

Special Event Application

The City of Bartlesville welcomes and encourages Special Events. A special event is any activity that occurs on public or private property that affects the ordinary use of parks, public streets, rights-of-way, or sidewalks. Special events may include but are not limited to such activities as arts festivals, filming, fairs, tours, concerts, holiday celebrations, grand openings, certain outdoor business promotional events, bicycle races, runs, walks, parades, marches, processions, and motorcades.

This application must be completed, signed, and submitted to the Community Development Department to process for any required permits and applicable fees. This application is used by multiple departments, which will issue individual permits if needed. Additional requirements may include: safety/security plan, transportation/traffic control plan, approval of other governments and agencies, waste management plan, parking plan, sound impact plan, and outreach to affected neighborhood groups.

Following submission, applicants may be required to meet with City staff. Complete this application with as much information as possible, and staff can assist you from there. **Event sponsors must submit applications at least 45 days prior to the proposed event.**

Please review the following checklist for any necessary documents needed (if applicable):

- ☐ Tent Permit Application
- ☐ Approved Food Permit
- ☐ Certificate of Liability Insurance
- ☐ First Aid Plan
- ☐ Security Plan
- ☐ Traffic Plan (if closing roads or impacting traffic)
- ☐ Race Route
- ☐ Signed Agreements (MOUs, IGAs, etc.)
- ☐ Site Plans (including locations for first aid, trash/recycling, restrooms, crowd control, tents, signs/banners)
- ☐ Number of City-owned Equipment (barricades, trash cans, picnic benches)
- ☐ Parking Plan
- ☐ Communications Plan

Incomplete applications will not be accepted for processing and will be returned to the applicant. Please complete all sections legibly. Completion of this application does not approve your event for this year or subsequent years.

Application Process

Applications and permits, along with any necessary fees, must be submitted to the Community Development Department no later than forty-five (45) days prior to the actual date of your event and may not be received earlier than one year prior to the event. **Keep in mind, submission of an application does not equate to approval or confirmation of your event.** In the case of applications being submitted for similar events on the same date, all submissions are reviewed on a first come, first served basis.

Please do not begin advertising your event until your application is approved and a permit is issued. Delays may occur if your event requires a special meeting, a special route, or additional clarification. We will make every effort to complete the initial review in a timely fashion.

Once approved, it is the applicant's responsibility to coordinate necessary event resources to ensure event success. Approval of your application does not automatically reserve City resources or staff. Please stay in contact with the City throughout your planning process.

Possible Reasons for Denial of Applications and Permits

The City reserves the right to deny a request for a Special Event Permit for any reason, including but not limited to:

- The event will disrupt traffic within the city beyond practical solution.
- The event will unreasonably interfere with access of firefighting equipment and fire hydrants or other first responder needs.
- The location of the event will cause extreme hardship to adjacent businesses or residents.
- The application, permits, and applicable fees were not properly submitted.
- A reoccurring event that did not leave the site clean, pay for City services, notify surrounding businesses and residences, or in any way disregard the application and permits requirements.
- Anything the City of Bartlesville deems unsafe.
- Estimated attendance and event is too large for the requested venue.

Key Points

Alcohol: If alcohol is to be served or sold, sponsors must have an approved Oklahoma ABLE license, as required for the particular type of event, and must comply with City policy on alcohol service.

Event Signs: Permits are required for temporary signs and are a separate approval process managed by the Community Development Department. No signs may be affixed to trees, buildings, or street fixtures or placed in the City's rights-of-way. Applications including signage must submit sign descriptions on the site plan to include the number of signs/banners, location, size, and height of each.

Fireworks: Fireworks are not permitted without approval from the City of Bartlesville Fire Department prior to application submission.

Food Vendors: Permits are required from the Washington County Health Department for all food vendors. These permits must be maintained on-site throughout the event and presented upon request.

Insurance: Prior to issuance of a special event permit, applicants must submit proof of insurance with a minimum of \$1,000,000 personal injury and property damage against all claims arising.

Restrooms/Trash/Cleanup: The City may require event sponsors to provide temporary toilet facilities. Trash must be disposed of in approved containers. Daily cleanup is required. The applicant must clean the right-of-way or public property of all rubbish and debris, returning it to its pre-event condition within 24 hours of the conclusion of the event. Failure to do so will be arranged by the City at the expense of the applicant.

Road Closures and Race Routes: Events that require road closures require City resources. Closure of any major thoroughfare or arterial requires upfront approval from the Bartlesville Police Department.

Parades: An authorized downtown parade route is attached to your application. If you wish to use an alternate parade route, the route must be approved by the BPD.

Security: Public events involving 500 attendees or more may require the hiring of police officers or certified security personnel to provide for security and/or traffic control. Events that require the closure of a major thoroughfare, arterial, or highway may also require the assistance of police officers or certified security personnel.

Smoking: Smoking is not permitted in or on any public facility.

Tents: Applicants shall comply with the requirements of the Fire Marshal for tents over 400 square feet are to be used and demonstrate that the tent is flame resistant by providing a certificate of flame resistance. All tents must have proper weights suited to the size of the tent for each leg. Fire inspections may be scheduled by calling 918-338-4091.

Traffic and Parking: A complete traffic plan with parking and shuttle information must be submitted. Events held on private property should provide parking in private areas. A special exception to allow parking in public rights-of-way may be submitted for review by the BPD, however, approval will only be granted in cases where extreme hardship exists.

Submitting Your Application

Electronically: Email your application and all supporting documents to mmsanford@cityofbartlesville.org. Once your application has been submitted, City staff will contact you via email to discuss your event and any additional requirements necessary.

In Person: Bring your completed application and all supporting documents to the Community Development Department, 2nd Floor, City Hall, 401 S Johnstone Ave. between the hours of 8:30 a.m. and 4 p.m. Monday thru Friday.

Please wait at least two business days before inquiring on the status of your application. Inquiries should be directed to Madison Sanford by email at mmsanford@cityofbartlesville.org or by phone at 918-338-4238.
