have the power to administer oaths and require by subpoena the attendance and testimony of witnesses, the production of books, and other evidence relative or pertinent to the issues presented to him for determination.
- d. With respect to the interpretation or application of the provisions of this Agreement, the decision of the arbitrator shall be final and binding upon the parties.
- e. No briefs shall be filed by either party unless jointly agreed otherwise.
- f. The cost of the arbitrator shall be shared equally between the Lodge and City.
- g. All time limits set forth in this Article may be extended by mutual written consent, but if not so extended, they must be strictly observed. If a party fails to pursue any grievance within the time limits provided, he shall have no further right to continue the grievance. If the City fails to respond within the above time limits, said failure shall be deemed a denial of the grievance and it shall be advanced to the next Step.

### **ARTICLE 35 PHYSICAL FITNESS TEST**

It is agreed that City will provide to members represented by the Lodge the same rights, benefits and obligations relating to a physical fitness test and any benefits flowing therefrom as the City grants to other City employee not represented by a Lodge.

### **ARTICLE 36 SAVINGS CLAUSE**

Section 1. If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions of this Agreement

which can be given effect without the invalid provision or application, and to this end, the provisions of this Agreement are severable.

Section 2. It is understood that the foregoing is a complete understanding of all the terms and conditions of employment to be governed by this Agreement during the contract period, and it cannot be altered in any manner, save by the complete written concurrence of the parties subscribed hereto.

Section 3. Any appendices to this Agreement shall be subject to the provisions of this Agreement, and all appendices shall become a part of this Agreement as if specifically set forth herein.

Section 4. It is understood that the time limits found in this Agreement may be extended by mutual written concurrence.

Section 5. Any article or provision that is found to be illegal by current law or become illegal due to future laws shall be renegotiated prior to any changes in policy. These negotiations may be informal and may only serve until the next regular negotiation process, at which time the article or provision in question shall be fully negotiated. These negotiations shall be between the Employer and the President of the Lodge.
