NOTICE OF SPECIAL **WORKSHOP** MEETING  
OF THE  
BARTLESVILLE CITY COUNCIL

Monday, April 15, 2024  
Immediately following the  
Bartlesville Special City Council Meeting  
following the Bartlesville Municipal Authority  
Special Meeting beginning at 5:30 p.m.

Mayor Dale Copeland  
918-338-4282

## AGENDA

1. Call to order the workshop meeting of the Bartlesville City Council by Mayor Copeland.
2. Roll call and establishment of a quorum.
3. Citizens to be heard.
4. Discuss the strategic direction of the Adams Municipal Golf Course. Presented by Vice Mayor Curd and Mike Bailey, City Manager.
5. Presentation and discussion on the Bartlesville Comprehensive Plan update, Endeavor 2045. Presented by Larry Curtis, Director of Community Development.
6. Presentation and discussion of the City of Bartlesville proposed budget for Fiscal Year 2024-2025. Presented by Jason Muninger, CFO/City Clerk.
7. Presentation and discussion of the proposed Capital Improvements Program (CIP) Budget for FY 2024-2025. Presented by Micah Siemers, P.E., Director of Engineering.
8. Adjournment.

The Notice of Meeting and Agenda was received in the Office of the City Clerk and posted in prominent public view at City Hall, Bartlesville, Oklahoma on April 11, 2024 at 5:30 p.m.

\*Live Streaming: <https://www.cityofbartlesville.org/city-government/city-council/webcast/>

\*Televised on Sparklight Channel 56

\*Workshop portions of City Council meetings will not be live streamed or televised. The public is welcome to attend in person.

**Open Meetings Act Compliance (25 O.S. Sec. 301 et seq.):** all discussion items are subject to possible action by the City Council. Official action can only be taken on items which appear on the agenda. The City Council may adopt, approve, ratify, deny, defer, recommend, amend, strike, or continue any agenda item. When more information is needed to act on an item, the City Council may refer the matter to the City Manager, Staff or City Attorney, or back to a committee or other recommending body. Under certain circumstance, items are deferred to a specific later date or stricken from the agenda entirely. Agenda items requiring a public hearing as required by law will be so noted. The City Council may at their discretion change the order of the business agenda items. City of Bartlesville encourages participation from all its citizens. If participation at any public meeting is not possible due to a disability, notification to the city Clerk at least one working day prior to the scheduled meeting is encouraged to make the necessary accommodations. The City may waive this rule if signing is not the necessary accommodation.

Agenda Item 4.

Report will be provided at the meeting.

**I. SUBJECT, ATTACHMENTS, AND BACKGROUND**

Presentation and discussion on the Bartlesville Comprehensive Plan update, Endeavor 2045.

Attachment: Vision Statement and Guiding Principles

**II. STAFF COMMENTS AND ANALYSIS**

The City's consultant, Halff Associates, Inc., is presenting a progress report on Endeavor 2045, the update to the community's Comprehensive Plan, including a proposed Vision Statement and Guiding Principles (see attached), initial community assessment and public outreach findings, and initial market demand findings.

Endeavor 2045 is one of the action steps in the city's Strategic Plan, Bartlesville NEXT, to accomplish the strategic priorities of Economic Vitality and Community Character for the community. One of the key objectives within the Economic Vitality priority is the reevaluation of the city's development regulatory policies, to ensure all rules, regulations, and processes align with best practices and reflect the character of the community. A key objective within the Community Character priority is the development and maintenance of healthy lifestyle options as a segment of our parks, recreation and transportation systems. The updated comprehensive plan, Endeavor 2045, will provide the basis for achieving these objectives, and more. It will provide guidance to residents, developers, businesses, institutions, stakeholders, city policymakers and staff, for the physical, economic, and social development of Bartlesville over the next 20 to 30 years.

**III. RECOMMENDED ACTION**

No action required at this time. This item is informational only.

## MEMO

**TO:** Greg Collins, Special Projects Coordinator, City of Bartlesville  
**FROM:** Christian Lentz, AICP, CNU-A, Project Manager, Halff  
**Cc:** Jordan Evans, AICP, CNU-A, Deputy Project Manager, Halff  
**DATE:** April 8, 2024  
**RE:** **Endeavor 2045: Vision Statement and Guiding Principles**

---

### **Our Vision**

The Endeavor 2045 vision is a statement of intent that expresses Bartlesville’s objective to position itself as a leading community of choice for residents, visitors, and investors. Our vision statement is aspirational and serves as a focal point upon which to direct our shared efforts to ensure long-term community health and prosperity.

Our vision statement reflects common themes that were identified during Endeavor 2045’s community outreach process and incorporates the feedback of residents, community champions, City staff, the CPAC, and members of City Council. Corresponding guiding principles identify how we will position our community to realize our vision while anticipating and adapting to change.

**“Bartlesville is a dynamic leading community of choice that endeavors to create opportunity for residents, business, and industry to innovate and prosper.”**

### **Future Bartlesville**

We will promote development patterns in Bartlesville that maximize our market potential while creating quality spaces that generate shared community pride and ensuring the long-term fiscal viability of public assets.

### **Prosperous Bartlesville**

We will foster a prosperous city where businesses thrive, jobs are abundant, and innovation drives growth. By investing in infrastructure, education, and technology, we will strive for sustained prosperity through the diversification of our economic portfolio.

### **Livable Bartlesville**

We will uplift our residents through the provision of quality neighborhoods, safe public spaces, adequate healthcare, vibrant parks and public spaces, and engaging events and recreational opportunities.

### **Natural Bartlesville**

We will act as stewards to our open spaces and natural resources. Public services and infrastructure will be provided in a manner that emphasizes an intentional balance between enabling community growth while protecting the natural environment.

**CITY OF BARTLESVILLE**  
2024-25 Operating Budget  
Organizational Chart

# ***THE CITY OF BARTLESVILLE***

**Office of the City Manager**

401 SE Johnstone

Bartlesville, OK 74003

---

April 11, 2024

The Honorable Mayor and City Council Members  
City of Bartlesville  
Bartlesville, Oklahoma

Mayor Copeland and Council Members:

It is my pleasure to present to you the budgets for the City of Bartlesville and the Bartlesville Municipal Authority for the fiscal year starting July 1, 2024 and ending June 30, 2025 (FY 2024-25). The review and adoption of the budget is one of the most important duties that the City Council performs. The budget is compiled, reviewed, and approved at this time every year because:

1. State law requires it (Title 11, Section 17-201 through 17-216);
2. The City Charter requires it (Article 10, Section 1 through 7); and
3. Prudent financial practices and our obligation to be good stewards of taxpayer funds demands it.

## **Introduction**

Once again, we find the future of our region, state, and country to be somewhat clouded by factors well beyond our control. However, those factors that most influence the operation of our local government, sales tax, use tax, economic development, and relationships with business partners, are all reasons for optimism. Additionally, with the adoption of our Bartlesville NEXT strategic plan, our path forward has never been clearer.

In the next several months, we will again look at our Bartlesville NEXT plan and develop additional goals to continue improving our community and organization. Provisions for some of these as yet unidentified objectives are included in this budget along with funding for major objectives already identified in the plan.

While the Bartlesville NEXT plan lays out a long-term plan for our community and organization, the budget is the Council's annual planning tool that allows for the execution of our policies and plans. By adopting this budget, the Council provides direction and focus, and allocates resources to City staff for the next year.

This policy document is one of the most important functions of the City Council, and it is with great respect that I once again present a draft budget for your consideration.

## Page 2

### Revenue

#### Sales and Use Tax

Over the last 10 years, the City's most important revenue source, sales tax, has undergone many ups and downs, which has resulted in service contractions and expansions to the citizens of Bartlesville. All City services were affected, and most departments suffered staffing decreases, including streets, parks, fire, police, and many other departments.

As we enter fiscal year 2024-25, our main revenue concern, as it is in most other years, is sales tax. The performance of sales tax in Fiscal Year 2023-24 was historic, and we expect to finish the year about \$30 thousand ahead of the previous fiscal year, which also produced record sales tax collections. However, despite the tremendous growth in sales tax over the last few years, there are still many unanswered questions for the near future, including:

- How much of our growth in sales tax was caused by inflation?
- Did increasing labor costs provide more money for citizens to spend, resulting in higher sales tax?
- What effect will the Fed raising interest rates have on the economy, and will the Fed continue to raise rates now that inflation appears to be cooling?
- Will the combination of all of these factors (inflation, labor cost inflation, labor pool shrinkage, and rising interest rates) lead to a recession?
- With all of the preceding factors considered, what do we believe a recession would do to sales tax revenues in the next fiscal year?

As with previous years, we have taken a conservative approach to estimating sales tax results, and due to the uncertainties mentioned above, we are budgeting for a 1.5% overall decline in sales tax from fiscal year 2023-24 to fiscal year 2024-25. This provides a \$349-thousand-dollar decrease in sales tax across the entire organization.

Our newest source of revenue is our use tax that went into effect on Jan. 1, 2023. Use tax is a companion tax to sales tax that was intended to close any loopholes in the sales tax law. In its simplest terms, use tax applies to anything that would have normally been subject to sales tax that didn't get charged sales tax. These transactions range from business assets purchased out of state to the more common online purchases.

We have now received twelve months of use tax at this point and have been pleasantly surprised by the results. In fiscal year 2023-24, we estimated that use tax would provide about \$2.5 million total, but actual results have far exceeded these early estimates. We now expect to receive about \$4.8 million in 2023-24. Based on these results, we are estimating \$4.5 million in Fiscal Year 2024-25.

**Utility Revenue**

The City completed a comprehensive water and wastewater rate study in fiscal year 2020-21. The study included recommendations for new rates sufficient to support the operations of the system and capital fees to support mandatory improvements to the system. These new rates were effective for customers inside and outside our city limits, and were phased in over a five-year period. The City Council adopted the first year of the five-year rate structure effective on July 1, 2022, and later adopted a slightly modified version of our rate structure for years two through five of the plan. The fourth phase will go into effect with the fiscal year 2024-25 budget.

A summary of the increases for average residential customers is included below:

**Water Rates:**

- Water base rates will not increase
- Water incremental rates will not increase
- Water capital investment fees will increase by about 15.6%

**Wastewater Rates:**

- Wastewater base rates will increase by about 10.4%
- Wastewater incremental rates will increase by about 5.1%
- Wastewater capital investment fees will increase by about 7.2%

**Sanitation Rates:**

- Sanitation cart rates will increase by about 5.2%
- Sanitation commercial rates will increase by about 10%

**Economic Outlook**

The same factors that influenced our sales tax estimates are impacting the rest of our local economy as well. There is increased competition for labor, which is resulting in a higher cost of labor. This is providing more income for our residents, but it has the potential to hamper business growth. Regardless, there are signs of growth in both our retail and primary jobs sectors.

Our restaurant offerings have increased over the last few years with the addition of a Schlotzsky's, Tropical Smoothie Café, Scooter's Coffee, HTeaO, Bricktown Brewery, Whataburger, Jimmy's Egg, Remi's Arcade, Palace Rooms, and Lollipops Woodfire and Grocery. Existing restaurants have also undergone substantial upgrades and expansions, including Luigi's, Wendy's, and McAlister's. This growth has fueled a facelift for some of our most prominent properties, and discussions about additional retail offerings in the next year are again positive.

## **Page 4**

Primary job opportunities have also exploded over the last year. The Bartlesville Development Authority and the City Council approved major incentives for new businesses Lincoln Electric and Blue Whale and another major expansion of ABB. These three opportunities are expected to bring 230 new jobs to our community. Additionally, Buffalo Roam continues to make progress on their project to renovate the historic First Christian Church facility into a state-of-the-art sound stage and film academy.

In addition to this economic growth, there has been tremendous growth in our housing stock, but demand continues to outstrip supply for residential real estate. DR Horton has constructed around 100 new homes in the Park Place and Bison Trails additions. Brent Taylor has completed the infrastructure for 113 lots in the Stone Branch 3<sup>rd</sup> addition and construction of new homes has begun. Most recently, the City Council approved a PUD (Planned Unit Development) for the Oak Wood Addition of Oak Park. This development should provide over 100 new homes and is expected to begin within the next several months.

Overall, our economy appears to be performing well, but the same concerns addressed above related to sales tax could weigh on our local economy as well.

## **Personnel**

### **Staffing Levels**

Staff is proposing to add six new positions to the City of Bartlesville to meet the most prominent needs of our growing community. Four of these added positions will be funded through staffing reductions in other areas.

One of the fastest growing internal responsibilities of the City are the increased demands related to expanding information technology. As such, we are proposing to add an application specialist to our IT staff. This position will be responsible for managing all of the applications of the City of Bartlesville. Many of these are internal facing systems that allow us to perform our daily functions, but there are also a number of outward facing systems used directly by citizens including utility billing, our GIS mapping system, permit applications, criminal reporting systems, and our new app to name a few.

We are also proposing to add a new project engineer. This position will consolidate a number of disparate functions that currently occupy a large amount of time for Directors and other project managers. The most critical functions that will be performed by this position are plan reviews, storm water permitting, flood plain permitting, and project design and oversight. Plan reviews are currently conducted by our Director of Engineering and our Director of Water Utilities. This function includes reviewing development plans for necessary public and utility infrastructure and participating in multiple predevelopment meetings. These Director's schedules make attendance at these meetings and the necessary follow-ups difficult to schedule.

## Page 5

The permitting aspects of this position are a responsibility assigned to us by other regulatory agencies, and as with other regulatory responsibilities, they are growing in requirements and complexity. The remainder of this position's time will be spent on engineering, design, and project oversight which should save money currently spent on contracted design services.

We are also proposing to add 4 dispatchers to our emergency dispatch staff. The growing volume of calls and first responders served will soon exceed our ability to service with our existing number of dispatchers. We already have the stations necessary to add the dispatchers, so there will be no added capital costs. The cost of this addition will be offset by a reduction in patrol officers in the Police Department. With the addition of new specialized units and reorganization of the department, we believe that these vacant positions can be eliminated without adversely impacting public safety.

All staffing level changes are described below:

- Addition of one applications specialist in the IT department.
- Addition of one project engineer in the Engineering department.
- Addition of four dispatchers in our E-911 department.
- Reduction of three vacant patrol positions in the Police department

## Compensation

As we entered this budget, our highest priority was to ensure that the wages for our employees stayed competitive in this market of increasing labor competition. In the last several years, the Council has authorized cost of living and merit increases that have allowed us to continue recruiting and retaining critical talent. However, coming into this year, we had still fallen 3% behind the rate of inflation, and inflation has increased by another 3% this year. As a result, we are proposing a 6 percent COLA and 2.5 percent merit increase for all eligible employees.

We are still in negotiations with the fire union, and as with previous contracts, we expect to provide increases that will bring our employees above the average of their peers in similarly sized cities. We believe that the raises offered to general employees will accomplish this and hope that a contract can be negotiated to reflect this. These increases are expected to cost about \$1.16MM in the General Fund and \$494K across the rest of the organization.

## Additional Compensation Programs

In addition to the standard compensation increases described above, we are proposing to continue both of the new programs that were added last year. These included an employee bonus program that provided \$250 per employee to be given in November 2024, and recognition and award bonus program that reward our highest performers. Both of these programs were well received by our employees and have been very successful. We intend to offer both of these to our unionized employees as well. These proposals are estimated to cost \$95K.

**General Employee Retirement**

In FY 2009-10, the City terminated new enrollment in our traditional defined benefit (DB) retirement plan and replaced it with a more cost-effective and predictable defined contribution (DC) plan. Existing employees were allowed to retain their status in the DB plan, but all new employees automatically participate in the DC plan. This has allowed the City to better control our retirement costs. However, the DB plan still has a significant “unfunded actuarial accrued liability” (UAAL). This is a comparison of the plan’s total long-term assets less its total actuarial liability.

This UAAL is typically funded over a fixed period of time (generally 30 years after the establishment of the plan) but varies greatly in response to market gains/losses, investment returns, and actuarial assumption changes. The City’s UAAL currently stands at \$1.7MM and our plan is now 93.86 percent funded. Due primarily to factors discussed in the following paragraph, this is a significant improvement from the previous fiscal years.

To help offset this UAAL in a more expedient manner, the City has been contributing more than the required amount toward our retirement plan. The City’s funding history and other information for the defined benefit plan is included below:

Fiscal Year	Required Contribution Funding					City's Actual	UAAL	FUNDED RATIO
	Retiree Medical	Defined Benefit	Total	Less Employee	City's Required			
FY 2014-15	1.02%	25.66%	26.68%	6.00%	20.68%	22.00%	7,924,051	60.60%
FY 2015-16	0.83%	25.94%	26.77%	6.00%	20.77%	22.00%	7,104,071	64.94%
FY 2016-17	0.84%	25.46%	26.30%	6.00%	20.30%	22.00%	6,592,350	69.82%
FY 2017-18	0.82%	26.17%	26.99%	6.00%	20.99%	22.00%	6,267,287	72.60%
FY 2018-19	0.12%	25.20%	25.32%	6.00%	19.32%	20.32%	5,408,146	76.67%
FY 2019-20	0.00%	23.95%	23.95%	6.00%	17.95%	18.95%	4,867,658	79.90%
FY 2020-21	0.00%	25.95%	25.95%	6.00%	19.95%	19.95%	4,461,762	82.22%
FY 2021-22	0.00%	27.92%	27.92%	6.00%	21.92%	22.92%	4,977,374	81.36%
FY 2022-23	0.00%	23.53%	23.53%	6.00%	17.53%	19.53%	2,697,891	89.80%
FY 2023-24	0.00%	21.81%	21.81%	6.00%	15.81%	17.81%	1,697,419	93.70%
FY 2024-25	0.00%	22.03%	22.03%	6.00%	16.03%	17.00%	1,728,982	93.86%

The swift improvement in the City’s UAAL and Funded Ratio can be directly attributed to our policy of intentional overfunding. This policy has allowed us to stabilize the funding requirements for the retirement plan. It is important to note that while the plan’s required contributions have decreased slightly over the prior year, the annual cost of this plan has actually decreased from \$953,743 in FY 2023-24 to \$935,439 in FY 2024-25. This is a decrease of \$18,304 in the last year.

In the current year, Staff is recommending that we contribute 1 percent more than is recommended in the “actuarial required contribution.” The recommended employer’s portion is 16.03 percent of covered payroll.

**Reserve Status**

During the recent economic downturn, it became evident that a more effective and consistent method of accumulating reserve funds was needed. With the guidance of the City Council, staff established several mechanisms that will aid in the City’s future financial stability. These were the creation of the Stabilization Reserve Fund, Capital Reserve Fund, Auto Collision Insurance Fund, and the formalization of inner-fund reserve policies.

The following schedule details the recent history of the Stabilization Reserve Fund’s levels.

	FY 2019	FY 2020	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	Total Balance	% of Budget
	<u>Contributions</u>	<u>Contributions</u>	<u>Contributions</u>	<u>Contributions</u>	<u>Contributions</u>	<u>Contributions</u>	<u>Contributions</u>		
General Fund	\$ 441,899	\$ 471,846	\$ 1,495,895	\$ 538,879	\$ 1,354,469	\$ 901,017	\$ 1,130,524	\$ 9,867,042	27.5%
Wastewater	86,503	88,230	92,945	93,567	102,430	106,831	117,301	1,311,390	22.4%
Water	129,242	126,879	136,225	143,830	163,442	179,340	191,928	2,189,832	22.8%
Sanitation	85,204	80,501	88,396	95,244	102,302	104,586	110,390	1,407,304	25.5%
Total	<u>\$ 742,848</u>	<u>\$ 767,456</u>	<u>\$ 1,813,461</u>	<u>\$ 871,520</u>	<u>\$ 1,722,643</u>	<u>\$ 1,291,774</u>	<u>\$ 1,550,143</u>	<u>\$ 14,775,568</u>	

The City’s stabilization reserve policy calls for a contribution equal to 2 percent of the operating budget of these four funds until the maximum level is reached. We are proposing to exceed this minimum contribution level by adding an additional \$412,299, which will move us towards the maximum level defined in our ordinance more quickly. The maximum level is defined as 35 percent of the operating budget of the fund. The minimum level set by the ordinance is 16 percent of the operating budget of the fund. As you can see from the results above, all funds have now reached the minimum level but are years from the maximum level.

**Summary**

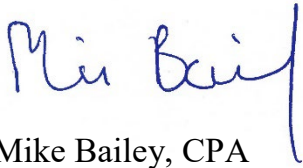

The attached budget attempts to address the myriad challenges we currently face while preparing for an uncertain future. I am confident that this conservative budget strikes an excellent balance between fiscal prudence and operational excellence. I look forward to updating our strategic plan and continuing to improve our organization and service to our citizens over the next year.

**Page 8**

It is important to point out that this budget is not just the City Manager's budget. This policy document is the result of hours of research, hearings, and work from a talented and dedicated group that includes the City Council, directors, staff, and advisory groups. I would also like to issue a special word of thanks to CFO Jason Muninger and Finance Supervisor Alicia Shelton, without whom the quality and accuracy of this document would not be possible.

Sincerely,

Mike Bailey, CPA  
City Manager

***CITY OF BARTLESVILLE***  
2024-25 Operating Budget  
A Brief History of Bartlesville, Oklahoma

**Bartlesville's Beginnings...**

Back in 1870, when northeast Oklahoma was home to mostly the Osage, Cherokee, and Delaware Indian tribes, an Indian trader name Nelson Carr opened a trading post on the north side of the Caney River. And so the legend of Bartlesville began.

In 1873, Jacob Bartles – a Civil War veteran who saw an opportunity in Indian Territory - bought the mill from Carr and expanded the facility into a flourmill and eventually a general store and home for his family. Bartles was married to the Delaware Indian Chief Charles Journeycake's daughter, Nannie Journeycake Pratt. His marriage allowed him to be a business owner in Indian Territory.

William Johnstone and George Keeler also came to the area in the early 1870's. Both gentlemen took Delaware Indian brides. After working for Bartles, the two struck out on their own and built a general store on the south side of the river.

Within a few years the area around the Johnstone-Keeler store had grown to include other businesses and dwellings. The population grew to nearly 200 as settlers moved to the area. Bridges and railroads came to town, along with merchants, a drugstore, and a school. On January 15, 1897, Bartlesville, Indian Territory, became incorporated as a first class city, taking its name from its early settler and businessman.

Soon the railroad arrived and established a depot. The Johnstone-Keeler settlement moved towards the depot and began to build along current Second Street. As the city grew south of the Caney River, Bartles was disappointed by his failure to secure the railroad station on the north side of the river. He moved his store three miles north to what is present day Dewey, named after Admiral George Dewey whose Spanish-American War victory at Manila Bay was current news.

**The Boom...**

It was Keeler and fellow traveler, Jasper Exendine, who found another key to Bartlesville's future—oil. Keeler had noticed rainbow sheens on the area creeks and believed that there was an untapped oil supply beneath the Caney basin. Keeler was right. In the spring of 1897, the first commercial oil well in what is now the state of Oklahoma—the Nellie Johnstone No. 1—blew in as a gusher. Nellie Johnstone was the Delaware maiden who owned the land where the well was discovered.

Attracted by the oil boom, Frank and L.E. Phillips, two brothers raised on an Iowa farm, came to Bartlesville in 1904. They hit a gusher north of Bartlesville, followed by 80 straight

producers. The two founded Phillips Petroleum Company in 1917. It grew to become Bartlesville's largest employer and one of the nations top oil companies.

Armais Arutunoff, a Russian immigrant, was another Bartlesville pioneer. At the urging of the Phillips brothers, Arutunoff came to the community with his invention—an electric pump that pumped oil from deep in the ground. His efforts eventually became REDA Pump.

**Today...**

Bartlesville is proud of the many attractions and assets that continue the legend of exploration and innovation, including museums, dramatic architecture, art collections, scenic prairie life, and world-renowned events. With a balanced mixture of natural resources and abundant space, Bartlesville has grown to be the home of more than 37,000 people as well as industrial giants Phillips 66, ConocoPhillips, Schlumberger REDA Production Systems, and ABB Total Flow. Since the early days, the economic foundations of Bartlesville area business have been natural gas, oil, agriculture, and ranching.

**Our Future...**

Bartlesville begins its second century with industrial and economic growth while remaining proud of its Native American Indian and western heritage. From its frontier trade and petroleum beginnings to its present diversity of manufacturing, research, ranching, and commerce, the Bartlesville area presents a unique blend of cosmopolitan attitude mixed with neighborly friendliness. Located in the heart of America's Sunbelt, the city's schools, library, and civic organizations continually produce the finest students, forums, and cultural events in the region. With such a rich heritage as its foundation, Bartlesville's growth and future will no doubt be legendary as well.

### Local Attractions

Will Rogers said, “Of all the places in the United States, **Woolaroc** is the most unique.” The country estate of oil baron Frank Phillips, founder of Phillips Petroleum Company, got its name from the **WOODs**, **LAKes**, and **ROCKs** that are indigenous to the area. This rustic environment served as a one-of-a-kind entertainment venue. “Uncle Frank” hosted U.S. Presidents, wealthy Eastern investors, dignitaries, Indians, tycoons, movie stars, lawmen, and outlaws alike on his sprawling ranch southwest of Bartlesville. From early spring to late fall, the North Road Tour features a five-mile drive through some of the most beautiful portions of the Woolaroc preserve. This tour includes a stop at an authentic restoration of an 1840s Trader's Camp where true to life mountain-men offer a glimpse of early settler living.

Visitors can experience nature’s beauty while smelling the clean, fresh air of the Osage Hills and listening to the peaceful sounds of the streams running through this 3,700 acre wildlife preserve. There is also a museum, which houses over 55,000 pieces including some of the Southwest’s greatest collections of western and worldwide art, relics, and exhibits that tell the alluring story of the American West.

Frank Lloyd Wright called this masterpiece the “tree that escaped the crowded forest” when he completed it for the H.C. Price International Pipeline Company in 1956. The **Price Tower** is Frank Lloyd Wright’s only built skyscraper. The combination apartment-office building received the American Institute of Architects 25-year Award and is on the National Register of Historic Places. The Price Tower Arts Center offers a variety of traveling art exhibitions and permanent exhibitions on Wright, Bruce Goff and the Price Company and Tower. Recent renovations by architect Wendy Evans Joseph have created an upscale 21-room boutique inn called Inn at Price Tower. With the creation of this inn, Frank Lloyd Wright enthusiasts can have the opportunity to overnight in a Frank Lloyd Wright building. Also on the premises and open for business is the Copper Restaurant & Bar, creating a fine dining experience for Bartlesville natives and visitors alike. Future plans for the Price Tower Arts Center include an expansion of their educational program. The Price Tower Arts Center has currently commissioned world-renowned architect, Zaha Hadid, to create the new complex that will adjoin the Price Tower, complementing the symmetrical design of Frank Lloyd Wright. The Price Tower is an architectural jewel that attracts visitors from around the world, not only for the architecture, but also for its world-class exhibitions.

### **Local Attractions**

(continued)

Unity Square is a pet-friendly outdoor space located in Downtown Bartlesville featuring beautiful landscape's, an amphitheater, and an interactive water feature. The lawn at Unity Square is a local meeting space for community events, an outdoor exercise space and concerts.

Experience the sumptuous residence of oil baron Frank Phillips, founder of Phillips Petroleum Company, and his family. Designed by architect Walton Everman, the **Frank Phillips Mansion** was completed in 1909 and occupied by the Phillips until their deaths. Preserved by the Oklahoma Historical Society, this National Register Historic Site reflects the family life of one of the legends of the Oklahoma oil industry. The mansion, which underwent a \$500,000 renovation in 1930 in the midst of the Depression, reflects an opulent

yet comfortable lifestyle.

The **Center** houses an acoustically superb performance hall that seats over 1,700; the world's largest cloisonné artwork, a mural that is 25 feet long which depicts a stylized northeastern Oklahoma countryside; the Lyon Art Gallery; and serves as the primary site of Bartlesville's premiere arts event - The OK MOZART International Festival.

The site of many of Bartlesville's cultural arts and events, this graceful and beautiful Taliesin West-The Frank Lloyd Wright Foundation designed Community Center is a valuable asset to the Bartlesville cultural arts community.

The **Foster Mansion (La Quinta)** was designed in 1930 by noted Kansas City architect Edward Buehler Delk. H.V. Foster, once known as the wealthiest man west of the Mississippi, located his new home on 152 acres, three miles from the center of town. The 32-room, Spanish style mansion has 14 bathrooms and 7 fireplaces. Construction was completed in 1932 and it served as the family home until Mr. Foster's death in 1939. After that time, La Quinta served, consecutively, as the home of a military school, Central Christian College and Central Pilgrim College. The Wesleyan Church now owns and operates Oklahoma Wesleyan

University, an accredited, four-year liberal arts college. La Quinta is the focal point of the campus and serves as the library and administration facilities for the school. La Quinta is listed on the National Register of Historic Places.

The **Bill Doenges Memorial Stadium** began its life as the Bartlesville Municipal Athletic Field on May 2, 1932. The original stadium was built at a cost of about \$30,000 and could seat approximately 2,000 people. The stadium has been used by many teams through the years including a minor league team in the KOM (Kansas, Oklahoma, Missouri) League. Through the years, the stadium was famous for being the only professional ball park in the world with the same distance (340 feet) to the fence anywhere in fair territory. Today, home

plate has been moved and the field is no longer perfectly symmetrical. In 1997, Bartlesville Municipal Athletic Field was renamed Bill Doenges Memorial Stadium in honor of Mr. Doenges' nearly sixty years of generous support to Bartlesville and the American Legion baseball program. In 1997, a major renovation of the stadium was undertaken. Utilizing volunteers and both public and private support the stadium was transformed into a beautiful modern ballpark capable of comfortably seating 2,500 spectators. In 2003 and 2007, the stadium was chosen as the site for the prestigious American Legion World Series.

Golfers can test their skills at the recently renovated 18-hole **Adams Memorial Golf Course**. Architect Mark Hayes designed the \$1.1 million, 2000-2001 renovations. The course meanders through the beautiful Eastern Oklahoma terrain that is interwoven with Turkey Creek. The creek has been coffer dammed to provide beautiful ponds that come into play on 12 of the 18 holes. The fairways and rough are Bermuda grass and the greens are Pen Cross Bent for a fast pace of putting. The “practice facility” is new and one of the finest in the Midwest. It includes practice putting greens, a chipping green, practice bunkers, and a 25-station driving range with target greens.

## 2024-25 Operating Budget

### Local Attractions

(continued)

The past is remembered, and vividly alive at **Prairie Song**, a recreated 1800's pioneer village museum. The village features a two-story saloon, Scudder Schoolhouse, Wildwood Chapel, cowboy line shack, homestead cabin, post office, trading post, school marm's house, rock jail house, covered bridge, rock depot and much more. Each structure was built with hand-hewn Arkansas "bull pine" and Missouri red and white oak. Prairie Song has been restocked with Texas longhorns, the original breed of cattle driven up the trail. Visitors can enjoy a glimpse of life from days gone by as they watch the longhorn cattle graze on the bluestem prairie that has never been touched by the steel plow. This lifelike replica of a pioneer village stands in the midst of an authentic working ranch from the late 1800's and shows life, work, and play as it was in those days.

Visitors to historic **Johnstone Park** can enjoy viewing a replica of the **Nellie Johnstone #1**, the first commercial oil well drilled in what is now the state of Oklahoma on April 15, 1897. The replica marks the spot of the original site. The Nellie Johnstone #1 gets its name from a young Delaware Indian maiden who owned the land on which the well was discovered.

Soon visitors will be able to experience the early days of the oil industry first hand with the development of the "Discovery 1" park featuring working gushers and hands on experiences. The park is the former home of the only **Santa Fe engine 940 series** in existence,

but it has now been relocated to the City's historic **Santa Fe Depot** at 2<sup>nd</sup> and Keeler. The 900-class/940 series were the first locomotives to burn fuel oil instead of coal and were synonymous with the Santa Fe engine. Built by Vulcain, this Santa Fe engine, built in 1903,

was originally a compound steam locomotive, and later converted to a simplified locomotive that could burn diesel. In addition to the engine, a caboose has been added and an oil car will soon make its debut. It has 2/10/2 wheels (2 pilot, 10 drivers and 2 trailing). Also to be seen at the park is the restored **Hulah Santa Fe Depot** (a #1 Santa Fe Depot), built in 1923. Both have been relocated to Johnstone Park as reminders of the important role each played in the development of the area.

Bartlesville is perhaps best known for its role in the development of our nation's oil industry. While there were many major energy companies who got their starts in Bartlesville, the most important to the Bartlesville area was Phillips Petroleum Co.

## **The birth of a giant...**

On June 13, 1917 the Phillips Petroleum Company was incorporated under the laws of Delaware. This auspicious occasion was due mostly to the work of the new company's soon to be president, Frank Phillips, and his brother L.E. Phillips. Frank was a man of great vision

Board of Directors and Stockholders board a special train in April 1919

who excelled at predicting the changes in market forces and at obtaining creative financing for his new company. Frank saw the news of increasing automobile production, the use of mechanized war equipment in World War I, and the increase in use of commercial aircraft as more than just sensational news. He saw this as opportunity.

## **The first decade...**

and after World War I, demand far outstripped supply and oil prices reached peak levels. By the end of 1923, Phillips Petroleum Company's net daily production approximated 25,000 barrels of crude oil, 100,000 gallons of natural gasoline, and 24,000,000 cubic feet of natural gas.

Frank knew that more needed to be done in order to position his company to take advantage of the promising crude oil and energy market. During

Through the tireless efforts of Frank Phillips and his successors, such as K.S. Adams and others, Phillips Petroleum Company was able to expand upon Frank's vision of a vast Midwest territory to include nearly the entire continental United States. From its first uniquely styled cottage filling station which opened on November 19, 1927 in Wichita, Kansas, the Phillips 66 brand has expanded to include more than 10,000 filling stations across the United States. Always at the forefront of innovation, the Phillips Petroleum Company has received more than 15,000 U.S. Patents to date.

1<sup>st</sup> Phillips 66 Filling Station

# ***CITY OF BARTLESVILLE***

## **2024-25 Operating Budget Local Attractions (continued)**

### **The reformation...**

In 2000 the Phillips Petroleum Company began to aggressively reshape itself once again. Through joint ventures and multiple acquisitions, Phillips Petroleum Company grew to national prominence.

Phillip's Complex with distinctive Phillips' Tower shown in both pictures. The tower was originally built as an addition to the original Phillip's building. The tower still stands today, even though the original building has long since been demolished and replaced. *(Picture on left courtesy of the Bartlesville Chamber of Commerce)*

One of the largest changes in Phillips Petroleum Company's remarkable makeover came on August 30, 2002 when Phillips Petroleum Company and Conoco Inc. formally merged to form one of the world's largest energy companies, ConocoPhillips.

The most recent change occurred on May 1, 2012 when ConocoPhillips spun off its downstream operations into a company whose name resonates with Bartlesville heritage...Phillips 66. Due to this recent change, Bartlesville is now home to the global services for two of the world's most recognized energy companies.

## **2024-25 Operating Budget Financial Policies**

The City of Bartlesville has a set of formal and informal financial policies, listed below, that are used to set guidelines for the financial management of the City. These policies help to guide the City's financial staff and the City Council during the budgetary and financial decision making process.

- Prepare an annual budget according to the "Budget Act" of the State of Oklahoma that is submitted to the Council for approval and made available to all citizens of the City of Bartlesville.
- Manage the City's cash flows to minimize the loss of investment revenues during short-term cash shortages.
- Provide for sound financial planning to maintain adequate reserves in all operating funds. In FY 2011, the City adopted an ordinance establishing the Stabilization Reserve Fund and Capital Reserve Fund. The Stabilization Reserve Fund must be funded by a minimum annual contribution equivalent to 2% of non-capital operating expenses for the General, Water, Wastewater, and Sanitation Funds. The use of any resources deposited in the Stabilization Reserve Fund is restricted by the ordinance and requires a 4/5<sup>th</sup> vote of the City Council. The Capital Reserve is funded in accordance with the needs of long-term capital plans for the Water, Wastewater, and Sanitation Funds.
- Maintain adequate financial records and documentation to provide for a cost effective audit and positive auditor's opinion.
- Maintain a sound financial condition through careful planning to obtain the highest possible bond rating. The City's bond rating was upgraded in fiscal year 2007-2008 to AA- and still maintains this rating today. This is one of the highest bond ratings for a municipality in the State of Oklahoma with only two other municipalities receiving any A rating.
- Monitor the budget to maintain necessary flexibility to meet the needs of the City as a whole.
- Maintain a balanced budget by paying for all current year operating expenses from current year revenues and/or available fund balance.
- Monitor all debt service reserves for compliance with the active debt covenants of the City.
- Maintain a positive cash balance in all operating funds at year-end.
- The City of Bartlesville adopted the "Municipal Budget Act," a provision of State Statute located at §11-17-201 through §11-17-216.

# ***CITY OF BARTLESVILLE***

## **2024-25 Operating Budget Budget and Accounting Process**

### **THE BUDGET PROCESS**

The City of Bartlesville, Oklahoma is a municipal corporation incorporated under a Municipal Charter pursuant to Article XVIII of the Constitution and laws of the State of Oklahoma. The City operates under the Council-Manager form of government and provides such services as are authorized by its Charter to advance the welfare, health, morals, comfort, safety, and convenience of the City and its citizens.

The City's major activities or functions include police and fire protection, parks and libraries, public health and social services, planning and zoning, and general administrative services. In addition, the City owns and operates four major enterprise activities: the Water, Wastewater, and Sanitation utility systems as well as the Adams Golf Course.

### **BASIS OF PRESENTATION**

The City prepares its annual operating budget on a basis ("Budget basis") which differs from Generally Accepted Accounting Principles ("GAAP basis"). The Budget basis that the City uses differs from GAAP in two significant ways. The first is that the City uses modified cash basis, another comprehensive basis of accounting ("OCBOA"), for its Budget basis. GAAP basis requires the use of modified accrual for governmental funds and full accrual for fiduciary, internal service, and proprietary funds. The modified cash basis of accounting is based on the cash basis of accounting, which only records transactions arising from cash activities. Cash basis financial statements have only one asset, cash, and no liabilities. Investments, inventory, capital assets, and prepaid expenses are all considered as a cash disbursement (cash basis equivalent of an expense) at the time of payment. Most liabilities are not recognized, since they do not arise from a cash transaction. The City modifies the strict cash basis of accounting to include investments, accounts payable, and accounts receivable as assets and liabilities.

The second major difference is in the treatment of encumbrances. A government is required to encumber funds prior to committing to a purchase. In GAAP, these encumbrances are treated as a reservation of fund balance, but the City's Budget basis treats encumbrances the same as expenditures. This means that the available budget at any time is equal to the original appropriations, plus or minus any amendments, less expenditures, less encumbrances.

***CITY OF BARTLESVILLE***  
2024-25 Operating Budget  
Budget and Accounting Process  
(continued)

THE BUDGET PROCESS AND GUIDELINES

The City of Bartlesville prepares its budget based on the guidelines found in **O.S. 11 Sec. 17-201 – 17-216** (“Municipal Budget Act”).

The City of Bartlesville operates under conservative budgetary practices. Revenue is estimated using historical data and is adjusted based on current trends and economic performance. Additions or reductions may be made based on revised tax rates or fee levels.

Each fund maintained by the City must be budgeted prior to encumbering any funds.

Budget amendment increases (increasing the fund total budgeted expenditures at the legal level of control) may be made only if unanticipated funds are received, the actual beginning fund balance is larger than anticipated, or if revenues exceed the amounts projected under the budget. The legal level of control for the City is set by the City Council at the Department level.

The City of Bartlesville uses an interactive methodology whereby the Department Directors are asked to make projections and estimates of current expenditures and requests for the ensuing budget year based on their justifications. The City Manager, or the person he appoints to oversee the budget process, reviews the work and may make adjustments based on historical information or if the original estimate is deemed to be unrealistic.

The City prepares its budget using the following steps (which are also outlined in the Budget Calendar on subsequent pages):

1. The Directors prepare budget estimates and turn them into the Finance Director.
2. The Directors meet with the City Manager to discuss the needs of their departments and to review their requests.
3. The City Manager presents the proposed budgets to the City Council for their review.
4. The City Council conducts a series of meetings that are open to the public to discuss the proposed budgets.
5. A proposed budget summary is published, and a notice of a public hearing on the proposed budget is issued.
6. The public hearing is held.
7. The budget is adopted, and the final copy is filed with the Office of the State Auditor and the City Clerk’s office.

## **2024-25 Operating Budget Budget and Accounting Process (continued)**

### **THE ACCOUNTING PROCESS**

The accounting and reporting policies of the City conform to Generally Accepted Accounting Principles (“GAAP”) applicable to state and local governments. GAAP for local governments include those principles prescribed by the Governmental Accounting Standards Board (“GASB”), which includes all statements and interpretations of the National Council on Governmental Accounting, unless modified by the GASB, and those principles prescribed by the American Institute of Certified Public Accountants in the publication entitled Audits of State and Local Government Units. The following is a summary of the more significant policies and practices used by the City.

### **MEASUREMENT FOCUS AND BASIS OF ACCOUNTING**

Measurement focus is a term used to describe “which” transactions are recorded within the various financial statements. Basis of accounting refers to “when” transactions are recorded regardless of the measurement focus applied.

#### **MEASUREMENT FOCUS**

All governmental funds utilize a “current financial resources” measurement focus. Only current financial assets and liabilities are generally included on their balance sheets. Their operating statements present sources and uses of available spendable financial resources during a given period. These funds use fund balance as their measure of available spendable financial resources at the end of the period.

All proprietary funds and trust funds utilize an “economic resources” measurement focus. The accounting objectives of the measurement focus are the determination of net income, financial position, and cash flows. All assets and liabilities (whether current or noncurrent) associated with their activities are reported. Fund equity is classified as net assets.

Agency funds are not involved in the measurement of results of operations; therefore, measurement focus is not applicable to them.

***CITY OF BARTLESVILLE***  
2024-25 Operating Budget  
Budget and Accounting Process  
(continued)

BASIS OF ACCOUNTING

Governmental funds and agency funds are presented on the modified accrual basis of accounting. Under this modified accrual basis of accounting, revenues are recognized when “measurable and available”. Measurable means knowing or being able to reasonably estimate the amount. Available means collectible within the current period or soon enough thereafter to pay current liabilities. Expenditures (including capital outlay) are recorded when the related fund liability is incurred, except for general obligation bond principal and interest which are reported when due. Examples of the treatment of major transaction classes include:

- Sales tax receipts and property tax revenues are considered measurable and available when collected (not when remitted to the City) and are recorded at that time.
- Licenses and permits are considered measurable and available when billed and are recorded at that time.
- Investments are recorded on the accrual basis in all funds.
- Intergovernmental revenues are recorded on the basis applicable to the legal and contractual requirements of the various individual grant programs.

All proprietary funds and trust funds utilize the full accrual basis of accounting. Under the full accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or the economic asset used. Examples of the treatment of major transaction classes include:

- Utility revenues are recorded net of an allowance for doubtful accounts at the time they are billed.
- Interest payments are accrued based on the amount incurred in the period, not on the actual amount paid.

# ***CITY OF BARTLESVILLE***

## **2024-25 Operating Budget**

### **Description of Funds**

The accounts of the City are organized into funds, each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts, which constitute its assets, liabilities, fund equity, revenues, and expenditures/expenses. Funds are organized into three main categories: governmental, proprietary, and fiduciary.

#### **FUNDS APPROPRIATED BY REQUIREMENT OF THE BUDGET ACT**

The funds that are legally required to be appropriated by the Oklahoma Municipal Budget Act are described below:

##### **GOVERNMENTAL FUND TYPES:**

General Fund – The General Fund is the primary fund of the City, which accounts for all financial transactions not accounted for in other funds and certain Public Trust activities that require separate accountability for services rendered. The major sources of revenue for this fund are a 2.65% sales tax, franchise taxes, and transfers from the utility system.

##### **Special Revenue Funds:**

Economic Development – The Economic Development Fund accounts for revenues and expenditures associated with promoting economic development and diversification. The major source of revenue for this fund is a ¼% sales tax.

E-911 – The E-911 Fund accounts for revenues and expenditures of the E-911 emergency service that are legally restricted for public safety use. The major sources of revenue for this fund are an E-911 service tax, E-911 wireless service tax, and transfers from other funds.

Special Library – The Special Library Fund accounts for State Library Assistance and certain donations that are provided to the library. The main sources of revenue for this fund are State library assistance grants, donations, and transfers from other sources.

# ***CITY OF BARTLESVILLE***

## **2024-25 Operating Budget**

### **Description of Funds**

(continued)

Special Museum – The Special Museum Fund accounts for certain donations that are provided to the museum. The main sources of revenue for this fund are donations and transfers from other sources.

Municipal Airport – The Municipal Airport Fund accounts for revenues and expenditures of the Bartlesville Municipal Airport. The major sources of revenue for this fund are federal grants (for capital improvements) and investment earnings. Effective in mid FY 2008/2009 user fees are now collected directly by the City's authorized airport operator in accordance with the City's operating agreement.

Harshfield Library Donation Fund – In fiscal year 2014, the City of Bartlesville's Library received a sizable donation from the Harshfield Trust. These revenues are restricted for use to the City of Bartlesville's library.

Restricted Revenues – The Restricted Revenues Fund accounts for receipts and expenditures of revenues that are restricted to a specific purpose. The main sources of revenue for this fund are donations, grants, and drug seizures.

Golf Course Memorial – The Golf Course Memorial Fund was formed at the request of certain members of the golf course who wanted a mechanism for making and tracking donations for the purpose of golf course improvements. The major sources of revenue for this fund are donations and investment earnings.

CDBG-COVID – The CDBG-COVID fund was formed for the receipt of federal funds to help with rent and utility assistance for qualified citizens. There was a onetime source of revenue to be utilized until expended.

ARPA Fund – This fund was formed to help the tracking of all expenditures related to the onetime source of funds received from the Federal Government for the American Rescue Plan Act. These funds are not restricted to use and are intended to aid in the financial recovery of the COVID 19 pandemic.

JAG – The Local Law Enforcement Block Grant Fund accounts for revenues and expenditures of the Judicial Assistance Grant (formerly known as the Local Law Enforcement Block Grant). The major source of revenue for this fund is federal grants.

Neighborhood Park – The Neighborhood Park Fund accounts for the receipt and expenditure of funds generated by the Park Fee imposed on all residential.

# ***CITY OF BARTLESVILLE***

## **2024-25 Operating Budget**

### **Description of Funds**

(continued)

developments within the City. The major source of revenue for this fund is the Park Fee of \$500 per acre or portion thereof on all residential developments

Cemetery Perpetual Care – The Cemetery Perpetual Care Fund accounts for revenues and expenditures of the cemetery’s improvement and upkeep in accordance with State law. The principal portion of this fund may only be used to purchase additional land for the cemetery or for other capital improvements. The interest portion can be used for maintenance. The major sources of revenue for this fund are 12½ % of all receipts from the sale of burial plots or interments at the Cemetery, donations, and investment earnings.

Debt Service Fund – As prescribed by State law, the Debt Service Fund receives all ad valorem taxes paid to the City for the retirement of general obligation bonded debt. Such revenues are used for the payment of principal and interest on the City’s general obligation bonds. The major sources of revenue for this fund are ad valorem taxes and transfers from other funds.

#### Capital Projects Funds:

Capital Improvements: Sales Tax – The Capital Improvements: Sales Tax Fund accounts for revenues and expenditures associated with funds from sales tax that are dedicated to capital improvements. This fund was originally established to account for the 1999 ½ cent sales tax issue that was extended in 2003. The major sources of current revenue for this fund are a ½% sales tax and investment earnings.

Capital Improvements: Park and Recreation – The Capital Improvements: Park and Recreation Fund accounts for specific revenues and expenditures associated with improvements to the City’s parks and recreation facilities. The fund was originally established to account for the 1997 General Obligation Bond funds that were dedicated to park and recreation improvements. The major source of current revenue for this fund is investment earnings.

# ***CITY OF BARTLESVILLE***

## **2024-25 Operating Budget**

### **Description of Funds**

(continued)

Capital Improvements: Wastewater – The Capital Improvements: Wastewater Fund accounts for specific revenues and expenditures associated with improvements to the wastewater system. The fund was originally established to account for the 1998 General Obligation Bond funds that were dedicated to wastewater improvements. It has since received bond funds from the 2001 General Obligation Bond issue, the 2002 General Obligation Bond issue, and the 2003 General Obligation Bond issue. The major sources of current revenue for this fund are the sewer impact fees, which are assessed on new or improved structures in amounts between \$1,800 and \$115,200 depending on intended use and actual meter size, and investment earnings.

Capital Improvements: Wastewater Regulatory – The Capital Improvements: Wastewater Regulatory Fund accounts for specific revenues and expenditures associated with ODEQ & EPA mandated improvements to the wastewater system. The major source of revenue for this fund is the wastewater capital investment fees, which are assessed as \$1.00/1,000 gallons of billable wastewater, and investment earnings.

Capital Improvements: City Hall – The Capital Improvements: City Hall Fund accounts for specific revenues and expenditures associated with improvements to City Hall. The fund was originally established to account for lease revenues associated with the 3<sup>rd</sup> party lease for the 4<sup>th</sup> floor of City Hall. As there is no guarantee that these revenues will be sustainable long-term, it was determined that they should not be used to support ongoing operations and were therefore restricted for improvements to City Hall. The major sources of current revenue for this fund are lease revenues and investment earnings.

Capital Improvements: Storm Sewer – The Capital Improvements: Storm Sewer Fund accounts for specific revenues and expenditures associated with improvements to the City's storm drainage system. The fund was originally established to account for the 1997 General Obligation Bond funds that were dedicated to storm sewer improvements. The major sources of current revenue for this fund are the storm water detention in-lieu fees, which are assessed on subdivisions at a rate of 10 cents per square foot of impervious surface, and investment earnings.

Community Development Block Grant – The Community Development Block Grant Fund accounts for revenues and expenditures related to the Community Development Block Grant, a federal grant passed through the State of Oklahoma Department of Commerce. The fund's only source of revenue is federal grants.

# ***CITY OF BARTLESVILLE***

## **2024-25 Operating Budget**

### **Description of Funds**

(continued)

2012 G.O Bond – The 2012 G.O. Bond fund accounts for the revenues and expenditures related to the 2012 general obligation debt issuance. The fund's only source of revenue are proceeds from the issuance of debt.

2014B G.O Bond – The 2014B G.O. Bond fund accounts for the revenues and expenditures related to the 2014B general obligation debt issuance. The fund's only source of revenue are proceeds from the issuance of debt.

2018B G.O Bond – The 2018B G.O. Bond fund accounts for the revenues and expenditures related to the 2018B general obligation debt issuance. The fund's only source of revenue are proceeds from the issuance of debt.

2018C G.O Bond – The 2018C G.O. Bond fund accounts for the revenues and expenditures related to the 2018C general obligation debt issuance. The fund's only source of revenue are proceeds from the issuance of debt.

2019A G.O Bond – The 2019A G.O. Bond fund accounts for the revenues and expenditures related to the 2019A general obligation debt issuance. The fund's only source of revenue are proceeds from the issuance of debt.

2019B G.O Bond – The 2019B G.O. Bond fund accounts for the revenues and expenditures related to the 2019B general obligation debt issuance. The fund's only source of revenue are proceeds from the issuance of debt.

# ***CITY OF BARTLESVILLE***

### **Description of Funds**

(continued)

2021A G.O Bond – The 2021A G.O. Bond fund accounts for the revenues and expenditures related to the 2021A general obligation debt issuance. The fund’s only source of revenue are proceeds from the issuance of debt.

2022 G.O Bond – The 2022 G.O. Bond fund accounts for the revenues and expenditures related to the 2022 general obligation debt issuance. The fund’s only source of revenue are proceeds from the issuance of debt.

2023 G.O Bond – The 2023 G.O. Bond fund accounts for the revenues and expenditures related to the 2023 general obligation debt issuance. The fund’s only source of revenue are proceeds from the issuance of debt.

### **PROPRIETARY FUND TYPES:**

#### **Enterprise Funds:**

Wastewater – The Wastewater Fund accounts for the operations of the City of Bartlesville’s wastewater utility. The major source of revenue for this fund is charges for services related to wastewater collection and processing. These charges are originally recorded in the BMA and are transferred to the Wastewater Fund, after all debt obligations have been met, as a reimbursement of operating expenses.

Water – The Water Fund accounts for the operations of the City of Bartlesville’s water utility. The major source of revenue for this fund is charges for services related to water treatment and distribution. These charges are originally recorded in the BMA and are transferred to the Water Fund, after all outstanding debt obligations have been met, as a reimbursement of operating expenses.

Solid Waste – The Solid Waste Fund accounts for the operations of the City of Bartlesville’s solid waste utility. The major source of revenue for this fund is charges for services related to solid waste collection and disposal.

Adams Municipal Golf Course – The Adams Municipal Golf Course Fund accounts for the operations of the City of Bartlesville’s municipal golf course. The major sources of revenue for this fund are charges for services related to green fees, membership, locker rentals, and transfers from other funds.

# ***CITY OF BARTLESVILLE***

## **2024-25 Operating Budget**

### **Description of Funds**

(continued)

Sooner Pool – The Sooner Pool Fund accounts for the operations of the City of Bartlesville’s Sooner Pool. Beginning in April 2015, both of the City’s pools are run by management agreement, so the only major source of revenue for this fund is transfers from other funds.

Frontier Pool – The Frontier Pool Fund accounts for the operations of the City of Bartlesville’s Frontier Pool. Beginning in April 2015, both of the City’s pools are run by management agreement, so the only major source of revenue for this fund is transfers from other funds.

Airport Operating – The Airport Operating Fund accounts for the operations of the City’s municipal airport. Revenues received are from the sale of fuel, hanger rentals, and transfers from other funds.

#### Internal Service Funds:

Workers’ Compensation – The Workers’ Compensation Fund accounts for the revenues and expenditures of the City’s self-funded workers’ compensation insurance. The major source of revenue for this fund is transfers from other funds.

Health Insurance – The Health Insurance Fund accounts for the revenues and expenditures of the City’s self-funded health insurance plan. The major sources of revenue for this fund are employee premiums and transfers from other funds.

Auto Collision Insurance – The Auto Collision Insurance Fund accounts for the revenues and expenditure related to the City’s self-funded auto collision/physical damage claims. The major sources of revenue for this fund are transfers from other funds.

Stabilization Reserve – The Stabilization Reserve Fund accounts for revenues and reserve balances associated with the City’s Stabilization Reserve Fund ordinance that was adopted in FY 2011. This ordinance established minimum funding criteria for the Stabilization Reserve and criteria under which these balances may be spent in the event of emergencies or unexpected economic downturns.

Capital Reserve – The Capital Reserve Fund accounts for revenues and reserve balances associated with the City’s Capital Reserve Fund ordinance that was adopted in FY 2011. This ordinance established procedures and requirements for the formation and adoption of long-term capital plans for the Water, Wastewater, and Sanitation Funds. The reserve balances contained in this fund are to be spent in accordance with

# ***CITY OF BARTLESVILLE***

(continued)

these capital plans, and the funding levels for this fund are to be provided based on the needs established in these plans.

#### FIDUCIARY FUND TYPES:

##### Expendable Trust Funds:

Mausoleum Endowment Fund – The Mausoleum Endowment Fund accounts for the revenues and expenditures related to the mausoleum. The fund was formed initially to account for funds that were already on deposit for the care of the mausoleum when the City accepted the mausoleum. The major source of revenue for this fund is investment earnings.

#### OTHER FUNDS AND COMPONENT UNITS

The City's audited financial statements also include certain other funds that are not required to be part of the City's annual budget according to the Municipal Budget Act. These funds are certain trust authorities formed under **O.S. 60 Sec. 176** of the Oklahoma State Statutes, other corporations that directly benefit the City and agency funds that do not have expenses or income.

The authorities created in accordance with **O.S. 60 Sec. 176** are governed by the budget laws set forth in **O.S. 60 Sec. 176** and not the Municipal Budget Act. In accordance with this statute, these public trust authorities are required to prepare an annual budget and submit a copy to the City as beneficiary. However, there are no further requirements such as form of budget or definition of legal spending limit. The agency funds are only used to hold funds in a fiduciary capacity and do not have any expenses or revenues that would be subject to appropriation under the Municipal Budget Act.

The above-mentioned funds are not appropriated by the City of Bartlesville and where included in this report are done so in the interest of completeness and for the purpose of further analysis only. The *nonappropriated* funds and component units of the City of Bartlesville are listed below:

#### AGENCY FUNDS:

Utility Deposit Fund – The Utility Deposit Fund is used to account for deposits made by individuals who are using the utility services of the City of Bartlesville. This fund is not included in this budget document.

# ***CITY OF BARTLESVILLE***

## **2024-25 Operating Budget**

### **Description of Funds**

(continued)

Municipal Court Bond Fund – The Municipal Court Bond Fund is used to account for municipal court bonds that are held for individuals who are awaiting court dates. This fund is not included in this budget document.

#### **BLENDED COMPONENT UNITS:**

Bartlesville Development Authority – The Bartlesville Development Authority was created to finance certain facilities for the purpose of promoting economic development in the City of Bartlesville and surrounding areas. This fund is blended as a business type fund for the purposes of the audited financial statements but is not included in this budget document.

Bartlesville Redevelopment Trust Authority – The Bartlesville Redevelopment Trust Authority (formerly known as the Bartlesville Downtown Trust Authority) was originally created to finance, develop, redevelop, restore, and beautify the downtown Bartlesville area. The Board of Trustees consists of six members appointed by the City Council and one City Council member. This fund is blended as a business type fund for the purposes of the audited financial statements but is not included in this budget document.

Bartlesville History Museum Trust Authority – The Bartlesville History Museum Trust Authority was created to establish, improve, maintain, administer, and operate facilities for use as a history museum. The Board of Trustees consists of nine members, one of whom must be a member of the City Council. Trustees are appointed by the City Council. This fund is blended as a governmental fund for the purposes of the audited financial statements but is not included in this budget document.

Bartlesville Library Trust Authority – The Bartlesville Library Trust Authority was created to encourage, finance, and promote the Bartlesville Public Library. The City Council appoints all of the members of the Board of Trustees. The assets of the Trust are managed by City employees who furnish library services to the citizens. This fund is blended as a governmental fund for the purposes of the audited financial statements but is not included in this budget document.

# ***CITY OF BARTLESVILLE***

## **2024-25 Operating Budget**

### **Description of Funds**

(continued)

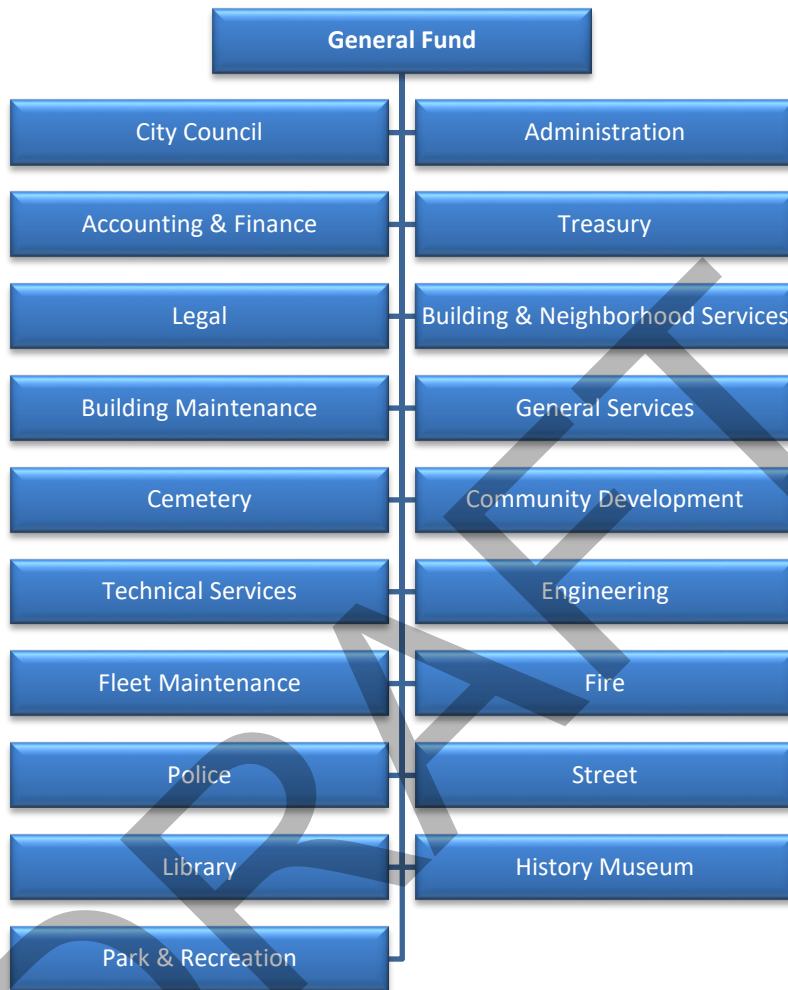

Bartlesville Adult Center Trust Authority – The Bartlesville Adult Center Trust Authority was created to encourage, finance, and promote cultural and recreational activities for the older citizens of Bartlesville. The Board of Trustees consists of six members that are appointed by the City Council. This fund is blended as a governmental fund for the purposes of the audited financial statements but is not included in this budget document.

Bartlesville Community Center Trust Authority – The Bartlesville Community Center Trust Authority was created to develop, finance, and operate the Bartlesville Community Center for cultural and recreational activities for the citizens of Bartlesville and surrounding areas. The Board of Trustees consists of eight members that are appointed by the City Council and one City Council member. This fund is blended as a business type fund for the purposes of the audited financial statements but is not included in this budget document.

Bartlesville Education Authority – The Bartlesville Education Authority was created to assist the Bartlesville Public School District with financing and construction of a 9<sup>th</sup> grade center at the Bartlesville High School and the renovation of Central Middle School. The governing body of the Authority is the same as the City Council. The assets financed by the Authority are managed by the employees of the City. This fund is blended as a business type fund for the purposes of the audited financial statements but is not included in this budget document.

Bartlesville Municipal Authority – The Bartlesville Municipal Authority was created originally to finance projects and developments for the City’s water and wastewater utilities. The Authority’s purpose has recently been expanded to include financing of certain street projects. The formation of this Authority was necessary due to restrictions on a municipality’s ability to pledge revenues as collateral for debt. All water and wastewater revenues are originally recorded in this Authority, and the City’s water and wastewater utility operating funds are reimbursed for their operating expenses and transfers after all debt obligations have been met. The governing body of the Authority is the same as the City Council. The assets financed by the Authority are managed by the employees of the City. This fund is blended as a proprietary fund for the purposes of the audited financial statements and is included in this budget document in the interest of completeness and to facilitate further analysis of the overall financial condition of the City.

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 Description of Major Revenue Sources

The City of Bartlesville only uses recurring revenue sources to budget for continuing operational services. One time and limited use revenue sources are budgeted strictly for the project or projects for which they will be received. Examples of one time and restricted use revenues are Federal Capital Grants, General Obligation Bond proceeds, other debt proceeds, sale of property, etc. These revenues are budgeted only when their availability is certain and only for the intended use.

Recurring revenues are revenues that the City receives periodically. The amounts are not usually known in advance and some estimation is required for budget purposes. Examples of recurring revenues are sales tax, ad valorem tax, franchise fees, utility revenues, investment revenues, court fees and fines, etc. A listing of the recurring external revenue sources for the fiscal years 2018-19 to 2022-23 is presented below.

<u>REVENUE SOURCE</u>	<u>TOTAL</u>	<u>AVERAGE</u>	<u>AVERAGE %</u>
General Sales Tax Total	103,827,892	20,765,578	38.4%
Water Fees Total	58,369,198	11,673,840	21.6%
Sanitation Fees Total	24,895,103	4,979,021	9.2%
Wastewater Fees Total	24,271,554	4,854,311	9.0%
Ad Valorem Total	20,442,533	4,088,507	7.6%
Fees for Services (Other than Utilities) Total	10,470,824	2,094,165	3.9%
Franchise Fees Total	7,214,863	1,442,973	2.7%
Investment Earnings Total	3,964,683	792,937	1.5%
Fines & Fees Total	3,644,828	728,966	1.3%
Miscellaneous Total	3,462,773	692,555	1.3%
E-911 Total	2,566,647	513,329	0.9%
Hotel/Motel Tax Total	2,559,841	511,968	0.9%
County Motor Veh Tax Total	1,292,815	258,563	0.6%
Licenses & Permits Total	1,231,259	246,252	0.5%
Cigarette Tax Total	874,379	174,876	0.3%
State Alcohol Tax Total	894,152	178,830	0.3%
Fuel Tax Total	287,317	57,463	0.1%
<b>TOTAL</b>	<b><u>270,270,661</u></b>	<b><u>54,054,134</u></b>	<b><u>100.0%</u></b>

These revenue sources are used in conjunction with the residual fund equities to determine the amount available for operations. The top five revenue sources on average make up 85.8% of the total external recurring revenue used by the City to fund its operations. An analysis of these major sources of recurring revenue is presented in the following sections.

**CITY OF BARTLESVILLE**  
2024-25 Operating Budget  
Description of Major Revenue Sources  
(continued)

(All amounts in the following sections for the fiscal year 2023-24 consist of actual amounts as of February 28, 2024 projected to June 30, 2024.)

**SALES TAX**

The 3.4% municipal sales tax has been and continues to be Bartlesville’s largest source of recurring revenue, accounting for, on average, 37.4% of the City’s recurring external revenues. Sales taxes are divided between the General Fund (77.9%), Economic Development Fund (7.4%), and the Capital Improvements: Sales Tax Fund (14.7%).

The following chart shows how sales tax reacts to uncertainty in the local and national economy, and it compares those changes over time to an inflation-adjusted baseline. As is evident in the chart, the City’s inflation adjusted buying power has only just recently recovered back to pre-recession levels. This is primarily due to a voter approved 0.4% sales tax rate increase that took effect in fiscal year 2015-16.

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 Description of Major Revenue Sources  
 (continued)

The City of Bartlesville uses a historical trend analysis approach adjusted for known factors to estimate its sales tax revenue. The trend analysis approach uses the average percentage increases from year to year, adjusted for known factors, to determine the estimated increase in revenues for the coming budget year. The trend analysis for sales tax is summarized below.

**Sales Tax Revenue Estimate  
 Trend Analysis Method**

<u>Fiscal Year</u>	<u>Amount Received</u>	<u>Percent Increase</u>
2020	19,061,969	
2021	20,330,758	6.66%
2022	22,480,003	10.57%
2023	23,241,859	3.39%
2024	23,275,589	0.15%
<b>Total</b>	<b>108,390,178</b>	<b>20.77%</b>
<b>Average</b>	<b>21,678,036</b>	<b>5.19%</b>

***CITY OF BARTLESVILLE***  
2024-25 Operating Budget  
Description of Major Revenue Sources  
(continued)

This chart allows for an analysis of the historical underlying economic activity and provides a better picture of these trends. It is the policy of the City of Bartlesville to examine historical trends, but to also weigh heavily the most recent factors.

The City's most recent experience with sales tax shows great uncertainty. As shown on the Sales Tax trend chart there has been sizable growth. We feel that utilizing the trend analysis would be a bit aggressive on future year projections, so have chosen to budget a 1.5% decrease for the FY 2025. The results were a decrease of over \$349K from fiscal year 2023-24 to fiscal year 2024-25.

Using this scenario, the amount of sales tax revenue to be budgeted for fiscal year 2024-2025 is \$22,926,454. This amount will be available to the following funds based on the percentages previously discussed. The General Fund will receive \$17,869,148, the Capital Improvement – Sales Tax Fund will receive \$3,371,537 and the Economic Development Fund will receive \$1,685,537.

**WATER UTILITY REVENUES**

The revenues received from the City of Bartlesville's water utilities are the City's second largest source of revenue, accounting for, on average, 21.6% of all external recurring revenues. These revenues are pledged to provide debt service on a portion of the Bartlesville Municipal Authority's ("BMA") debt, and are therefore recorded initially in the BMA. This is still an important source of revenue to the City however, since the amount needed to fund the operations of the City's water utility is transferred back to the water utility fund. From there, the revenues are used to fund the operation, maintenance, and improvement of the City's water utility and also to provide operating transfers to the City's General Fund for administrative overhead. The relationship between water revenues and operating transfers is shown below in graphic form.

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 Description of Major Revenue Sources  
 (continued)

The City estimates water utility revenues by again using a historical trend analysis approach adjusted for known factors, but the trend analysis is performed on the revenue base rather than the actual revenue itself. This approach is used to eliminate the effect of rate changes and other revenue variables that can skew the trend. The revenue base used to determine the trend for water revenues is water consumption billed.

**Water Utility Revenue Estimate**  
**Trend Analysis Method**

<u>Fiscal Year</u>	<u>Gallons Billed</u> <u>(thousands)</u>	<u>Percent</u> <u>Increase</u> <u>(Decrease)</u>	<u>Dollars Billed</u>	<u>Percent</u> <u>Increase</u> <u>(Decrease)</u>
2020	1,639,250		9,490,512	
2021	1,738,503	6.05%	10,512,468	10.77%
2022	1,752,040	0.78%	11,567,979	10.04%
2023	1,775,822	1.36%	11,528,446	(0.34%)
2024	1,600,735	(9.86%)	10,634,835	(7.75%)
<b>Total</b>	<b>8,506,350</b>	<b>(1.67%)</b>	<b>53,734,240</b>	<b>12.72%</b>
<b>Average</b>	<b>1,701,270</b>	<b>(0.42%)</b>	<b>10,746,848</b>	<b>3.18%</b>

The above analysis indicates that the City’s water sales have decreased by .42% per year but revenue has increased by 3.18% per year. The City engaged with NewGen Strategies to complete a 5-year comprehensive rate study. The billed amount and revenue amount is skewed due to drought conditions experienced through FY 2024. The outcome of this new rate study will retain the same principles as the previous and will be exhibited in the estimated revenues for FY 2024-25. There is minimal decrease in the volumetric rate, and a more modest increase to the water capital investment fee.

With the new changes included, the resulting amount of \$12,861,140 is the estimated water utility revenue for the City of Bartlesville. This amount also includes \$1,770,000 in capital investment fees that are not included in the analysis above.

**SANITATION UTILITY REVENUE**

The City of Bartlesville also operates a sanitation utility for the purpose of collecting and disposing of solid waste. The fees derived from the sanitation utility are used to operate, maintain, and improve the sanitation utility and are also used to fund the City’s General Fund with operating transfers for administrative overhead. This source of revenue accounts

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 Description of Major Revenue Sources  
 (continued)

for, on average, 9.2% of all external recurring revenues; which makes it the fourth largest source of revenue for the City.

**Sanitation Utility Revenue Estimate  
 Trend Analysis Method**

<u>Fiscal Year</u>	<u>Dollars Billed (actuals)</u>	<u>Percent Increase (Decrease)</u>
2020	4,496,869	
2021	4,529,959	0.74%
2022	5,404,125	19.30%
2023	5,944,118	9.99%
2024	6,347,413	6.78%
<b>Total</b>	<b>26,722,484</b>	<b>36.81%</b>
<b>Average</b>	<b>5,344,497</b>	<b>9.20%</b>

The above analysis indicates that the City’s sanitation sales have increased on average 9.2% per year with almost all of that coming in FY 22. The City is utilizing the results from the current rate study to project \$6,681,148 for the 2024-25 fiscal year sanitation revenues.

 Description of Major Revenue Sources  
 (continued)

WASTEWATER UTILITY REVENUES

The revenues received from the City of Bartlesville’s wastewater utilities are the City’s third largest source of revenue, accounting for, on average, 9.0% of all external recurring revenues.

The amounts needed to fund the operations of the City’s wastewater utility are transferred back to the City operated wastewater utility fund. From there, the revenues are used to fund the operation, maintenance, and improvement of the City’s wastewater utility and also to provide operating transfers to the City’s General Fund. The relationship between wastewater revenues and operating transfers is shown below in graphic form.

In addition to the water rate changes discussed above, the City has also adopted another five-year rate increase plan for wastewater rates. Phase IV of this plan will be effective on July 1, 2024. These changes and the changes to the water rates are the result of a comprehensive water, wastewater, and solid waste study.

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 Description of Major Revenue Sources  
 (continued)

The City typically estimates wastewater utility revenues by using the same trend analysis approach and revenue base that it uses to estimate the water utility revenues, since gallons of water consumed is the basis for wastewater and water billings.

**Sewer Utility Revenue Estimate  
 Trend Analysis Method**

<b>Fiscal Year</b>	<b>Gallons Billed (thousands)</b>	<b>Percent Increase (Decrease)</b>	<b>Dollars Billed</b>	<b>Percent Increase (Decrease)</b>
2020	1,639,250		4,423,606	
2021	1,738,503	6.05%	4,617,596	4.39%
2022	1,752,040	0.78%	4,985,219	7.96%
2023	1,775,822	1.36%	5,857,374	17.49%
2024	1,600,735	(9.86%)	6,039,425	3.11%
<b>Total</b>	<b>8,506,350</b>	<b>(1.67%)</b>	<b>25,923,220</b>	<b>32.95%</b>
<b>Average</b>	<b>1,701,270</b>	<b>(0.42%)</b>	<b>5,184,644</b>	<b>8.24%</b>

Utilizing the results of the comprehensive wastewater study, the City estimates that the new wastewater rates will generate \$10,149,586 in revenue. This amount also includes \$3,407,005 in capital investment fees that are not included in the analysis above.

(continued)

AD VALOREM

By law, municipalities in the State of Oklahoma are only allowed to levy ad valorem property taxes for two purposes. The first is to pay general obligation debt service requirements, and the second is to pay court ordered judgments. Due to the restrictive nature of these funds, the process for estimating the ad valorem revenues for the coming budget year is based upon tax levies determined through debt service and judgment calculations. There is no trend analysis necessary, since the required amount of ad valorem taxes will be levied regardless of past trends. There is no legal limit on the amount of ad valorem taxes that can be levied by a municipality for these purposes; however, all general obligation debt must be approved by a vote of the citizens. This requirement and a formal policy by the City Council not to exceed 15 mills for G.O. bond debt service, helps to control the millage (or amount of the levy) that the City is able to levy and collect.

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 Description of Major Revenue Sources  
 (continued)

As the previous graphic illustrates, the City’s share of total ad valorem taxes have been a very small portion of total ad valorem taxes for the citizens of the City of Bartlesville. However, even though small by comparison to the total ad valorem, the City’s revenues from ad valorem taxes are still its fifth largest source of recurring revenue, accounting for, on average, 7.6% of total external recurring revenue.

The ad valorem tax levy is prepared using an estimate of needs form. The estimate of needs is prepared by estimating all sinking fund related expenses for the upcoming year. The first amount taken into consideration is the principal requirement on the general obligation bonds. This is calculated by taking the amount of the bond issue and dividing it by the term of the bond issue. Additionally, principal amounts are calculated for court ordered judgments. The sum of these two items provides an annualized principal requirement.

The actual amount of interest to be paid during the year for both general obligation debt and judgments is added to the annualized principal requirement. This provides the entire amount of the debt service payments for the year. Adjustments are also made for amounts in excess of liabilities in the fund, financial agent fees, and other revenue sources that are used to meet general obligation debt service requirements. A 5% mandatory over-levy is then added to the total levy requirements. This is the basis for the City’s property tax levies. Washington County (the “County”) then collects the property tax payments for all of the property within the County and forwards the different taxing agencies’ property taxes on to each of them.

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 Description of Major Revenue Sources  
 (continued)

The City takes a simpler approach to estimating its ad valorem revenues for budget purposes than that used for its estimate of needs. As shown below, the City calculates the actual principal and interest requirements for the fiscal budget year, adds the estimated amounts of any court ordered judgments and financial agent fees. The estimated ad valorem revenue for fiscal year 2024-25 is considered to be the actual amount necessary to levy.

**Ad Valorem Revenue Estimate  
 Debt Service Requirements Estimation Method**

<b>Bond Issue/Purpose</b>	<b>Principal Requirement</b>	<b>Interest Requirement</b>	<b>Total Requirement</b>

***CITY OF BARTLESVILLE***  
**2024-25 Operating Budget**  
**All Funds Capital Expenditures Summary**  
**(continued)**

The City of Bartlesville defines capital expenditures as an expense that will benefit more than one fiscal year. The City also has a capitalization threshold of \$10,000. Any item that meets the test of benefiting more than one fiscal year and exceeding \$10,000 in amount is considered a capital expenditure. Examples of capital expenditures include roads, vehicles, furniture, buildings, land, etc. Many capital expenditures are insignificant or routine, but there are usually several budgeted capital expenditures in a year that are not. A list of significant and non-routine capital expenditures is included below with a brief description of each.

<b>Fund</b>	<b>Dept</b>	<b>Title</b>	<b>Amount</b>	<b>Description</b>
CIP - Sales Tax	General	Vehicles	\$ 315,138	General Fund Vehicle Replacement
CIP - Sales Tax	Street	Street Maintenance	\$ 3,188,000	Preventative Street Maintenance Projects
CIP - Sales Tax	Parks	Improvements	\$ 800,000	Downtown Landscape Improvements
CIP - Sales Tax	Parks	Improvements	\$ 700,000	Sunset Pathfinder Pedestrian Bridge
CIP - Sales Tax	Parks	Oak Park	\$ 150,000	Oak Park Basketball Court

		<b>Total</b>	<b>\$ 13,278,452</b>	

**CITY OF BARTLESVILLE**  
**2024-25 Operating Budget**  
**All Funds Capital Expenditures Summary**  
(continued)

In addition to the capital items listed previously, the City recently adopted an ordinance that mandated five-year capital plans for the Wastewater, Water, and Sanitation Funds. Also part of this ordinance was the requirement that the City create a Capital Reserve Fund to accumulate the funds necessary to finance the capital needs identified in the five-year plans over time. Listed below are the capital plans by fund and department, the annual required funding necessary to support these plans by fund, and the detailed items included in the capital plans.

***CITY OF BARTLESVILLE***  
2024-25 Operating Budget  
Debt Service Calculations and Information

The City of Bartlesville and its component unit, the Bartlesville Municipal Authority (BMA), will have eight debt issues outstanding as of July 1, 2024. They are comprised of the following:

**GENERAL OBLIGATION BONDS**

General obligation bonds are considered to be a liability of the City of Bartlesville. These bond issues are to be repaid through property taxes levied on an annual basis and other revenues that the City decides to designate for this purpose. The City currently has nine bond issues. These bonds are described below.

**2014B Combined Purpose Bonds - \$5,200,000**

The 2014B bonds are due in annual installments of \$575,000 with a final payment of \$600,000 due on Dec 1, 2024. The bonds pay semi-annual interest at rates varying from 1.1% to 2.10%.

**2018A Combined Purpose Bonds - \$9,725,000**

The 2018A bonds are due in initial payment of \$605,000 then annual installments of \$1,140,000 until on Jun 1, 2028. The bonds pay semi-annual interest at rates varying from 1.99% to 2.75%.

**2018C Combined Purpose Bonds - \$2,500,000**

The 2018C bonds are due in annual installments of \$275,000 with a final payment of \$300,000 on Dec 1, 2028. The bonds pay semi-annual interest at rates varying from 2.25% to 3.10%.

**CITY OF BARTLESVILLE**  
2024-25 Operating Budget  
Debt Service Calculations and Information  
(continued)

**2019A Combined Purpose Bonds - \$2,000,000**

The 2019A bonds are due in annual payments of \$220,000 with a final payment of \$240,000 on Dec 1, 2029. The bonds pay semi-annual interest rates varying from 1.25-2.0%.

**2019B Combined Purpose Bonds - \$600,000**

The 2019B bonds are due in annual payments of \$100,000 with a final payment being on Dec 1, 2026. The bonds pay semi-annual interest rates varying from 1.25-2.0%.

**2021A Combined Purpose Bonds - \$1,150,000**

The 2021A bonds are due in annual payments of \$230,000 with a final payment being on Jun 1, 2027. The bonds pay semi-annual interest rates varying from 1.0-2.0%.

**2022 Combined Purpose Bonds - \$9,500,000**

The 2022 bonds are due in annual payments of \$1,185,000 with a final payment being of \$1,205,000 Jun 1, 2031. The bonds pay semi-annual interest rates varying from 2.55-3.2%.

**2023 Combined Purpose Bonds - \$6,900,000**

The 2023 bonds are due in annual payments of \$765,000 with a final payment being of \$780,000 Nov 1, 2033. The bonds pay semi-annual interest rates varying from 2.80-3.45%.

The City of Bartlesville has no legal limit on the amount of general obligation debt that it can issue. The City of Bartlesville also has no formal debt policy relating to general obligation debt. However, the Council has an informal policy of keeping the property tax levy necessary to pay the debt services on these debts to a 15 mill maximum. All general obligation debt must also be approved by a vote of the people. All of the debt obligations listed above are payable from the City's Debt Service Fund. The debt service requirements for this fund are detailed below:

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 Debt Service Calculations and Information

2032	765,000	77,100	842,100
2033	765,000	46,500	811,500
2034	780,000	15,600	795,600

**REVENUE BONDS**

The outstanding revenue bonds of the City are all actually liabilities of the Bartlesville Municipal Authority. These obligations are not obligations of the City of Bartlesville, but they are presented here due to the interwoven relationship of the City and the BMA. The debt service on these obligations affects the amount of resources available to support the City's utility operating funds, and an analysis of these obligations are therefore necessary in order to determine the overall resources available to the City of Bartlesville in any given fiscal year. Revenue bonds are debt that is secured by revenues of the BMA or an annual pledge of sales tax from the City to the BMA. These revenue sources include wastewater utility revenues, water utility revenues, and sales tax pledged to support the BMA debt service. These bonds were issued for wastewater and water utility and street system improvements.

**Drinking Water SRF Series 2002A - \$743,591**

The 2002A revenue bonds were used to refinance an interim construction loan on November 19, 2002. Principal payments of \$19,066 are due semiannually starting on March 15, 2003. The bonds pay a semi-annual administrative fee of 0.5% but otherwise, no interest is payable.

**CITY OF BARTLESVILLE**  
2024-25 Operating Budget  
Debt Service Calculations and Information  
(continued)

**Drinking Water SRF Series 2004A - \$726,006**

The 2004A revenue bonds were used to refinance an interim construction loan on March 31, 2004. Principal payments of \$18,150 are due semiannually starting on September 15, 2004. The bonds pay a semi-annual administrative fee of 0.5% but otherwise, no interest is payable.

**Clean Water SRF Series 2004C - \$552,498**

The 2004C revenue bonds were used to refinance an interim construction loan on March 31, 2004. Principal payments of \$13,812 are due semiannually starting on September 15, 2004. The bonds pay a semi-annual administrative fee of 0.5% but otherwise, no interest is payable.

**BMA Utility System Revenue Note, Series 2021- \$27,966,000**

The 2019 revenue bonds were refinanced to reduce interest cost and shorten the payback period. Principal payments ranging between \$812,000 and \$1,098,000 are due semiannually starting October 1, 2021. The note has an interest rate of 2.00%.

**Drinking Water SRF Series 2012 - \$3,810,000**

The 2012 revenue bonds were used to fund the Automated Meter Intelligence project. Principal and interest payments of \$131,300 are due semiannually starting on March 15, 2014. The bonds carry an interest rate of 2.29%.

**Utility System Revenue Note Series 2016 - \$3,355,000**

The 2016 revenue bonds were used to refinance the BMA's Drinking Water SRF Series 2009 revenue bonds that were originally used to fund various water system improvements that were completed in the Spring 2011. Principal and interest payments are due semiannually starting on September 1, 2016. Principal payments vary from \$85,000 to \$135,000. The bonds carry an interest rate of 2.20%.

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 Estimated Change in Fund Equity – All Funds

The City uses the term “fund balance” to represent the net beginning balance of resources and obligations available to be budgeted. The resources and obligations that the fund balance represents differ in each fund, but all of them are derived from the City’s budgetary basis of accounting. Using the definition of the City’s budget basis of accounting that was supplied earlier, fund balance could be comprised of cash, investments, inventory, trade accounts receivable, and accounts payable. An example of the General Fund’s fund balance as of July 1, 2024 is provided below.

**General Fund**  
**Budgetary Fund Balance Calculation**  
**As of July 1, 2024**

Account Title	Balance
Cash and Investments	5,812,677
Petty Cash	3,250
Inventory	134,722
Accounts Receivable (net of allowance)	(173,225)
Total Assets	5,777,424
Cleet Payable	1,960
Other Payables	(3,920)
Deferred Revenue	(4,994)
Deposit Payable	(2,830)
Reserved for Encumbrances	(212,268)
Total Liabilities	(222,052)
<b>Total Budgetary Fund Balance</b>	<b>5,555,372</b>

By nature, certain components of fund balance are restricted as to use. However, if the restricted assets and liabilities that the fund balance represents are used to fund the City’s operating budget, then these amounts will be included in fund balance as well. An example of this is the restricted donations fund. This entire fund is restricted as to use, but the expenditures for the restricted donations 2024-25 Operating Budget are funded from these restricted assets. These assets net of any related liabilities are then included in the fund balance amount for this reason.

Significant Increases or Decreases

Almost all of the funds represented above are not anticipated to have significant increases or decreases in fund balance although many appear to anticipate significant decreases. This is because the above analysis assumes that the entire appropriation for a fund will be spent. This presents a worst-case scenario, but actual experience indicates that there will be a portion of the appropriation unencumbered and unspent at the end of the fiscal year.

Therefore, for funds such as most special revenue funds, capital improvement funds, internal service funds, and fiduciary funds that budget their entire available balance even if there is no intent to spend the entire balance, there appears to be a significant anticipated decrease in fund balance, but as was stated above, this would only be true if there was a need for a specific project or emergency that required the entire expenditure of these funds.

***CITY OF BARTLESVILLE***  
2024-25 Operating Budget  
Estimated Change in Fund Equity – All Funds  
(continued)

In addition to the above-described uses of fund balance, the City has also implemented a new reserve policy in accordance with an adopted ordinance that impacts fund balance in the General, Water, Wastewater, Sanitation, BMA – Wastewater, and Water Funds. This new policy actually reduces fund balance in these funds, since these amounts are now transferred to a Stabilization Reserve Fund, which will hold the balances for use in certain prescribed situations. While this contributes to the appearance of a reduction in fund balance for these funds, the amounts contained in the Stabilization Reserve Fund and the amounts contained in the Capital Reserve Fund should be included when considering the overall financial health of these funds.

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 General Fund – City Council – Summary

Department Mission: To use oversight and policy making powers to plan for the long-term benefit of the City. The Council encourages critical analysis of all problems to help find new and better solutions.

Department Description: The City Council is the policy-making and legislative body of the City of Bartlesville. It is responsible to the electorate for the programs, policies, and improvements of the City. The City Council approves the annual budget and all contracts, ordinances, and resolutions of the City. It also makes appointments to the various boards and committees of the municipal government and the public trusts of which it is the beneficiary.

2024 Accomplishments: • Adopted a budget in accordance with State law

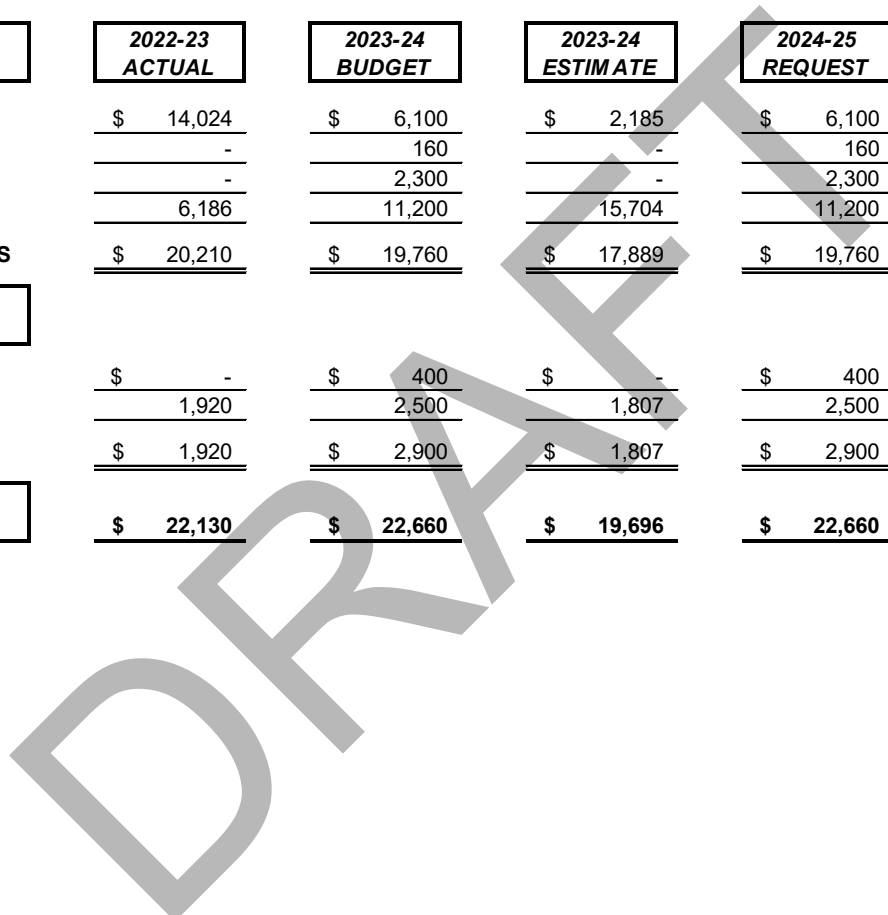

2024 Objectives: • Adopt a budget in accordance with State law that best meets the needs of our citizens using existing resources

Budget Highlights: The major budgeted expenditures for the City Council are training seminars, elections, and the annual audit.

 2024-25 Operating Budget  
 General Fund – Administration – Summary

Department Mission: To implement the policies of Council and manage the day to day affairs of the City while keeping in mind the long-range goals of the City as a whole, fostering a positive relationship with employees while performing personnel duties.

Department Description: This department includes the activities of the City Manager, Human Resources Director, and Chief Communications Officer. The City Manager is responsible to the City Council for administering the daily activities of the various departments of the City government and for implementing the policies and procedures adopted by the City Council. The manager is also responsible for preparing the annual budget and implementing the budget approved by the City Council. The Human Resources Director is responsible for the personnel policies and administration benefit plans of the City. The Chief Communications Officer is responsible for the coordination, development and dissemination of clear, accurate and comprehensive information about City programs, services, policies, and other issues.

- 2024 Accomplishments:
- Launched inaugural citywide Citizens Academy
  - Completed Bartlesville NEXT video project
  - Held inaugural State of the City event for city employees
  - Implemented vacation buyback program

- 2025 Objectives:
- Increase focus on employee recruitment
  - Create and implement Communications Strategic Plan
  - Set up and implement Applicant Tracking System

Budget Highlights: The major budgeted expenditures for Administration are personnel expenditures for the City Manager, Human Resources Director, and their employees.

 General Fund – Accounting and Finance – Summary

Department Mission: We will embody the spirit of our community by striving to attain excellence in customer service, teamwork, ethics, and accountability.

Department Description: Under the supervision of the Administrative Director/CFO, the Accounting and Finance department performs all of the finance and treasury functions for the City. These combined functions are divided into the following divisions:

Internal Services: responsible for all duties associated with AP, payroll, accounting, City Clerk, and Treasury services.

Customer Services: responsible for all duties associated with the utility billing, accounts receivable, and municipal court services.

- 2024 Accomplishments:
- Continued use of sound financial practices and maintained the City’s AA- bond rating
  - Started implementation of the Utility Billing module of the City-wide ERP system

- 2025 Objectives:
- Continue use of sound financial practices aimed at maintaining the City’s reserves and retaining the City’s AA- bond rating
  - Continue implementation of the Utility Billing module of the City-wide ERP system

Budget Highlights: The major budgeted expenditures for the Accounting and Finance department are personnel expenditures, utility billing preparation fees, and software upgrades.

General Fund – Legal – Summary

Department Mission: To provide legal advice to the City Council and all City departments and to represent the City’s interest in litigation or arbitration. To ensure equal justice to all citizens and assess fines and penalties when necessary.

Department Description: The City Attorney is appointed by the City Council and serves as the legal advisor to the Council and officers of the City in matters of City business. In addition, the City Attorney represents the City in court on matters requiring representation by counsel except on matters pertaining to insurance claims. The Judge is also appointed by the City Council. The Judge adjudicates cases brought before him in Municipal Court, approves warrants issued by the Municipal Court Clerk, and makes recommendations to the City Council on pardons requested by citizens.

2024 Accomplishments: 

- Successfully negotiated the 2024-25 labor agreements with the City’s two unions

2025 Objectives: 

- Successfully negotiate the 2025-26 labor agreements with the City’s two unions

Budget Highlights: The major budgeted expenditures for the Legal department are personnel costs for the municipal judge and City attorney and consulting fees for legal assistance in arbitration or litigation.

## **2024-25 Operating Budget**

### **General Fund – Building and Neighborhood Services – Summary**

**Department Mission:** To ensure all codes and ordinances related to land use, property development, construction, and occupation are adhered to through regular inspections and reviews.

---

**Department Description:** Building Development is responsible for the review of all building and site plans and the inspection of all building and construction projects to assure compliance with all building and safety codes. This department is also responsible for issuance of new occupational (business) licenses and registration of contractor licenses.

Neighborhood Services is responsible for the inspection of private property and nuisances (tall grass, weeds, trash, inoperable vehicles, etc.) as well as property maintenance, and the use of property to assure compliance with city codes. The department is also responsible for the registration of rental properties within the city limits.

---

- 2024 Accomplishments:**
- **Increased efficiency and effectiveness:** The division has streamlined its processes and implemented new technology to improve the efficiency and effectiveness of inspections and code enforcement. This has resulted in faster turnaround times for inspections, increased compliance with building codes, and reduced administrative costs
  - **Improved customer service:** The division has implemented new strategies to improve customer service and communication with property owners and tenants. This includes expanding online resources, offering educational seminars, and providing personalized support to help property owners comply with building codes and regulations
  - **Stronger partnerships:** The division has established strong partnerships with other departments within the City government, as well as with community organizations and advocacy groups. This collaborative approach has allowed the division to more effectively address complex issues related to building inspections and code enforcement, and to develop innovative solutions that benefit the community as a whole

# **CITY OF BARTLESVILLE**

## 2024-25 Operating Budget

### General Fund – Building and Neighborhood Services – Summary (continued)

**2025 Objectives:**

- **Increase compliance:** The division will aim to improve compliance with building codes and regulations by working with property owners and tenants to address violations and provide education about compliance requirements
- **Improve safety:** The division will focus on improving safety in buildings and public spaces by conducting targeted inspections, identifying safety hazards, and working with property owners and tenants to address them
- **Professional development:** The division will encourage and support professional development opportunities for staff to ensure they are equipped with the latest knowledge and skills to perform their duties effectively. This may include training in new technologies, updates to building codes and regulations, and customer service skills

**Budget Highlights:**

The major budgeted expenditures are personnel costs and the removal of dilapidated structures.

***CITY OF BARTLESVILLE***  
2024-25 Operating Budget  
General Fund – Community Development – Summary

Department Mission: To manage the physical development of the City according to applicable strategic plans, codes, ordinances, and laws.

---

Department Description: The Community Development Department is responsible for the preparation and review of short and long-range plans pertaining to the physical development of the City and the three-mile area adjacent to the City limits and which lies within Washington County. This department is also responsible for CDBG grant administration, floodplain management and hazard mitigation planning, airport planning, and the administration and enforcement of institutional controls for soil excavation activities within the National Zinc Overlay District.

---

- 2024 Accomplishments:
- Improved public engagement: The division has implemented strategies to improve public engagement and outreach. This has increased community involvement in the planning process
  - Increased economic development: The division has worked with other organization to help promote economic development in the community by identifying key areas for growth
  - Stronger partnerships: The division has established strong partnerships with other City departments, regional planning organizations, and community stakeholders to leverage resources and expertise and to promote coordinated planning efforts. These partnerships have resulted in more effective planning and a greater impact on the community
-

## 2024-25 Operating Budget

### General Fund – Community Development – Summary (continued)

**2025 Objectives:**

- **Comprehensive Plan Update:** The Planning Division will focus on updating the comprehensive plan for the community. This will involve gathering input from community members and stakeholders, identifying areas for growth and improvement, and developing strategies to promote sustainable development, economic growth, and quality of life
- **311 Software Implementation:** The Special Projects Division will work on implementing a new 311 software system to improve communication and service delivery to residents. This will involve identifying the needs and preferences of the community, selecting a software provider, and designing a system that is user-friendly and effective
- **Housing Stock Analysis:** The Planning Division will conduct an analysis of the community's housing stock to identify gaps and opportunities for improvement. This will involve collecting data on housing affordability, accessibility, and quality, and developing strategies to promote the development of affordable and accessible housing
- **Special Project Planning:** The Special Projects Division will identify and plan for new projects that support the goals of the department and community. This may include developing new initiatives to promote economic development, improve transportation infrastructure, or enhance public spaces

**Budget Highlights:**

The major budgeted expenditures for the Community Development department are personnel costs and the City's portion of the CityRide payment.

General Fund – Engineering – Summary

Department Mission: To maintain infrastructure records of the City. To provide engineering support including planning, project design, management, land survey, construction inspection, and geographic information services to all departments. To assist with short- and long-term capital improvement planning and implementation.

---

Department Description: The Engineering department prepares, plans, and performs construction inspection services for public improvements. It is also responsible for traffic engineering services, capital improvements, storm water management, including compliance with NPDES Phase II requirements, right of way and easement closings, and the preparation, update, and maintenance of all city-related maps and associated records, including the in-house geographic information system (GIS) and public access to the GIS system through the City's web.

---

- 2024 Accomplishments:
- Maintained GIS website information, which averages 14,000 hits per month
  - Managed floodplain development and drainage complaints
  - Had 40% of Capital projects planned for FY 23-24 out for bids, under construction, or completed
  - Managed the traffic calming program
-

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 General Fund – Engineering – Summary  
 (continued)

2025 Objectives:

- Continue to support other departments and infrastructure projects with engineering design, surveys, and project management
- Have 80% of the current Capital projects out for bid or under construction within the fiscal year they are approved

Budget Highlights:

The major budgeted expenditures for the Engineering department are personnel costs and professional consulting services.

 General Fund – Fleet Maintenance – Summary

Department Mission: To maintain all City vehicles to help extend their lives and reduce down time. To execute prompt repairs and maintenance on all City vehicles in a most cost effective manner.

Department Description: The Municipal Garage is the service facility of the City which is responsible for the repair and maintenance of City vehicles and all mechanical equipment. It provides regular preventive maintenance service, stocks and delivers fuel and lubrication products, keeps records on all vehicles and equipment and maintains parts inventories. This Department provides support for other operating departments of the City.

- 2024 Accomplishments:
- Provided maintenance and repairs for all fleet vehicles and equipment
  - Purchased new diagnostic software
  - Purchased fleet vehicles for annual fleet replacement program

- 2025 Objectives:
- Provide service to all city departments in an efficient and professional manner
  - Continue to look for ways to improve customer service
  - Implement new fleet management software

Budget Highlights: The major budgeted expenditures for the Fleet Maintenance department are personnel costs and repair parts.

## **2024-25 Operating Budget General Fund – Fire – Summary**

**Department Mission:** To provide fire prevention, fire suppression, other fire related services, first responder emergency medical services, and hazardous materials incident control to the City and surrounding areas in a timely manner.

---

**Department Description:** The Fire Department is engaged in the prevention and suppression of fires for the City. It also provides emergency medical service for life threatening situations and responds to hazardous materials incidents. The Department conducts fire code inspections and investigates suspicious fires in cooperation with the Police Department. It serves the immediate surrounding rural area on a fee basis and assists other nearby fire departments on request for mutual aid.

---

- 2024 Accomplishments:**
- Purchased new Fire apparatus and equipment to replace Engine 4
  - NFPA recognized Fire Command training
- 

- 2025 Objectives:**
- Implement monthly all chiefs meeting
  - Implement quarterly captain meeting
  - Increase in-house training
-

2024-25 Operating Budget  
General Fund – Police – Summary

Department Mission: To protect and serve the citizens of Bartlesville through crime prevention, investigation, law enforcement, and detention of prisoners.

---

Department Description: The Police department’s primary functions are crime prevention and suppression, investigation of criminal activity, recovery of property and apprehension of offenders. Patrol activity is used for crime prevention and enforcement of traffic and other ordinances of the City. The Department operates a Criminal Investigation Division, Patrol Division, Service Division, Community Policing Division, parking enforcement, records and identification, animal control, and a detention facility.

---

- 2024 Accomplishments:
- Continued Citizen Police Academy
  - Obtained stand-alone police sub-station with Tri-County Tech
  - Began fire range upgrade
-

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 General Fund – Police – Summary  
 (continued)

2025 Objectives:

- Continue Citizen Police Academy
- Continue to recruit and train potential police reserve officers and police explorer cadets
- Explore computer/internet upgrades at the sub-station

Budget Highlights:

The major budgeted expenditures for the Police department are personnel costs (which make up 85% of the Police department’s non-capital budget), repair and maintenance services, fuel expense, and replacement vehicles.

 General Fund – Street – Summary

Department Mission: To develop, expand, and maintain the street system for the City in accordance with long range plans and to meet unanticipated short-term needs.

Department Description: The Street department is responsible for the maintenance of the City’s streets, bridges, drainage structures, traffic signs, and signals. In order to keep streets drivable, the department patches potholes, maintains ditches and drainage ways, and maintains signs, signals, and traffic markings in accordance with traffic safety standards.

- 2024 Accomplishments:
- Continued street sign replacement program
  - Stabilized creek channel at Adams Golf Course
  - Constructed pad for park signage

- 2025 Objectives:
- Complete annual street overlays
  - Perform annual traffic signal maintenance checks
  - Restripe school zones and arterial streets
  - Maintain City storm drainage system

Budget Highlights: The major budgeted expenditures for the Street department are personnel costs, maintenance and repair services, and utility costs.

 General Fund – Park and Recreation – Summary

Department Mission: To beautify and maintain the City’s parks, rights-of-way, lakes and public areas. To reforest the City and control the mosquito population.

Department Description: The Park and Recreation department is responsible for the maintenance of Pathfinder Parkway, Hudson Lake, and all City parks and playgrounds, as well as the mowing of all rights-of-way. It is also responsible for the Bartlesville Tree Program, which has the goal of reforestation of our street rights-of-way, parks and public areas. Mosquito control is also the responsibility of this department.

- 2024 Accomplishments:
- Maintained City right of ways, parks, and properties
  - Mowed and maintained sports and athletic fields
  - Installed irrigation for trees at Douglas Park
  - Performed routine spraying for mosquito control
  - Performed annual tree maintenance program

- 2025 Objectives:
- Maintain and clean park restrooms and facilities
  - Operate and maintain City irrigation systems
  - Continue operation of a mosquito control program for public safety

Budget Highlights: The major budgeted expenditures for the Park and Recreation department are personnel costs, utilities, maintenance and repair services, supplies, and a replacement tractor.

 Economic Development Fund – Summary

Fund Mission: To stimulate local economic development through the use of incentives and dissemination of favorable information about the local economy and culture.

Fund Description: The Economic Development Fund was established in 1986 when the City determined that a sustained effort was necessary to stimulate and grow the local economy in light of many ups and downs related to the City’s dependence upon the oil and gas industry. It is funded by a ¼% sales tax and a 2% Hotel Tax.

2024 Accomplishments: • N/A

2025 Objectives: • N/A

Budget Highlights: The major budgeted expenditure in this fund is for the City’s economic development contract with the Bartlesville Development Authority (BDA). Other amounts in this fund are available to the BDA for various economic projects with Council approval.

## 2024-25 Operating Budget

### E-911 Fund – Summary

**Fund Mission:** To offer an enhanced E-911 service to the City of Bartlesville and surrounding areas providing dispatch assistance and coordination to all public safety entities in the area.

**Fund Description:** The E-911 Fund is financed by the levy of a monthly 5% fee on the landline telephone customers within Bartlesville, Dewey, and other Washington County telephone customers as well as Bartlesville/Washington County’s portion of the statewide \$0.75 per line per month fee on all cellular services. The Bartlesville Police Department is the agency that operates the E-911 Dispatch Center for these jurisdictions.

- 2024 Accomplishments:**
- Provided Virtual Academy training
  - Worked with Tri-County Tech staff for E911/Dispatcher training program and possible simulator attainment
  - Installed new radio consoles

- 2025 Objectives:**
- Certify some dispatch staff as Emergency Medical Dispatchers
  - CPR certification for dispatch staff
  - Implement E911/Dispatch training program and possible simulator attainment at Tri-County Tech

**Budget Highlights:** The transfer from the General Fund is to assist in paying E-911 dispatching costs. Major expenditures include personnel costs and utilities.

 Harshfield Library Donation Fund – Summary

**Fund Mission:** To provide support to the Bartlesville Public Library for items that are beyond the limits of the Library’s operating budget. Funds are to be used as a supplement to, but not a replacement for City provided revenue.

**Fund Description:** This fund was established to provide additional support for the operation of the Bartlesville Public Library through the Harshfield Library Donation. Funds will be used:

- To ensure Library programming including author visits and/or speakers of educational or literacy interest, and related expenses
- Provide additional resources not provided through the annual disbursements by the City, the Library Trust Authority, State Aid through ODL, or outside granting agencies
- Provide for extraordinary purchases

**2024 Accomplishments:**

- Installed two new Hush rooms
- Started staff kitchen update

**2025 Objectives:**

- Complete renovation of Reference Area
- Update aging motorized window shades

**Budget Highlights:** Advertising, speaker fees, video conferencing fees, supplies for events, library enhancement and rental fees.

 Restricted Revenue Fund – Summary

Fund Mission: To accept restricted use revenues on behalf of operating departments and track the expenditures of these restricted funds.

Fund Description: The Restricted Revenue fund was established several years ago to receive and disburse funds the City receives with specific purposes attached as a condition and for accounting for certain grant funds.

2024 Accomplishments: • Purchased additional equipment deemed necessary for Operations Division, Criminal Investigations Division, and Training Division & Administration at the Police Department

2025 Objectives: • Purchase additional equipment deemed necessary for Operations Division, Criminal Investigations Division, and Training Division & Administration at the Police Department

Budget Highlights: The major budgeted expenditures in this fund include equipment for the Fire and Police departments, street improvements, the Centennial Plaza project in the Park and Recreation department, and renovations to Veteran’s Park and Frontier Pool.

 Golf Course Memorial Fund – Summary

Fund Mission: To receive donations and other golf revenues that are restricted for the purpose of golf course improvements and to account for the expenditure of such funds.

Fund Description: The Golf Course Memorial fund was established when members of the Adams Golf Club requested it so that gifts could be made to the Golf Course for purposes of improving it. They wanted to assure that the intended improvements were made and that the money would not be used for everyday operations.

- 2024 Accomplishments:
- Raised \$40,000 for greens renovations
  - Improved irrigation heads to conserve water

- 2025 Objectives:
- Raise \$30,000 for Course improvements

Budget Highlights: The major budgeted expenditures in this fund are for maintenance, repairs, and a transfer to the Bond Financing fund. The transfer to the Bond Financing Fund is to reimburse that fund for an advance, which enabled the balance of the renovation project to be completed in a single phase rather than phased over several years. As of July 1, 2006, the balance owed to the Bond Financing Fund is \$63,000. This amount will be paid back over a few years by revenue generated from a \$1.00 per round assessment on green fees and memberships.

## 2024-25 Operating Budget

### JAG Fund – Summary

Fund Mission: To provide for the receipt of LLEBG and JAG grant funds and to account for the expenditure of such funds.

Fund Description: The JAG Fund was established originally to account for the receipt and disbursement of Police grant funds associated with the Local Law Enforcement Block Grant (LLEBG). The LLEBG was discontinued and replaced by the Police JAG grant. It is anticipated that the JAG grant will also be discontinued in the near future. After the final JAG funds have been received and spent, this fund will be closed.

2024 Accomplishments: • N/A

2025 Objectives: • N/A

Budget Highlights: The only budgeted expenditure in this fund is for Police department general supplies.

 Cemetery Perpetual Care Fund – Summary

Fund Mission: To expand and improve the City owned White Rose Cemetery utilizing State mandated funds and all accrued earnings.

Fund Description: The Cemetery Perpetual Care fund is mandated by State Law for operators of cemeteries. A portion of each lot sale and interment income is required to be deposited in the fund. Principal may only be used for capital improvements to the cemetery and for purchase of land. Interest and other income may be used for operations.

2024 Accomplishments: • No projects were scheduled for this budget year

2025 Objectives: • No projects are scheduled for this budget year

Budget Highlights: The only budgeted expenditures for this fund are for various improvements to the cemetery.

## **2024-25 Operating Budget Debt Service Fund – Summary**

Fund Mission: N/A

---

Fund Description: The Debt Service Fund was established in accordance with State law to satisfy the requirement that all ad valorem property taxes levied for the purposes of meeting debt service requirements on general obligation debt and paying court ordered judgments be deposited into a sinking fund.

---

2024 Accomplishments: N/A

---

2025 Objectives: N/A

---

Budget Highlights: This fund pays for the debt service principal and interest requirements on all outstanding general obligation debt, court ordered judgments, and administrative fees. The only sources of revenue in this fund are ad valorem taxes and a transfer from the Bond Financing Fund to help hold property tax levels below 15 mills.

## 2024-25 Operating Budget

### CIP Sales Tax Fund– Summary

Fund Mission: N/A

---

Fund Description: The CIP – Sales Tax Fund accounts for revenues and expenditures associated with a 1/2 cent sales tax issue that was first passed in 1999 and extended in 2003.

---

- 2024 Accomplishments:
- Updated pavement condition model and selected preventative maintenance street projects
  - Completed design and advertised bids for the City Hall Security and Energy Efficient Upgrades project
  - Completed design of the Oak Park Basketball Courts
  - Replace the cooling tower and repaired the roof at City Hall
- 

- 2025 Objectives:
- Complete the City Hall Security and Energy Efficient Upgrades project
  - Design and completed the construction on the Downtown Landscaping project
  - Advertise, bid, and begin construction on the Sunset Pedestrian Bridge project
- 

Budget Highlights: The major expenditures in this fund are capital improvements.

 CIP Wastewater Fund– Summary

Fund Mission: N/A

Fund Description: The CIP – Wastewater Fund was established to account for the 1998 General Obligation Bond funds that were dedicated to wastewater system improvements. It has since received funds from the 2001, 2002, and 2003 General Obligation Bond issues. The remainder of these funds and the continued receipt of sewer impact fees will be used for continued wastewater system capital improvements.

- 2024 Accomplishments:
- Completed the Sludge Injection Unit project
  - Replaced the generator at the Virginia Lift Station

- 2025 Objectives:
- Replace the Polaris Lift station pumps
  - Replace the Limestone Lift station control panel

Budget Highlights: The major expenditures in this fund are capital improvements and professional services for the wastewater collection and treatment system.

 CIP Wastewater Regulatory Fund – Summary

Fund Mission: N/A

Fund Description: The CIP Wastewater Regulatory Fund was established for purpose of capturing the wastewater capital investment fee. These funds are restricted for use in complying with ODEQ/EPA mandates, consent orders, decrees, and other standards in the City’s wastewater infrastructure.

2024 Accomplishments: 

- Replaced the grating over process units at the WWTP

2025 Objectives: 

- Replace the FEB liner at the Tuxedo Lift station
- Replace the Nebraska Lift station generator
- Design and evaluation of improvement to the Turkey Creek 36” sewer line

Budget Highlights: The major expenditures in this fund are capital improvements, including planning and engineering related costs, for capital improvements to City owned wastewater facilities.

## 2024-25 Operating Budget CIP City Hall Fund– Summary

Fund Mission: N/A

Fund Description: The CIP City Hall Fund was established for purpose of capturing the fourth-floor rental revenue. These funds are restricted for building improvements at City Hall.

2024 Accomplishments: 

- Sent out bid packets for City Hall HVAC control retrofit project

2025 Objectives: 

- Bid and complete the City Hall HVAC control retrofit project
- Continue to identify and complete minor City Hall improvements

Budget Highlights: The major expenditures in this fund are building improvements, including the first-floor remodel and ergonomic improvements to the customer service division of the Accounting and Finance Department.

## **2024-25 Operating Budget**

### **Wastewater Operating Fund – Wastewater Treatment Plant – Summary**

Department Mission: To protect the health and quality of living of the citizens of Bartlesville through sanitary collection and treatment of wastewater.

---

Department Description: The Chickasaw Wastewater Treatment Plant and 20 Sewage Lift Stations in the collection system are operated by a private contract with Veolia Water, Inc. The plant treats residential and industrial wastewater from the community. As required by the Oklahoma Pollution Discharge Elimination System (OPDES) Permit, waste sludge from the treatment process is disposed of through injection on agricultural land for beneficial use. Plant personnel also administer the Industrial Pre-treatment Program for the City.

---

- 2024 Accomplishments:
- The Chickasaw Wastewater Treatment Plant treated over 1.607 billion gallons of wastewater averaging 4.390 million gallons per day. The plant design flow is 7.0 million gallons per day
  - Land applied 6.87 million gallons of 3.20% biosolids, which equals 956.8 tons
  - Monitored four (4) Significant Industrial Users under the City of Bartlesville Industrial Pretreatment Program
  - Replaced flow meter at the parshall flume
  - Repaired bound up flocculator of the Tuxedo L/S FEB
  - Installed new channel monster in the RAW wetwell
  - Installed new sludge transfer pump
  - Installed new generator at the Walmart L/S

**CITY OF BARTLESVILLE**

2024-25 Operating Budget

Wastewater Operating Fund – Wastewater Treatment Plant – Summary  
(continued)

2025 Objectives:

- Continue operation of the Chickasaw Wastewater Treatment Plant and land application of biosolids to meet all state and federal regulations. No permit exceedances
- Install the new skid polymer scale
- Run wire and conduit for the pilot plant
- Install a reverse switch for the grit chamber channel monster
- Replace all eight 8” water jackets and O-rings in heat exchanger #2
- Install a new injection pump for Golf Course L/S generator

Budget Highlights:

The major expenditures in this department are the contract with Veolia Water, Inc. and replacement structures and equipment.

## **2024-25 Operating Budget**

### **Wastewater Operating Fund – Wastewater Maintenance – Summary**

Department Mission: To maintain the sanitary sewer system in a condition that prevents potentially harmful failures, and to perform emergency repairs in the event of such failures.

---

Department Description: The Wastewater Maintenance Department is responsible for maintenance of the sanitary sewer system, including force mains and collector lines. A majority of its work is preventative maintenance to remove tree roots, accumulations of grease and other materials in the system that cause sewer line blockages and sewer backups. Crews can also perform repairs to the lines when necessary.

---

2024 Accomplishments:

- Responded to 209 call outs, requested by residents when their private service line was backed up. Cleaned 52,512 feet of City sewer line upon request of residents
- Responded to 46 sewer main line backups
- Jet cleaned and jet sawed 210,793 feet of sanitary sewer line
- Completed Televised Inspection of 80,423 feet of sanitary sewer lines
- Capped 10 sewer services for demolished structures and raised 13 manholes
- Completed 86 main line point repairs and 3 full line rehabilitations

---

2025 Objectives:

- Utilize SL-RAT to inspect entire collection system
- Continue root control program, video inspection and smoke testing to identify both private side and main line defects for corrections
- Continue identifying leaking manholes and seal to reduce inflow and infiltration into sanitary sewer system

---

 Wastewater Operating Fund – Transfers – Summary

Department Mission: The Transfers department is not an operating department, and therefore has no mission.

Department Description: The Transfers department is used to account for transfers out to other funds. These activities are generally non-departmental, and therefore utilize this department.

2024 Accomplishments: N/A

2025 Objectives: N/A

Budget Highlights: The Wastewater Fund has three transfers. The transfer to the General Fund is for reimbursements of costs for operations of the utilities at the City of Bartlesville and are allocated using a cost accounting approach, the transfer to the Insurance Collision Fund is the Wastewater Fund’s portion of the amount necessary to provide continual funding for the Fund, and the transfer to the Stabilization Reserve Fund was set by ordinance.

2024-25 Operating Budget  
Water Operating Fund – Water Plant – Summary

Department Mission: To provide safe drinking water to the citizens of Bartlesville that complies with all applicable standards. To provide maintenance and repair to the water plant, pump stations, and water storage tanks to maintain appropriate water pressures throughout the system.

---

Department Description: The Water Treatment Plant is responsible for the supply and treatment of water delivered to the customers of the City of Bartlesville. This includes maintaining water quality to comply with Federal and State standards, performing various analyses on the raw water to determine the best treatment methods, monitoring the treatment process, and delivery of treated water into the distribution system. Operation of the pump stations and water storage tanks to maintain adequate pressure in the distribution system is also a responsibility of the Water Treatment Plant.

---

- 2024 Accomplishments:
- Treated over 1.7 billion gallons, averaging 4.8 million gallons per day
  - Completed renovation of Caney River Pump Station
  - Rebuilt valves at sludge drying beds
  - Replaced VFDs at Indiana pump station
- 

- 2025 Objectives:
- Continue to produce safe and reliable drinking water for the City and wholesale customers
  - Rebuild High Service Pump #2 at Water Plant
  - Rebuild Circle Mt. #2 pump
  - Rebuild 5 sludge drying beds
  - Complete replacement of the PLC units at Water Plant
-

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 Water Operating Fund – Water Plant – Summary  
 (continued)

Budget Highlights:            The major expenditures in this department are personnel costs, utilities to operate the water plant and pumping stations, and the chemicals necessary to treat the raw water. During the 2020 calendar year the plant treated 1,958,867,000 gallons of water for use by our customers.

## 2024-25 Operating Budget

### Water Operating Fund – Water Administration – Summary

Department Mission: To provide long-term focused planning and management for the City of Bartlesville’s water utility services.

---

Department Description: The Water Administration department provides the planning, management, and administration for the Water Plant, Water Distribution and Wastewater Maintenance Departments. Also provide contract oversight for the operation of the Chickasaw Wastewater Treatment Plant.

---

- 2024 Accomplishments:
- Completed construction on WW reuse pump station and pipeline
  - Completed pilot study of water reuse treatment at WWTP
  - Started a pilot study for water meter AMI manufacturers
  - Started implementation of a paperless system for work order and reporting for water and wastewater crews
- 

- 2025 Objectives:
- Begin engineering design of WW treatment plant expansion project
  - Implement a paperless system for work order receipt and reporting for service reps and crews
- 

Budget Highlights: The major expenditures in this department are personnel costs and utility costs.

## **2024-25 Operating Budget**

### **Water Operating Fund – Water Distribution – Summary**

Department Mission: To maintain and monitor the City’s water distribution system and to provide field services necessary for the operation and billing of the water utility system as a whole.

---

Department Description: The Water Distribution department is responsible for the maintenance and repair of the water distribution system of the City. It installs new service lines, constructs replacement lines and tests and repairs meters. It also conducts leak inspections, meter checks, connects and disconnects the City’s water customers, and reads water meters.

---

- 2024 Accomplishments:
- Repaired 90 water main breaks
  - Repaired 67 service line leaks
  - Installed 49 new water services
  - Completed 8,315 locate work orders
  - Achieved 95% reporting on water meters
  - Completed the flushing, of approximately 1600 fire hydrants
- 

- 2025 Objectives:
- Continue to monitor and replace water mains nearing the end of life
  - Complete the annual flushing and testing of fire hydrants
  - Continue maintenance of AMI system to achieve 95% reporting on water meters
-

 Water Operating Fund – Transfers – Summary

Department Mission: The Transfers department is not an operating department, and therefore has no mission.

Department Description: The Transfers department is used to account for transfers out to other funds. These activities are generally non-departmental, and therefore utilize this department.

2024 Accomplishments: N/A

2025 Objectives: N/A

Budget Highlights: The Water Fund has three transfers. The transfer to the General Fund is for reimbursements of costs for operations of the utilities at the City of Bartlesville and are allocated using a cost accounting approach, the transfer to the Insurance Collision Fund is the Water Fund’s portion of the amount necessary to provide continual funding for the Fund, and the transfer to the Stabilization Reserve Fund was set by ordinance.

 2024-25 Operating Budget  
 Sanitation Operating Fund – Sanitation – Summary

Department Mission: To provide solid waste removal and disposal services to all citizens of Bartlesville and to provide for litter removal and street sweeping for all major streets and right-of way.

Department Description: The Sanitation Department is responsible for collection and disposal for all solid waste generated within the City except for a small number of commercial customers serviced by private companies. The Department currently collects residential solid waste twice weekly and commercial solid waste from two to six times weekly, depending upon individual needs and the level of service desired. The Department also collects litter from the rights-of-way of major streets and residential and commercial alleys and is also responsible for street sweeping.

- 2024 Accomplishments:
- Provided routine residential and commercial refuse collection
  - Participated in annual hazardous waste disposal
  - Provided spring and fall yard waste collections
  - Continued annual residential customer coupon program

- 2025 Objectives:
- Continue to support and provide programs that promote a cleaner community
  - Perform street sweeping on a more consistent schedule
  - Improve the general maintenance of city owned commercial containers

Budget Highlights: The major expenditures in this department are personnel costs, land fill fees, and replacement of equipment and vehicles.

## 2024-25 Operating Budget

### Adams Municipal Golf Course Fund – Golf Course – Summary

Department Mission: To provide a top-quality public golf course at competitive rates with all of the features and benefits of a full-service golf facility.

Department Description: The Adams Municipal Golf Course is a full-service golf facility featuring an eighteen-hole course, driving range, pro shop, and cart rentals. The facility has a maintenance staff and a professional golf staff. Golf lessons and clinics are available to the public. This facility is operated by the City with the advice of the Adams Golf Course Operating Committee.

2024 Accomplishments: 

- Maintained Course during the drought

2025 Objectives: 

- Improve turf quality in fairways and roughs with tree removal
- Improve speed and consistency of greens

Budget Highlights: The major expenditures in this department are personnel costs and general supplies necessary to operate a Golf Course.

 2024-25 Operating Budget  
 Sooner Pool Fund – Swimming Pool – Summary

Department Mission: To provide citizens with affordable access to quality recreational swimming facilities at Sooner Pool.

Department Description: Sooner Pool is one of the two City-operated public swimming pools. Sooner Pool is an Olympic-sized pool located in Sooner Park.

- 2024 Accomplishments:
- Successfully negotiated a management agreement with the YMCA for the operation of Sooner Swimming Pool for the Summer 2024 season
  - Opened splash pad for the season

- 2025 Objectives:
- Continue to work with the YMCA to explore opportunities to maximize the public’s opportunities to use Sooner Swimming Pool and minimize the public cost of operation

Budget Highlights: The major budgeted expenditures for the Swimming Pools are personnel costs for temporary and part-time labor, concessions items, utilities, chemicals, supplies, maintenance, and repair services.

**CITY OF BARTLESVILLE**  
 2024-25 Operating Budget  
 Municipal Airport Fund – Airport – Summary

Department Mission: To provide and maintain a safe, secure, and efficient City owned and operated nation business Airport for General Aviation (GA) public use.

Department Description: The Airport Operations Dept. manages all of areas of Airport operations: airfield self-inspections, FBO management, fuel farm (ensuring adequate supply of on spec fuel), Airport hangar and space leases, winter operations, grounds keeping, planning airport development projects, interfacing with FAA and Nation Weather Service, maintenance of the facility in conjunction with other departments within the City, and safety plan oversight of on airport construction projects.

- 2024 Accomplishments:
- Hosted the inaugural “Back to Bartlesville” Regional Fly-In
  - FAA installed new data line from the RCO to Terminal E-closet
  - Worked with engineering consultants to design a 20 year plan

- 2025 Objectives:
- Host the 2<sup>nd</sup> Bartlesville Regional ‘Back to Bartlesville’ Fly-In
  - Collaborate with the BDA to develop a plan to construct a MRO hangar facility

Budget Highlights: The Major budget expenditures are for airport operations personnel, fuel inventory, utilities, and general expenses associated with maintenance of the airport facility.

Worker’s Compensation Fund– Summary

Fund Mission: N/A

---

Fund Description: The Worker’s Compensation Fund was established to account for the disbursement of funds to pay the City’s Worker’s compensation claims. The City is self-insured and holds no worker’s compensation policy, preferring to be “own-risk” insured.

---

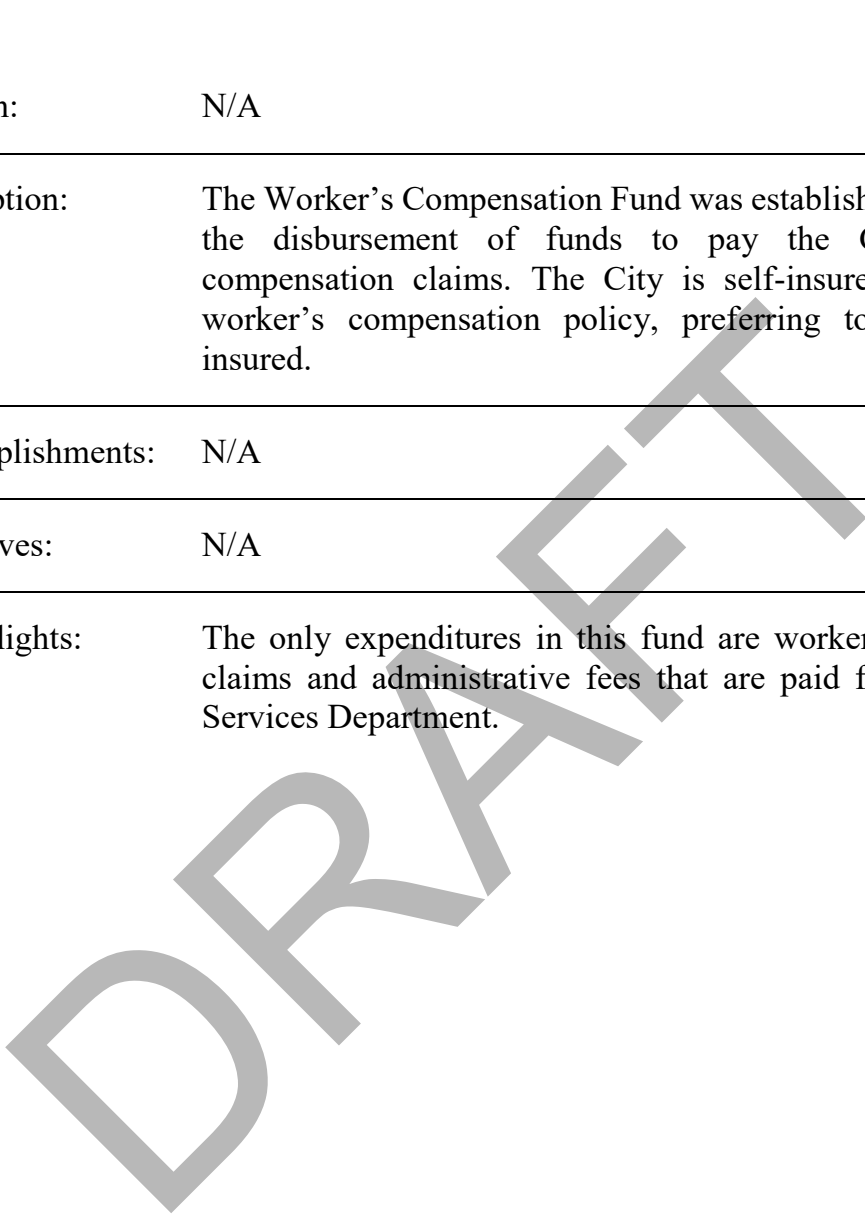

2024 Accomplishments: N/A

---

2025 Objectives: N/A

---

Budget Highlights: The only expenditures in this fund are worker’s compensation claims and administrative fees that are paid from the General Services Department.

2024-25 Operating Budget  
Health Insurance Fund– Summary

Fund Mission: N/A

---

Fund Description: The Health Insurance Fund was established to account for the receipt and disbursement of funds related to the City’s health insurance claims. The City is self-insured and holds only a stop loss health insurance policy that prevents individual claims from exceeding \$75,000.

---

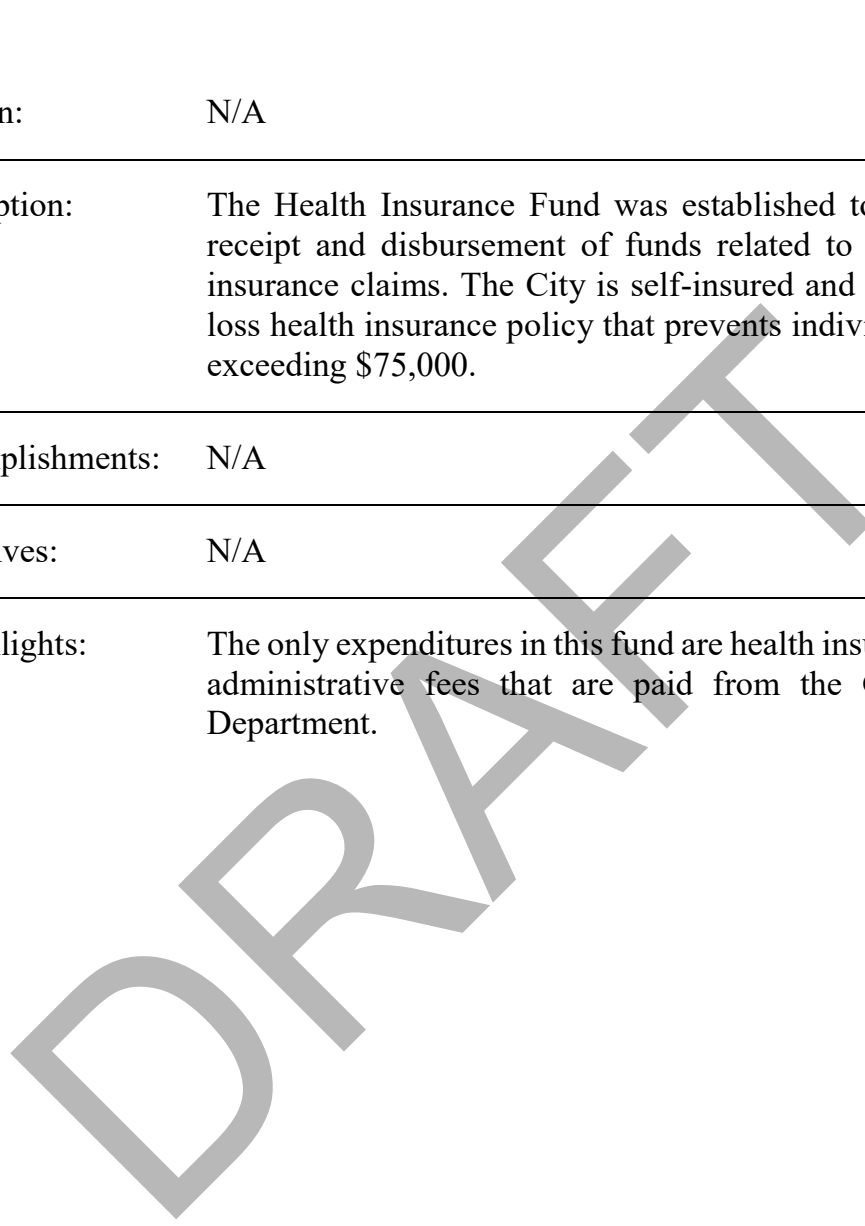

2024 Accomplishments: N/A

---

2025 Objectives: N/A

---

Budget Highlights: The only expenditures in this fund are health insurance claims and administrative fees that are paid from the General Services Department.

Auto Collision Insurance Fund– Summary

Fund Mission: N/A

---

Fund Description: The Auto Collision Fund was established to help mitigate the City’s self-insurance risk as it applies to automobile physical damage and collision. The City insures all vehicles for liability damage, and the City’s employees while operating the vehicles are covered by Worker’s Compensation Insurance. However, the City is “own risk” for purposes of auto collision and physical damage.

---

2024 Accomplishments: N/A

---

2025 Objectives: N/A

---

Budget Highlights: The only budgeted expenditures for this fund are for the payment of auto physical damage and collision claims.

Stabilization Reserve Fund– Summary

Fund Mission: N/A

---

Fund Description: The Stabilization Reserve Fund was established by an ordinance of the Council, which was adopted in fiscal year 2010-11. This ordinance was effective for all fiscal years beginning after July 1, 2011. This fund receives contributions from the operating funds in accordance with this ordinance and provides a means to account for these balances. All balances held in this fund are restricted in accordance with the enabling legislation.

---

2024 Accomplishments: N/A

---

2025 Objectives: N/A

---

Budget Highlights: This fund has no budgeted expenditures and all amounts held in this fund are restricted in accordance with the City’s Stabilization Reserve Fund ordinance.

Capital Reserve Fund– Summary

Fund Mission: N/A

---

Fund Description: The Capital Reserve Fund was established by an ordinance of the Council, which was adopted in fiscal year 2010-11. This ordinance was effective for all fiscal years beginning after July 1, 2011. However, the ordinance allowed a grace period for all funds that were required to participate, so that long-term capital plans may be formed prior to participation in this fund. This fund receives contributions from the operating funds in accordance with this ordinance and provides a means to account for these balances. All balances held in this fund are restricted in accordance with the enabling legislation.

---

2024 Accomplishments: N/A

---

2025 Objectives: N/A

---

Budget Highlights: This fund has no budgeted expenditures and all amounts held in this fund are restricted in accordance with the City’s Capital Reserve Fund ordinance.

 Mausoleum Endowment Fund – Summary

Fund Mission: To provide the appropriate level of fiduciary care relating to the investment and expenditure of the trust fund, and to provide for maintenance and improvement of the mausoleum.

Fund Description: The Mausoleum Endowment Fund was established to account for funds that were already on deposit for the care and improvement of the mausoleum when the City took possession of it.

2024 Accomplishments: • No projects were scheduled

2025 Objectives: • No projects are scheduled

Budget Highlights: The only budget expenditures in this fund are for miscellaneous improvements to the mausoleum.

 2024-25 Operating Budget  
 BMA Wastewater Fund – Summary

Fund Mission: N/A

Fund Description: The BMA – Wastewater Fund was established to provide for the issuance of debt secured by utility system revenues. The BMA Wastewater Operating department of this fund is used to provide for debt service payments on related wastewater improvement revenue bonds and other related finance and operating expenses.

2024 Accomplishments: N/A

2025 Objectives: N/A

Budget Highlights: The major expenditures in this fund are for debt service payments, bad debt write offs, and two transfers. The transfer to the BMA – Water Fund is to pay for the BMA – Wastewater Fund’s portion of a debt issue that was assumed by the BMA – Water Fund after four debt issues were refinanced into one loan. The transfer to the Wastewater Fund is to pay for the Wastewater Fund’s operating costs.

## 2024-25 Operating Budget BMA Water Fund – Summary

Fund Mission: N/A

Fund Description: The BMA – Water Fund was established to provide for the issuance of debt secured by utility system revenues. The BMA – Water Operating department of this fund is used to provide for debt service payments on related water improvement revenue bonds and other related finance and operating expenses. The BMA – Water Construction department of this fund is used to provide for construction expenses related to the new water plant and the water distribution system.

2024 Accomplishments: N/A

2025 Objectives: N/A

Budget Highlights: The major expenditures in this fund are debt service payments and transfers. The transfer to the Water Fund is to fund the operating costs of the water utility. The transfer to the Health Insurance Fund is to help fund the initial reserve required to become a self-insured entity.

## 2024-25 Operating Budget

### Glossary

**ACCRUAL BASIS ACCOUNTING** – basis used by most corporations and for-profit entities. This basis recognizes revenue when earned and expenditures when incurred. They are recorded at the end of an accounting period even though the cash has not been received or paid.

**AD VALOREM** – levy imposed on the value of property. This is most commonly imposed by counties, states, and municipalities on the value of real estate.

**AGENCY FUND** – holds assets in an agency capacity. The assets do not belong to the municipality but are being held for another entity.

**APPROPRIATION** – authorization of a governmental unit to spend money within specified restrictions such as amount, time period, and purpose.

**ASSESSMENT** – process of placing a value on property for the purpose of taxation; or the amount of the valuation arising from this process.

**ASSETS** – economic resource that is expected to provide benefits to an entity. An asset has three vital characteristics (1) future probable economic benefit; (2) control by the entity; and (3) results from a prior event or transaction. Assets are expressed in money or are convertible into money.

**BALANCE SHEET** – statement showing an entity's financial position at the end of an accounting period. This statement is also called a *Statement of Financial Position* for governmental type funds and a *Statement of Net Assets* for business type funds. It presents the entity's assets, liabilities, and equity. The balance sheet is useful to financial statement users because it indicates the resources of the entity and what it owes.

**BDA** – Bartlesville Development Authority

**BDC** – Bartlesville Development Corporation

**BLENDED COMPONENT UNIT** - component unit included in the municipality's financial statements that is presented as a fund of the municipality. (see also Component Unit, Discretely Presented Component Unit)

**BMA** – Bartlesville Municipal Authority

**BUDGET ADJUSTMENT** – a reallocation of budgetary resources within a fund or department after the adoption and implementation of the original budget. These adjustments only require the approval of a director or manager.

# ***CITY OF BARTLESVILLE***

## 2024-25 Operating Budget

### Glossary

(continued)

**BUDGET AMENDMENT** – an increase or decrease in the budget of a fund that is approved after the adoption and implementation of the original budget. These amendments must be approved by the governing body.

**BUDGET BASIS ACCOUNTING** – a basis of accounting used solely for budgetary preparation and monitoring. The budget basis used by a municipality is determined by each entity individually to suit their needs and usually differs from GAAP.

**CAPITAL ASSETS** – asset purchased for use over a long period of time and not for resale. It includes land, buildings, plant and equipment, etc...

**CAPITAL EXPENDITURE** – expenditure for capital outlay. These expenditures will either increase the value of an existing capital asset or create a new capital asset.

**CAPITAL PROJECTS FUND** – a fund that accounts for financial resources to be used for the acquisition or construction of capital assets.

**CASH BASIS ACCOUNTING** – method of accounting that recognizes revenue and expenditures when cash is received or disbursed not when earned or incurred.

**CIP** – Capital Improvement Project

**COMPENSATED ABSENCE RESERVE** – appropriated budget amount that is set aside for payment of accrued compensated absences. The City uses  $\frac{3}{4}$  of the accrued compensated absences as a guideline.

**COMPONENT UNIT** – entity that is included in the financial statements of a municipality even though the governing bodies differ. These could be public trusts or certain nonprofit corporations that benefit the municipality. These units can be presented as either blended or discrete. (see also Blended Component Unit, Discretely Presented Component Unit)

**CURRENT ASSET** – asset having a life of one year or less. Examples include cash, inventory, trade receivables, and prepaid expenses.

**CURRENT LIABILITY** – liability that will be settled within one year or less. Current liabilities should be payable from current assets or other current liabilities. Examples include accounts payable, short-term notes payable, and accrued expenses payable.

**DEBT SERVICE FUND** – fund used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

**DEPARTMENT** – operating unit of the City. Departments are organized within funds. Some departments can be further broken down into divisions.

# ***CITY OF BARTLESVILLE***

## 2024-25 Operating Budget

### Glossary

(continued)

**DISBURSEMENT** – payment by check or cash.

**DISCRETELY PRESENTED COMPONENT UNIT** – component unit that is presented on the face of the government wide financial statements as a completely separate entity from the general government. (see also Component Unit, Blended Component Unit)

**ENCUMBRANCES** – represent an unfilled obligation on contracts or purchase orders. The purpose of an encumbrance is to prevent multiple commitments from being made on the same budgeted resources. An encumbrance must be entered into the system to reserve a portion of the budgeted resources prior to committing to a contract or ordering the goods or services.

**ENTERPRISE FUND** – fund that provides services to the community for a fee. These funds follow accounting principles similar to a not-for-profit entity.

**EQUITY** – represents the difference between assets and liabilities. In governmental funds, equity is referred to as fund balance, but in business type funds, equity is referred to as net assets. (formula is “assets – liabilities = equity”) (see also Fund Balance, Net Assets)

**EXPENDABLE TRUST FUND** – a trust fund that can be fully spent for the designated purposes. (see also Fiduciary Fund, Expendable Trust Fund)

**EXPENDITURE** – payment of cash or property, or the issuance of a liability, to obtain an asset or service.

**FIDUCIARY FUND** – term used to describe a fund used by the government to act in a fiduciary capacity such as a trustee or agent. The government is responsible for the assets placed in its care. (see also Expendable Trust Fund)

**FISCAL YEAR** – consecutive twelve month period used by an entity to account for and report its business transactions. The City and most municipalities in the State of Oklahoma use June 30 as the last day of their fiscal year.

**FUND** – fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with associated liabilities and residual equities. Funds are segregated for the purpose of conducting specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

**GAAP** – Generally Accepted Accounting Principles. GAAP is a set of standards, conventions, and rules accountants follow in recording and summarizing transactions and in the preparation of the financial statements.

**GASB** – Governmental Accounting Standards Board. GASB is the highest authority in governmental accounting.

# ***CITY OF BARTLESVILLE***

## 2024-25 Operating Budget

### Glossary

(continued)

**GENERAL FUND** – fund used to account for all assets and liabilities of a government entity except those particularly assigned for other purposes in a more specialized fund. It is the primary operating fund of the government. Much of the usual activities of a government are supported by the general fund.

**GENERAL OBLIGATION BOND** – security whose payment is unconditionally promised by a governmental unit that has the power to levy taxes. General Obligation Bonds are back by the full faith and credit (taxing power) of a municipality.

**GOVERNMENTAL FUND** – describes all funds of the government except the for profit and loss funds (i.e. enterprise fund, internal service fund, agency fund, expendable trust fund). Examples of governmental funds include the general fund, special revenue funds, debt service fund, and capital projects funds.

**INFRASTRUCTURE** – long-lived capital assets that normally cannot be moved and can be preserved for a significantly greater number of years than most capital assets. Examples of infrastructure assets include roads, bridges, tunnels, drainage systems, water and sewer systems, dams and lighting systems. Buildings are not considered infrastructure assets, except those that are part of a network of infrastructure assets, such as a dam project.

**INTERNAL SERVICE FUND** – fund used to account for goods or services given from one department to another on a cost reimbursement basis.

**LEVY** – imposition or collection of an assessment of specific amount.

**LIABILITY** – amount payable in dollars for goods received or services rendered.

**MEASUREMENT FOCUS** – the accounting convention that determines (1) which assets and which liabilities are included on a government's balance sheet and where they are reported there, and (2) whether an operating statement presents information on the flow of financial resources (revenues and expenditures) or information on the flow of economic resources (revenues and expenses).

**MODIFIED ACCRUAL BASIS** – basis of accounting in which revenues are recognized when they are available and measurable. Expenditures are generally recognized when incurred.

**MODIFIED CASH BASIS** – basis of accounting that uses elements of both the cash and accrual bases of accounting.

**MUNICIPALITY** – a political unit, such as a city or town, incorporated for local self-government.

# ***CITY OF BARTLESVILLE***

## 2024-25 Operating Budget

### Glossary

(continued)

**NET INCOME** – revenue less all expenses.

**OCBOA** – Other Comprehensive Basis of Accounting. These are bases of accounting that are not in compliance with GAAP for the particular entity. Examples include budget basis and income tax basis.

**OPERATING RESERVE** – appropriated budget amount that is set aside for use in only the most extreme of emergencies. The City uses one month's operating expenditures as a reserve guideline.

**ORDINANCE** – A formal legislative enactment by the legislative body which, if not in conflict with any higher form of law, has the full force and effect of law within the boundaries of the municipality to which it applies. The difference between an ordinance and a resolution is that the latter requires less legal formality and has a lower legal status. Revenue raising measures, such as the imposition of taxes, special assessments and service charges, universally require ordinances.

**PROPRIETARY FUND** – type of fund that focuses on profit and loss similar to a business. The two types of proprietary funds are Enterprise Funds and Internal Service Funds.

**BUDGETED RESERVE** – amounts that are appropriated but not intended to be spent. Examples include operating reserve, severance reserve, compensated absence reserve, etc...

**RESOLUTION** – is a written motion adopted by a deliberative body. The substance of the resolution can be anything that can normally be proposed as a motion. For long or important motions, though, it is often better to have them written out so that discussion is easier or so that it can be distributed outside of the body after its adoption. Resolutions do not carry the weight of law.

**RESTRICTED DONATION** – donation that is restricted as to purpose or timing. An example would be a donation for a specific building project or a donation restricted to being spent in a future period.

**SEVERANCE RESERVE** – appropriated budget amount that is set aside to pay any severance amount specified in an employment contract.

**SPECIAL REVENUE FUND** – fund used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) that are legally restricted to expenditure for specified purposes.

**TRANSFER** – amounts paid from one fund to another.

DRAFT

*PAGE LEFT BLANK INTENTIONALLY*

## **I. SUBJECT, ATTACHMENTS, AND BACKGROUND**

Discuss the Capital Improvements Program (CIP) Budget for FY 2024-2025

Attachments:

RE: Draft Capital Budget Document

## **II. STAFF COMMENTS AND ANALYSIS**

In August of 2020, the citizens of Bartlesville voted to extend a one-half cent sales tax to finance capital improvements for a five year period. The authorizing ordinance stated that this sales tax is to be used for the making of capital improvements, to include, but not limited to “roads and streets, drainage improvements, water improvements, sewer improvements, machinery and equipment, furniture and fixtures, rights-of-way, all real property, all construction or reconstruction of buildings, appurtenances and improvements to real property and other costs and expenses related thereto.” A specific list of improvements which is to be financed from the proceeds of this tax, to the extent funds are available is attached hereto as Exhibit A. Projects shown in green were advertised for the election and make up 70% of the anticipated revenue generated through this sales tax. While the other projects, which were approved by Council, make up the remaining 30% of the funds.

The accounting staff has identified in the FY 2024-2025 Operating Budget for the Capital Improvement Project (CIP) Sales Tax Fund a \$4,713,853 budget for new projects. Carry over projects totaling \$4,675,044 include the committed capital funding for previous fiscal year projects that have not yet been completed. Staff has compiled a list of proposed FY 2024-2025 ½ cent sales tax capital improvement projects (CIP) totaling \$3,916,860 for Council consideration. CIP carry over and proposed projects are shown in Exhibit B. Highlighted projects are priority (70%) projects. These projects have been assembled from the list of voter approved projects as shown in the original 2020 ½ cent sales tax CIP included as Exhibit A.

In addition to allocating funds from the ½ cent sales tax revenue source, proposed carry over projects are summarized for the Wastewater Fund, City Hall Fund, and Storm Sewer Fund, as well as the 2019A, 2019B, 2021A, 2022 and 2023 General Obligation Bond funds which are shown in Exhibit C. Staff is recommending proposed projects for the Wastewater Fund, Wastewater Regulatory Fund and City Hall Fund, as well as the 2018B General Obligation Bond Fund, shown in Exhibit D. Finally, staff is also recommending carry over and proposed projects for the Capital Reserve Fund which are shown in Exhibits E and F, respectively.

## **III. RECOMMENDED ACTION**

Staff requests Council consideration of the proposed FY 2024-2025 Capital Improvement Budget at its special meeting on April 15<sup>th</sup>.
